If we could have raised her dying head,
Or heard her last farewell,
The grief would not have been so hard,
For those who loved her well.

Friends may think we oft forget her,
When at times they see us smile;
But they little know the sorrow,
Which that smile hides all the while.

Many a sigh was heard that day,
And many tears did fall;
She was not loved by friends alone,
But by her neighbors all.

A while she lived our hearts to cheer,
And bless us with her love,
But now she dwells in yon bright sphere,
Midst angel hosts above.

Then dear sisters, do not grieve so,
When you know she's better far;
She is shining now in glory
Like the bright and morning star.

Brothers, you have lost a loved one,
The first of the circle dear
May she guide you all to heaven
To meet your sister there.

Then try to wipe away those tears,
And try to weep no more;
For God knows best, He took her home
Where parting is no more.

Her lonely Mother, Brothers and Sisters.

IN MEMORIAM.

KEYS—In loving memory of my dear father, the late James Keys, who died on December 5th, 1917:—

Two years have passed since that sad day,
The father we loved was called away;
God took him home, it was His will,
But in our hearts he liveth still.

This day brings back our memories fresh,
Of our dear father, who has gone to rest;
There is no link death cannot sever,
Love and remembrance last forever.

Yes, he is gone, but not forgotten,
Never shall his memory fade;
Sweetest thoughts will ever linger,
Around the grave where he is laid.

Sadly mourned by his daughter, Annie German, 11 Osler Ave., Toronto, Ont.

CONSTIPATION AND HEADACHES

Completely Relieved by this Grand Fruit Medicine, "FRUIT-A-TIVES"

MR. ALFRED DUBOISSEAU

482 St. Catherine St. E., Montreal.

"For three years, I was *a terrible sufferer from Indigestion, constant Headaches and Constipation.* I took various medicines for the trouble but nothing seemed to do me any good.

Then, a friend advised me to try *'Fruit-a-tives'*. Now I am free of Indigestion and Headaches, the Constipation is cured, and I have gained considerable weight; and my general health is fine.

'Fruit-a-tives' is a grand medicine and I cannot say enough in its favor."

ALFRED DUBOISSEAU.

'Fruit-a-tives' are made from fruit juices and valuable tonics—and are pleasant to take, their action being gentle and mild, yet always most effective.

50c. a box, 6 for $2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

ALMOST A WHOLE FAMILY PERISH.

Two sisters, sole survivors of a once happy family, greeted us pleasantly, as we visited in a sunny ward at the Muskoka Free Hospital.

The mother and several other members of the family had died of consumption, and the plague had marked these two girls also for its own; but fortunately they were found in time.

One of them said: "I feel the Hospital has done me a great deal of good; everything is lovely, and I like it awful well." The other: "I have gained twelve pounds, and think I will be able to go home for good in six months."

Such is the work of the Muskoka Free Hospital for Consumptives. Thousands of grateful patients can testify to the help they have received therein. It costs a great deal of money to carry on the work. Will you help?

Contributions may be sent to Sir William Gage, 84 Spadina avenue, or George A. Reid, 223 College street, Toronto.

A BROADWAY BLAZE

Fire was discovered in the interior of Mr. A. A. Hughson's law office about six o'clock on Tuesday evening. Fortunately the flames had not gained any great headway when the fire brigade arrived and the firemen were able to put out the fire with a chemical extinguisher aided by a few pails of water. Had the fire not been noticed for another ten minutes it might easily have developed into a serious conflagration on account of its situation and the high wind, which would have added greatly to the difficulty of getting the blaze under control. The fire started from some ashes, which Geo. Fludder, the caretaker of the premises, had placed in a small storeroom off the law office. The partition separating this room from the office was pretty badly charred and will have to be removed or rebuilt. Mr. Hughson suffered perhaps $50 damage from the smoke and fire. Fortunately his fine law library escaped any damage. The front windows were broken and the rooms will have to be repapered and repainted. The repairs will cost Mr. E. Still, the owner of the building in the neighborhood of $300. The stock in the Orangeville Fair directly below Mr. Hughson's office was slightly damaged by fire and water. We understand that the affected parties are all protected by insurance. Mr. Hughson and his stenographer, Miss Budd, had both gone home about five o'clock.

McKitrick on Tuesday night Miss Ruby McGillivray was presented with a buitiful casserole and Miss Ruby Wilcox with a dainty French ivory clock. The two young ladies, who are members of the Public School teaching staff, are leaving town shortly.

Mr. and Mrs. W. J. McPherson, for many years residents of Tarbert district, were pleasantly remembered by their old friends before leaving to live in Grand Valley. Mrs. John Cunningham read a suitable address and Mrs. Eli Newson and Mrs. James Cunningham presented Mr. and Mrs. McPherson with a pair of comfortable chairs.

G. W. V. A. NOTES

The Dance at the Queen's Hotel last Wednesday night was a very pleasant event. There was a large attendance of guests. The ladies were charming, their dresses were beautiful, the music was excellent, the supper was all that could be desired, and the members of the Committee were assiduous in their attention to the welfare of their guests. The thanks of the Association are particularly due to Miss Bennett, who so kindly placed the hotel at their disposal, to the lady patronesses for their presence and invaluable aid and to all who contributed in other ways to the success of the affair.

The members regret very much that owing to the limited space available it was impossible to invite all their friends, or to make the occasion a general At Home. The Dance, however, was only intended for those, whom they thought would be specially interested in that form of recreation, and not in any sense to take the place of the At Home, which they purpose holding later and which they hope to extend to a much wider circle of friends.

On Thursday last the Club was presented with a handsome Pathephone, the gift of the Women's War Auxiliary. The presentation was made by a Committee consisting of Mesdames Fisher, Aiken, Campbell and Miss Bennett. An address was also read by Miss Bennett, which was responded to by the President. A motion was unanimously carried thanking the ladies very heartily for their most appreciated gift.

ST. MARK'S 50TH ANNIV'Y.

St. Mark's Church was opened just fifty years ago. There will be special anniversary services on Sunday next, Dec. 21st, to commemorate the event. The Rev. Prof. E. A. McIntyre, M.A., B.D., of St. Paul's Church, Toronto, and Wycliffe College, will be the preacher at both services. There will be appropriate music both morning and evening. All are cordially invited.

HOSPITAL NOTES.

The Committee in charge of making Christmas preparations at the Hospital would be very glad to receive small Christmas trees suitable for placing on tables in the different rooms. Seven in number are needed and are to be utilized in helping to promote Christmas cheer and homelikeness.

Some of the members of the Choral Society have very kindly offered to provide music at the Hospital on Christmas morning. Let us all, at this season of the year, assist in every possible way to make cheerful our Hospital, which is doing so much good the year around.

The yearly donation of $25 from The Bank of Commerce has been received and is gratefully acknowledged.

The Daughters are very grateful to the Boy Scouts, who worked so faithfully in collecting the tin cans. They are also grateful to those who saved cans and had them ready for the boys. These are being stored for the present and when a carload has been collected they will be sold.

BERTHA WOODS.

After a lingering illness borne with Christian patience Bertha Woods, daughter of Mr. and Mrs. R. J. Woods of the Gravel Road, Melancthon, passed peacefully to the spirit world on Sunday morning. Until two or three weeks ago there were some hopes of her recovery. The sorrowing parents, three brothers and two sisters are left to mourn the loss of their loved one who was of an affectionate and trustful disposition. Bertha was a favorite companion among her associates. An unusually large crowd attended the funeral on Tuesday and paid the last sad tribute of respect to the departed. Service was held in the Methodist Church, Dundalk, of which the deceased was an esteemed member. Rev. (Capt.) Andrews officiated, assisted by Rev. G. W. Rose and Rev. F. G. Stotesbury, of Corbetton. The following message for the young people was given to her pastor: "Jesus, precious Jesus; tell them to follow Jesus and to meet me in heaven." The casket was covered with beautiful floral tokens of affection. Interment was made in Dundalk Cemetery. The following were pallbearers: Omar Turney, Bert Lonsway, Harold Oldfield, Col. Oldfield, H. Dolmer, Glen Montgomery.—Dundalk Herald.

SINCE 1870 SHILOH 30 DROPS STOP COUGHS

CHESLEY WOMAN NEARLY DROWNED

Miss Forrest Fell into Well and Was in the Icy Water for Twenty Minutes Before Rescued.

On Monday evening about eight o'clock Miss Madge Forrest, who is a tailoress in' Murphy's tailor shop and boards with Mr. and Mrs. C. C. Simpson, had a miraculous escape from being drowned. There is an unused and unfilled well about 16 feet deep near the house and the covering on it has become rotten. Miss Forrest walked over the top of the well to hang some clothes on a line when the covering broke and she was precipitated into the well in which there was enough water to drown a person. There is the old log of a pump in the partially-filled well and Miss Forrest clung to this with desperation, the water reaching almost to her mouth. Mrs. Simpson heard the cries of the girl outside but mistook them for other noises and did not go out until she heard her name called. Mrs. Simpson was unable to pull Miss Forrest out of the well and ran over to Geneva church school-room were a Young People's meeting was in progress and soon Rev. J. A. Tuer, Dr. Biehn, Alf. Fiddis, Wm. English and F. W. Millhouse were on the scene and two of them reached down and pulled her from her terrible position, and none too soon for she could not have held on much longer. Miss Forrest was soon stripped of her wet clothing, wrapped in warm blankets and has almost recovered from the shock of being about 20 minutes in ice cold water and hanging onto a log of a pump with desperation till help came. It is not necessary to go a long way from home to be in great danger as two on that corner can testify: Miss Forrest, who nearly perished by water and Mrs. McDonald, by fire.

MISS BROWNE HAD TO GIVE UP POSITION.

Was In A Badly Run Down Condition For Six Months—Tanlac Restores Her.

"Tanlac has helped me so much that it is a great pleasure to recommend it," said Miss Doris C. Browne, of 87 Glen Lake Ave., Toronto, Ont.

"I suffered from a nervous breakdown," she continued, "and for six months I was in a dreadful condition. My appetite failed, strength and energy left me and I was so nervous I could hardly keep still. I would have dizzy spells when I would almost faint. My condition was such that I had to give up my position and for several months I couldn't do any work at all. I could hardly sleep, lost several pounds in weight and became very despondent, for nothing helped me and I was getting worse all the time.

"Hearing so much about Tanlac I decided to try it and before I had finished my second bottle I was feeling so much better, that I kept right on taking it and have recovered entirely from the nervous breakdown. My appetite is fine, I sleep like a child and am in better health than I have been in years. I have regained all my lost weight and really feel as well as if I had never been sick at all."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

THE LATE THOS. HARRISON

We are again called upon to chronicle the death of an old and respected citizen of this community in the person of Mr. Thomas Harrison, who passed away at his late home, lot 18, 1st line, west, Caledon township, on Wednesday, December 17th, after an illness of six weeks. The late Mr. Harrison, who was in his 81st year, was a son of the late James Harrison and was born in a small village called Gambling Green, Yorkshire, England. He came to Canada with his parents in the year 1842, when a lad of three years of age. At that time it took six weeks to make the voyage across the Atlantic in a sailing vessel. The family settled in Toronto township, where they remained three years and then came to Caledon ,settling on the old Harrison homestead, lot 23, Centre Road. Naturally anxious to visit the land of his birth he returned to England in 1862 remaining there for three months. In the year 1866 the subject of our sketch married Miss Jane Danby, a daughter of the late Benjamin Danby. The young couple settled on lot 18, 1st line, west, Caledon, where they have since resided. The union was blessed with a family of six girls and three boys, all of whom survive to mourn the loss of a kind and loving father. The girls are Mrs. McDonald, Mrs. Dodds, Mrs. Foster and Mrs. McIntyre, all of Toronto, Mrs. Thompson, of Orangeville, and Miss Ada, at home. The sons are James and Ben, of Toronto, and Norman, on the homestead. William Harrison, of Brampton, and Mrs. Dick, of Toronto, are the only survivors of the brothers and sisters. The late George Harrison, of Orangeville, was a brother. The late Mr. Harrison was buried on Friday, Dec. 19th, to the Forest Lawn Cemetery, Orangeville, a fitting resting place for so many of Caledon's honored pioneers. The funeral services were conducted by Rev. S. R. Robinson, of Maple, and Rev. Jenkins Burkholder, of Caledon. The floral tributes from the family and friends were many and beautiful and were borne to the carriage by A. N. Adams and R. Scott. The pallbearers were six of the deceased's neighbors, Joseph Campbell, William Freebury, George Fines, Wm. Moffatt, Wm. Tribble and James Torrance.

As a young man Mr. Harrison was one of the most progressive men of his day. He was one of the main movers in the organization of the Caledon Agricultural Society and was a member of the Board of Directors for many years. He was for years one of the most extensive sheep breeders in the County of Peel. For many years his services were in great demand throughout the country as a judge of sheep. In religion the late Mr. Harrison was a Presbyterian and he was a regular attendant at Knox Church, Caledon, and also at the Sunday School, where he and the late Mrs. Harrison were both teachers. He is a man whose memory will be tenderly cherished by the people who knew him best.

There is no death; we fall asleep,
To waken where they never weep.
We close our eyes on pain and sin;
Our breath ebbs out, but life flows in.

H. S. COMMENCEMENT.

Large Audiences Hears Excellent Address by Prof. Coleman of Queen's University.

A large and deeply interested audience attended the High School Commencement Exercises in the Orangeville Opera House on Wednesday evening of last week. The students of course were out in full force and at intervals regaled the audience with a number of their class and school yells, which they served up in finished style. One of the important features of the programme was an address by Prof. Coleman, Dean of the Faculty of Education in Queen's University. The distinguished speaker is an old Dufferin County boy and a brilliant graduate of the Orangeville High School. This fact added very much to the interest that attached to his visit and deliverance. He proved a clever and entertaining speaker who experienced no difficulty whatever in gaining the goodwill of his audience at the outset of his speech and holding their undivided interest and attention until he had spoken his last sentence. His address was very appropriately on the subject, "Training for the New Citizenship." Space unfortunately will not permit more than a brief report of what was said.

Prof.. Coleman set out by defining the term "Citizen," which he said was a very old one and discussing the meanings the term has had at different times in the history of the world. From this he passed to the consideration of the general and prevailing tendencies exhibited in the history of the leading nations, modern as well as ancient. First in order of time and fundamental to all others has been the extension of the principle of democracy and the rise of submerged classes in the state. From slavery to serfdom, from serfdom to economic freedom, from economic freedom to political freedom, the vote, co-operation, collective bargaining, land distribution schemes and a voice in Parliament were stages in the long struggle for the uplift of the common people. What further stages there will be and where the road shall eventually lead are as yet matters of belief and hope rather than of knowledge. Alongside the political and industrial emancipation of the people went an emancipation of mankind in the realm of spirit. Two aspects of this latter were the gradual establishment of the principle of religious liberty and the spread of popular education. These have found their expression in the church and the school. In spite of their shortcomings, upon which historians and philosophers of a certain type have been wont to dwell with almost loving detail, these two institutions have been and still remain the twin pillars of our modern civilization. The achievements they have wrought are the surest evidence of the reality of human progress. Prof. Coleman stated in this connection that his study of the Bible and of human society had led him to quite different conclusions from those of certain dogmatic individuals, who seemed to be thoroughly convinced that the Church must necessarily suffer defeat in its warfare with the powers of evil and that the Almighty is going to wind up the universe as a bankrupt concern some fine morning in the near future.

Prof. Coleman noted the growing spirit of internationalism as a fourth general tendency in the spread of democracy. Ideas owed no national allegiance and recognized no tariff restrictions. This spirit of international ism was most strikingly exemplified in the missionary activities of the church, although it also found expression in practical matters such as postal and trade regulations, labor legislation and the more theoretical concerns of literature, philosophy and pure science. Some recent writers regarded this great body of international interests as constituting a great society, the germ, it might be, of a future world-state. This world state, despite the absence of definite external form, Prof. Coleman argued was already in existence.

Hence we had a new citizenship to make good for ourselves and those who follow after us. What did this new citizenship demand in terms of educational aims, educational organization and educational practice? In the first place it demands that we shall examine our whole educational fabric from top to bottom and in doing so call to our aid the educational wisdom of the whole world. In Ontario we have overlooked the fact that the whole spirit of education has changed since our system was launched, and the further fact that there has been an almost complete change in social and economic conditions. The speaker held that rural schools are not doing the work that they should do mainly because no single teacher can properly administer the enlarged curriculum of modern elementary education. A province-wide movement for consolidated schools pushed with all the energy of a winthe-war Victory Bond campaign was about twenty years overdue in Ontario at the present time. As regards the High Schools, we begin the High School course two years too late or carry the elementary school course two years too far, which involved certain very grave errors. One of these errors was the ignoring of the fact that at twelve years of age or thereabouts boys and girls are ready for the freedom and the new subject matter that the properly organized High School should provide. Again the boys and girls are kept from studying foreign languages until they pass the High School examination, in spite of the fact that they are often fit for the introductory work in these subjects and enjoy such work at least two years earlier.

Prof. Coleman thought it a matter of profound regret and of serious practical concern that Ontario has at the present time nothing in the way of a constructive educational policy which can be compared to the real achievements of Great Britain and the United States. It was desirable for reasons which he stated at some length that vocational schools should form part of our general educational system and that wherever possible vocational classes should be associated closely with the classes in non-vocational subjects. The speaker condemned the examination system as we have it in Ontario and asserted that it illustrated two cardinal defects of present day education. One was the unwholesome appeal to competitive instincts and the consequent absence of a sufficient incentive to co-operation and good-will, and the other the assumption that education is concerned chiefly with the intellect and only occasionally and indirectly with the emotions and the will. Prof. Coleman stated that if he were asked to say what he thought is the greatest evil in Ontario education at the present time he would be tempted to answer "The formal High School Entrance examination." It was an ordeal to which boys and girls should never be subjected. He hoped the time would speedily come when it would be relegated to the limbo, where lie all the cruelties that had been practiced in the noble name of education; throughout all the ages. The overwhelming emphasis upon the intellectual aspects of education was charged with the responsibility for the failure of so many schools to really touch the lives of their pupils. Human nature is incurably social and ideas are of value only as centres about which feelings, sentiments and aspirations may gather.

In conclusion Prof. Coleman outlined certain phases of educational policy, toward which he stated our past experience and present duty seemed to point. These were:—

A system of schools, vocational and general, for all the youth up to at least the age of 17 years.

A six year elementary school program leading as a matter of course under ordinary conditions to admission to a six year high school program.

The consolidation in large measure of our one-room country schools into graded schools, modern in structure, equipment, staff, and course of study.

Such alterations in our methods of examination, inspection, and departmental control as will enable teachers in increased numbers to teach and boys and girls in increasing numbers to learn with that freedom, joy and wholeheartedness of endeavor without which any genuine education is impossible.

The development of the social and co-operative spirit in the school-room so that boys and girls may learn to live by living while they learn.

The proper cultivation of the emotional and aesthetic elements in human nature—both by direct effort and by the unconscious influence of environment.

An effort to secure through our schools a patriotism in which national pride is fostered and national arrogance is discouraged, a patriotism which finds its meaning and its justification in the place which our nation can take along with all other nations in that common work to which peoples of all races and creeds and colors, of language and lineage are called and which we who believe in the divine revelation, speak of as the establishment on earth of the Kingdom of God.

The hearty thanks of the audience were tendered the speaker upon motion made by Mr. A. D. McKitrick and Dr. R. N. Kyles.

Rev. W. M. Morris, chairman of the High School Board ,made a most acceptable chairman, his humorous digressions being greatly relished by the students. A delightful musical programme was provided by the pupils of the school. The numbers were piano solos by Misses Margaret Meek and Edith Culligan, a piano duet by Miss Dorothea Browne and Mr. Graham Kearns, songs by Misses Margaret Rowan and Berniece Leighton, a couple of choruses by the pupils and a quartette by A. Macpherson, Will Porter, Will Henderson and George Bull. The artists were all warmly received and encores were quite the order of the evening. The accompanists were Misses Alberta Kearns, Ruth Shaw and Juanita Hannington.

An interesting feature of the programme was the presentation of diplomas and certificates to the successful candidates at the various examinations. The names of the students who were so honored, although not all were present to receive their honors, are:—

In a brief review of the work of the school Principal Hackett announced that plans were under consideration for the erection in some suitable place in the school of a tablet or other memorial to the students and former students who had made the great sacrifice in the recent war. One hundred and forty-four students and ex-students had seen service overseas. Of these seventeen had given up their lives and no less than thirteen had won military decorations for conspicuous service.

MERRY CHRISTMAS.

Amid the rush of holiday advertising and rush job work, The Banner pauses to wish all its readers a Merry Christmas and a bright and happy New Year. That the coming year may bring little of sorrow and much of real joy and happiness is our sincere wish. The shadow and sorrow of the Great War are passing away. Other troubles, difficulties and causes for grave anxieties have arisen since the war. It is a fitting time to express the hope that these will be composed during the year upon which we are shortly to enter and that the Canadian people will again be privileged to enjoy in full measure the blessings of contentment, happiness and prosperity. Meantime we feel we cannot do better than reiterate the wish expressed by little Tim in the familiar words, "And so, God bless us everyone."

PUBLIC SCHOOL CLOSING.

The Public School closed for the year 1919 last Friday afternoon. Each room held its closing exercises either alone or in company with one or more of its neighbors. A programme gotten up by the pupils themselves was put on, and then a general treat of candy, nuts and cake, and even in some cases coffee was distributed. A special feature in the Third and Fourth classes was the presentation of medals to the successful pupils in an essay writing competition on "Prevention of Fire," the medals being donated by the Ontario Fire Prevention League. The successful pupil in the Fourth book classes was Waneita Goodeve, and in the Third classes was Harvey White. The essays were read as part of the programme.

School re-opens on Monday, Jan. 5th. New pupils for the Primary class will not commence till Feb. 2nd, when there will be accommodation for fifteen.

DIED AT DETROIT.

The death occurred at her home, 363 Grand River avenue, Detroit, Mich., on Saturday last, Dec. 13th, of Jennie Linn, beloved wife of J. H. Attridge, of that place, formerly of Shelburne, after a short illness from pneumonia. Mr. and Mrs. Attridge left Shelburne about ten years ago and since that time have resided in various places in the hope of bettering the health of the deceased, who was a sufferer from asthma for upwards of 16 years. Deceased was a daughter of Mrs. J. Linn, of Orangeville, and besides her husband and mother, is survived by three brothers, Nat. and William of Orangeville, and Daniel, of Montreal. Her remains were brought to Orangeville for interment, the funeral being held to Forest Lawn cemetery on Monday afternoon. The sympathy of his many friends in this locality is extended to the bereaved husband in his sore affliction.—Free Press.

ST. ANDREW'S ANNIV'Y.

Rev. Major A. L. Burch, a former pastor of the church, was greeted by large and appreciative congregations at the anniversary services held in St. Andrew's Presbyterian church on Sunday. In the course of his morning service the minister referred with deep feeling to the happy relationships that had always existed between him and the people of St. Andrew's, which he stated was the first and the only church home that he had known. At the morning service Maj. Burch spoke to the children and the young people from the distinctively Christmas text, "Peace on Earth." In the evening he discussed religious, social and industrial problems in an impressive manner. He deplored the present day tendency to accept money values as the measure of success in life and expressed the fear that financial results were becoming the guage of success or failure even in the activities of the church. He emphasized with telling effect the smallness and narrowness of the life wholly occupied with worldly and financial concerns when contrasted with the life of the man or woman whose name was forever linked with some splendid achievement.

The song service by the choir under the leadership of Mrs. Jackson, with Miss Browne presiding at the organ, was of a very high order. Just before the close of the service Major Burch asked to be allowed to voice his appreciation of the excellent work of the choir. He stated that in the course of his work he heard many church choirs, but few that in the matter of volume and finished singing would surpass or even equal St. Andrew's choir. The song service included excellently rendered solos by Mrs. Jackson, Miss Gardner and Mr. E. C. Connep.

CALEDON.

The township council held its regular meeting in the Township Hall on, Monday, Dec. 15th. As this was the last meeting of the year a great deal of business was transacted. At the close of the meeting a resolution was moved by Councillor J. Kidd, seconded by Councillor W. J. Wilson, that the members of this Council wish to show their appreciation of the able manner in which the Reeve, S. Kannawin, presided over the deliberations of the Council during the year and also of the courtesy with which the Clerk and Treasurer treated the members of the Council in the discharge of their official duties. The Council then adjourned after which the members and officials were given a Dinner at the Sutton House by the Reeve. After everyone had done ample justice to the bounteous repast provided for the occasion, Clerk L. H. Willis was asked to take the chair. Mr. Willis acknowledged the honour in a brief speech and then called on all the members present to express their views. All responded to the invitation and in doing so expressed their esteem for the Reeve and their appreciation of the impartial and able manner in which he had conducted the business of the Council during the year. The speakers also expressed the wish that they would like to see Mr. Kannawin returned to the Reeve's chair for another term. In the course of his speech Mr. Kannawin expressed his thanks to the different members for the able assistance they had given him and stated that if he were re-elected he thought he would stand a good chance of getting the Wardenship of the County for 1920.

MONO MILLS.

Mr. John Hassard will take the topic at the Epworth League meeting on Tuesday evening, Dec. 30th. Subject, "Some Problems of the Ontario Government." Chairman, Mr. James Speers. Meeting will commence at 8 o'clock.

The Xmas Tree and Entertainment in connection with the Union Sunday School held on Friday evening last was very successful. Those who have worked so faithfully to train and prepare the pupils have their reward and the large crowd who were present thoroughly enjoyed the numbers as they were presented. Some of the numbers were well worth the price of admission. One of the drills entitled "The Reapers" was one of the finest ever seen on a platform in Mono Mills. Choruses and recitations and dialogues by the little people were all good. Singing by a Quartette composed of Rev. and Mrs. McCallum, Miss Clara Jones and Mr. Jno. A. Vance was well presented and well received. Short addresses by the resident ministers and the annual visit of Santa Claus completed the programme.

Arrangements are being made for the meetings in connection with the Forward Movement to be held in the village about the 1st week of the New Year.

The annual Xmas Tree in connection with the Methodist Sunday School was held in the Methodist Church on Tuesday evening of this week.

MUNICIPAL NOTES.

Reeve Brett, of Shelburne, will retire at the end of the present year. Mr. T. F. Brown is the only man definitely in the field for the Reeveship, although there is a possibility that he will be opposed by Mr. John Mowat.

In Melancthon Reeve Prentice is seeking re-election. The only person mentioned as a possible opponent is Mr. W. E. Reid. Owing to his removal to Amaranth during the year, Deputy Reeve Jos. Duke is not in a position to stand for re-election. Councillors Vance and Oldfield are mentioned as likely candidates for the vacant position. Messrs. Russell and Noble are likely to stand for the Council and there is said to be plenty of new material in sight for the remaining position.

Reeve James Barber will seek re-election in Mulmur and may not have any opposition, although Deputy Reeve Rice Hill and Joseph Rutledge are both mentioned as possible candidates for the position. It is said that Coun. J. C. Jones may decide to have a try for the Deputy-Reeve's chair. Should Jones make up his mind to go for the higher seat a new man will have to be found for the vacant position in the Council.

The retirement of Warden Hilborn opens the way for a general mix-up in East Luther. The names of Alex. Ward and Wm. Baxendale are mentioned as probable aspirants for the Reeve's chair.

Reeve Thos. Watson, of Grand Valley, will stand for the customary second term. He has given good service and is not likely to be given any opposition.

Reeve Brown, of East Garafraxa, is another man, who is likely to get a second term without opposition. Should he stand again the other members of the 1919 council will likely be returned to their old seats with the exception of Mr. Silas Cook, who has moved to Orangeville and will therefore be obliged to retire. A new man will have to be found to fill his place.

It may be regarded as definitely settled that Councillor Reid and Mr. W. J. Hamilton will be in the race for the Reeve's chair in Amaranth. Robert Curry and T. F. Simpson, members of this year's Council, will oppose each other for the Deputy's chair. Thos. Whaley will seek re-election to the Council and Fred Hammond and Walter Gray are among the new men mentioned as likely to take the field.

The outlook is for a quiet year in Mono township. Reeve Moffitt, Deputy-Reeve Bower and Couns. Barber, McNaughton and Morton will all go to the polls again. There is some talk of ex-Reeve T. J. Parks trying a come-back, but we have no authoritative information as to Mr. Park's intentions.

Councillor T. S. Parkinson is definitely in the field for the Mayoralty of Orangeville and it looks as if he might get the position by acclamation. If he does he will be luckier than the aspirants for the two Reeveships. Reeve Jeffers and Deputy-Reeve Thompson are definitely in the field for the Reeve's chair and there is a strong probability that Mr. Walter Fairbairn will make the fight a three-cornered affair. In this event it would take a wise man to pick the winner. Mr. Dave Young, who has been on the Public School Board for a number of years, announces that he is in the field for Deputy-Reeve. Councillor John Patterson is also after the position and Coun. W. J. Gillespie is quite likely to make a third aspirant for the office. If three candidates go to the poll for each of the Reeveships there is bound to be some excitement before the fight is over.

Reeve Kannawin is likely to seek another term as Reeve of Caledon. If he does he will almost certainly be opposed by Deputy-Reeve T. Smith. It is said that Mr. James R. Hillyard, who was beaten by Smith for Deputy-Reeve a year ago, would not be averse to another bout with his old opponent, and should Kannawin decide to pull out it may be that the fight for Reeve will be between Smith and Hillyard. Geo. Giles, formerly a member of the Caledon Council, and Councillors W. J. Wilson and Wm. Sutton are mentioned as prospective candidates for Deputy-Reeve.

Erin township will be the scene of a hot Reeveship fight. Mr. Alex. McKinnon, who was beaten out last year, has decided to give Reeve Milloy another fight for the position. The two candidates are already hard at work and neither is leaving anything undone that will forward his candidature.

SALEM.

There will be a service at St. George's next Sunday, after which the church will be closed for the winter months.

A very enjoyable afternoon was spent by the people of S. S. No. 5 at the School on Monday last. After a social hour a program of recitations, vocal and violin solos was given, Mr. Robt. McEwan, acting as chairman. When Santa Claus had distributed the gifts from the Christmas Tree lunch was served, after which the crowd dispersed.

CLARKE,—Lines in loving memory of John Clarke, who departed this life on Dec. 24th, 1918: —

A voice we loved is stilled;

'Twas hard we know to leave behind,
The ones he loved so dear;
But when it was his Master's call,
He could not linger here.

AUTOMOBILE INSTRUCTION

Mr. H. V. Wilson, who is well-known to many Banner readers, has opened a School for Automobile Instruction in the old Egg Warehouse on East Broadway. The School will give a regular course of instruction, which is calculated to be of real benefit to either ladies or gentlemen, who desire to understand and learn how to run a car. It will also prove of material assistance to boys or men, who desire to qualify for positions as chauffeurs. Interested parties should get in touch with Mr. Wilson, who will be pleased to furnish all information regarding the course. The attention of our readers is directed to the announcement elsewhere in this issue.

KNOX CHURCH ANNIV'Y.

Anniversary services will be held in Knox Church, Caledon, next Sunday, Dec. 28th. The pastor, Rev. J. Burkholder, will preach in the morning and Rev. Capt. Dodds, of Cheltenham, at night. All are heartily invited.

A special offering is asked for the general fund of the church.

THE METHODIST CHURCH.

Next Sunday, being the last of the old year, there will be a Memorial Service in the morning for the members of the Church, and congregation who have passed away during the year.

At the evening service the choir will render, on request, a portion of "The Messiah."

Watch-night service will be held at 10.30 p.m., Dec. 31st. Come and pray the old year out and the New Year in.

On New Year's night the Sunday School will give an entertainment in the Town Hall. Of course it will be a success.

At the evening service last Sunday, Rev. E. R. Young displayed a beautiful poster which depicted a bright star touching with its delicate light the house tops of the village of Bethlehem and in the foreground three wise men on camels hastening to that starlit town. Above the scene was the motto "The Dawn of a New Era" and beneath: "Let us now go even unto Bethlehem" and "The Methodist National Campaign." Mr. Young said "This is the first poster ever gotten up by the Methodist Church and it shows that the Campaign that has been instituted is but an effort to lead the people to Christ, that like the wise men, we may find Him, know His truth better and live the Christ-life more earnestly, sincerely and effectively, both for our own good and the salvation of the world."

—No green Christmas this year. The snowfall Tuesday night and the subsequent drop of temperature assure real winter weather for Christmas Day. A little more snow would make fairly good sleighing; but as it is the autos are still running and this suits many people just about as well.

CALL TO CAPT. HARPER

At a special meeting in St. Andrew's church on Tuesday, Orangeville Presbytery approved of a Call from the congregations of Hillsburg and Bethel churches to Rev. Capt. Frank Harper, of Barrie, and made arrangements for the induction in Bethel church on January 2nd. The stipend guaranteed is $1800 a year, free manse and the usual vacation.

Pains About the Heart

ANY derangement of the heart's action is alarming. Frequently pains about the heart are caused by the formation of gas arising from indigestion.

Relief from this condition is obtained by the use of Dr. Chase's Kidney-Liver Pills.

Chronic indigestion results from sluggish liver action, constipation of the bowels and inactive kidneys.

Because Dr. Chase's Kidney-Liver Pills arouse these organs to activity they thoroughly cure indigestion and overcome the many annoying symptoms.

MICHIGAN ONCE HAD SLAVES

Only in 1836 Did Human Chattels Become Unprofitable to Their Owners in That State.

Few Detroiters of the present generation know that Michigan was once a slave territory, or that the city of Detroit, for a period of nearly one hundred years, included a considerable number of slaves in its population, observes the Detroit News. The early French settlers lived largely by trading with the Indians. At first they bought furs only, but each spring the Indians of Michigan would make war raids into territory south and west, and they would bring back captives whom they sometimes killed by torture, but later they found it more profitable to sell them to the white settlers as slaves. Most of these Indian slaves were from the Pawnee tribe.

Later negro slaves were bought in the East, principally in the state of New York. When the British took possession in 1760 they found quite a number of slaves, Indians and negro, and they continued the practice. The census of the district in 1773 showed 46 men and 59 women slaves in a community that numbered less that 300 adult white men. In 1782 there were 179 slaves in Detroit. The ordinance of 1787 forbade slavery in the Northwest territory, but Detroiters paid no attention to this Constitutional act. There were enough negroes in Detroit in 1807, slave and free, to enable Governor Hull to organize a company of colored militia.

In 1818 the assessor for Wayne county made slaves taxable property, and this proved a discouragement to slave holding. By 1832 there were only 82 slaves left in Michigan territory, and in 1836 the last one had been manumitted. Less than 20 years later Michigan, having found slaveholding unprofitable, became ardently abolitionist, and Detroit was converted into a terminal of the "underground railway," through which runaway slaves from the South found their way to freedom in Canada.

ANIMAL HEROES IN WARFARE

Some Praise Should Be Spared for the Dumb Brutes Who Gave Their Lives for Liberty.

There was one factor for victory in the war which we overlook in passing out the praise and medals.

To the dumb animals who bore much of battle's brunt, to the horses, mules and dogs, great credit is due.

Patient, plodding, brave, obedient creatures of faithfulness!

Wondrous fine the steed of officer, but equally grand the sturdy haulers of caisson and gun carriage!

Butt of limitless jokes, the long-eared, lean-legged, tuft-tailed army mule has glorified himself. Endless the supply trains he tugged fagging distances, across shell swept spots and through fierce fire.

The Red Cross dog, too, and the sledge dogs in the Alps have been canine heroes, leaping into the jaws of death on missions of mercy or pulling precious packsleds among mountain peaks and passes.

Perpetual pasturage would be a just reward for our four-footed fighters, with freedom from further work. To Fido, allot choice bones to gnaw and if you'd make his home dog heaven rid the world of fleas for these, the "dogs of war."

At the entrance of this Paradise park or preserve, place a shaft to record for posterity a tribute to the war's 42,511 animal dead.—Toledo News-Bee.

Flying Crooks.

Undoubtedly one of the problems which Scotland Yard will have to cope with in the near future will be the pursuit of criminals through the air.

Plans for the organization of a corps of aerial trackers, with a special Scotland Yard airdrome from which detectives could make an immediate start in pursuit of wrongdoers who sought to escape the clutches of the law through the air, are already being carried out.

It may be some time before criminals include private airplanes among their equipment, but it will be a comparatively easy matter for the swell cracksman and wealthy murderer to arrange for an escape by air.

Whether he will succeede depends on the aerial organization of Scotland Yard and the alertness of the customs and coastguards. Quick communication between the police and the latter may result in an easy capture.

As a member of the Criminal Investigation Department points out, although the air is wide the flying criminal has got to come down somewhere, and by wireless his description and that of his machine can be flashed over the world in a few minutes.

One method of stoppage and detection will be through the medium of a series of sound-detecting instruments along the coast, linked up by telephones with each other, and also with corps of aerial police. The noise of the machine will be detected, and if it does not land for inspection, as required by aerial navigation rules, it will be located and reported, and a strict watch will be kept at all points.

Control of flying machines is being so organized that every machine entering Britain, for instance, will have to land for inspection.

The watch will be so strict that the possibility of evading the cordon of guards will be very slight. Other countries, in accordance with the suggestions of the Aerial Advisory Commission of the British Peace Delegation, are adopting similar plans for the control of air traffic. The chances of the flying criminal escaping justice, therefore, are not of the rosiest.

Typewriter Used As a Pendulum.

In the show window of a downtown typewriter concern stands an imposing looking clock more than six feet tall. It is attractive, but what especially invites the attention is the pendulum. The bob is unlike any other in the city, being a full sized typewriter, one that could be set up on a desk and put in active use.

The rusgerded typewriter swings to and fro all day long. Judging from the excellent time the clock keeps, the typewriter bob does its work faithfully and well.—New York Times.

MAY BE TRUTH IN LEGEND

Investigation of an Enchanted Table In New Mexico.

An isolated butee rising out of a vast plain in the vast southwest—a flat-topped hill 430 feet high and with sides so nearly vertical that for many centuries it was supposed to be hopelessly climb-proof, is one of the most interesting of the natural wonders of this part of the United States.

Many Attempts to climb the "Enchanted Table" or "Mesa Encantada," as the first Spanish settlers called it, have been made, but Indian superstition has attributed their failure largely to a supernatural influence that balked the ascent. Hence the name "Enchanted."

According to the Indian legend, the mesa, which is three miles northeast of the well-known Acoma pueblo, in New Mexico, was very anciently the site of a prehistoric village. A frightful storm carried away part of the rock and with it the rocky staircase which offered the only patch of access to the summit.

As a result, the people in the village were cut off from the plain below. They could not climb down, no help could reach them, and they starved to death. The only survivors were a few who by chance were absent from the mesa top at the time of the disaster. From them, it is explained, are sprung the present-day inhabitants of the pueblo of Acoma.

But science, while disposed to be incredulous of things unproved, is at the same time inclined to investigation. Hence an expedition which the United States Government bureau of ethnology sent out to climb the Mesa Encantada. The party, after almost incredible efforts, arrived up on the top.

What they expected to find was nothing. But, to their surprise, they discovered, on the summit of the mesa, plain and unmistakable evidences of ancient occupancy, such as ruined walls, and what they said there afforded a measurable confirmation of the Indian legend.

"Here They Come!"

It is the cry of the children when a band is heard far down the street. Nearer and nearer it draws until each note becomes clearer and clearer.

To those in the city this is a familiar picture. But to those residing in suburban towns stirring strains of band music are more rare.

The NEW EDISON

"The Phonograph with a Soul"

in your home makes it possible for you and your children to have at all times the wonderful march music that has inspired the world.

Wherever you live—on the farm or in town—let the New Edison bring the parade, with all its glamour, into your living room, every instrument, every note as clear as a real band—thanks to the genius of Thomas A. Edison.

We tell a wonderful story about the New Edison in a beautiful book that you should have. It is called "Edison and Music". Ask for it; and also for "What the Critics Say".

WILL DRAMATIZE RELIGION.

English Clergyman Makes Very Startling Proposal.

An English clergyman is in the field with the slightly startling proposition of establishing a theatre in London exclusively for the Christian Church.

His idea is that the message now being given from the pulpit can be amplified and strengthened by means of dramatic representations, and that a theatre controlled by the church and presenting only uplifting and beneficial productions will prove a potent factor in the uplift for which all good men and women are hoping.

It is an interesting proposition, and one which, no doubt, will evoke a considerable amount of discussion. A good share of the discussion will be acrimonious, unless we miss our guess.

The stage was an instrument of the early church to impress religious truths or dogmas on the unlettered populace. The ancient mystery and morality plays performed a certain function in the religious education of the people and even the better educated classes derived intellectual refreshment and spiritual stimulation from them.

But today, in a more complex period of life, one is constrained to doubt whether a theatre conducted under ecclesiastical auspices and devoted frankly to religious and ethical uplift would prove the success which the good [illegible] wish it to be.

The [illegible] believes that the people want the best and most uplifting things in the drama, and that the masses crave the risque and sometimes frankly indecent productions that are offered to them. The [illegible] from time to time are an insult to their intelligence, which they resent.

To this the answer is that these plays are almost always successful from the standpoint of patronage. If the people do not want them they would not go to see them. And the managers, being astute business men, would stop only abandon such offerings.

The average sinner does not want to be preached to, even in church, very much. Which is the reason why so few of the average sinners attend church nowadays, and for the popularity of Sunday golf. And they will be likely to be much more chary of attending a church theatre, where they may justly apprehend they will be given preachments designed as entertainments.

On the whole, the general public, while many of them may be heartily in sympathy with a clergyman's idea of utilizing the undoubtedly great influence of the stage in the direction of religious development, will be inclined to feel that the experiment is foredoomed to failure.

And some of them will suggest that the clergymen who are getting down to brass tacks in their work, who are preaching the fundamental truths of life and religion, and who are gifted with the ability to present these truths so as to grip the minds and hearts of their hearers, do not require actors or theatres to help them in their work.

The theatre has one field of usefulness, and it is doing much good in that field, regardless of the more or less frequent occurrence of vicious and immoral productions. It could do much more, perhaps. And the church has its field of usefulness, which is susceptible of much wider development outside the ruts into which many of its leaders have slipped.

Mixing the two, however, will hardly appeal to the average man or woman, and it is the average man or woman to whom the proponents of any such plan must look for its success.

A PRESENTATION.

A very pleasant gathering met at the home of Mr. and Mrs. Abe Reid, Second line, east, Mono, on Thursday evening, Dec. 18th, when a large number of her friends met for the purpose of making a farewell presentation to Miss Wanless, the teacher in S. S. No. 5. Mr. Reid was appointed chairman. During the evening Miss Wanless was presented with an onyx ring set with pearls and a white ivory manicure piece. The presentation was made by Mrs. Frank Island and the accompanying address was read by Miss Margaret Reid. The latter was worded as follows:—

Dear Miss Wanless,—

Your friends in this section have learned with real regret of your decision to sever your connection with the school at the end of the present teaching term. They feel that they cannot allow you to leave without telling you how much they appreciate your worth and services as a teacher and as a member of the community.

That you will be greatly missed in the school and in our homes goes without saying. Many of us have come to regard you not alone as a teacher, but as a friend whose friendship and society we prize. While we sorrow over your departure our sincere good wishes will go with you to whatever sphere of usefulness you may in the future be called.

We unite in wishing you all possible happiness and prosperity. It is also our wish that you accept this ring and ivory piece as a token of the kindly sentiments we entertain towards you, and also as a slight memento of your associations with the children and people of S. S. No. 5.

Miss Wanless made a brief and very feeling reply. An exceedingly pleasant time was spent in dancing and other amusements.

KEYS–M'GOWAN.

The home of Mr. and Mrs. Joseph McGowan, Amaranth, was the scene of a very pretty wedding on Wednesday afternoon, Dec. 10th, when their youngest daughter, Beatrice Gertrude, was united in marriage to Mr. Russell Percy Keyes, son of Mr. and Mrs. T. H. Keyes, Amaranth. The Rev. J. A. Reddon performed the marriage service in the parlor beneath an arch of evergreens and white bells. The bride, who was given away by her father, was dressed in white silk georgette with braid trimming, with embroidered bridal veil crowned with orange blossoms. She carried a bouquet of white roses and carnations and was attended by Miss Laura Bryan, cousin of the groom, who was dressed in maize silk with overdress of silk ninon. The groom was supported by Mr. Joseph McGowan, brother of the bride. The wedding march was played by Miss Cassie McGowan, a sister of the bride. The groom's gift to the bride was a pearl sunburst, to the bridesmaid a cut glass fruit dish, to the groomsman a pair of military brushes and to the pianiste a cut glass celery dish. After the signing of the register the bride and groom led the way to the dining room, where a sumptuous wedding repast was served. This was followed by a very pleasant social evening. The young couple start out in life with the sincere good wishes of many friends.

CAMPBELL–DENTON.

A very pretty wedding took place yesterday afternoon at the home of the bride's parents, Mr. and Mrs. M. H. Denton, 208 Saskatchewan Crescent, when their daughter, Mona Marguerite, was married to Mr. William Joseph Campbell ,of the Saskatoon staff of the Imperial Oil Company. Rev. Dr. Dix was the officiating clergyman. The bride, who was given in marriage by her father, was lovely in a gown of ivory duchess with lace garniture and wore her mother's bridal veil. Her bouquet was of sweetheart roses. Mrs. Leroy Holmes, as matron of honor, wore rose crepe de chene and becoming picture hat of black and rose. She carried pink chrysanthemums. Little Jean and Margaret MacMillan, cousins of the bride, preceded her making an aisle with white satin ribbon streamers. During the signing of the register, Miss Olive Bartlett sang very sweetly "Because." The wedding march was played by Mrs. A. E. Kyles. Palest of pink chrysanthemums and trailing smilax made the tea room very attractive and at the prettily appointed table Mrs. F. R. MacMillan and Mrs. Kyles performed the honors.

Mr. and Mrs. Campbell left on the early evening train for Winnipeg and Minneapolis, the bride travelling in a becoming brown tweed tailored suit with French toque in brown and touches of coral. On their return they will reside at 713 Thirteenth Street. Among the out-of-town guests were Mr. and Mrs. A. T. Glover and Miss Isabel Lawson of Regina, and Mr. and Mrs. Robert Forsythe, of Caron, Sask.—Saskatoon Star.

The Royal Bank, in which the bride had been cashier for three years, presented her with a beautiful silver tea service. Mrs. Campbell's many Orangeville friends extend their hearty congratulations.

"HIS MASTER'S VOICE"

MR. A. H. WALKER BECOMES Sterling Bank Director.

Mr. A. H. Walker, general manager of the Sterling Bank, was recently appointed a director of that bank. Since 1913, when Mr. Walker became general manager, the bank's progress has been extremely satisfactory. The deposits and assets have increased from $6,500,000 and $9,099,000 respectively, to $20,083,000 and $23,411,000 at the present time.

TORTURING, ITCHING ECZEMA.

Mrs. J. B. Horth, Paspedias, Bonaventure Co., Que. writes: —"Thanks to Dr. Chase's Ointment I have been completely cured of that horrid disease, eczema. I was held as if in prison from going among other people, for I was ashamed of the raw, flaming sores. Doctors could do nothing for me, and I was almost desperate with suffering when I began to use Dr. Chase's Ointment. In one month I was completely cured and think that this was little short of a miracle.

Mr. and Mrs. R. McMaster, Mansfield, announce the engagement of their daughter, Mary Jane, to Beatty Lewis Gallaugher, son of Mr. and Mrs. John Gallaugher, Mansfield, the marriage to take place in December.

A PRESENTATION.

Thursday night the home of Robt. McDonald, East Garafraxa, was filled to capacity, with old and young folk who gathered to say good-bye, before the family removed to Toronto. Mr. McDonald has spent the whole of his life within a mile or two of his home, and coming to this farm over 60 yrs. ago. Actively engaged in municipal and political politics he gained a wide acquaintanceship ,and possessed the happy faculty of remembering names and faces and learning the incidents of local interest. Of late years he has been confined to the house with rheumatism, necessitating a change in his business affairs, and decided to go to Toronto where three of his boys reside. This evening the neighbors met to say good-bye to a family that had ever been agreeable and considerate to their neighbors, the sentiment being nicely expressed in a address read by W. E. Thompson. Mr. Wm. Watson presented Mr. McDonald with a gold watch. Mrs. Thompson gave Miss Beatrice a club bag and Fred fountain pen. Followig short speeches by several old friends the young people touched the high spots till an early hour.—Star and Vidette.

GASOLINE GAS.

The workmen engaged in laying the cement floor in Mr. Down's new garage made a very close acquaintance with death on Saturday afternoon last, from a dose of the deadly gasoline gas. The building was closed up tight and heated by a wood stove and coal furnace, while a gasoline engine ran the mixer. Along in the afternoon the six workmen began to feel "queer" and lose strength. Two of them quit work and went home. The three remaining worked for some time longer until they were staggering and unfit to do any more. It was with difficulty that they were able to get to the door and to their homes. Mr. Down himself, Malcolm McDonald and Joseph Blakely were the unfortunate ones and a doctor's services were required. They were all able to go to work again on Monday, but you can wager that it was not under the same conditions. — Flesherton Advance.

"The New Fairbanks-Morse Type Z Engine"

YOU simply cannot get more engine value per dollar than you get when you buy either of these engines. They are oil engines built to use kerosene and other cheaper fuel as well as gasoline.

Here's where you get your economy—these engines use kerosene so successfully that you get the same power from a gallon of kerosene as from a gallon of gasoline—and you save the difference in cost!

POWER? All you want and more. These Type "Z" engines are built to serve.

Every distinctive feature of these wonderful engines does its part to develop maximum power from least fuel. Results are the test we ask. They are the most practical, money-saving and all-round satisfactory engines that your money can buy. Adopted for General farm work such as Grinding, Ensilage Cutting, Wood Sawing, pumping, electric lighting etc.

VOTE FOR

J. E. THOMPSON

FOR REEVE 1920

I claim that when the Mayoralty was vacated by Mayor Lewis, who announced his intention of removing from town, that Mr. Jeffers should have moved up from the Reeveship, which is the customary and logical thing to do and thus give the members of the Council an opportunity to advance.

In regard to the Wardenship of Dufferin I feel that if Mr. Jeffers and his friends can land the prize my friends and myself can bring it to Orangeville.

I feel that the work and time that I have freely given to the town in the last three years entitles me to the favorable consideration of the ratepayers in my appeal for the reeveship for 1920. Therefore, I am soliciting your vote and influence for the position and I am confident you will again honor me by electing me to the position. If elected I shall continue to serve you in the future as I have in the past.

Wishing you all the compliments of the season.

ORANGEVILLE NOMINATIONS.

Large Crowd and Excellent Speaking at Monday Night's Meeting.

There was a large turnout of Orangeville ratepayers to hear the nomination oratory in the Opera House on Monday night. On the whole the meeting was one of the best nomination meetings held in Orangeville for many years. The speaking was above the average and the addresses were happily free from personalities and bitter recriminations that on some occasions mar the appeals of aspirants for municipal honors.

Town Clerk A. A. Hughson received the nominations from 7.30 until 8.30 o'clock and presided over the public meeting which followed. The names of those standing for the different offices are:—

Mayor—T. S. Parkinson, Thos. S. Hewson.

Reeve—C. V. Jeffers, J. E. Thompson.

Deputy-Reeve—W. J. Gillespie, D. Young.

Councillors—Adam McPherson, A. Dalgleish, Geo. Wilkins, Miss Margt. Foley, Alex. Walker, W. Fairbairn (Accl.). All are new members except Messrs. Fairbairn and Wilkins.

P. S. Trustees—North Ward, J. E. Smith and Jas. A. Arnott, the latter for the unexpired portion of term of David Young; East Ward, J. R. Hughes; South Ward, Jno. J. Laverty; West Ward, J. Z. Henry. All by Accl.

Hydro Commission — Dr. G. H. Campbell (Accl.)

Mayor Lewis, who was the first speaker, stated at the outset that he was not a candidate for Mayor for 1920 for reasons which he deemed good and sufficient. He thanked the electors of the town and the members of the 1919 Council for the kindness and courtesy shown him during the year. The Council he thought had done its work fairly well. There had been no neglect of duty on the part of any of the councillors. Each had been considerate of the others and each attentive to the work of his own department. The Council had been careful but not niggardly in the expenditure of money. The retiring Mayor stated that a beginning had been made at making an equitable assessment by the appointment of an assessment commission. One result was an increase of $93,000 in the total assessment for the town. He hoped the system would be continued for at least another year. Mr. Lewis referred to the Council's efforts to secure industries, and spoke of the shirt waist factory, a new concern that was now giving employment to twenty-two girls and women at good wages. His Worship concluded an excellent address by wishing the citizens of Orangeville a peaceful and prosperous New Year.

Reeve Jeffers stated that as Chairman of the Town Property Committee he had endeavored to clean up matters to some extent. The repainting of the band stand, placing blinds on the windows of the Opera House and re-roofing of the Fire Hall were quoted as a few of the evidences of the activity of his Committee. Mr. Jeffers refuted the misleading report that he had refused to allow the band a room in the Town Hall for the purpose of practising. He had taken a great interest in the County Council work during the year and with Mr. Thompson had been instrumental in having the county grant to the hospital increased from $350 to $600 and the grant to the High School from $5 to $15 a student. The former grant was secured largely by preparing and submitting to the Council lists of the prices paid for hospital supplies in 1914 and in 1919. The latter grant Mr. Jeffers maintained was no more than fair to Orangeville for the reason that many of the students came from outside the town. Members of the County Council he described as sensible, reasonable men, who were generally willing to do what was fair and right if put in possession of the facts bearing on the matter in hand. Mr. Jeffers referred to the construction of the county road on East Broadway within the corporation limits and pointed out how much Orangeville stood to benefit from this piece of work. He also instanced the fact that the most of the labor employed in constructing the road was local which was also a benefit to the town. Under the County Roads system $2.50 was expended in road construction for every dollar that Orangeville or any other local municipality was required to contribute. Mr. Jeffers pointed out that Orangeville had not had a Warden for thirteen years and pleaded for election on the score that he felt reasonably sure that he would secure the Wardenship if he were returned. He felt quite sure that the House of Refuge question was coming up again next year and was also satisfied that the incoming County Council would vote a substantial sum toward the erection of soldiers memorials in Orangeville, Shelburne and Grand Valley. For these and other reasons it was very desirable that Orangeville should have the honor and prestige of the Wardenship during the coming year.

J. E. Thompson did not want to get votes on the score of patriotism. If any man in the hall had heard him say that he wanted his vote on account of his patriotism he asked him not to vote for him. Anything he had done for the returned men had been done as a matter of duty. As deputy-reeve he had tried to live up to the promises he made last year. He considered Mayor Lewis a first-class man on the job and was sorry that he was retiring. Mr. Thompson gave a statement of his work as Chairman of the Road and Bridge Committee. Speaking on the subject of cleaning culverts, he took the position that nothing smaller than a 12 inch culvert should be used, as anything smaller than that choked too easily. His Committee had spent about $2100 on the streets. One of the biggest troubles they had was getting teams. The town was paying $250 a year for a horse for fire purposes and the speaker thought the horse was not at the Fire Hall and the others used for street watering and other corporation work. Mr. Thompson denied worth more than $25 or $30 to start with. He favored buying three first-class horses. One could then be kept the charge that he had spent money fixing streets on which there was little or no traffic. His Committee had spent the most of its money on Wellington, Church, Parsons and Bythia Sts. Referring to the High School and Hospital grants, Mr. Thompson maintained that the deputations which waited on the County Council and every member of the Council who had voted for them were entitled to a share of the credit for the grants. The County Road on East Broadway was a fairly good road and would probably stand up fairly well. There was however about $17,000 of county machinery kicking around and not a boss on the job except the reeves. The County should put an experienced man on the job and make him responsible for the machinery and the work. Mr. Thompson referred to his part in securing a grant of $300 to Lord Dufferin Hospital from the Caledon Council and concluded by stating emphatically that he was in the field for Reeve. He asked the electors to give his claims and the claims of his opponent careful consideration and if they felt they were nearly equal then "for the love of Mike vote for Thompson."

T. S. Parkinson explained that he was suffering from cold and the after effects of vaccination and therefore might not have as much "pep" as some of the preceding speakers. As Chairman of the Finance Committee Mr. Parkinson devoted the greater part of his time to the discussion of town finances. The total receipts for the year were about $52,600 and the total expenditure $53,900. There were $3200.57 of unpaid taxes compared with about $1800 unpaid a year ago, so that allowing for this difference the town had practically broken even for the year. The 1919 taxes amounted to $39,500, but these were largely used to meet fixed or uncontrollable expenditure. As a matter of fact there was only about $2000 available from the taxes to carry on the business of the town. Other sources of revenue brought the total available for controllable expenditure up to between $4,000 and $5,000. Mr. Parkinson instanced the steady increase in the expenditure for High and Public School purposes to show the way the uncontrollable expenses were mounting from year to year. The debenture debt of the town was about $90,700. The two largest items were the Dods Knitting Co. and the Hydro debentures, both of which were self-sustaining. Deducting these the debenture debt to be provided for out of taxation was about $36,000, so that in the matter of debt Orangeville was in a very fortunate position in comparison with most urban municipalities of similar size. Mr. Parkinson referred to the bank overdraft and the unpaid county rate and advocated the issue of debentures for a twenty year term to cover these and place the town in a satisfactory financial position. The deficit could be overcome by a higher tax rate and a policy of general retrenchment for a few years, but unfortunately whenever a Council raised more money there always existed the tendency to spend more. In the speaker's opinion the Road & Bridge expenditure should be cut down to not more than $1500 a year. Referring to his defeat for deputy-reeve a year ago, Mr. Parkinson stated that he had swallowed the pill with good grace and when he was afterwards asked to go back and take one of the vacant seats in the Council he had consented to do so. During the year he had tried to carry on and do whatever he could for the welfare of the town. It had been charged a year ago that he was of German descent. Mr. Parkinson stated that he had not thought it necessary to file his personal and family history for the edification of the people of Orangeville, but now that the question had been raised would state that his family had lived in Thetford in Lambton County since 1865 and had come there from a town in England, where his ancestors had resided for at least 85 years. Before consenting to stand for the Mayoralty he had conferred with Mr. Fairbairn and Mr. White, who were mentioned as possible aspirants for the position, but found that neither intended to run. He was now definitely in the field for Mayor and if elected would use his best efforts to put the town in a fairly good financial position.

W. J. Gillespie thanked the electorate for the honor they had done him by returning him to the Council for three years. He felt he had come to the point where he should either retire or ask the people to place him in a higher office. He had therefore decided to ask them to send him a notch higher by electing him to the office of deputy-reeve. He had been in business in Orangeville for fourteen years and while in the Council had served on the Court of Revision, and during the past year as Chairman of the Fire & Water Committee, one of the most important Committees of Council. Mr. Gillespie gave a concise outline of his work during the year, spoke of the efficient condition of the Waterworks and Fire Protection systems and concluded with an appeal for support for deputy-reeve.

T. S. Hewson, who got a rousing reception, averred that there were some things doing in town affairs that he didn't like. The finances were in bad shape and the Chairman of the Finance Committee should have sat a little tighter on the lid. He thought there was no necessity for two assessors and the additional expense. He had been asked to stand for the Mayoralty and if he decided to do so and should be elected he would guarantee that the people's money would be spent differently from the way it had been during the last five years. Mayor Lewis was a very fine man, but in the speaker's opinion too good natured.

J. J. White was not aspiring for any municipal honors. He had served the town for eleven years in one capacity or another. If he were to stand now he would have to sacrifice his own business and as his business was not in town he could not very well afford to do so. Mr. White was strongly of the opinion that the financial statement should be printed and in the hands of the people some days before the nomination.

David Young thought that the large audience showed that the electors were taking an interest in public affairs. He thanked the people for electing him to the School Board in past years. He was glad the war was over and so many of the boys home again. He was sorry more had not returned and expressed his sympathy with those who had lost lads and missed them the most. He was out for deputy-reeve and if elected would do his best in the town and county council. He had travelled in all parts of the county and had a wide experience with the farmers, who were jolly good fellows if you only knew how to take them. If elected he would promise that he would be working all the while.

Miss Margaret Foley, who was heartily applauded, thanked the audience for that "clap" which had the ring of victory. She appreciated the honor of being the first woman in Orangeville to be nominated for municipal office. She had been successful in bringing one little factory to the town—the blouse factory, a high-grade concern that was here to stay and that was paying its labor good wages. The better class of factories were not looking for inducements. They had the capital and the machinery. What they needed was the help. Miss Foley stated that she had not decided whether she would stand or not, but would make her decision to-morrow.

Dr. G. H. Campbell discussed hydro affairs and made a telling plea for co-operation in making the Hydro a success. The system belonged to the town and it was to the interests of the people to help make it pay. He was pleased to state that the system would show a surplus of about $1500 on the year's operations. If all citizens and business places would use the hydro he was satisfied that the town would soon be in a position to get reduced rates. Dr. Campbell explained that recent interruptions in the service were not due to any fault of the local system but to breaks in the transmission line. The Commission was now considering the question of duplicating the line and had already increased the patrol by way of safeguarding against interruptions of the service. The speaker pleaded for a greater measure of co-operation between the council and private citizens. Orangeville was in good shape financially and in this respect would compare very favorably indeed with any town of similar size in the province.

The way to keep useful men in the Council is to reward past services. Jeffers' work entitles him to another term as Reeve.

John Splan, of Toronto, a brother, and Mrs. Craven, of Weston, are sisters.

MRS. C. VANWYCK.

An old and highly respected resident of Caledon township passed away last week in the person of Mrs. Sarah Vanwyck, widow of the late Cornelius Vanwyck, whose death occurred at the home of her daughter, Miss Nancy Vanwyck, 166 Cameron Ave., Detroit, on Monday, Dec. 22nd at the advanced age of 91 years and 10 months. Prior to her removal to Detroit about five years ago the deceased had resided with her son, Mr. Alan Vanwyck, in Caledon. She had not enjoyed any too good health for the last three or four years chiefly as a result of the infirmities natural at her advanced age. The remains were brought to Caledon on Christmas Day, the funeral taking place from the C. P. R. station to St. Andrew's Church Cemetery, 4th line, east. On the way to the cemetery a stop was made at the home of her only sister, Mrs. Jas. H. McKinnon. Rev. Mr Burkholder conducted the burial service and Messrs. Joseph Nesbitt, W. J. and Jas. Warnock, N. J. Lott, Jas. McKinnon and Hugh McKinnon were the pallbearers. Deceased was born, married and lived on the 4th line, east, Caledon, for the greater part of her life. She is survived by one son, Alan Vanwyck, and a daughter, Nancy Vanwyck, in Detroit. Jacob Vanwyck, Orangeville, Gilbert Vanwyck, Toronto, Mrs. Irvine Doods, Caledon, and Mrs. Thos. Matthews, Caledon East, are stepsons and stepdaughters. Her eldest daughter, Mrs. Isaac Cherry, of Saskatoon, died a few years ago. The floral tributes included a pillow from the son and daughter, a wreath from two granddaughters, Hazel Rayburn and Una Vanwyck, of Detroit, and a spray from Mr. and Mrs. Jos. Rayburn, Caledon. Among those from a distance at the funeral were Mr. G. Vanwyck and Miss N. Vanwyck, of Toronto, Mr. Alan and Miss Nancy Vanwyck, of Detroit, Mr. Jacob Vanwyck and Mr. and Mrs. N. J. Lott, of Orangeville, and Mr. and Mrs. Neil Rayburn, of Shelburne.

FUNERAL OF MRS. COURTNEY.

The funeral of the late Mrs. Sam. Courtney, (nee Lena Viola Pearl Porterfield), whose sad and untimely death was reported in a recent issue of The Banner, was held from the home of her parents, Mr. and Mrs. John Porterfield, Fraxa Junction, on Thursday afternoon, December 18th. There was a large attendance of sorrowing friends and neighbors. The services at the house and grave were taken by Rev. J. A. Reddon, the family pastor, who spoke impressively on the text, "Be Ye Also Ready". The high and general respect, in which the deceased was held, was amply shown by the large number of floral tributes, which bore mute testimony to the sympathy and sorrow of the friends of the stricken family. These included a pillow from the uncles and aunts, a broken wheel from the Courtney family, a spray from the deceased's Sunday School teacher and class at Laurel and sprays from Mr. and Mrs. David Fines, Mr. and Mrs. Albert Sawden, Mr. and Mrs. Alex. Porterfield and Grandma Porterfield. The pallbearers, who were all cousins of the deceased, were Cecil Menary, Leslie Sawyers, James Lanktree, Geo. Lanktree, Albert Mason and Elgin Sawden. The profound sympathy of all is extended to the heart-stricken husband, parents and family in the loss of one whose place can never be filled.

A few short years on earth she spent,
And then her work was finished;
I think she must have been but lent
To touch our hearts, then vanished.

We wonder why God took her;
We say she was needed here;
Yes, but God always has an object,
In acts that to us seem strange.

Her meekness and her goodness,
Her desire to woo and to win;
All she came in contact with
Pleased me, pleased all, pleased Him.

Her smiling face is missed by all,
Who knew and loved her here;
The music of her pleasant voice
No longer greets our ear.

But now I think we see her,
Dressed in robes of purest white;
Her crown is decked with rubies,
Her King is there in sight.

She is gone beyond the River,
Where the surges cease to roll;
We'll think of her not as lost,
But as one who has gone before.

Sadly missed

JOINT SPECIAL MEETING

ADJALA COUNCIL and B.O.H.

At a joint meeting of the Council and the Board of Health, it was resolved to have a notice published in the local papers strongly advising people to be vaccinated as smallpox is threatening the municipality, being within a few miles of it already. This Council and Board of Health consider it to be the duty of all to protect themselves against this dread, and very often fatal, disease. As vaccination is the only sure preventive, we, therefore, strongly advise that all residents of Adjala should be vaccinated at once.

JAS. SHEEHAN, Reeve. J. A. SMALL, Clerk.

ELECTORS OF AMARANTH

I respectfully solicit your hearty support for the office of Reeve. I have served you one year as Collector, four years as Assessor and five years at the Council Board. I would like to finish off by representing you as Reeve. If you honor me with election I promise you honest and diligent service during the coming year.

W. J. Hamilton.

ELECTORS OF AMARANTH

After four years' continuous service as Councillor I am now aspiring to the honor of representing you in the Reeve's chair. I feel that my experience in the Council has fitted me to serve you with some credit to myself. I promise that your interests will have my best thought and attention if I have the good fortune to be your choice at the polls. I bespeak your hearty support.

T. W. Reid.

ELECTORS OF AMARANTH

I am before you as a candidate for the office of Deputy-Reeve. As a member of the 1919 Council I took a leading part in securing our municipality a Deputy-Reeve and therefore a second vote in the County Council. In view of this and my five years' experience in municipal affairs I hope that you will feel that I have some claim on the seat and do all you can to ensure my election next Monday. If I am your choice my time will be freely placed at your disposal during the year.

Robt. Curry.

ELECTORS OF AMARANTH

After two years service as Councillor I have decided that it is time I should have a try for a higher seat and I am therefore before you as a candidate for Deputy-Reeve. Since I was first elected I have sought to serve you faithfully and to the best of my ability. If I am again favored with your confidence at the polls, I assure you that I will continue to serve your interests with the same diligence as in the past.

Thos. F. Simpson.

Your Vote and Influence are Respectfully Solicited for the Election of

ALFRED MYERS

AS COUNCILLOR of the TP. OF AMARANTH

for the year 1920.

Election—Monday, Jan. 5th.

ELECTORS OF AMARANTH!

Your Votes and Influence are Respectfully Solicited

For WALTER GRAY

For Councillor.

If elected your interests will be my first consideration.

ELECTORS OF AMARANTH.

I wish to announce that I am a candidate for the office of Councillor for a second term and I respectfully solicit your influence and support in the coming election. I have always taken a keen interest in the municipal affairs of our township and if I am re-elected I will devote my time and energy to the best interests of the municipality.

Thos. Whaley.

ELECTORS OF CALEDON.

I am in the field for re-election as Reeve and appeal for your hearty support in behalf of my candidature. I have now served you for several years as Councillor, Deputy-Reeve and for the last two years as Reeve and feel that by reason of this service I have become thoroughly familiar with the business and business affairs of the municipality. On this score I think that I should be fairly well qualified to serve your interests in an efficient manner. One of my reasons for seeking another term lies in the fact that I feel that if elected I will have an excellent chance of being selected as Warden of Peel. I would like very much to round out my municipal career by bringing this honor to the Township of Caledon.

S. KANNAWIN.

JOHN C. SHOAFF.

Word has just been received of the death of a former pioneer of Melancthon Township, in the person of Mr. John C. Shoaff, of West Branch, Michigan. The late Mr. Shoaff was a brother of the late Michael Shoaff, the veteran hotelkeeper on the Gravel Road, Melancthon, in the early days, and was an uncle of George Shoaff, of Shelburne, James Sawden, Melancthon, S. Sawden, Toronto, and Albert Sawden, of Melville Cross. He took up a farm on the Back Line, Melancthon, over 60 years ago, but later moved to Ohio, and then to Ogemaw County, Michigan, where he followed farming. He was about 80 years of age, and at one time held the position of County Commissioner for Ogemaw County.

BLOUNT INSTITUTE.

Blount Women's Institute held their annual social evening at the spacious home of Mr. and Mrs. W. J. Dodds. A delightful time was spent by all. Rev. J. A. Matheson occupied the chair in a very acceptable manner. The programme consisted of speeches by several of the gentlemen, music by the girls and a Tree contest by everybody. Mrs. Matheson and Mr. J. C. Dodds won the contest, the prize being a box of candy. A splendid report of the recent Toronto Convention was given by Mrs. Alex. Still. A very dainty lunch was then served, after which everyone went away feeling that if there were more such evenings there would be fewer young people leave the farm.

A CHILD'S DEATH.

Mr. A. B. Galbraith, of Toronto, formerly of this town, has the sympathy of his many Orangeville friends in the loss of his infant son, Ross Littlejohn, who passed away in the Sick Children's Hospital on Sunday night at the tender age of 2 months. The child, who was ushered into this vale of tears shortly before the death of his mother, had been in delicate health owing to imperfect functioning of the heart. The father and his brother, Mr. John Galbraith, brought the body here by auto on Tuesday. The remains were laid at rest beside the mother in the Forest Lawn Cemetery.

WALDEMAR WHISPERS

Our Sunday School held its annual Christmas Tree. The event was a great success.

Messrs. Jas. and Richard Talbot spent Christmas on the 9th line.

Girls appear to be scarce around here as it seems a hard job to keep a girl without having a rival. Hurry up Art!

Mr. Elwood Lomas is home after a short stay in Toronto.

Miss Z. McLeod, of Alton, spent Christmas with friends at Waldemar.

Policeman Boyle is busy cutting wood these days.

Mayor Osborne is filling his position with his customary ability.

Our local councilman has bought a new gas speeder for next summer.

MONO COLLEGE.

The regular monthly meeting of the Mono College Women's Institute was held at the home of Mrs. W. E. Island, Centre Road, on Dec. 4th. A large number of members and visitors were present. A Paper given by Miss Alice Parks, who took for her subject "Recreational Education in Rural Communities" proved exceptionally interesting. Afterwards Mrs. I. J. Murphy, the District Representative, gave a splendid report of the annual Convention in Toronto. A well-deserved vote of thanks was given Mrs. Murphy for her admirably prepared and instructive report. A vocal solo by Miss Elizabeth Sproule brought the pleasant programme to an end. The hostess then served lunch and the usual happy social time was spent.

The next meeting will take the form of a social evening to be held in L. O. L. No. 320 hall on the evening of January 2nd. All the members and their families are invited to attend and each member is given the privilege of bringing a friend. Music and lunch will be provided by the Institute members.

GLENCROSS.

Dear Editor, as your regular correspondent seems to be away or tired I thought I would send you a few items.

Last Monday evening on the eve of her departure for the Christmas vacation our teacher, Miss Cooledge, held a fine entertainment in the schoolhouse. A programme consisting of readings, recitations and dialogues by the children of the school, violin selections by Moffitt Bros. and speeches by Councillor Morton, Mr. Andrew Moffitt and the chairman, Mr. John M. Still, was thoroughly enjoyed by all. Best of all, however, was a large and tastefully decorated Christmas tree, laden to the bending point with all manner of good things for the children. There was also a nice present for the teacher from the children. After singing the National Anthem all left for home feeling that the Section is to be congratulated upon having a teacher, who takes such an interest in the children and their welfare.

INSTITUTE SOCIAL.

The Elba Woman's Institute will hold a Box Social in the Parish Hall at Primrose on Wednesday evening, Jan. 14th. The important feature of the programme will be a Debate. Gentlemen, 25 cents; ladies with boxes, free. Everybody come.

A vote for Jeffers means a vote to bring the Wardenship to Orangeville.

CALEDON.

The Caledon Branch of the Women's Institute will hold its regular meeting at the home of Mrs. Wm. Brown on Wednesday afternoon, Jan. 6th, at 2.30 o'clock. A good attendance is requested as important business is to be transacted. Roll call as usual.

A GUN ACCIDENT.

An accident which might easily have proved fatal occurred at North Erin on Wednesday last. Mr. Harry Hamilton had been repairing a shotgun with parts of an old muzzle loader that had been lying away for years. Mr. Hamilton laid the barrel of the old gun on the water tank of the stove and about two hours afterwards came in from the barn and was passing the stove when the weapon which was on the tank suddenly exploded. The explosion burned the sleeve of his coat and also severely burned and wounded one of his arms. Fortunately the injury was only a flesh wound and is healing nicely. The bulk of the charge from the weapon passed between the arm and the body and the only damage it caused was where it struck the wall.

CAPTAIN ADAMS WAS TAKEN BY SURPRISE

Improvement So Remarkable After Taking Tanlac He Hardly Knows Himself.

"For one whole year before I took Tanlac there was hardly a day that I didn't have a severe headache and hardly a night that I got over an hour or two of sleep," said S. S. Adams, when he called at the Owl Drug Store in Vancouver, B.C. Mr. Adams served as Captain in the English Army, and at the time he made this statement he was registered at the St. Frances Hotel, 600 Cordova, West, Vancouver. Mr. Adams further stated that he would leave for the Orient in a few days to accept a managing position with an English firm in Japan.

"For the past year," continued Mr. Adams, "I had gastritis in its very worst form, and gas would press against my heart and make it palpitate so bad that I would get dizzy and sometimes while I was eating I would get to feeling so dizzy that I would have to get up and leave the table without finishing. My appetite was almost gone and even the smell of food would sometimes turn my stomach, and I had to be extremely careful about what I ate so as not to suffer from gas. My nerves were shattered and the least little noise out of the ordinary would upset me completely.

"I tried medicine after medicine but nothing would do me any good, and I was about to give up trying to find anything else when my attention was called to a testimonial in the paper about Tanlac. I decided to try it, and I want to say right here that it took me by surprise and that it is simply remarkable how I have been restored to health. I have a splendid appetite and no matter what or how much I eat I never suffer from stomach trouble in any form. My nerves are quiet and steady, and I can sleep all right long. I am not troubled with headaches or dizzy spells any longer, and I feel so different in every way that I hardly know myself. I am leaving for the Orient in a few days and before I go I feel that it is my duty to make this statement and let the people know that Tanlac is a great thing and that it will do every bit of what they say it will."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

GOLDEN WEDDING.

On Monday, the 15th inst., Mr. and Mrs. Wm. Brenner celebrated their golden wedding. They were married just below Belwood fifty years ago. After Mary McClelland and William Brenner were made one they started for Amaranth where the groom had taken a farm, lot 18 on the 10th concession, under difficulties that would have daunted many others. They managed to come in some sort of conveyance to Thos. Reid's, but from there to their own place, a blaze in the bush was the only guide. Here they hewed out a home and saw a goodly measure of prosperity crown their privations and energy, and about 17 years ago came to the village to reside. Three children survive. Mrs. James Cunningham and Mrs. Hugh Ritchie, of East Luther, and John, of British Columbia. On this occasion about forty old friends gathered with the two daughters and their families, and spent a pleasant meeting, presenting the half century married couple with a pair of handsome chairs. Among the guests were the brothers of the two daughters' husbands, and Rev. S. Lundie who proposed the health of the couple at the bride's table.—Star and Vidette.

Could Not Sleep

Mr. Earnest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was brought about by overwork. I had frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion, was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine cured me of all my symptoms. I am now feeling one hundred per cent. better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

Beautiful Suzy Depsy Serves Term in Prison For Trading With Enemy

WHATEVER may be the change of opinion in other parts of the world towards the Huns, now that the war is officially at an end, the French will undoubtedly continue to hate and distrust them for generations to come. As soon as the armistice was signed, some soft-hearted people began to feel that the time had come for less severity. That such is not the view of the majority of the French people was indicated by the recent trial of Suzy Depsy, the beautiful Parisian actress. The charge against Mme. Depsy was that she had been trading with the enemy. The offence was not a very grave one. There was no suggestion that Mme.

SUZY DEPSY.

Suzy Depsy was disloyal to her country or that she would have betrayed any secrets to the Huns that might have aided them in winning the war. It happened that the Germans could supply the actress with an article that she was not able to obtain elsewhere, and she accordingly committed the offence of "trading with the enemy." The popular actresses of Paris are usually the spoiled darlings of the public, and they are a law unto themselves in matters of conduct, but Mme. Suzy Depsy soon discovered that she had overstepped the bounds of popular patience. She had committed a crime which the public of Paris would not tolerate, even though she was a very beautiful woman. She was convicted and sentenced to serve a term of ten months in prison. Her beauty did save her a little, however. Her husband was implicated in the same offence, and he went to prison for eighteen months besides paying a fine of 2,000 francs. Suzy Depsy is married to Emilio Guillier, who is one of the best known of the prize fight promoters of France.

A Western Fable.

On the eastern slope of the Manzano Mountains in New Mexico stand the ruins of an old mission church, and a few scattered walls and foundations, which bear the impressive name of Grand Quivira, and which are monuments to one of the greatest and most enduring lies ever told by the tongue of man, writes Niksah in the Savannah News.

The lie was started by a certain Indian back in the sixteenth century. He was found living among the Pueblo Indians of New Mexico by the great Spanish explorer, Coronado. Because he was a queer, dark-looking fellow, the Spaniards called him the Turk, but in reality he was a member of another tribe of Indians, living far to the east.

The Turk was anxious to return to his own people, so he told the Spaniards that to the east was a great land, the home of a people called the Quiviras, where was much gold and great houses. Coronado went in search of the place, taking the Turk as a guide, and found that the Quiviras were a savage tribe of wandering Indians who had no wealth whatever. He killed the Turk for having told such a monstrous lie.

But the lie strangely persisted, in spite of all Coronado wrote and said about the true state of Quivira, and for a long time men continued to search for Quivira, with its gold and great houses. Later, these ruins in the Manzano country were supposed to be the remains of the mythical city, and treasure-seekers dug all about them in the hope of finding buried gold.

Finally, Bandelier, an astute government ethnologist, made a study of the matter, proved that the Quiviras had never been anything but a poor nomad of a million built by the Spaniards for the purpose of civilizing the Indians.

His Phoney Best.

"Hubby!"

"Yes?"

"In to-day's daily storiette the husband takes the wife in his arms and sings to her sweetly."

"'Fraid I ain't much of a singer, my dear," said Mr. Younghub, dubiously. "But you can sit on my knee and we'll turn on the phonograph."

The Greatest Hail Storm.

The greatest hail storm on record was in Europe in 1788, the biggest stones described as having then fallen were more than half a pound in weight.

A MONO PARTY.

(Intended for last week.)

Mr. and Mrs. Ernest Avison entertained a large number of their friends on Friday evening, Dec. 12th, dancing being the popular amusement of the evening. The dancing room was prettily decorated with streamers, bells and Union Jacks. Excellent music was provided by the Buchanan brothers, Messrs. Darmott and Patterson, C. Haddock and Robt. Little. The callers were Messrs. Dermott, Aiken, Patterson, Little and Fred Thompson. Each and all did their parts with right good will. An excellent lunch was provided at 12 o'clock, after which the dancing proceeded until the small hours of the morn, when all departed for their respective homes after thanking the host and hostess for one of the most pleasant and sociable evenings of the season.

The evening came and the guests came flocking,
In full dress suits and silken stocking;
The girls, in pinks and whites and blues,
Sat round the room in satin shoes.
The dancing started in very good time,
For Violet Hill didn't spoil the shine;
No wonder they kept it up till late;
Violinists and callers each numbered, eight.
One young fellow went to Violet Hill ball,
But I guess 'twas because he had to take his own doll;
They intended to spend the evening on the second line,
But they were told they were coming to the shine.
One young girl asked a fellow for tea,
And he afterwards said he couldn't see,
Why another young fellow could have two!
I tell you he one was feeling blue.
The new style collars cut quite a dash;

When circling backward became the style.
There were a few people who did not dance,
But it wasn't because they had no chance;
They said they would at the next good shine;
I guess that will be on the east townline.
In the morning the 'phone began to ring,
And everybody sang "God Save the King;"
And it was nearly six o'clock,
When the guests for the door began to flock.
[illegible] very best feature was the [illegible],
While they began dancing after breakfast;
And all declared when it was o'er,
They never had such fun before.

MAN OF IMAGINATIVE MIND

Among Many Useful Inventions of Seth Boyden Was That of Popular Patent Leather.

The first "patent" leather was the invention of Seth Boyden, who was born in Foxboro, Mass., one hundred and thirty years ago. He was brought up on a farm and educated in a district school and in the village blacksmith shop, where he spent all his leisure time "tinkering" and experimenting. His first invention was a machine for making nails and files. Later he invented a machine for splitting leather, and in 1815 he engaged in the leather business in Newark, N. J. In 1816 he invented an appliance for cutting brads and in the following year he perfected his "patent" leather. The leather prepared by this process gradually became popular, and until 1831 Boyden was principally engaged in its manufacture. He then turned his attention to steam engines, and made several improvements in locomotives. He took part in the California gold rush of '49, but soon returned to New Jersey, where he engaged in farming and produced a variety of strawberries vastly superior to any then known in both size and quality. He died in 1870, and his memory is perpetuated by a statue at Newark.

HEIRESS PROVED AN EASY MARK.

Handed Over Possessions to Two Friendly Women, Who She Claims Turned Her Adrift When Her Cash Was All Gone.

One of the most interesting cases ever tried in Bruce came before Mr. Justice Latchford in the High Court at Walkerton on Tuesday and Wednesday of this week in which Mrs. Hicks, a widow of Tiverton, formerly of Port Elgin, sought to recover a lot of money, stock and property she had turned over to Mrs. Jessie Giles and daughter, Mary, of Tiverton, whom she claims took advantage of her gullible nature to play her, as it were, for an easy mark. It appears that Mrs. Hicks, who went to spend the summer at the beach near Tiverton, met the Giles, who evidenced such friendship for her that she was persuaded to go and live with them. They were the very milk of human kindness and Mrs. Hicks turned over to them her house and lot in Port Elgin valued at $1200, a Chevrolet car worth about $450, some shares of stock in the Huron and Erie Loan Co., together with her household furniture and goods. After all her available means were exhausted, Mrs. Hicks claims that the atmosphere suddenly changed towards her in the home and that instead of the erstwhile tenderness shown her she was now treated with great hardship and compelled like a servant to do the work and drudgery of the place. It ended, she claims, in her finally being turned out of the house. The Giles, who told an altogether different story and denied ever having mistreated the woman, put in a counter claim for board, lodging and other items amounting to $486.65. After hearing the different versions of the tale, Mr. Justice Latchford gave judgment in favor of Mrs. Hicks and ordered that her house and lot in Port Elgin be returned to her, and that she be refunded $1100 on the stock she had turned over to Mrs. Giles in the Huron and Erie Loan Co., and that defendants pay all costs in the action. The Giles' counter claim was also dismissed, but they were allowed to keep the Chevrolet car and some other goods as an offset for services, etc., done her. O. E. Klein appeared for the plaintiff at the trial, and Robertson & McNab for defendants.

There is no need to comment on a statement like this. It's true. What was done for Mr. Connors has been done for hundreds of others. Dodd's Dyspepsia Tablets will do it for you.

THEIR GOLDEN WEDDING.

Mrs. Burrell is a daughter of the late Richard Noble, of Cataract, Peel County, at whose house the wedding was celebrated. The happy couple have been the recipients of many congratulations and messages from friends and of numerous gifts of gold from their immediate relatives. Mrs. Jas. Brodie, a sister of Mr. Burrell, was at the celebration. Three daughters also shared in their parents' happiness, Mrs. Wm. Tease, Mrs. James Cannon, of Caledon East, and Mrs. (Rev.) J. G. CREW DID NOT MUTINY.

Newfoundland Sailors Exonerated by British Consul.

PHILADELPHIA, Penna., Oct. 21.—The four survivors of the crew of the British schooner Onato, who were charged with mutiny by Captain Sullivan, of the American steamship Zirkel, were exonerated by T. P. Porter, the British Consul, after an enquiry into the charges. They will be sent to their homes in Newfoundland in a few days as ship-wrecked seamen.

The four survivors, Thomas Moulton, Ernest Fizzaro, Douglas Nicholls and Lorenzo Ash, drifting helplessly in their little craf, were picked up by the Zirkel in mid-ocean Oct. 8, and the schooner set adrift. Capt. Brushett, master of the Onato, and his brother, Ernest, the first mate, had been killed. Believing there had been a mutiny on board, Capt. Sullivan, of the rescue ship, placed the survivors in irons and turned them over to the authorities upon his arrival here last Thursday.

After the enquiry Mr. Porter stated he was satisfied there were no grounds for the allegation of foul play and that the testimony had convinced him that Capt. Brushett and his brother were killed while working in the hold of the vessel on October 5, in an effort to free the pumps. The little craft was battling against a heavy gale, he said, and the cargo of salt shifted and buried the captain and mate. Nicholls also was buried to his waist, but managed to extricate himself. Three days later, according to the testimony, the other four members of the crew opened the hatches and found the bodies under seven feet of salt. They were buried at sea.

As to the supposed fight Captain Sullivan claimed to have seen when he was approaching the disabled schooner, the survivors testified that they believed the Zirkel, which had broken its steering gear, was going to abandon them and that their frantic efforts to attract the attention of the steamer probably had the appearance of a fight. All four men said they had been close friends of Captain Brushett and his brother for years.

Mr. Porter has sent a letter of thanks to Captain Sullivan and other members of the Zirkel crew for rescuing the sailors.

The Onato was bound from Oporto, Spain, for a Newfoundland port.

China Clay Used In Paper.

The fact that an amalgamation with a capital of £2,000,000 has been formed to control the richest and best clay-fields in Devon and Cornwall, where alone china-clay exists in Great Britain, recalls the story of one of the most interesting and historic industries in the country.

China-clay is the fine white clay used in making the porcelain articles we are handling every day. Its great virtue lies in the fact that it is of a pure, or nearly pure, white, both before and after being fired, making it of great value in the manufacture of porcelain. It is also used to a great extent by papermakers, and in less quantity in the making of some chemical products.

Technically, china-clay is known as kaolin, derived from Kaoling—"high ridge"—the name of hills in China where the clay was first discovered and used in the manufacture of porcelain. Jesuit missionaries introduced it to Europe, and in the middle of the eighteenth century the clay was discovered in Cornwall and later in Devonshire.

The total output represents nearly half a million tons per annum.—Tit-Bits.

HAD ILLICIT STILL

Its Location Revealed When the House Caught Fire.

Called to a fire on Oak street the members of the Collingwood fire department discovered the residence of Alex. Cooper ablaze from a fire that had apparently started in the basement. The flames were soon under control, but the chief of the brigade noticed that great heat was coming up from beneath the floor under the kitchen where no cellar was supposed to be. The chief of police was called in, and on breaking in the floor discovered a new cellar entirely bricked in, where an illicit still was in full operation. Two eighteen gallon barrels of mash was secured besides the worm and some of the finished product. As a result of the find, Robt. Thompson, colored ,appeared before Magistrate Hogg charged with operating an illicit still, and was fined $500 or in default six months' imprisonment. The still was very cleverly arranged, the only access to it being through an underground passage commencing in the woodshed attached to the house, and proceeding for thirty feet to the new cellar. The premises have been twice searched by the police in the past six weeks without locating the still, which was believed to be somewhere about.

CARNEY–TOSH.

A quiet wedding took place at the Methodist parsonage, Mt. Forest, on Wednesday, December 17th, at two o'clock, when Miss Elizabeth J. Tosh and Mr. Joseph S. Carney were united in holy bonds of matrimony. The ceremony was performed by Rev. Mr. Wren, M.A., Methodist minister.

The bride was becomingly dressed in a travelling suit of navy blue serge. The groom's gift to the bride was a gold bracelet watch.

After congratulations were showered on the newly married couple the tea was served at the home of the bride's parents, W. Luther, to the invited guests consisting of the relatives of the contracting parties. The happy couple left for their home in East Garafraxa, taking with them the good wishes of a host of friends for their continued happiness.

MILLS–DOWLING.

A very pretty wedding took place at the home of Mr. and Mrs. W. A. Dowling, Mono Mills, on Christmas Day, when their daughter, Mary F. E., was united in marriage to Mr. Harold E. Mills, son of Mr. and Mrs. Alfred Mills, the Rev. A. Laycock, officiating. The bride, who was unattended, entered the drawing room on the arm of her father, to the strains of Mendelssohn's wedding march played by Mrs. Harold Dowling, and looked very charming in a gown of white Georgette with overdress of gold lace and pearls, and corsage bouquet of sweetheart roses. During the signing of the register, Mr. Cecil Gilbert sang "Because." After the wedding breakfast the happy couple left for a short honeymoon, the bride travelling in a coat of taupe velour with seal trimmings and hat to match. On their return they will be at home to their friends on the 8th line, Mono.

WIDDIS–THOMPSON.

The home of Mr. Richard Thompson, of Caledon, was the scene of a very pretty wedding at the hour of six o'clock on the evening of Wednesday, December 17th, when his only daughter, Maria Pearl, became the bride of Mr. Norman Wesley Widdis, son of the late William Widdis and Mrs. Widdis, also of Caledon. Rev. J. Burkholder, pastor of Knox Church, Caledon, conducted the marriage service in the presence of a number of the immediate friends. The ceremony took place with the bridal couple standing beneath an arch of evergreens and Christmas holly. The bride, who was given away by her father, looked very winsome in her wedding gown of white satin and net trimmed with seed pearls. She carried a bouquet of bridal roses. The wedding march was played by the bride's cousin, Miss Velma Armstrong, of Erin. After receiving the hearty congratulations of the assembled friends the newly wedded couple led the way to the dining room, which was very prettily decorated for the occasion. Here a dainty wedding breakfast was served. The next morning the bride and groom left for Brantford, the former travelling in a heavy blue serge suit with blue velvet brocaded hat and mink furs, the gift of the groom. The many friends of the happy couple extend their hearty congratulations.

BRADLEY–LAWSON.

The home of Mr. Joseph E. Rayburn, Wellington St., was the scene of a very pretty wedding on Christmas Day, when his niece, Miss Ina May Lawson, was united in marriage to Mr. Elmer Joseph Bradley, late of the 2nd Batt., in which he received a Mons medal for conspicuous bravery. The groom is the eldest son of Mr. A. W. Bradley, C.P.R. freight agent, and Mrs. Bradley, of this town. Rev. W. M. Morris performed the marriage service in the presence of about 25 relatives. The ceremony took place in the parlor, which was beautifully decorated for the occasion, the decorations having a military effect. The bride, who was given away by her uncle, was becomingly attired in a navy tricotine suit with fur trimmings and smock of navy beaded silk georgette and hat to match. She wore the gift of the groom, a handsome octagon case wrist watch. She was attended by her cousin, Miss Beatrice Emack, and the groom was supported by Mr. Lewis Moffitt. The groom's gift to the bridesmaid was a signet ring and to the groomsman a pair of cuff links. After the signing of the register the bride and groom led the way to the dining room, where a sumptuous repast was served. The bride received numerous and valuable presents. The happy young couple left on the evening train amidst showers of confetti for a brief honeymoon, after which they will reside at 223 Carlton St., Toronto.

A CHRISTMAS REUNION

A very enjoyable Christmas was spent at the home of Mr. and Mrs. James Montgomery, West Broadway, when their children and grandchildren, numbering in all thirty-two, gathered together to wish them the compliments of the season. After partaking of a dainty fowl dinner in the dining room, the merry gathering repaired to the living room, where greatly appreciated gifts were distributed from a large Christmas tree which had been erected by the fireplace. The remainder of the evening was afterwards happily spent in music, games and other amusements. The tables in the dining room were tastefully decorated with chrysanthemums and roses. Mr. and Mrs. Montgomery's family of nine children were all present. Eight of the nine are married and comfortably settled in their own homes. Quite a number of friends and acquaintances called during the evening to wish Mr. and Mrs. Montgomery many happy reunions of a similar character in their new home.

ELECTORS OF ORANGEVILLE

Ladies and Gentlemen,—

At the request of a number of the ratepayers I am a candidate for the Mayoralty for 1920 and respectfully ask for your influence and support. For the years 1916, 1917, 1918 and 1919 I have served you on the Finance Committee of the Council to the best of my ability. I have no criticism to offer of my opponent, Mr. Hewson, who is a capable and honorable gentleman, but I believe, from my work in the Council for the past four years and the fact that it is now several years since Mr. Hewson sat in the Council, that I am in closer touch with the affairs and problems of the municipality and therefore in a better position to serve your interests in an efficient manner during the coming year. Wishing you the compliments of the season, I remain

Yours truly,
T. S. Parkinson.

ELECTORS OF ORANGEVILLE

At the solicitation of a number of influential ratepayers I have decided to allow my name to appear on the ballot as a candidate for the office of Mayor and respectfully solicit your very hearty support in my behalf. I have a lengthy and I believe creditable municipal record, and while I have not sat in the Council in recent years, I have kept closely in touch with municipal affairs and the actions of recent Councils. I believe there has been too much easy going drift with respect to the town finances and promise you that if I am elected I will do my utmost to make an end to the heavy overdrafts that hamper the work of the Council and add a heavy interest charge to the expense of carrying on the town's business from year to year.

Thos. S. Hewson.

ELECTORS OF ORANGEVILLE

I desire to announce my candidature for the office of Reeve. I have had five years' experience in the Council, during one of which I served you as Deputy-Reeve and as such was one of your representatives in the County Council. If elected I will continue to use my best efforts to further the interests of the town of of Orangeville. I respectfully solicit your hearty support.

J. E. THOMPSON.

ELECTORS OF ORANGEVILLE

After four years of continuous municipal service, during one of which I have had the honor to represent you as Reeve, I am again before you asking for your hearty support for a second term as Reeve. I have given you my best in time and energy and feel that the municipal experience I have gained has so familiarized me with the affairs of the town that I should be able to do even better work in the 1920 Council than in the past. It is now thirteen years since Orangeville has had the Wardenship and I am satisfied that if you elect me again I will have an excellent chance of becoming Warden of the County, especially as I have always taken an active interest in all County affairs. I trust you will favor me with your hearty support in the campaign and at the polls. With sincere good wishes, I am

Yours Faithfully,
C. V. JEFFERS.

ELECTORS OF ORANGEVILLE

I wish to announce that I am a candidate for the office of Deputy-Reeve and to respectfully solicit your active influence in behalf of my candidature. I have now had three years continuous service in the Council and feel that I have earned the right to aspire to a higher position. During the present year I have held the responsible position of Chairman of the Fire and Water Committee, which has charge of one of the town's most important services. If elected I undertake to devote both time and energy to the interests of the town.

W. J. GILLESPIE.

ELECTORS OF ORANGEVILLE

After serving for a number of years as one of your representatives on the Public School Board I have decided to stand for the Town Council for next year and therefore take this means of announcing that I will be a candidate for the office of Deputy-Reeve. I have a lengthy business experience, a good working knowledge of the public affairs of the town and believe that if I am successful at the polls I can serve your interests to your advantage and my own credit. If you think I can be trusted with your business I shall hope to have your hearty support during the campaign and at the polls.

DAVID YOUNG.

Many Still Love to be Humbugged

SEEM NOT TO MIND HAVING "SOMETHING PUT OVER" ON THEM THE LEAST BIT.

PINK PAJAMAS FOR SHIRT

MAIL ORDER HOUSES FIND IT EASY TO MAKE SUBSTITUTIONS BECAUSE OF THE COST OF MAKING EXCHANGES

(Copyright.)

It was a famous American showman who declared that the American people love to be humbugged. That saying is many years old now but sometimes it seems that there is about as much truth in it now as there was when it was first uttered.

People as a rule do not like the idea of having "something put over" on them, but from the way in which the great mail order houses in the big cities flourish it seems that a great many people do not mind it a bit.

The business man who, when he gets a call for an article which he has not in stock, attempts to substitute some other article of a similar nature without telling the buyer of the substitution, is "putting something over" on his customer. Few retail merchants nowadays attempt to do a thing of that kind. The great majority of merchants do not do this for two reasons. One reason is that they wouldn't do it if they could and the other is that they couldn't do it if they would. The man who buys an article over the counter and sees what he is buying before he pays for it, is pretty sure to get what he wants.

ORDERED SHIRT, GOT PAJAMAS.

But there is another class of merchants, of which the same thing cannot be said. A man who has been closely connected with some of the big mail order houses is authority for the statement that the heads of the various departments of many mail order houses have standing orders to substitute with the nearest thing they have if the articles ordered are not in stock and available for delivery. It is related that in one instance as a result of these instructions, a man who ordered a dress shirt from a mail order house received a pair of pink pajamas instead.

It is easy for the mail order house to get away with this substitution of another article for the one that is ordered for the reason that to exchange an article received from a catalogue house is a costly undertaking.

EXCHANGES ARE COSTLY.

If a mail order buyer is disappointed in his purchase, as he is very apt to be when he compares the article upon its arrival with the picture and flowery description which appeared in the catalogue, the wisest plan is to take what he gets and make the best of it for every time he sends an article back to be exchanged, he is piling up the express or freight charges and even if the article is exchanged as requested, the buyer is not apt to fare much better on the second attempt.

The mail order houses are well aware of the fact that the majority of their customers will not go to the trouble and expense of returning an article if it does not come up to their expectations and as a result they can work the substitution game to their hearts content.

The home merchant, however, cannot do business in this way and, as has been said, the majority of them would not do it if they could. The home merchant, if he has not the article called for, may offer another with the explanation that it is of the same quality as the one for which the customer asked. Good merchants nowadays even hesitate to offer something "just as good" to the customer especially when the article called for is one that has become well-known and popular through the advertising done by the manufacturer, but to attempt to make a substitution without the knowledge or consent of the customer! Well, it isn't being done by the local merchants today.

SUBSTITUTION MADE EASY.

Substitution is made easy for the mail order house, also, by the fact that they do not sell much of what is known as "advertised" goods—that is, the goods that have been thoroughly advertised by the manufacturers and have become nationally known through such advertising. A large part of the merchandise which the mail order houses sell purports to be manufactured by them—although in most cases little of it is made in their own plants. Much of this merchandise bears only the name of the mail order house and it is easy to substitute one article for another without the customer being any the wiser.

The methods of the home merchant naturally are different. With the great development of advertising in recent years much of the merchandise carried by the retail merchant is "advertised" goods. These goods are of familiar brands, the names of which have been made famous by the national advertising of the makers. This advertising is a distinct protection to the buyer for the latter knows when he goes into his local store and asks for an article of this kind that he will get just what he asks for if the merchant has it in stock and that he will be told if the article is not in stock. There is absolutely no opportunity for the merchant to "put one over" on him, even if the merchant had the inclination to do so.

MR. AND MRS. R. W. BURRELL, OF CALEDON EAST, FIFTY YEARS MARRIED.

On the afternoon of December 23, 1869, Mr. Richard W. Burrell, of Stanley Mills, and Miss Annie Noble, of the Cataract, were married at Brampton by the Rev. Thos. Amy.

On Tuesday, December 23, 1919, there was a joyous gathering at the home of Mr. and Mrs. R. W. Burrell, at Caledon East, to celebrate the fiftieth anniversary of the wedding. Mrs. Burrell wore a becoming gown of soft grey, with touches of black and coral.

There were present the three daughters and their husbands:—Mr. and Mrs. Wm. Toase, of Caledon East, Mr. and Mrs. Jos. Cannon, of Caledon East, and Rev. J. G. and Mrs. Rogers, of Port Credit; Mrs. Dolly Burrell, Caledon East, wife of the late Wm. Burrell, and the six grandchildren.

A very happy feature of the gathering was the presence of the Rev. Thos. Amy, and Mrs. Amy, now retired and living at Burlington, who, not so long ago, celebrated their fiftieth wedding anniversary. Other guests were the Rev. Geo. Burry, minister of the Methodist church at Caledon East, and Mrs. Burry; Mrs. M. J. Brodie, of Toronto, sister of Mr. Burrell, Miss W. Brodie, of Toronto, and Mrs. Evans, of Bolton, a close friend of Mrs. Burrell.

The dinner table was decorated in pink, with carnations and roses, and the wedding cake, surrounded with its fifty pink candles, made an exceedingly pretty centre. The dining room was also decorated in pink.

After dinner, congratulatory speeches were made by the Rev. Thos. Amy, Rev. George Burry and Rev. J. G. Rogers.

The gifts included a purse of gold and a gold headed cane from the children and grandchildren.

Mr. and Mrs. Burrell have been receiving the congratulations of their many friends at home and from other points.

USED FOR SHAVING.

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's itch.

Norval Hutcheon, Beeton, got on the roof of a house being moved along the street by a tractor to lift a cable over the chimney. In some way the cable caught on the gable, slipped, knocked the chimney off and catching the young man threw him with some force 22 feet to the frozen ground. Besides a broken wrist he got a terrible shaking up.

JOINT SPECIAL MEETING
ADJALA COUNCIL and B.O.H.

At a joint meeting of the Council and the Board of Health, it was resolved to have a notice published in the local papers strongly advising people to be vaccinated as smallpox is threatening the municipality, being within a few miles of it already. This Council and Board of Health consider it to be the duty of all to protect themselves against this dread, and very often fatal, disease. As vaccination is the only sure preventive, we, therefore, strongly advise that all residents of Adjala should be vaccinated at once.

PARKINSON WON.

But Majority was only 8 in Fight with Hewson for Orangeville Mayoralty.

Jeffers had 41 over Thompson for Reeve — Walkover for Gillespie in Deputy-Reeveship Contest.

Orangeville had the excitement and the uncertainty of a keen municipal contest on Monday. The electorate evinced a lively interest in the outcome, the candidates all worked hard and the influence of these two factors found its expression in the heavy vote that went to the polls. The races for the Mayoralty and Reeveship proved very close and the outcome was in doubt until the last return was received. For the former office Mr. T. S. Parkinson nosed out Mr. T. S. Hewson by the scant majority of 8 votes. Hewson had the advantage of being better known than his opponent and also received a measure of support out of sympathy on account of his long service and past defeats. He had majorities in the West and South Wards, but Parkinson more than offset these in the North and East. Carson Jeffers defeated J. E. Thompson for Reeve by a margin of 41 votes. The winner was 39 votes to the good in the West and also had small majorities in the North and South Wards. Thompson's stronghold was the East, which gave him a lead of 40. The race for Dep.-Reeve developed into a runaway for Gillespie, who pulled out with a majority of 207. His opponent, Dave Young, was personally popular, but was badly handicapped from the fact that he had not sat in the Council, whereas Gillespie had three years' continuous service to his credit. This was really the deciding factor in the race, as apart from this most electors felt there was not much to choose between the two men. The details of the three contests follow:

For Mayor.

AN IDEAL TONIC FOR WEAK PEOPLE

Dr. Williams' Pink Pills Act Directly on the Blood and Nerves.

Food is as important to the sick person as medicine, more so in most cases. A badly chosen diet may retard recovery. In health the natural appetite is the best guide to follow; in sickness the appetite is often fickle and depraved.

Proper food and a good tonic will keep most people in good health. Dr. Williams' Pink Pills are the most popular tonic medicine in the world, harmless and certain in their action, which is to build up the blood and restore the vitality to the run-down system. For growing girls who become thin and pale, for pale, tired women, and for old people who fail in strength Dr. Williams' Pink Pills are an ideal tonic. Thousands of people have testified to the health-giving qualities of Dr. Williams' Pink Pills and in many homes they are the only medicine used. Among the homes in which the benefit of this medicine has been proved is that of Mr. E. A. Underwood, Kingston, Ont., who says:—"I have used Dr. Williams' Pink Pills with the most beneficial results. As the result of hard work I was very much run down, and my appetite was very poor. I got a supply of the pills which I used regularly for some weeks with the result that they restored me to my old time strength. They also proved a blessing to my daughter, who was in a very anaemic condition, and who seemed not to get more than temporary relief from any medicine until she took Dr. Williams' Pink Pills. She took the pills for about three months, and is now enjoying the best of health. For these reasons I can strongly recommend Dr. Williams' Pink Pills."

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement they make in the appetite, health and spirits. You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

THE H. S. GRANT.

Hornings Mills, Jan. 4th, 1919.

Mr. Editor,—

I noticed in a recent issue of your valuable paper that Mr. Jeffers, the Reeve of Orangeville, was taking credit for securing additional grant to the High Schools of the County of Dufferin.

Now, Mr. Editor, I must say that there was not one objection, neither in committee or at the Board, to the advance grant of Five Dollars. The only objection held was to the advance of Ten Dollars, which as yet they have not received.

True there was a by-law passed to increase the grant to Fifteen Dollars to take effect in 1920, but which has to be adopted by the coming council. As Chairman of the Educational Committee I think it my duty to make this explanation in fairness to the 1919 Council.

Yours truly,
Geo. T. Prentice.

A WELL-EARNED GIFT.

Mr. R. Page, who has been mail courier on R. R. No. 2, Alton, for the past four years, has terminated his agreement with the Department and is now taking a well-earned rest. The owners of mail boxes over the route, some thirty-one in number, took advantage of the occasion to testify to their regard for Mr. Page and their appreciation of his services by presenting him with a well-filled purse, the presentation taking place at his home in Alton on New Year's eve.

As an evidence of Mr. Page's popularity it is pleasing to note that every owner of a box on the route gave freely and compliments to the veteran courier were mingled with regrets over the fact that he was giving up the job. That Mr. Page may live to have many happy New Years is the wish of all the people on R. R. No. 2.

LILIOUKALANI HAWAIIANS.

These famous musicians, who will be seen and heard in the Orangeville Opera House on Friday evening, Jan. 16th, present a programme of variety and charm that has been received with enthusiasm in America for several seasons. They have been associated together for a number of years and their work as musicians and entertainers has been of an uniformly high quality. Through the medium of songs, instrumental numbers, folk dances etc. they present an instructive picture of life in the South Sea Islands. Native instruments which have attained a great popularity in America in recent years are largely used, and the program covers a wide range, being interesting, unusual and altogether attractive.

ELECTORS OF AMARANTH.

I wish to take this opportunity of thanking the electors of the Township of Amaranth for the very hearty support accorded me by electing me as Councillor on Monday last. I will try to prove worthy of the support given me. Again thanking you all very heartily, I am

PARKINSON WON.

But Majority was only 8 in Fight with Hewson for Orangeville Mayoralty.

Jeffers had 41 over Thompson for Reeve — Walkover for Gillespie in Deputy-Reeveship Contest.

Orangeville had the excitement and the uncertainty of a keen municipal contest on Monday. The electorate evinced a lively interest in the outcome, the candidates all worked hard and the influence of these two factors found its expression in the heavy vote that went to the polls. The races for the Mayoralty and Reeveship proved very close and the outcome was in doubt until the last return was received. For the former office Mr. T. S. Parkinson nosed out Mr. T. S. Hewson by the scant majority of 8 votes. Hewson had the advantage of being better known than his opponent and also received a measure of support out of sympathy on account of his long service and past defeats. He had majorities in the West and South Wards, but Parkinson more than offset these in the North and East. Carson Jeffers defeated J. E. Thompson for Reeve by a margin of 41 votes. The winner was 39 votes to the good in the West and also had small majorities in the North and South Wards. Thompson's stronghold was the East, which gave him a lead of 40. The race for Dep.-Reeve developed into a runaway for Gillespie, who pulled out with a majority of 207. His opponent, Dave Young, was personally popular, but was badly handicapped from the fact that he had not sat in the Council, whereas Gillespie had three years' continuous service to his credit. This was really the deciding factor in the race, as apart from this most electors felt there was not much to choose between the two men. The details of the three contests follow:

For Mayor.

AN IDEAL TONIC FOR WEAK PEOPLE

Dr. Williams' Pink Pills Act Directly on the Blood and Nerves.

Food is as important to the sick person as medicine, more so in most cases. A badly chosen diet may retard recovery. In health the natural appetite is the best guide to follow; in sickness the appetite is often fickle and depraved.

Proper food and a good tonic will keep most people in good health. Dr. Williams' Pink Pills are the most popular tonic medicine in the world, harmless and certain in their action, which is to build up the blood and restore the vitality to the run-down system. For growing girls who become thin and pale, for pale, tired women, and for old people who fail in strength Dr. Williams' Pink Pills are an ideal tonic. OUT WHERE THE WEST BEGINS.

(The following lines were sent to County Clerk J. C. Reid by Mr. D. J. Hunter, late Registrar of Deeds for Dufferin):—

Out where the hand clasps a little stronger,
Out where the smile lasts a little longer,
That's where the West begins.
Out where the sun is a little brighter,
Where the snows that fall are a trifle whiter,
And the bonds of home are a wee bit tighter,
That's where the West begins.
Out where the skies are a trifle bluer,
Out where friendship's a little truer,
That's where the West begins.
Out where a fresher breeze is blowing
Where there's laughter in ev'ry streamlet flowing,
Where there's more reaping and less sowing,
That's where the West begins.
Out where the world is in the making,
Where fewer hearts in despair are aching,
That's where the West begins.
Where there's more of singing and less of sighing,
Where there's more of giving and less of buying,
And a man makes friends without half trying,
That's where the West begins.

And there's the store we must not forget

Why is she single with such fellows near?
I think this is all I have to say

BRYAN-MALTBY.

On Christmas afternoon a pretty wedding took place in the Presbyterian church, Laurel, when Miss Alzina Maltby, eldest daughter of Mrs. Jno. Maltby, Laurel, was united in marriage to Mr. Roy Bryan, son of Mr. and Mrs. James Bryan, near Laurel. The Rev. J. A. Reddon, B. A., of Laurel, was the officiating clergyman. Promptly at the hour of two o'clock, the bride and groom entered the church and took their places to the strains of the Lohengrin Bridal Chorus played by Miss Margaret Donlin, of Riverview, cousin of the bride. The bride was given away by her elder brother, Mr. Herbert Maltby. After the marriage service the guests, about sixty in number, repaired to the bride's home, where all partook of a dainty wedding repast. The bride's wedding gown was a lemon colored silk crepe de chene, trimmed with satin folds and pearls. She wore the customary bridal veil and carried a bouquet of pink and white carnations and ferns. Her travelling costume was a becoming suit of dark brown gabardine with black hat trimmed with ostrich plume, and she also wore a set of black wolf furs, the gift of the groom. The groom's gift to the organist was a beautiful brooch set with pearls. The bride received a large number of very costly presents and the Monday previous to her marriage her girl friends gave her a miscellaneous shower at the home of Mrs. Jelly. After the wedding breakfast the happy young couple took their departure on the evening train amid showers of confetti and the hearty good wishes of their many friends for a short honeymoon trip to Toronto and other points. On their return they will reside on the groom's farm on the 6th line, Amaranth, about 1½ miles from Laurel. Those present at the wedding from a distance were Mr and Mrs. George Maltby and son, Melrose, of Hillsburg, the Misses Annie and Winnifred Atkinson and Miss Margaret Donkin, of Riverview, and the Messrs. Bryan, of Hillsburg.

LYON-McGILLIVRAY.

A very pretty wedding was solemnized at the home of Mr. and Mrs. A. W. McGillivray, Margaret St., on New Year's Day, when their elder daughter, Ruby, was united in marriage to Rev. Hugh M. Lyon, pastor of Knox Presbyterian Church, Cranbrook, B. C. The officiating clergyman was the Rev. Jenkins Burkholder, of Caledon, Ont. The home was tastefully decorated with evergreens and cut flowers. The bride entered the room supported on the arm of her father to the strains of Mendelssohn's wedding march played by her cousin, Miss Gladys Taylor, Toronto. She looked a pretty picture in her travelling costume of brown silver tone with hat to match and lovely corsage bouquet of Ophelia roses. The bridegroom's gift was a set of Hudson seal. The happy couple left on the evening train for a short trip to Eastern points. They will leave for their future home in Cranbrook about the middle of January. The bride has been on the staff of the Orangeville Public School for the past six years and actively identified with the various organizations connected with St. Andrew's church. Among the many presents which she received were dainty gifts from St. Andrew's church choir, the teachers and officers of the Sunday School, Orangeville Public School staff and The Busy Bee Club. Her many friends here unite in wishing her all possible happiness in her Western home.

Among the out of town guests were Mr. John Scott and son, Paul, of Smith's Falls, brother and nephew of Mrs. McGillivray, Mr. and Mrs. D. Taylor and family, of Toronto, Miss Olive Ramsey, of Amherstburg, Misses Pearl Sproule and Mary McGillivray, of Toronto, and Mrs. (Rev.) Jenkins Burkholder, of Caledon.

THUMB-JUNE.

Tom Thumb was successfully married in St. Andrew's Church, Camilla, on Christmas night. At eight o'clock the wedding guests marched up the aisle of the church as their names were called by the page Henry Gemmell. When the guests about forty were seated Rev. Mr. Coutts (Wilfred McKim), the groom (Bert Madill) and best man (Frank Christian) took their places on the platform. Then came the bridesmaids, Stella Buchanan, dressed in pink and Kathleen Madill in blue. The dainty flower girls Jean and Bertha Curtis preceded the bride strewing flowers along the aisle. Lastly came the bride, June (Elsie Heatherington), leaning on the arm of her fond parent, (Kenneth Stewart), who handed her over to the groom. The bride looked charming in white and wore the customary veil caught up with lilies of the valley. She carried a bouquet of carnations. Rev. Coutts officiated in joining the stalwart specimen of humanity and the "new woman" in the iron bonds of padlock. After the happy couple had received the congratulations of their friends and taken their places among the guests, Rev. Coutts (Wilfred McKim) acted as chairman for the evening. The guests from a distance were Sir Harry Lauder (Arthur Curtis) and Lad Lauder (Eva Kinsley), Sir Robert Borden (Borden Buchanan) and Lady Borden (Mary Reid), Mary Pickford (Fern Madill) and Charlie Chaplin (Jack Marshall), Premier Drury (Kenneth Henry) and Mrs. Drury (Annie Kendrew), Rev. P. C. Howard (John Reid) and Mrs. Howard (Marion Curtis), Mr. Robt. Reid (Lewis Marshall), Wm. Henry (Wallace Gallaugher), Josiah Marshall (Joseph Reid) delivered lengthy addresses. Charlie Chaplin performed many pleasing and amusing stunts during the ceremony and also gave a recitation. Sir Robt. Borden was unfortunately too ill to speak in public and merely told the audience so. Harry Lauder was exceptionally good and sang two popular Scotch songs. Lady Borden gave a recitation, Mary Pickford and Mrs. Josiah Marshall (Annie McKim) gave piano solos. Mrs. Drury recited and Mrs. Gemmell (Hazel Kendrew) spoke on behalf of the Ladies Aid. Every guest took part in the program and everyone did his or her part remarkably well. The program was decidedly one of the most interesting ever held in Camilla church. Wonderful ability and talent was exhibited by the children of the community and those in charge of the training are to be congratulated on the success of their venture.

MARSVILLE.

Bethel Presbyterian Church was the scene of a pretty wedding on Wednesday, December 31st, when Miss Mary W., oldest daughter of Mr. and Mrs. W. B. McGowan and Mr. Nathaniel Reid, of Orton, were united in the holy bonds of wedlock. Shortly after 12 o'clock to the sweet strains of the wedding march played by Mrs. N. Barber, of Guelph, cousin of the groom, the bride, carrying a beautiful bouquet of cream roses and maiden hair fern, came in on the arm of her father and took her place in front of an embankment of evergreens artistically arranged and neatly decorated with a wedding bell. There the nuptial knot was tied by the Rev. Capt. F. Harper in the presence of about fifty guests and many relatives and friends of the contracting parties. The bride looked charming in white silk crepe de chine trimmed with beads. The bridal veil, caught up with orange blossoms, lent the conventional final touch to a most pleasing costume. Little Marguerite Forgrave made a dainty flower-girl, being prettily attired in pink voile and carried a basket of pink and white carnations. Messrs. Wes. McGowan and Wm. Everson performed the duties of ushers in a very capable manner. After the ceremony a reception was held at the home of the bride's parents when the usual good wishes and congratulations were extended to the happy couple. A most sumptuous wedding repast was served in excellent style in the dining room, which was nicely decorated with green and white streamers. Later in the afternoon the bridal couple motored to Guelph where they took the train for Hamilton. The bride's going away suit was of navy blue with hat to match. The groom's gift to the bride was a brooch set with pearls, to the organist a cut-glass sandwich dish and to the flower girl a cameo ring. The bride was also the recipient of many valuable and useful presents. Both the bride and groom are well and favorably known and their many friends extend to them their best wishes as they start out in life in their beautiful home adjoining Orton.

The induction of Rev. Captain F. Harper into the pastorate of Hillsburg and Bethel churches took place in the latter church on Friday afternoon, Jan. 2nd. The Rev. S. Lundie, of Grand Valley, and Rev. W. N. Carr, of Alton, had charge of the impressive service. Other members of the Presbytery were unable to be present. In the evening an old fashioned tea-meeting was held and notwithstanding the unfavorable weather a good crowd was present to enjoy the social event. An excellent supper was served in the basement of the church after which a programme was given in the auditorium. Miss Tena Atwell, an accomplished soloist, was present and well deserved the applause she received on each occasion. Miss Mildred Hanna gave a recitation in her usual pleasing manner. Lorne Donaldson rendered a couple of selections on the violin. Short addresses were given by Revs. Lundie and Carr. The chair was occupied by the newly inducted pastor who proved himself equal to the task.

The bride elect, Miss Mayme McGowan, was honoured with a kitchen shower by about sixty young people of this vicinity on Tuesday evening, December 23rd. The happy event took place at the home of her cousins, Misses Gertie and Gladys McGowan. She received many useful gifts and best wishes. After refreshments were served the remainder of the evening was spent in games and dancing in which all heartily engaged.

A PRETTY WEDDING

A very pretty wedding was solemnized at the home of Mr. and Mrs. W. J. Awrey, 61 Perth Street, on Thursday, Dec. 25th, at 2 o'clock when their youngest daughter, Etta, was united in marriage to Mr. Arch. T. McLachlan, Erin. The bride entered the parlor to the strains of the wedding march, played by Miss Pearl McLachlan, sister of the groom. The ceremony took place under an arch of evergreens and white wedding bells, Rev. D. Walker officiating. The bride was becomingly attired in a dress of white satin crepe de chine with seed pearl trimming, and wore the customary wedding veil and orange blossoms. She carried a sheaf of pink roses and white narcissus. Little Elva McKinnon, niece of the bride, acted as flower girl, and carried a basket of pink roses. The gift of the groom to the bride was a pearl sunburst, to the flower girl, a gold locket and chain, and to the pianiste, a string of pearls. After the ceremony, the guests, numbering about forty, retired to the dining room, where a bountiful supper was served. The bride's going-away gown was of taupe satin with hat to match. In the evening the happy couple left amidst showers of confetti and good wishes for Hamilton and other points east. On their return they will reside at Ayr, where the groom is principal of the public school. The many beautiful and costly presents went to show the high esteem in which the young couple are held.—Guelph Herald.

Clare Says Tanlac Helped Him More Than Anything He Ever Took In His Life.

"I honestly believe I would be flat on my back in bed to-day, unable to do a bit of work, if it hadn't been for Tanlac," said Jesse Clare, living at 439 St. John's Road, West Toronto, Ontario.

"I suffered from stomach trouble and a general run down condition for two years," he continued, "my food soured on my stomach and formed gas that bloated me up so I could hardly get my breath. I would get so dizzy at times that I was in danger of falling down in the street. I did not rest well and in the morning I could hardly drag myself out of bed and go to work. My head ached all the time, and I was blue and melancholy and found little pleasure in life.

"I thought I was going to have a breakdown when one day I was too sick to work. My wife sent for a bottle of Tanlac and I was down in bed when I started taking it. Before the end of the week I was up again and at work, and I haven't had a touch of that tired, worn out feeling since. My appetite is fine, my food agrees with me, gas has stopped forming and those dizzy spells have disappeared and I feel as sound as a dollar. I get up in the mornings full of life and energy and my whole family is rejoicing over the great change Tanlac has made in me, and I can truthfully say nothing I ever took in my whole life before ever did me as much good as Tanlac."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow, in Shelburne by J. E. A. White, and in Grand Valley by W. T. Edmonson."

FIRE PREVENTION.

Helpful Means in Home and On the Farm.

Last week we referred to the fact that at the Closing Exercises of Orangeville Public School, medals were presented to the successful pupils in an essay writing contest on the subject, "Prevention of Fire at Home and on the Farm." The medals were donated by the Ontario Fire Prevention League. The successful contestants were Waneita Goodeve, daughter of Mr. and Mrs. E. R. Goodeve, in the Fourth Classes and Harvey White, son of Mr. and Mrs. Thomas A. White, in the Third Classes. The following is the text of Miss Goodeve's essay:—

Always lock your barn at night and equip it with lightning rods. If it has a metal roof see that it is grounded.

Never smoke in a barn if you do not want to lose your barn and all its contents.

Never carry loose matches in your pockets for they may fall into the hay in the barn and somebody will come along and accidentally step on one of them and the barn will be on fire in a few seconds.

If your buildings are near a railroad they should be covered with a tives of the contracting parties. The ing and no doors or windows should be left open, because sparks might blow in. You should plow a furrow or two next the railway. It will save pasture, hay and green crops from catching fire. You should not burn rubbish near any building or when there is a high wind.

When using gasoline for lighting or cooking you should see that everything is perfect. You should never clean silks with gasoline for the violent rubbing of the silk produces electricity, which sets on fire the vapour.

Never smoke a cigar or cigarette and handle gasoline at the same time.

Never clean a car with gasoline for if two pieces of iron or metal come together it is liable to make a spark and explode. Oily wastes should be placed in metal cans. It is better to destroy the oily rags and not leave them around the house or barn. Sawdust is liable to explode if soaked in oil drippings. It should not be around the house or outbuildings. You should always keep sand around the garage. You should place a screen over the smoke box of a threshing engine because the wood used to fire these engines sends out sparks.

Every two out of three fires are in the homes. If you have a gas stove you should never leave it burning all night. There should be a metal plate under every stove and asbestos or metal behind the stove, but leave about three inches between it and the wall. All stovepipe holes should have a tin collar with holes in it. You should avoid having many stove-pipe elbows in your house. If you have an electric iron you should never leave it turned on if you are called away because it might start on fire. Avoid having mice or rats in your attic or house, for their nests are just fireboxes.

Men should never smoke in bed or put lighted pipes in their pockets. You should always try to keep matches out of the reach of children and avoid their playing with fire or lighted matches. Never have attics or basements dirty. When smoking never throw ashes into the waste paper basket. Put ashes in metal cans, never in wooden boxes.

GIFTS FOR BRIDE ELECT

One evening last week a large number of friends gathered at the home of Mr. and Mrs. Wm. Tosh, for the purpose of making presentations to their daughter, Miss Lizzie, shortly before her approaching marriage.

From the Ladies' Aid of Damascus Methodist Church, Miss Tosh received a handsome casserole, accompanied by a highly complimentary address which was read by Mrs. Woulds and the gift was presented by Mrs. Gilmore. From the congregation of the Church, Miss Tosh received a purse of $25. The accompanying address was read by Miss Katie Anderson and the presentation was made by Miss Ruby Boyd. Miss Tosh has taken a lively interest in the affairs of the Damascus Methodist church, and her departure from the neighborhood to Waldemar is much regretted. After the presentation, a very pleasant social hour was spent. The addresses were as follows:—

Miss Lizzie Tosh,

Dear Friend,— We, the members and adherents of the Damascus Methodist Church, hearing that in a short time you purpose severing your connection with us, feel that we cannot see you go without expressing our regret at your departure and our sincere good wishes for your future welfare and happiness. You have been one with us for a long time in our efforts to promote the welfare of the church and have rendered invaluable service for upwards of 6 years in presiding at the organ and that without remuneration of any sort. We now ask you to accept this purse as a slight ack nowledgment of our indebtedness to you. Get with the contents whatever your desire or fancy dictates. May you long be spared to preside over your new home, and may God's richest blessing go with you. Signed on behalf of the church, Katie Anderson, Ruby Boyd, Pearl Day.

Dear Miss Tosh,—It is with regret that we have learned of your intended departure from our midst, and we have found you to be very willing and helpful in our Ladies' Aid and in our church life. We have always found in you a friend who was true. You have served in our church so long, and faithfully that it will be hard to get used to not relying on you. Your absence from our Ladies' Aid meetings will be keenly felt and as a token of your services, we ask you to accept this casserole, trusting that it will keep you in mind of our love and affection for you, and we hope your new home will be greatly enjoyed. Signed on behalf of the Damascus Ladies' Aid, Mrs. Would, President, Mrs. Gilmore, Secretary.

NEW LAWS.

Affect Mines, Registration of Births, Deaths and Marriages.

Half a dozen laws which were enacted by the Legislature last March became law New Year's Day. These include regulations pertaining to the operation of mines; an act respecting the registration of births, marriages and deaths; an act amending the laws relating to stationary and hoisting engineers; certain laws pertaining to loan companies, and a compulsory school attendance law.

The Mining Act regulations, which take the place of others which have been repealed, make it illegal for any boy under 16 years of age to be employed about a mine, or for a boy under 18 years of age to be emploed underground about a mine. No woman, except in office work, is in future to be permitted to work about a mine. Except for the purpose of changing shifts, avoiding Sunday work, or in cases of emergency, no workman shall be allowed to remain underground in any mine for more than eight hours in any consecutive 24 hours.

Registration of Births.

The act respecting the registration of births, marriages and deaths is largely a revision of the former law. The changes are made to give uniformity to the laws throughout the Dominion, and were brought about as a result of a conference held at Ottawa some months ago. New features in the law which become effective to-day include that every physician, clergyman, nurse, undertaker or othe person having knowledge of the facts respecting any birth, marriage or death shall supply each information as the Registrar-General may require. There is also a section which provides that monthly instead of quarterly returns must be made by Divisional Registrars; also if there have been no registrations during the period this fact must be reported. The new law imposes upon the parent or guardian the necessity of seeing that registration is made of a birth or death.

An interesting provision is that births at sea where the mother is on her way to Ontario, or births in hospitals in the United States, may be registered in this Province.

Affects Trust Companies.

The clause in the act that was passed amending the Loan and Trust Corporation Act, which became effective January 1st, provides that no corporation shall, except as to securities issued or guaranteed by the Government of Canada or of any Province or by a municipal corporation in Ontario, invest money in any one security or make a total investment in any one corporation, including the purchase of its stock or other securities, the lending to it on the security of its debentures, mortgages or other assets or any part thereof, of more than 15 per cent. of its own paid-in capital stock and reserve funds.

Further, this amendment provides that no corporation shall make any investment the effect of which will be that such corporation will hold more than 15 per cent. of the stock and debentures of any one corporation or an incorporated company, nor shall it invest in the stocks, debentures or funds of any corporation, chartered bank or incorporated company which has not paid a dividend of 6 per cent. per annum on its capital stock for the previous three years.

Truant Officers Abolished.

The act which was passed dealing with compulsory school attendance is largely a change in the administration of the law. There will be no longer truant officers. They will be school attendance officers. Major J. P. Cowles is the Provincial officer who has the enforcing of this act, and during the last six months he has been busily engaged in having Toronto School Boards appoint attendance officers. With few exceptions, this has been done. He has been devoting special attention to the unorganized sections of Northern Ontario, and from now on he will wage war on illiteracy in the Province.

PEPS

for Children's COUGHS & COLDS.

Why are Peps best for children? Because they contain absolutely no harmful drugs. Because, when dissolved in the mouth, they are breathed down to the air passages and lungs—not swallowed to the child's delicate stomach, which is so easily upset; and because they are so pleasant to take that children never refuse them.

Peps provide health-giving pine-forest fumes in pastille form. When these pastilles are dissolved in the mouth they throw off pine vapor, such as is breathed by dwellers in pine forests, and which is so highly recommended by the medical profession as being without equal for all ailments of the throat, breathing passages and lungs. These pine vapors released when Peps are taken; penetrate to all parts of the breathing organs, bringing relief and healing to the sore and inflamed membranes, ending that tight feeling in the chest, making breathing easy and stopping any cough. Keep Peps handy this winter and use them freely. Give them to the children when the first symptom of a cough or a cold appears. Just as suitable for adults. All dealers 50c. box.

HEALTH FOR THE BABY

The baby of to-day is the man or woman of to-morrow. Thus the success of the future man or woman depends upon the baby's present welfare. If the baby is sickly and ill nourished it is not to be expected that he will grow into a strong, active man who will hold his own in the business world a few years hence. Mothers it is a duty you owe the future to keep your little ones well now This can be easily done if Baby's Own Tablets are kept in the house. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus make baby healthy and strong. Concerning them Mrs. W. Orser, Elginburg, Ont., writes:—"I have a fine healthy boy three years old and have used Baby's Own Tablets for him ever since he was a small baby. I certainly think them a splendid medicine." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Loving hearts, weep not for Pearl,
Though she has gone away
From a world so full of care
To the Land of endless Day.

God's messenger in haste did come,
To bear her spirit to the sky;
And loving hearts are left behind,
To mourn the broken tie.

'Twill only be for a little while,
She's just gone before;
Then friend with friend shall meet again,
Where parting is no more.

The death of Mrs. Elizabeth Morton, beloved wife of Councillor James Morton, of Mono, occurred at the home of her son, Mr. Fred Morton, lot 7, 1st line, east, Mono, on Friday morning, Jan. 2nd, following a comparatively long illness. Deceased, who was the second daughter of the late Mr. and Mrs. Thomas Haney, of Derry West, was born at Derry West in Peel County 68 years ago. She continued to reside there until the time of her marriage, when she moved to Brampton and about 30 years ago came to Mono township, where she and her husband have since resided. Mrs. Morton was held in high respect as a neighbor and citizen of the community. She was a devoted wife and mother and her chief interest centred about her home and the members of her family. She is survived by her husband, now well advanced in years, and a family of three sons, James, of Toronto, and Fred and Russell, of Mono, who have the sympathy of all friends and neighbors of the family in their hour of trial. Mrs. Samuel Smith, of Collingwood, is the only surviving sister. The late Mrs. Wm. Tilt, of Brampton, was a sister and the late Jonathan Haney, of Winnipeg, a brother. The funeral, which was quite largely attended notwithstanding the inclemency of the day, was held from the home of her son to the family plot in the Forest Lawn Cemetery on Sunday afternoon. Rev. Mr. Coutts, of Camilla, conducted the service at the house and Rev. W. M. Morris, of Orangeville, officiated at the grave. The pallbearers were the three sons and Messrs. T. H. White, Richard Gulley and Arthur Noble. Among the floral tributes was a pillow from the family.

KIRKLAND–HAMILTON

"Maple Lane," Laurel, was the scene of a very pretty wedding when Cora Harriet, daughter of Mrs. Thos. Hamilton, became the bride of Mr. Mark Kirkland, of Grand Valley.

The marriage ceremony, which was performed by Rev. T. Scott, Laurel, took place under an arch of evergreens.

The bride, who was becomingly dressed in white silk crepe de chine, trimmed with silver lace wore a wedding veil caught in cap effect by orange blossoms and carried a bouquet of Killarney roses and maiden-hair fern, entered the parlour on the arm of her brother, Jackson, to the strains of the wedding music played by her sister, Fanny.

After the ceremony the bride led the way to the dining room which was decorated with white and pink, where the wedding breakfast was served.

The bride was the recipient of many very fine presents. The groom's gift to the bride was a pearl necklace, and to the organist a pearl ring.

Best wishes go with the bride and groom to their future home near Grand Valley.

D. W. Griffith ranks as "THE" producer among producers of motion pictures. A Griffith presentation always has a grip to it that is "different," as everybody has noticed in his "Birth of a Nation," "Intolerance," "Hearts of the World," etc.

A HUMAN INTEREST STORY OF THE HIGHEST FORM OF ART

"BROKEN BLOSSOMS"

It has a grip that excels all previous Motion Picture Productions.

IT IS NEW YORK'S GREATEST ART SENSATION OF 20 YEARS. IT HAS THE GLORY OF WONDROUS SCENES.

Amid the teasing charm of incense your troubles forgotten, you can drift away on a tide of enchantment such as you have never known before. You can enjoy a mystic insight into foreign souls.

—— A FASCINATING CHINESE ROMANCE ——

"I feel great, I have just had a good cry," was a woman's verdict. There is a sadness in "Broken Blossoms," but haven't many of the greatest as well as the most popular plays, from "Hamlet" and "Camile" to "Uncle Tom's Cabin" been largely tales of sorrow?

ELECTORS OF ORANGEVILLE

I wish to tender my sincere thanks to the many electors who supported me in the contest for the Reeveship of Orangeville. I do not regret my defeat on my own account, but I do regret it for the sake of all those who stood so loyally behind me in the campaign. Toward those who opposed me I entertain nothing but the kindliest feelings. Let us all make our motto for the year, "A better and a busier Orangeville."

J. E. Thompson.

ELECTORS OF ORANGEVILLE

Permit me to tender my sincere thanks for the splendid vote polled for me on Monday. I am pleased at my success and majority over an opponent of the calibre and personal popularity of Mr. Young and I attribute it largely to the satisfactory character of my service during the three years I have served as Councillor. I again thank one and all

W. J. Gillespie.

ELECTORS OF ORANGEVILLE

I wish to give public expression to my sincere gratitude to all electors who supported me in the recent campaign for Deputy-Reeve. While I was defeated I have no excuse or regrets to make. I fought a good, clean campaign and have the satisfaction of knowing that my supporters did likewise. I wish my opponent, Mr. Gillespie, a successful year as Deputy-Reeve and as a private citizen shall continue to do whatever I can to further the interests of our town.

David Young.

ELECTORS OF ORANGEVILLE

Ladies and Gentlemen,—I wish to thank you very heartily for your support at the polls last Monday which resulted in my election as Mayor for 1920.

The Contest was a close clean fight and I have only appreciation for the sportsman attitude and for the methods of my opponent and his friends.

I will during the year endeavor to advance the interests of our town and in that aim ask the hearty cooperation of all the people.

Yours sincerely,
T. S. PARKINSON.

CARD OF THANKS.

I wish to tender my sincere thanks to the electors of Orangeville for the great honor they have conferred on me by re-electing me to the office of Reeve. Especially do I wish to thank the ladies for braving the cold to come out in such large numbers and mark their ballots in my behalf.

I sincerely wish all citizens a happy and prosperous year.

Carson V. Jeffers.

New One Born Every Minute

MAIL ORDER MAN NEED NOT WORRY ABOUT KEEPING HIS OLD CUSTOMERS.

HIS FIELD NOT RESTRICTED.

LOCAL MERCHANT, ON OTHER HAND, MUST GIVE GOOD VALUE AND SERVICE IN ORDER TO HOLD HIS TRADE.

(Copyright.)

It has been said that there is a sucker born every minute. If this be true, there are 1,440 potential customers of the mail-order houses ushered into the world every 24 hours and the number reaches a total of 525,600 every year.

Of course, as Mark Twain remarked regarding reports of his death, these figures may be exaggerated, but they serve to illustrate the fact that the mail-order houses of the big cities always have new fields to exploit and are not hampered in their dealings by the necessity of pleasing all their old customers. If the mail-order buyer discovers that he has been "stung" and registers a vigorous kick, it means nothing in the young life of the mail order man. Why should he worry as long as there are some 99,999,999 other persons in the United States to whom he may make his alluring appeals.

EVER GET MONEY BACK?

Did anyone ever hear of a mail order house refunding a customer's money if the customer was not satisfied with his purchase? Don't all speak at once, please. The big mail order houses in the cities expect to receive a large number of complaints from their customers. They know that much of the goods which they sell will not come up to the expectations of the buyers, whose ideas as to what they will receive have been formulated from the pretty pictures and alluring descriptions given in the catalogues.

The mail order houses prepare for this contingency by maintaining large corps of clerks whose sole duty it is to answer the letters of irate customers. These clerks, or correspondents, as they are called, exercise all their powers of cajolery in an effort to appease the complaining customers, but if this is found to be impossible, after an exchange of letters, the mail order man has no cause for worry. His living is not dependent upon the customer to whom he has already sold goods. "There are as good fish in the sea as have ever been caught" and he turns his attention toward the landing of the new fish.

LOCAL MERCHANT'S FIELD LIMITED.

Compare the position of the mail order man with that of the retail merchant in the small city or town. The retail merchant has a certain limited territory from which he must draw his trade. All his business must be done day after day and year after year among the same people. The buyers to whom he can appeal for business number only a few thousand at the most and in some cases a few hundred. Unless he can make his customers his friends and bring them back to his store again, he cannot continue in business. The result is that he looks beyond the single sale which he may be making at the time. It is to his interest to please every one of his customers. It will profit him nothing to make a big profit off a customer on one sale if that customer is not satisfied with his purchase and refuses to come back to his store again.

From which man can the buyer expect to get the best values, the best service and the best prices in proportion to the quality of the goods sold? From the man who must please him and give him his money's worth in order to remain in business or from the man who figures that he may never hear from the buyer again and that it will make no great difference whether he pleases him or not?

GETS IT WHILE HE CAN.

The idea upon which the mail order man works is to get the money while the getting is good. If the customer is satisfied with the goods which he receives, all well and good. The mail order man knows that the customer is the kind of a man or woman who likes to take a chance or he wouldn't have sent in his order in the first place. Therefore he may figure that the customer is likely to take a second chance even if the first does not turn out to his liking. If the customer has enough spirit to make a kick, the trained correspondents in charge of the complaint department may be able to pacify him. If they are not, it doesn't matter much anyway, for there are millions of others who may be caught with the same bait—there is one born every minute, you know.

It is well for the consumer to remember these facts if he is ever tempted to take a chance on the offerings of the mail order house. The home merchant has something at stake in every sale that he makes. The mail order man has nothing at stake. The home merchant has everything at stake on the manner in which he treats his customers, for he cannot get others to take their places. The mail order man has nothing at stake for it is to his interest to get all that he can out of each sale, knowing that he may never have another chance at that particular customer.

ODE TO THE GIRLS

(Published by Request)

Little girl, you look so small,
Don't you wear no clothes at all ?
Don't you wear no shimmy-shirt ?
Don't you wear no petty skirt ?
Just your corsets and your hose,
Are those all your underclothes ?
Little girl, you look so slight,
When I see you in the light;
With your skirts cut rather high,
Won't you catch a cold and die ?
Aint you 'fraid to show your calf ?
It must make the fellows laugh.
Little girl, what is the cause
Why your clothes are made of gauze?
Don't you wear no undervest
When you go out fully dressed ?
Do you like those peek-a-boos
'Stead of normal underclothes ?
Little girl, your 'splenders show
When the sunlight plays on you;
I can see your tinted flesh
Through your thinnest gown of mesh.
Is it modest do you 'spose
Not to wear no underclothes ?
Little girl, I see your chest
'Cause you go around half dressed;
Yes, I see way past your throat
To a region most remote;
'Taint my fault now, don't suppose,
Why not wear some underclothes ?
Little girl, your sox has shoals
Of those little tiny holes;
Why you want to show your limb,
I don't know—is it a whim ?
Do you want to catch the eye
Of each fellow passing by ?
Little girl, where is the charm
In your long uncovered arm ?
In the V behind your neck
Is it for the birds to peck ?
Little girl, I tell you those
Ain't so nice as underclothes.
Little girl, now listen here,
You would be just twice as dear
If you'd cover up your charms
Neck, back, legs and both your arms,
I would take you to some shows,
If you'd wear some underclothes.
Little girl, your mystery,
Luring charms and modesty
Is what makes us fellows keen
To possess a little queen;
But no lover—goodness knows—
Want a girl "sans" underclothes.
S'pose I wandered down the street
With a loin cloth round my feet;
Or no shirt like all my aunts,
Or a ringlet through my nose,
They'd arrest me, don't you s'pose ?
I wear a coat of mail,
Clothed from head to big toe nail;
I must cover up my form,
Even when the weather's warm;
Can't enjoy the summer throes
'Less I garb in underclothes.
Little girl, take this advice,
And you'll look just twice as nice—
Wear a shimmy, petty-coat,
Close worked sox—'et aussi l'autre—
Those unspeakable, you see !
There's a charm in lingerie.

A clergyman who was not disinclined toward an occasional glass, hired an Irishman to clean out his cellar. He brought out a number of empty whiskey bottles, and as he lifted each one looked to see if there was anything in it. LIKE THROWING MONEY AWAY.

Postmaster of Cardiff Could Get Nothing to Help His Wife Until He Gave Her Tanlac.

"You can tell them that Tanlac has helped my wife, too, and of all the people who have made statements about being benefited I believe we have the most cause to be thankful," was the statement made by J. Kuyper, postmaster of Cardiff, Alberta, while at the Owl Drug Store in Edmonton, recently.

"For the past five years," he continued, "my wife has been so crippled with sciatic rheumatism that she could hardly get about and while I have spent lots of money for treatment and medicines it was just like throwing it away, for nothing was the least bit of help to her until she began using Tanlac. Since she has been taking this medicine, however, she has been steadily improving all the time. Aside from the fact that she has almost gotten rid of the rheumatism, her general health has improved wonderfully, and her weight has increased from less than one hundred pounds to one hundred and ten.

"Her condition, before taking Tanlac, seemed almost hopeless and was very discouraging. She had continual pains across the small of her back and her right hip and limb were so stiff and painful she was barely able to get around. She was so weak and was so easily exhausted and would have to lie down three or four times a day. Her nerves were badly shattered and this, together with her awful pain, made sleep almost impossible for her. Her stomach was also out of order in some way, for her food seemed to do her no good and in place of gaining strength she was losing all the time. Her appetite was poor and altogether her condition was serious, and regardless of the best care and attention she kept getting worse.

"After reading so much about Tanlac, and, knowing of the good results others in our community had gotten from it, my wife began taking it and gradually improving from the very start. She was in such a bad shape that we could not expect complete recovery without time and patient use of the medicine. So she has stuck right to the treatment and it certainly has paid well, for the results have been nothing less than wonderful. She has taken twelve bottles now, eats three hearty meals every day, sleeps eight hours or more every night, and says she hardly feels the rheumatism any more. In fact, her entire system has been toned up and she is now about as strong as she ever was. Tanlac is the only medicine we have ever found that we could depend upon for results and it is so good that we feel it our duty to tell others about it."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

The returned soldiers of Grand Valley and district have organized with Robt. Hastilow, Chairman; and Fred Barlow, Secretary-Treasurer; sixteen men being enrolled.

USED FOR SHAVING.

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's itch.

McKee, only son of Mr. and Mrs. T. D. McKee, East Luther. Miss Anna Ferguson played the wedding march. Rev. A. E. Thornley tied the nuptial knot.

The home of Mr. and Mrs. Harry S. Wake, Violet Hill, was the scene of a pretty wedding on New Years day at high noon when their daughter, Ethel Dale Wake, was united in marriage to H. W. McVittie, Representative of the Hamilton Branch of Canadian General Electric, and second son of Mr. and Mrs. G. W. McVittie, Hamilton.

THE BANNER

ORANGEVILLE, JANUARY, 22, '20

THE TOWN COUNCIL.

The 1920 Council held its first business meeting in the Council Chamber on Monday night. Mayor Parkinson read his inaugural address, which was subsequently referred to a committee for report. The following is the text of the address: —

To the Members of Council, Orangeville, 1920,

Ladies and Gentlemen,— I wish first to congratulate you on your election to the Orangeville Council for the year 1920. I wish also to express my thanks for my election as Mayor. I believe that we have secured this year a good, capable, progressive council. This Council for one reason alone will rank as an unique Council and without precedent in the history of Orangeville Municipal politics as we have for the first time a lady member of our Council.

Personally I consider it a great honor to be the first Orangeville Mayor to preside at the Meetings of Council composed of the first lady Councillor.

For the year 1920 we must exercise in the main a policy of economy and retrenchment, without however being niggardly and without allowing the different departments of Town Work to suffer for lack of attention or lack of funds. To keep all phases of Town Work in a state of efficiency and service is true economy.

The matter of our Finances should receive our first consideration. Our Debenture Debt is in first class condition and can well be taken care of. We have however inherited an Overdraft of some $12,000. This sum at one time as high as $17,000 has been standing for several years. It costs us in interest about $800.00 a year without decreasing the debt. If put in the form of a Consolidated Debenture 20 year it would cost annually a sum of about $1026 and would then be paid. I will strongly recommend that this matter be carefully considered and steps taken without undue delay to remedy this $12,000 Overdraft.

Regarding the money to be spent this year on our streets under the capable Streets Committee I would recommend that the Committee prepare at an early date estimates of what streets are to be repaired and to what extent and that the matter be carefully considered by the whole Council.

The Industrial Committee will require the hearty co-operation of every member of Council and will receive I am sure not only the support of the Council but also of the citizens of the Municipality.

On account of shortage of help and labor troubles in the large centres I believe many industries will seek smaller towns and Orangeville should get her share. Perhaps a little money spent by this Committee in advertising in different ways might produce good results.

In connection with the Town Property I believe the Committee might consider on account of the extra cost of heating and maintaining the Opera House an increase in the charges for use of same.

In conclusion I invite and know I will receive the united efforts of this 1920 Council to advance the interests of our Town for this year and would also ask that the Citizens generally assist the Council during the year and not keep all their bright ideas until the end of the year. The Council needs and should receive all the help it can get during the year.

T. S. Parkinson,
Mayor.

G. W. V. A. NOTES

The officers for 1920 were elected at the last meeting of the G. W. V. A. on January 8th. In spite of protests by the members the President and Secretary, Comrades Preston and Firth refused to stand for another term on the ground that every member should accept a responsible post that he might become acquainted more intimately with the affairs of the organization. The following officers were elected:—

President, Com. H. F. Ainsworth; 1st Vice-President, Com. F. J. Patterson; 2nd Vice-President, Com. S. H. Porter; Sec.-Treas., Com. J. M. Aiken; Ex. Committee, Coms. A. C. Fleming, W. W. Dods and W. D. Henderson; Auditors, Coms. R. Robinson and J. E. Jessop.

The resolution of the St. Thomas Branch, which read that preference should be given Canadian products, was enthusiastically endorsed and it is to be hoped that this will be taken to heart by everybody in Orangeville, who is proud of his country.

Those members who have been lax in paying their dues will certainly find it to their advantage to consult the secretary as they may be under suspension.

The G. W. V. A. Rooms will be heated for the benefit of all members, particularly those who do not live in town and are open at seven p.m. daily. They are situated over Dr. Campbell's office. With such club rooms there is no reason why the members should pass them up. The habit of going there is well worth cultivating.

The ex-pupils, composed mainly of France men, wish to thank the High School Board publicly for meeting to consider the question of using the High School gymnasium for a dance. It is fully understood concerning the stand taken by the members, which was the cause of vetoing the motion.

A reunion of some of the overseas men was held last Sunday in the country, where they partook of a splendid fowl supper. It is to be deplored that a more detailed account is not to hand.

MRS. ELIZA HARRISON.

The death of Mrs. Eliza Harrison, widow of the late Joseph Harrison, occurred at her late home, lot 26, 2nd line, east, Caledon, on Saturday, Jan. 10th. Deceased, who was 65 years of age, was born in Dublin, Ireland, and was married in the Emerald Isle. With her husband she came to Canada about 35 years ago, settling on lot 17, 6th line, Mono, where Mr. Harrison died about twenty years ago. Three or four years later the widow and family moved to the 2nd line, Caledon, where they have since resided. Mrs. Harrison was a kind-hearted woman, a good neighbor and an industrious member of the community. She was held in general respect and the sympathy of the people of the neighborhood is extended to the bereaved sons and daughters. These are W. J., Albert and Miss Georgina Harrison at home, and Mrs. R. J. Robinson, of the Mono-Caledon townline. The late Mrs. W. J. Foster, of Mono, was another daughter. A son, R. H. Harrison, was killed in a sawmill accident in Orangeville a few years ago and another son, John, was accidentally killed in the bush while the family were living in Mono. The funeral was held to St. John's Cemetery, 7th line, Mono, on Monday following her death. Rev. (Capt.) T. H. Stewart conducted the services at the house and grave.

A TONIC FOR THE NERVES

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood.

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent nerve specialist, "we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run-down condition caused by overwork and the many anxieties of to-day. Sufferers find themselves tired, morose, low-spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the misery, and it all comes from starved nerves.

Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood, which strengthens the nerves, improves the appetite, gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin curing yourself to-day by taking Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

SCHOOL CONCERT

The teacher and pupils of S. S. No. 10, Mono, will hold a Concert and Box Social in the Mono Centre Hall on Friday evening, January 23rd. A good programme will be provided, commencing at 8 o'clock. Ladies who bring boxes will be admitted free; gentlemen, 50 cents.

MRS. BREWSTER'S DEATH

Mrs. Sarah A. Brewster, whose death at her home in Pilot Mound, Man., was briefly noted in last issue of The Banner, was the widow of the late George Brewster, of Pilot Mound, formerly of Orangeville, and eldest daughter of the late W. E. and Esther Thompson, of Orangeville. She is survived by one son, Wm. E., and four brothers and four sisters.

HOSPITAL NOTES.

At the last meeting of the I. O. D. E. the members voted a donation of $100 to the Armenian Relief Fund out of the Patriotic Fund.

The following donations are gratefully acknowledged:— Tray Cloths from the Misses Jenkins; collection amounting to $4.77 received from the Week of Prayer.

STILL DOING GREAT WORK FOR WOMEN

WHAT MISS SIMPSON SAYS OF DODD'S KIDNEY PILLS

Before Taking Them She Could Not Walk—Now She Can Walk and Work, and She Gives All the Credit to Dodd's Kidney Pills.

Ville Marie, Que., January 19th.—(Special.)—One more tribute to the great work Dodd's Kidney Pills are doing for the women of Canada comes from Miss Angele Simpson, well known and highly respected here.

"When I commenced to take Dodd's Kidney Pills," Miss Simpson states, "My heart bothered me so I could not walk.

"Now I can walk and work."

Miss Simpson is not entirely cured yet but so great are the benefits she has received from Dodd's Kidney Pills that she is firmly convinced they will effect a complete cure. She has been a sufferer for eighteen years and underwent four months' treatment in a hospital before trying Dodd's Kidney Pills.

Dodd's Kidney Pills are a Kidney remedy. They relieve the work of the heart by putting the kidneys in shape to strain all the impurities out of the blood. Pure blood carried to all parts of the body means new health all over the body.

Woodland Farm,
Wednesday Morning

Dear Jane,

At last I've found a moment to answer your very welcome letter.

That's as far as I got, when I heard a terrible noise in the kitchen, and rushing in, found that Bobby had pulled a pan of boiling water off the stove and scalded himself badly. Just imagine!—and I ten miles from the nearest doctor and no one here to help! Thank goodness Tom has always insisted upon keeping Zam-Buk in the house. The poor little chap was in such awful pain it was all I could do to hold him while I plastered the Zam-Buk on his arm and leg. Then I bound them up with strips torn from an old sheet, and now he's actually asleep! Could you believe it? I always knew Zam-Buk was good stuff, but I'd no idea it was so wonderful for ending pain. Whatever should I have done without it!

This started out to be a letter, but it sounds more like a testimonial for Zam-Buk! I'll send it off anyway, because I want to ask if you'll please send me half a dozen boxes of Zam-Buk as soon as you get this, as I have only enough for one more dressing.

Yours in haste,
Mary

Mothers! Take the hint! Never be without a box of Zam-Buk on the shelf. Not only for scalds, burns and cuts, but for eczema, ringworm, ulcers, blood-poisoning, piles, cold sores, etc., it is without equal. And it costs no more than ordinary ointments. 50c. box, all dealers.

MR. JOHN W. GORDON.

The Laurel community mourns the death of a highly respected citizen in the person of Mr. John Wesley Gordon, whose death took place at his home, lot 12, 3rd line, Amaranth, on Wednesday, January 7th, after an illness of over a year. At the age of two years Mr. Gordon came to Canada with his parents, who settled on the farm just south of his late home and spent the rest of a life of seventy-five years in the Laurel neighborhood. Thirty-five years ago he married Eliza Langtree, daughter of the late James Langtree, of Laurel, who, with one son, Frederick, survives him. Two brothers and two sisters also mourn the loss of a loving brother, Messrs. James and Joseph and Mrs. M. Varcoe and Miss H. M. Gordon, all of Orangeville. The late Mr. Gordon was a member of the Laurel Methodist Church and the Men's Adult Bible Class. Mr. Gordon and his wife were excellent neighbors, their home being noted for its hospitality, and no one enjoyed the goodwill of all more than they. Those who visited him during his lengthy illness, carried away with them a beautiful message that can only be heard from the lips of one who trusted so sweetly in a loving Saviour, and as life drifted nearer the boarder, the loved one who were watching near, shall never forget the beautiful words of love and comfort:

"I cannot say, I will not say
That he is dead, he is just away,
With a cheery smile and a wave of the hand
He has wandered into an unknown land."

There was a large attendance at the funeral, which was held to Laurel cemetery on Friday, January the 9th. Rev. J. A. Reddon conducted the services at the house and grave. The pall-bearers were Messrs. Samuel Hamilton, Elijah Hamilton, Joseph Langtree, Charles Gray, Matthew Langtree and John Johnston. The floral tributes included a sheaf from the wife, a pillow from Laurel Methodist Sunday School; Sprays, Mr. and Mrs. Langtree, Owen Sound; Mrs. Morrison, Shelburne; Mr. Joseph Langtree and family, Mr. Matthew Langtree and family, Mr. Geo. Varcoe and family, Mr. and Mrs. Charles Gray, Miss Arabella Langtree, Mr. and Mrs. Warren Grosskurth, Laurel; Mr. and Mrs. Varcoe and Miss Winnie, of Orangeville, and Mr. and Mrs. Will Brown, The Maples. Those from a distance were, Mr. and Mrs. Richard Langtree, Owen Sound; Mrs. Morrison, Shelburne; Mr. Norman Gordon, Corbetton; Mr. and Mrs. Oliver Cooney, Mr. and Mrs. W. J. Gordon, Mr. and Mrs. Varcoe and Miss Winnie Varcoe, Orangeville; Mr. James and Miss Mae Johnston, Caledon, and Mr. and Mrs. Will Geffs, Grand Valley.

—Mr. G. A. Canning has sold his 200 acre farm east of Camilla to Mr. John Hall, of Mono Centre, who will get possession on March 1st.

THE METHODIST CHURCH.

The Rev. John R. Wilkinson, of Inglewood, occupied the pulpit last Sunday and preached two eloquent sermons. Rev. E. R. Young preached in Inglewood last Sunday. He will occupy his own pulpit next Sunday.

The Epworth League last Monday evening was in charge of the Citizenship Department. Mr. Will H. Keane was in the chair and Mr. Elmer [illegible] gave a paper.

Of course he helped Lorne Halbert out,
And they did "holler" turn about
At Primrose Baseball party.

Tom Lindsay put the kettle on
And he did make good tea
For all were hungry as could be
At Primrose Baseball party.

A Leap-year dance they then did call
And they grand chained around the hall
They had but one and that was all
At Primrose Baseball party.

At three they sang "God Save the King"
And each the lady he did bring
He did again take home with him
From Primrose Baseball party.

Perry Lindsay had a busy time
To see that none went home alone
For they wanted everything done up fine
At Primrose Baseball party.

CALEDON DISTRICT L. O. L.

Caledon District L. O. L. held its annual meeting on Tuesday, January 13th. Owing to the stormy day the Lodges from the outside of the district were not very well represented. The Lodge had a motion before it condemning the unequal incidence of the new rates of the O. M. B. I., which was carried and the Master was instructed to bring the same before the County Lodge.

The officers for 1920 were elected and installed by W. Bro. Wilson G. Duke, P.C.M. as follows:—T. H. Bullock, Dist. Master; J. N. McCutcheon, Dep. D.M.; J. K. Parker, Chap.; C. A. Patterson, Rec.-Sec.; Robert Speers, Treasurer; J. Varey, Lecturer; Russell Lee, D. of C.

AN UNSELFISH CITIZEN

Markdale is fortunate in having such an enterprising and unselfish citizen as Mr. F. T. Hill. He recently purchased the Ford milling property and plant, which no doubt saved its destruction. Now, we understand, he has offered it to the farmers of the district and it is likely a stock company will be formed to conduct the business. An extensive enterprise is planned and anticipated, and no doubt every farmer will take advantage of this opportunity to do something for himself and his own community.—Markdale Standard.

Your Dentist Knows!

People who have reached middle life invariably have gum trouble. The gums recede from the teeth, abscesses form at the roots and the teeth loosen. This disease is called Pyorrhoea, and unless checked at once, the only alternative is to have the teeth removed.

Then the age of artificial teeth begins—the age of the wintry smile. People with soft, spongy gums that bleed easily should use McCRIMMON'S MOUTH WASH. It prevents Pyorrhoea and corrects any inflamed condition of the gums, making them firm and healthy.

You cannot have good teeth unless you have healthy gums. If tartar forms, have it removed by your Dentist; then use McCRIMMON'S MOUTH WASH. You not only benefit your health, but insure your teeth and gums against Pyorrhoea.

GRAY–M'PHERSON

At the residence of Mr. and Mrs. T. Morton Carlyle, Calgary, Alberta, the marriage of Miss Annie R. McPherson, daughter of Mr. and Mrs. Wm. A. McPherson, of Port Daniel, Que., to Dr. E. Herbert Gray, of Hedley, B.C., son of Mr. and Mrs. Wm. Gray, of Montreal West, Que., was performed by the Rev. Andrew D. Reid on December 17, 1919. The Banner extends its hearty congratulations.

A NEW YEAR'S WEDDING.

On New Year's Day an interesting and pretty wedding took place in St. John's church, Mono, when Ena Elizabeth, eldest daughter of Mr. and Mrs. William Lee, Ballycroy, was united in marriage to Mr. Norman Wesley McMullin, eldest son of Mr. and Mrs. J. J. McMullin, Mono Mills, The Rev. A. C. McCollum was the officiating clergyman. Promptly at twelve o'clock, noon, the bride, leaning upon the arm of her father, who gave her away, came up the aisle and took her place by the side of the groom, to the strains of the Lohengrin Bridal Chorus played by Miss Hazel Lee, sister of the bride. While the register was being signed at the close of the service Mrs. A. C. McCollum sang "O, Perfect Love" very beautifully. Afterwards the guests, about twenty-five in number, repaired to the bride's home, where all partook of a sumptuous wedding repast. The bride received many costly and beautiful gifts, among them a set of opossum furs trimmed with Hudson seal, the gift of the groom. The groom's gift to the organist was a brooch set with pearls. The bride looked charming in her travelling suit of navy broadcloth, with velvet and brocaded hat, trimmed with ostrich to match. The happy young couple left on the evening train for a short trip to Toronto and Hamilton. On their return they will reside near Caledon East. The Banner unites with their many friends in extending its sincere wishes for a long and happy wedded life.

MANNING–AIKENS.

The home of Mr. and Mrs. John Aikens, of Glencross, was the scene of a very pretty event on Wednesday, January 7th, the occasion being the marriage of their second daughter, Mary Ethel, to Mr. Edgar Roy Manning, son of Mr. and Mrs. John Manning, of Shelburne. Promptly at the hour of three o'clock the bride, leaning on the arm of her father, entered the parlor to the strains of the Wedding Bells march, played by her sister, Mrs. Addison Allen, and took her place beneath a beautifully decorated arch of evergreens, wedding bells and roses. The Rev. Garnet Lynd, of Rosemont, was the officiating clergyman. The bride looked charming in her gown of white satin with georgette and pearl trimmings, and carried white carnations and ferns. Her sister, Edna, made a pretty bridesmaid dressed in grey silk poplin, and carried pink carnations. The groom was supported by his brother, Clarence Manning. After receiving the congratulations and good wishes of the assembled friends, who numbered between forty and fifty, the bridal party led the way to the dining room, which was artistically decorated in pink and white for the occasion. Here all partook of a sumptuous wedding repast, which was followed by toasts to the health and future happiness of the bride and groom. Speeches of a congratulatory character were made by the Rev. Mr. Lynd, the bride's father and her uncle, Thos. E. Halbert. The happy couple left the next morning for a short trip to Alton, Orangeville and other points, the bride travelling in a tailored suit of navy blue serge, with black plush coat and hat to match and wearing the groom's gift, a set of furs. The groom's gift to the bridesmaid was a gold jewel case, to the pianiste a pearl brooch and to the groomsman a set of gold cuff links. Mr. and Mrs. Manning will reside on the groom's farm near Shelburne, where they will start out in life accompanied by the hearty good wishes of a wide circle of friends, happily expressed in the numerous and costly gifts the young couple received.

IRWIN–DORSEY.

The marriage of Herbert Irwin, of Tring, Alta., and Miss Doris Mary Dorsey took place at the home of the bride's mother in Edmonton on New Year's Day. After the marriage ceremony a number of guests sat down to a dainty wedding repast. The bride received many pretty and useful gifts. The happy couple left Edmonton amid showers of confetti and good wishes for their future home at Tring. Before going to their home they were tendered a wedding reception at the home of the groom's brother, Mr. S. J. Irwin, of Irwinville, Alta. Here a number of the friends of the groom spent a delightful evening in games, music and other amusements, after which a dainty lunch was served by Mrs. Irwin. Before their departure the young couple received the hearty good wishes of all for a long and happy married life. Mr. Irwin, the groom, is a son of the late Mr. and Mrs. Robt. Irwin, Church St., Orangeville.

BLOUNT.

The Blount Women's Institute held its last regular monthly meeting at the home of Mrs. P. Garvey. The meeting opened with the singing of The Maple Leaf. The minutes of the previous meeting were then read and adopted. The programme included a Reading on "How to Make Country Life Attractive" by Mrs. George H. Woods. Several grafonola selections were very much enjoyed after which a very dainty lunch was served. The meeting was then brought to a close in the usual manner. The next meeting will be held at the home of Mrs. J. White.

IN MEMORIAM.

McARTHUR—In loving memory of Charles J. and Johnnie McArthur, who died at Caledon, Jan. 8 and Jan. 10, 1919, of influenza pneumonia:

Days of sadness still come o'er us
Tears of sorrow often flow,
Memory keeps our loved ones near us
Whom God claimed one year ago.

We, who loved you, sadly miss you
As it dawns another year,
In the lonely hours of thinking
Thoughts of you are ever near.

Death has left a loneliness
The world can never fill
And though our hearts are broken
Thy will O Lord be done.

We think of them daily and will to the end,
It's sad but its true,
We cannot tell why
The best are the first to be called on to die.

CONTRACTED FATAL DISEASE IN ENGLAND

The death occurred in Waldemar early Sunday morning of William Thomas Osborne, eldest son of Mr. and Mrs. Thomas Osborne, in his 29th year. The young man went west some nine years ago, and when the call to arms came tried in vain to get into a fighting unit. Failing this he came to Toronto in 1917 and joined a Forestry Corps, going to England the same year. Here he contracted a cold which developed into tubercular trouble, from which he spent the last twelve months in hospitals in England and in Canada, coming to his parents' home two months ago. He married an English girl on June 24th, 1918, who only reached Canada last July, several months after her husband came back. The funeral took place on Wednesday to Union Cemetery, Grand Valley.—Star and Vidette.

WILL EXPEL GERMANS.

Belgium Has Annexed the Moresnet District.

LONDON, Oct. 21.—Belgium has annexed the Moresnet district to the Province of Liege, according to an announcement received in a wireless message from Berlin. The inhabitants of Moresnet with the exception of those of German origin, become Belgians, the announcement says, while citizens of Germany are given two years to declare for Belgium or Germany. If they decide for Germany they must leave the district.

Under article 33 of the peace treaty of Versailles, Germany renounces all rights and title over the territory of Prussian Moresnet, situated on the west of the road from Liege to Aix-la-Chapelle and the road where it bounds this territory will belong to Belgium.

Moresnet, lying on the boundary between the Provinces of Liege and Prussia, has an area of about 1½ square miles.

Tariff Act To Be Ready.

OTTAWA, Oct. 21.—With the Victory Loan campaign to be carried on and the change of Ministers in the Finance Department, it was thought that the promised tariff inquiry by a committee of Cabinet Ministers, looking to a general revision of the tariff, would have to be postponed until 1921. It is now stated that Sir Henry Drayton will take up the work as soon as the success of the Victory Loan is assured, and it is hoped that a Tariff Act may be prepared before the end of next session. Next session's chief topics thus are likely to be tariff, trade and labor.

CONSERVATIVES CONVENE.

Dufferin County Association Held Annual Meeting In Shelburne.

The annual meeting of the Dufferin Liberal-Conservative Association was held in the town hall, Shelburne, on Friday last. President H. White occupied the chair and called the meeting to order at 2 o'clock, with about sixty present. During the meeting, however, many others came in and the attendance was well over one hundred. The business of the day was the revision of the constitution and election of officers. The chief amendment to the constitution was one changing the date of the annual meeting from the second Friday of January to the third Friday in June. With numerous autos throughout the county, it will be much easier for members to attend at such a time when farm work is not so pressing and when the roads are more passable. Another amendment was the adoption of a nominal membership fee of 25c. per year. Before the election of officers was conducted, the Committee on resolutions reported as follows:

"The Liberal-Conservative Association of the County of Dufferin, in annual meeting assembled, beg leave to express our heartfelt sympathy with the Prime Minister of the Dominion of Canada, Sir Robt. L. Borden, in his present illness, brought about, we feel by his unselfish and continuous attention to duty during the strenuous years of war through which our country has just passed. We would look hopefully for his speedy return to the activities of first Minister and express our entire approval of and confidence in the government which, under his leadership, so successfully met the many duties which the war placed on our Dominion as a part of the British Empire. In this connection we would feel a certain degree of pride in that so many members of this Association responded freely to the call of duty, and we would express our very deep sympathy with the parents of those who, having offered themselves in the hour of their country's need, now sleep beneath the soil of France or Flanders.

We would express our confidence in the present member from this county, in the Dominion House of Commons, elected as a supporter of the present Union Government.

Having in the recent election for the Legislative Assembly of Ontario met with defeat at the instance of a candidate of the U.F.O., we would recommend that this reverse should but stimulate us to greater efforts in the future—that a thorough reorganization of the Conservatives of the county should be at once undertaken and no stone left unturned to redeem the county and again have as our representative in parliament a member of the Conservative party.

We have every confidence that the policy instituted by the late Sir James Whitney and carried on by the government of Sir William Hearst was for the best interests of the Province, and the removal from office of those having that policy at heart cannot but be disastrous to the interests of the people of Ontario."

On motion of Messrs. C. R. McKeown and Alex. McDonald, this resolution was endorsd unanimously.

The following officers were then elected:—

Hon. Pres.— Harry White, Shelburne.

President—John Bryan, R. R. No. 2, Laurel.

Vice-Pres.—Dr. G. H. Campbell, Orangeville.

Sec.-Treas.—R. E. Mortimer, Honeywood.

Vice Presidents for municipalities:—

Melancthon— Joshua Reid, Shelburne.

Mulmur—Paul Gallaugher, Route 1, Mansfield.

Mono— Thos. Lindsay, R. R. No. 1, Camilla.

Amaranth Herb. Hughes, Laurel.

E. Garafraxa— Pressley Donaldson, Waldemar.

E. Luther—John Lovell, R. R. No. 1, Colbeck.

Grand Valley—T. C. Hamilton.

Orangeville—Ed. Thompson.

Shelburne— R. A. Riky.

The above mentioned officers constitute the Executive of the Association and were appointed representatives to the Liberal-Conservative union of Ontario.

John Best, M.P., C. R. McKeown, ex-M.P.P., and John Reburn, candidate in the recent election for the Legislature, each delivered very interesting addresses, the keynote of all being better organization, which will redeem the constituency and win it back for the Conservative party.

Thus one of the most enthusiastic meetings ever held was brought to a close by the singing of the National Anthem.—Free Press.

KILLS AS WELL AS TORTURES.

Fatal Results from Indigestion Unless Promptly Helped — Dodd's Dyspepsia Tablets the One Sure Help.

Don't imagine because you say the pains and aches and discomforts that follow a hearty meal are "only Indigestion" that you are not wrestling with a dangerous malady.

Indigestion not only tortures; it kills. It weakens the body so that it is an easy mark for infectious diseases. It is the cause of Appendicitis. The time to check it is now. The means of checking and helping it is Dodd's Dyspepsia Tablets. The proof is hundreds of users like that of W. J. Jackson, Cavendish, Trinity Bay, Nfld., who writes:

"For ten years I suffered with pains in my stomach and vomiting. Took your Dodd's Dyspepsia Tablets three months ago and am now cured."

City Solicitor Sims has recommended the Kitchener Council to pay a bill of $2000 damages caused by a raiding mob to the News Record building and plant, on the evening of December 1. It will probably be paid.

PRESENTED WITH PURSE.

The esteem in which Rev. H. M. Lyon is held by many in this community was evidenced on Monday night, Dec. 15, when a few of his friends met in the reading room of the "Y" to bid him God-speed on his important journey to the East. Mr. C. S. Maharg acted as chairman, and in a few well-chosen remarks presented to Mr. Lyon a handsome sum of money as a slight token of the good-will of his friends. The chairman then ably conducted an impromptu programme of songs, choruses and speeches. Mr. Reid of Trail and Mr. Hannah sang several solos, and there were speeches given by Messrs. Maharg, aven, Reid, Huchcroft and Pow. After many good wishes for Mr. Lyon's future, his friends fittingly brought the meeting to a close by singing: "For He's a Jolly Good Fellow."—Cranbrook, B.C., Herald.

IN MEMORIAM.

HARKIES—In memory of Mrs. W. G. Harkies, who departed this life Jan. 7th, 1919:—

One year has passed, our hearts still sore;
As time goes on we miss you more;
But God held out His loving arms and said,
"Come unto Me and rest."

Her smiling face is missed by all,
He knew we loved her here;
The music of her silent voice,
No longer greets our ear.

She knew she was needed here on earth,
Yet she was prepared to go;
It was God's will to take her home,
Where there is no pain or woe.

A year has passed, still loved ones miss her;
Miss her more and more;
They miss the merry laugh that cheered,
And brightened all in days of yore.

Your husband and your loving son,
Would love to see you there,
For now there's none to occupy
Poor Annie's vacant chair.

Sad was the hour when day did dawn
And death seemed in the air,
For soon thy spirit it had gone,
Her life no more was there.

But now you're not forgotten dear,
Nor never shall you be,
For as long as life and memory lasts
We will remember thee.

Husband, Father, Sisters and Brothers.

Throat Sore?

Take Peps at Once!

Peps will safeguard you against more serious ailments of which "sore throat" is usually just the beginning. By keeping a box of Peps on hand, therefore, you can avoid much unnecessary suffering and needless expense.

Peps Pastilles, dissolved on the tongue, throw off a medicinal Pine vapor, which is such a powerful disinfectant that it destroys all germs and prevents the soreness spreading. At the same time the healing quality of the vapor soothes the inflamed membranes and soon brings relief.

Peps are equally beneficial for laryngitis, asthma, bronchitis, coughs and colds. All dealers or Peps Co., Toronto. 50c. box, 3 for $1.25.

JOINT SPECIAL MEETING
ADJALA COUNCIL and B.O.H.

At a joint meeting of the Council and the Board of Health, it was resolved to have a notice published in the local papers strongly advising people to be vaccinated as smallpox is threatening the municipality, being within a few miles of it already. This Council and Board of Health consider it to be the duty of all to protect themselves against this dread, and very often fatal, disease. As vaccination is the only sure preventive, we, therefore, strongly advise that all residents of Adjala should be vaccinated at once.

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

FREE TRIAL Cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps, 50c. box.

A PRESENTATION.

On Tuesday evening, Dec. 30, the members of St. John's Church, Mono, met at the home of Mr. and Mrs. Wm. Lee, Ballycroy, for the purpose of presenting their daughter, Ena, with a cabinet of table silverware. The following address was read by John Atkinson:—

To Miss Ena Lee,—

It is with mingled emotions that we, your fellow-members of St. John's Church, Mono, meet with you this evening. We rejoice and yet are sorry. We are happy because you are going to a home of your own and we embrace this opportunity of wishing you in that new home and in the new state of matrimony upon which you are entering, every blessing that God can give. We are sorry on the other hand because you are leaving our community, in the life of which you played such a prominent part.

In no place shall we miss you more than in the services of St. John's Church. In the service of the Anglican Church, which is essentially a service of music, a great responsibility devolves upon the organist and this responsibility you filled to the delight and satisfaction of all. On this occasion we wish to thank you for so willingly and capably presiding at the organ of our church. We cannot adequately express our appreciation of your services.

We are glad that your future home will not be far removed from us and we trust to have the pleasure of seeing you often and possibly of worshipping together from time to time.

Not as an attempt to repay you, but merely as a genuine token of our deep gratitude for your services in our church, please allow us, your fellow-members, to present you with this gift of table silver and to express the hope that you and your husband may long enjoy the richest blessings God can give you.

Signed on behalf of the congregation.—John C. Atkinson, James Williams, A. C. McCollum.

Business on Other Man's Cash

CAPITAL OF THE MAIL ORDER HOUSE IS FURNISHED BY ITS CUSTOMERS.

WORKS ALWAYS ON 'VELVET'

BUYERS SUPPLY MONEY TO SUPPORT ENTERPRISES COMPETING WITH THOSE IN WHICH THEY ARE INTERESTED.

(Copyright.)

It is a mighty nice thing to be able to do business on the other fellow's money, but there are few people who can do it. Probably the only business men who, as a class, are able to do this, are the mail order men in the big cities.

Did you ever stop to think—you who have ordered goods from a mail order house and there are probably few who have not done that at some time or other—that you are supplying the cash upon which the mail order man is doing business? You are well aware of the fact that your cash must go with your order if you expect to receive the goods, but have you ever stopped to think what that means? Do you realize that you are supplying the capital for a business which is running in direct competition with your home merchants; upon whose prosperity you and your fellow townsmen are dependent for a livelihood?

The majority of mail order houses do not carry large stocks of goods. They do not have to. When the mail order man gets your order, accompanied by the cash, of course, he can take a part of your money and go to the manufacturer or the wholesaler and buy the article that is wanted. The rest of the money he can put down in his pocket after paying his operating costs, which are light when compared with those of the merchant who must carry a large stock of goods to meet the demands made upon him.

IN CLASS BY THEMSELVES.

There is absolutely no other class of men who do business on the capital furnished by their customers. Even the retail store which sells for cash only cannot do this for he must carry a large stock and in most cases must pay cash for it in order to get prices that will enable him to make lower prices to his customers than can be made by the merchant who gives credit to his customers.

The mail order man doesn't need to have any of his own capital invested in his business—or any large amount of it, at least, in proportion to the volume of the business which he does. He does not have to pay interest to the banks on money borrowed to help him finance his business. The mail order man figures that about one-half of the amount he receives on any order goes to the wholesaler or manufacturer in payment for the goods ordered. Of the remainder a part goes for postage, printing, insurance, etc. What is left, which is by no means an insignificant part of every dollar received, goes into dividends to stockholders in the mail order corporation. All this has been done without any capital other than that which may be required to pay office expenses.

Suppose, for a mnute, that you did business with the local merchants on the same plan. Suppose that they did not carry any goods in stock, that when you wanted to buy something you should go to one of your home merchants, look in his catalogue and pick out an article that seemed to be similar to the one that you wanted, hand over the price as shown by the catalogue and tell him to order it for you. The merchant could take your money and you could wait for your goods until they arrived from a distant city.

NOT SO ANXIOUS.

But the people who make up any community are not nearly as anxious to furnish capital to the home merchant—the man who helps "make" the town—as they are to the mail order man in the far distant city, who does nothing and cares nothing for the people who furnish him the money on which to do business. They insist that the home merchant shall carry a large stock of goods from which they can select what they wish, when they think it is to their interest to buy from him. They insist that he shall stand back of the goods he sells and make good as defect that may appear in them. They insist that he shall sell them what they wish and wait for the money until they get ready to pay it. They insist that he shall sell goods at the same prices or lower prices than the mail order houses charge for goods of poorer quality. And finally, they insist that the home merchant shall furnish the large amount of capital that is required to conduct a business on this plan.

The mail order buyer may say that he has the right to spend his money anywhere he pleases and he has, legally. But he probably has never stopped to reflect on the fact that he is supplying the capital for the operation of a concern which is in direct competition with enterprises in which he is directly interested, for every man, woman and child in a town is directly interested in the success of the business enterprises in that town. If these business enterprises are not prosperous, the town cannot be prosperous. To supply capital to your competitor it not very good business.

UNABLE TO WORK FOR EIGHT MONTHS

For Four Years Conductor Could Only Work Half Time — Never Misses an Hour, Now.

The remarkable results being obtained from Tanlac is further evidenced in the case of Albert Burgess, a popular conductor on the Winnipeg Electric Railway, who lives at 453 Stradbrook avenue, Fort Rouge. Mr. Burgess called at Liggett's drug store for his fifth bottle of Tanlac, recently, and made the following statement:

"I have been so wonderfully benefited by Tanlac that I will never stop praising it," said Mr. Burgess. "For the past four years I have not been able to work but about three days a week and have had to spend a good part of my wages trying to get my health back. For eight months, I was unable to hit a lick of work and was just barely able to get about. I suffered with awful pains through my forehead all the time and also had spells of dizziness when I would have to catch hold of something to keep from falling. My stomach finally got in such a bad shape that I could scarcely eat a thing and barely enough to keep me alive. What little I did eat soured on my stomach and I suffered terribly from gas and bloating. I took all kinds of medicines, but still I suffered and could not get myself in shape to work more than half time. I would go for weeks at a time without getting more than an hour's sleep a night. My condition was awful, and I didn't know what to do for relief.

"At last a friend begged me to try Tanlac and, now I wish I had known about it long ago, for it has really made me feel like a brand new man. I used to suffer with a dreadful hurting in the pit of my stomach, but after taking Tanlac a short while this trouble disappeared and now my stomach is in such a good shape that I can eat just anything I want and never suffer a bit with gas or pain, and my appetite is so big that I can hardly get enough to eat. The pains have not only left my head, but all my misery is gone, and I have not missed an hour from my work since shortly after I began taking Tanlac. I have also gained several pounds in weight, but what I was after was relief, and thanks to Tanlac I have found it. I can now handle my work as well as when I first got my run seven years ago. It certainly was lucky for me that I got Tanlac."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

HOSPITAL NOTES.

The inadequate accommodation of the present hospital building is a source of the keenest regret to all who have the best welfare of the Institution at heart. The wards are frequently overcrowded; improvised wards that were never intended as such are often made use of; nurses are obliged to seek rest and sleep away from the building, while perhaps the most regrettable and pathetic feature that confronts the management is the fact that would-be patients, urgently in need of hospital treatment, are for lack of accommodation frequently being turned away. This being the condition when the general health of the community is normal, who dares contemplate the result of a deadly epidemic from which we as a community are not immune.

A most interesting document has just been presented by the Daughters of the Empire to the Orangeville Public Library Board. This consists of a Record of those who enlisted from the County of Dufferin for overseas service and contains, in many instances, a photograph of the soldier or nurse, in addition to a Record of his or her experiences during the war. The Daughters of the Empire have had this work on hand for a considerable period, and, although it is not by any means complete, it has been presented to the Board that persons wishing to see it may have an opportunity upon visiting the Library.

Any Soldier or Nurse, whose Record has not thus been placed on file and who by reason of residence in or enlistment from the County of Dufferin, is entitled to be numbered among the Dufferin County enlistments will confer a favor upon those having the work in charge if he or she will send that record either to Mrs. McLeod, or, to Mrs. McKeown, of Orangeville, and the work will be continued from time to time to bring this as near a complete record of Dufferin County's enlistments as it is possible to secure.

U. F. O. SECRETARY

Addressed Public Meeting in Orangeville Opera House on Thursday Evening Last.

Speaker Outlined Aims and Aspirations of the United Farmers.

An audience of between two and three hundred farmers and townspeople heard Mr. J. J. Morrison, Secretary of the United Farmers of Ontario, speak on "The Aims and Objects of the U. F. O." in the Opera House on Thursday night. The Farmers Secretary was in good form and made a very favorable impression upon those of his audience who had not heard him before. On the whole his speech was logical and convincing. It was noticeable, however, that in his discussion of the important subject of rural depopulation he either overlooked or ignored the contributory influence of the lower birth rate in Ontario of to-day and the introduction of labor saving machinery on the farms.

Mr. Morrison outlined the history of the U. F. O. at some length, explaining why it had been formed, what it had done and what it hoped to accomplish. The story of the rise of the organization, he declared, read like a novel. Less than six years ago there was no U. F. O. To-day there were 50,000 members in Ontario and the Society was doing a business of $10,000,000 annually. The rapid growth of the organization the U. F. O. Secretary attributed to the existence of conditions that worked adversely to the farmers.

Mr. Morrison paid a glowing tribute to the work and singleness of purpose of the pioneers of Ontario—the men who had made it necessary for Orangeville to exist, men from the back concessions, better men than we are—men whose patient and persevering toil transferred this country from a wilderness into broad and smiling farmlands. They did not do this for pleasure. There was little pleasure and much privation in their lives, and what they did was done to build up a young, free country for their children to grow up in. "And yet one generation after," Mr. Morrison commented in a tone of regret, "we are beginning to lose the fruits of their labors and to keep from completely losing them this organization has become necessary."

The speaker declared that there was not a farm in the County of Dufferin of for that matter in the province of Ontario that would rent for a sum sufficient to pay interest on the capital invested. The U. F. O. wanted to build up an all-round Canada. It wanted the farmer to take the place that was rightfully his in the body politic. The farmers did not want to govern the country, but they did want fair representation in Parliament and a chance to do their duty as citizens.

Mr. Morrison quoted from municipal statistics to show how serious had been the decrease of population in Dufferin County between 1890 and 1918. In the face of this depopulation how could the claim be made that the rural districts of this and other counties are prosperous. Rural Ontario was losing its population at the rate of 16,000 a year and the cities were gaining at the rate of 35,000 a year. The province could not hope to prosper with a top heavy city population and a steadily depleting rural and village population. The only way to remedy the situation was to get the people back to the land. Make the farms pay dividends and make it worth while for the boys to stay on the farms. This could only be done by lessening the cost of production and the cost of distribution. The real solution was to take off the tariff and to cease watering stocks. The farmer had maintained the quality of his products at 100 per cent., but the goods he received in return for his products were no longer of 100 per cent. quality. In many cases they were the verest shoddy.

Mr. Morrison stated that the Farmers Government could not succeed unless it received some support from outsiders. The Conservatives and Liberals might unite in the Legislature and if so their numbers would nearly equal the U. F. O. and the Labor men. The U. F. O. Secretary declared that there would soon be a new Government at Ottawa, but added that "it does not matter what Government it is so long as it is a good Government." He predicted that the next Dominion election would be fought out largely on the question of lowering the tariff. The policy set up in Canada in 1878 was responsible for the existing economic conditions. It was designed to build up the cities and manufacturing centres and had reacted adversely on the country.

Mr. Morrison said he had been accused of being autocratic and of "being the man behind the guns" in the present Government. He denied the impeachment, stating that Mr. Drury was the leader of the Government and had picked his own Cabinet. The speaker had been asked to act on the Committee to find seats, but this was only because of his knowledge of the country. Seats had been found for the Premier and Hon. Mr. Doherty and he hoped to be in a position shortly to announce that a seat had been found for Mr. Raney.

Ex-Warden Howard Hilborn and Mr. T. K. Slack, M. L. A. for Dufferin, addressed the audience before Mr. Morrison's speech. Mr. Slack stated that he would welcome any investigation in regard to his election. He outlined some of the improvements that the new Government hoped to make, but said that too much should not be expected at first as the U. F. O. members lacked experience and were unfamiliar with Parliamentary procedure. The Government would attempt to simplify the statutes of the province, which were a disgrace as they stand now. Mr. Morrison was not in Dufferin to find a seat for Mr. Raney. His visit was solely to further the interests of the U. F. O., "but" added Mr. Slack, "I will not go so far as to say that I would not be willing for any such change if it was for the best." Mr. Slack criticised the Lieutenant-Governor for his recent speech, but was not in favor of not keeping a suitable residence for that functionary. The Province should maintain a moderate sized residence at a moderate expense, but he thought it was a shame that the people of Ontario should be saddled with the expense of a residence such as the present Government House, merely to provide the society men and women of Toronto with a place for balls and entertainments.

Mr. J. M. McNaughton, County U. F. O. Director, occupied the chair.

ST. MARK'S A. Y. P. A.

The A. Y. P. A. of St. Mark's Church are planning to give an Entertainment in the Opera House on Monday and Tuesday evenings, February 16th and 17th. KEEP HEALTHY DURING WINTER

Colds and Diseases May be Avoided if the Blood is Kept Pure.

Do not let your blood get thin this winter. For people who have a tendency towards anaemia, or bloodlessness, winter is a trying season. Lack of exercise and fresh air, and the more restricted diet; are among the many things that combine to lower the tone of the body and deplete the blood.

As soon as you notice the tired feeling, lack of appetite and shortness of breath that are warning symptoms of thin blood, take a short course of treatment with Dr. Williams Pink Pills. Do not wait until the color has entirely left your cheeks, until your lips are white and your eyes dull. It is so much easier to correct thinning of the blood in the earlier stages than later. This is well illustrated in the case of Mrs. E. Williams, Elk Lake, Ont., who says:—"I take great pleasure in letting you know the benefit I have found in the use of Dr. Williams Pink Pills. I was in an anaemic condition, and was very weak and run down. The least exertion would leave me breathless and it was with difficulty that I did household work. I was advised to try Dr. Williams Pink Pills, and after the use of four boxes I felt like a new person. In fact my system seemed filled with new energy and new life. I strongly recommend this medicine to all who feel weak or run down."

The purpose of Dr. Williams Pink Pills is to build up the blood. They do this one thing and they do it well They are for this reason an invaluable remedy in diseases arising from bad or deficient blood, as rheumatism, neuralgia, after-effects of the grip or fevers. The pills are guaranteed to be free from opiates or any harmful drug and cannot injure the most delicate system.

You can procure Dr. Williams Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for $2.50 by writing direct to The Dr. Williams Medicine Co., Brockville, Ont.

WALDEMAR WHISPERS

Mr. Wm. Gamble, our local Westerner, is home for the winter and reports fine weather out there.

Mr. and Mrs. J. White, of Wellwood, Man., are visiting at the home of Wilfrid Gamble, who is a brother of Mrs. White.

A social gathering in honor of our present Reeve was held at his home, lot 3, 8th line, Amaranth, on Tuesday, the 6th. Quite a crowd gathered to wish the new Reeve every success.

Doc. Greaves, our local V.S., has bought the Fred West farm, lot 6, 8th line, Amaranth. The Doctor needs encouragement these days, as he is about to be married, poor fellow.

A few hints for the lover:

Be sure you are the only beau who is going with the fair one!

Also kiss her for this will keep the friendship greater!

Next, never let the fair one get lunch! Get it yourself!

Never let her sit on your knee. Sit on here!

From every source of information we can get, there is nothing but HIGHER PRICES in sight for at least two years more. British manufacturers claim that prices will not come down for FIVE years. We know that in all lines, such as Woollens, Furs and all Cotton Goods, there will be a stiff advance in prices and poorer delivery than ever. We also know that every time we repeat on any line of goods (if we can get them at all) they always cost more money. Our advice is BUY NOW even if it is for next winter's needs.

BROADWAY ORANGEVILLE

DELANEY–HOUSTON.

The home of Mr. and Mrs. William Houston, of West Caledon, was the scene of a pretty event on Wednesday, January 21st, the occasion being the marriage of their only daughter, Ethel Marguerite, to Mr. William Delaney, son of Mrs. J. M. Delaney, of Caledon. Promptly at three o'clock the bride, leaning on the arm of her father, entered the parlor to the strains of the Lohengrin Wedding March. Rev. W. N. Carr, of Alton, was the officiating clergyman. The bride looked pretty in her gown of white silk georgette crepe with bead trimming and corsage bouquet of Sweetheart roses. Miss Ruth Duckworth made a pretty bridesmaid dressed in pink silk embroidered and wore a corsage bouquet of roses. The groom was supported by Mr. Harry Torrance, of Orangeville. After receiving congratulations and good wishes the happy couple left on the evening train for Toronto, the bride travelling in a tailored suit of navy blue with hat to match and set of furs. The groom's gift to the bride was a cheque, to the bridesmaid a gold necklace and to the groomsman a gold tie pin. On the return of the young couple on Friday a reception was held at the home of the bride's parents, when guests to the number of one hundred were present and spent the evening in music and dancing. Mr. R. Overland, of Orangeville, and others furnished the music and Mr. John Kannawin, of Orangeville, officiated as floor manager. The presents were numerous and costly showing the esteem in which the young couple are held. The Banner joins with their many friends in offering its hearty congratulations and good wishes.

The home of Mr. and Mrs. Robert Knowles, Ufford, was the scene of a quiet but pretty wedding on the last day of the old year, when their only daughter, Rose Enid, was united in the holy bonds of matrimony to Rev. The bride who was unattended was given away by her father, and looked charming in a dress of white voile with bandeau of crepe de chene and carrying a bouquet of American Beauty roses and ferns. She also wore a diamond brooch, the gift of the groom.

After receiving congratulations and partaking of the wedding supper the happy couple left for Toronto, the bride travelling in a tailored suit of blue gabardine with becoming hat to match. Upon their return they will make their home in Camilla.

The gifts were both numerous and costly, showing the high esteem in which the young couple are held.—Bracebridge Gazette.

WILSON–ROWLAND.

An event of unusual interest to many transpired at the home of Mr. and Mrs. W. G. Rowland, Hillcrest Ranch, Cando, Sask., on Wednesday, November 19th, 1919, when their eldest daughter, Berniece, became the bride of Mr. S. W. Wilson, of Cando. To the strains of Mendelssohn's wedding march the bride entered the room on her father's arm. She was attended by her sister, Miss Alleyne Rowland, while the groom's brother, Mr. W. J. Wilson, acted as best man. Rev. T. J. Williams, B.A., B.D., of Landis, performed the ceremony. The bride was becomingly gowned in white silk crepe de chine and carried a beautiful bouquet of white chrysanthemums, while the bridesmaid was tastefully attired in old rose silk, with chrysanthemums of the same shade.

After a dainty wedding breakfast the happy couple, amid a shower of confetti, left by auto for Traynor, en route for Calgary and other Western points, where they will spend their honeymoon. On their return they will reside at Crane Creek Farm, Cando.—The Landis, Sask., Record.

Mr. Rowland, the bride's father, was at one time a resident of Orangeville and was prominent in local musical circles.

ELBA AND GRANGER.

(Intended for last week)

Having spent the summer months in the prairie provinces I thought I would return to old Ontario for the winter. Arriving at Shelburne station I was greeted by Chas. Wilson, who gave me a hearty invitation to accompany him home. This I gladly accepted. Upon our arriving there, whom should we meet but Jonah Lee, who asked us if we had seen any sign of a stray plow. Jonah also asked me to go home with him, which I did. After spending the night with him I continued my journey on down the line and on the way met Earl Turner returning home looking rather sleepy. Proceeding on down the line I called on John Manning, who informed me that Edgar was going to cage the bird. I next called on my old friend, Geo. Little, who I was sorry to learn was confined to his bed. We had a good oldtime chat. Upon enquiry for Tom I was informed that he had gone out to buy some honey. After enjoying a good, hearty supper I again proceeded on my way and was overtaken at Elba corner by Jackson Woods, who told me that he was sorry that he would be unable to attend the Play, "Look out for Paint" at Primrose. Jackson gave me a lift as far as John Elgie's. After having a short chat there I thought I would call on Fred Buchanan, so Herb said he would give me a drive that far as he was going anyway. While on our way down the line we saw Bob Dermott, who informed us that Frank Turner, George Langtree, Elroy Wilson, Clifford Marshall and Alf. Phillips had just driven into Fred's. Hearing this we decided to postpone our visit and thought we would call and have a chat with Robert Yool instead, but we met George Rennick at the gate and he told us that Robert had gone to Melancthon for the winter. I next called on Herb. Fines and while there met an old Whitfield friend in the person of Stanley Reaburn. I then continued my journey on up the line and was overtaken at the schoolhouse by Halbert Bros., who were on their way to Whitfield. They gave me a lift as far as Lindsay Bros. Norman asked me to please excuse him as he must make the usual trip to John Elgie's. Perty and I had a friendly chat together and he asked me to stay and help him cut some wood, so here I am.

Paying Tell for Neglect

Needless exposure to damp and cold frequently result in a derangement of the Kidneys and Bladder.

When these important organs fail to do their duty, various evils arise, such as rheumatism, swollen hands and ankles, stiff joints, lumbago, sciatic neuralgia, stone in the bladder or gravel, excruciating pains in the back and sides, constant headaches, dizziness, specks floating before the eyes, uneasiness of mind without reason, and general debility.

These are signs of serious kidney and bladder trouble, which require immediate attention. The most dependable remedy is found in Gin Pills. They often prevent the operations which constant neglect may render necessary. They quickly and safely relieve congested kidneys, passing stone and gravel, healing and soothing inflamed organs and restoring them to normal. Thousands of letters from people who have been relieved are continually coming to us. Their writers often beg us to spread the good news to other sufferers that Gin Pills certainly and surely will bring the help they need. Send for free sample or go direct to your druggist or dealer 50c a box. Money refunded if relief not given.

MAPLE GROVE.

(Crowded out of last issue)

On Monday evening, January 5th, friends and neighbors to the number of about eighty, assembled at the home of Mr. and Mrs. Charles Cooke and presented them with easy chairs, and Master Ernest with a fountain pen, prior to their removal to their new home in Mono. The following address was read.

Maple Grove, Jan. 5th, 1920.

To Mr. and Mrs. Cooke,—

Dear Friends:—We, your friends and neighbors, have gathered together this evening for the purpose of expressing our regret that you have decided to remove from this neighborhood where you have for so many years dwelt in peace and happiness amongst us. During the many years that you have resided here great changes have taken place. You have seen acres of forest transformed into fields of grain, and prosperous happy homes spring up where once was the lonely wilderness.

You have taken no small share in church and school and every agency whereby the life of the community might be elevated. You have been kind neighbors and friends to all those about you, ever ready to lend a helping hand where needed.

In memory of these things, we are conscious of the profound sense of personal loss that we are sustaining in your removal from our midst, and, as a slight token of the esteem in which you are held, we ask you to accept these chairs, and you, Ernie, this pen, and with them the hearty good wishes of your friends and neighbors. We trust that they may speak to you of memories of the past, friendships of the present, and sincere wishes that the future may bring to you, bright, cheerful and happy days of heaven's richest, earthly blessing—contentment.

Signed on behalf of your many friends.—Wm. Pacey, A. E. Williams, John Scott, Jas. Richardson.

ANOTHER VICTIM OF RHEUMATISM

Entirely Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEE GARCEAU

22 Hickory St., Ottawa, Ont.

"I was for many years a victim of that terrible disease, Rheumatism. In 1912, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician.

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again.

I look upon this fruit medicine, 'Fruit-a-tives', as simply marvellous in the cure of Rheumatism, and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

(Crowded out of last issue)

On New Year's Eve the many friends of Mr. and Mrs. Elwood Lomas met at their home on the 9th line to say goodbye to them before their departure to Hespeler where Mr. Lomas has accepted a position.

While Reeve Reid read a very appropriate address, Mrs. Lomas was presented with a silk parasol and Mr. Lomas with a club bag. The rest of the evening was spent in various amusements.

Mr. Harry Tate spent New Year's under the parental roof.

Miss Carolyn MacCartney, of Toronto, spent a few days with friends in town.

Misses Idell and Greta Groskurth, of Toronto, paid our town a flying visit last week.

Messrs. Fred and Jim Tate spent the holiday at their home here.

Miss Enid Gibson was the guest of Miss Eunice Hewitt for a few days.

We are glad our correspondent of last week titles his insertion "Whispers," as such things should not be spoken aloud. We would like to suggest that "Waldemar Screams" would be more appropriate. We think our correspondent must have designs on the popular young lady he mentions, as for the past two weeks he has been voicing his disapproval of A's choice. He certainly must believe in the maxim, "Speak now or forever hold your peace." We would like to offer him a bit of wholesome advice, "Thou shalt not covet!"

"VOIX DE VILLE" said Jean Chardavoine, a French musician; and thus came into being three hundred and fifty years ago what to-day we call "Vaudeville".

Vaudeville is the melting pot of the dramatic and musical arts. In it nothing is out of place; it includes drama, comedy, tragedy, farce and burlesque; and every form of music from grand opera to jazz is heard upon its stage.

Every city has its favorite vaudeville house. But you—who live at a distance from the great cities—can have vaudeville right in your home, with

DIED FROM PNEUMONIA

James G. Warrick, a Prominent Flint, Mich., Business Man, Began Mercantile Career in Orangeville.

News of the death of James Gerard Warrick, caused a severe shock among Mr. Warrick's many friends particularly in the retail business district of the city, where he had been a familiar figure for several years. Death occurred at his home, 715 East St., yesterday afternoon, following a brief illness from pneumonia and pleurisy. Mr. Warrick had been troubled with bronchial disease for the last few winters. He caught a severe cold while returning from New York the week previous to Christmas, and this developed into pneumonia the day following Christmas. His condition became critical almost immediately, but he remained conscious up to the last and was able to converse with members of his family, who were at his bedside

Mr. Warrick was born in De Kalbor, Missouri, June 13, 1873, the son of Mr. and Mrs. Wm. A. Warrick and moved with his parents when a small boy to Canada. He received his education in the public school of Camilla, Ont. He began his mercantile career as a clerk in a store at Orangeville, Ont. Later he moved to Sault Ste Marie, Mich., where he entered into business for himself as a partner in the firm of W. F. Ferguson and Co. He sold his interest in the store and came to Flint in 1903, where he purchased an interest with C. H. Berger, the new firm being known as Berger and Warrick. He later purchased Mr. Berger's interest and formed the partnership of Warrick Brothers. The partners in the new formed firm with Mr. Warrick were his brother, W. A. Warrick and Wm. C. Carr.

Ten years ago this fall a disatrous fire gutted the Warrick store, destroying the stock and wrecking the building. Mr. Warrick immediately set about to build a new store of greater magnitude than the one destroyed. This store until this year housed the business of the rapidly growing firm. It has always been Mr. Warrick's ambition to keep abreast of the times, and his greatest wish was to build a large department store that would be a credit to the firm as well as to the city.

His dream was nearly accomplished for during the last season he acquired the Foote and Church hardware store, combining this site with the location of the old Warrick store, he had in course of construction a building which will soon be a monument to his efforts. Had he lived a few days longer he could have seen the fruits of his toil completed.

Besides being identified in the mercantile line, Mr. Warrick was a director of the Industral Savings Bank as well as being a heavy holder of Flint real estate. Mr. Warrick was married to Maude Ferris September 11th, 1893, at Sault Ste Marie, Mich. Fraternally he was a member of Washington Chapter, No. 15, R. A. M., Genesee Lodge No. 174, A. F. & A. M., and Flint Lodge No. 229, B. P. O. E. He was a member of the Court St. M. E. church, being on the official board of the church and an active member of the Y. M. C. A.

Besides his wife Mr. Warrick leaves one son, William, at home, a daughter, Mrs. Erma Warrick Cathcart, of Flint, and a brother, W. A. Warrick, also of this city.—The Flint Daily Journal, Jan. 1st, 1920.

In a later issue the Journal states that the funeral was held from the family residence on Saturday afternoon. Rev. Howard A. Field, D. D., officiated. Mrs. Howard A. Field sang "Abide With Me," "No Night There" and "Rock of Ages" with accompaniment by Mrs. Emily Rumball Hixson. Interment in Grace Lawn cemetery. The active pallbearers were Fred Ottaway, Will E. Carr, Francis Flanders, Bert M. Garner, John Newall and Clifford A. Bishop. The directorate of the Industrial Savings Bank, of which Mr. Warrick, was a member, acted as honorary bearers. The dry-goods and women's ready to wear stores of the city closed their doors between the hours of two and three o'clock and the merchants attended the services in a body. The employes of the Warrick store also attended in a group. The many floral tributes spoke of the high regard in which Mr. Warrick was held in the community.

The late Mr. Warrick was a grandson of the late Mrs. Isabella Buchanan, of Camilla, and a nephew of Mrs. Belle Buchanan, Messrs. T. J., Wm. and John Buchanan, all of Camilla.

A pretty wedding was solemnized in St. Andrew's Church, Camilla, on Saturday afternoon, January 24th, Rev. Wm. Coutts, B.A., officiating, when Mabel Louise, daughter of Mr. George W. Rayfield, was united in marriage to Thomas Little, son of Mr. and Mrs. George Little, Elba. The church was beautifully decorated with evergreens and flowers. The bride, who was given away by her father, looked lovely in a suit of navy tricotine with smart satin hat to match. She also wore the groom's gift, a set of Hudson seal furs trimmed with opposum and a corsage bouquet of Ophelia roses. She was attended by her sister, Lillian, who was very attractive in a navy suit with corsage bouquet of sweet peas. The groom was supported by his brother, Robert Little. Mrs. Albert Madill played the Bridal Chorus from Lohengrin. After receiving the congratulations of their many friends who were in attendance the happy couple drove to the bride's home, where a sumptuous breakfast was served. The groom's gift to the bridesmaid was an onyx ring, to the organist a brooch set with turquoise and pearls, and to the groomsman a set of cuff links. Mr. and Mrs. Little left on the evening train to spend their honeymoon in Toronto, Detroit and other points. On their return they will take up their residence on the groom's farm at Elba.

"BLIND HUSBANDS"

What is perhaps the most awe-inspiring scenery ever recorded by the motion picture camera is seen in "Blind Husbands," the Universal photodrama of the Tyrolean Alps, which comes on Thursday, February 5th, to the Opera House, Orangeville.

The photodrama stars Eric Stroheim, formerly of the Austrian army, in the role that will add to the hatred aroused by his part of the brutish Hun officer in "The Heart of Humanity."

Stroheim depicts the role of Lieutenant von Steuben of the Austrian army. He goes to a fashionable Alpine resort to prey on all womankind.

Through suave mock courtesy and strictest attention to her smallest wants he breaks down the barrier of her reserve and leads her into a mild flirtation.

Failing to ruin the life of a beautiful American girl, although he nearly accomplishes his vile purpose, von Steuben directs his attention to the humble girls of the Alpine village and brands their simple souls with his hot passion.

His downfall comes when he launches his puny strength against the might of the eternal mountains.

Supporting Stroheim is the beautiful Francelia Billington and the following cast of widely known Universal players, Sam De Grasse, H. Gibson-Gowland, Valerie Germonprez and Jack Ferrin.

"Blind Husbands" presents a never-to-be-forgotten contrast of the quiet majesty of the mountains with the baseness of human desires.

It will be shown at the Opera House, Orangeville, on Thursday evening, Feb. 5th.

Special orchestra with all effects.

SEEKS $5,000 DAMAGES JURY GIVES HIM $6,000

Hamilton Man Tells How a Friendship Culminated in Wreck of Home.

Hamilton, Ont., Jan. 17.—To sue for $5,000 and be awarded $6,000 damages was the experience of Alfred Matthews, city, who in the High Court here yesterday sued to have assessed damages caused by George Pearce, school caretaker, and a widower, in breaking up the Matthews' home.

No defence was put in and T. R. Sloan asked the jury to bring in a verdict for his client. After the verdict was returned, Justice Kelly asked Matthews' counsel if his client would be satisfied with $5,000, the sum he sued for. On being assured that he would his Lordship entered judgment for that amount with costs.

The plaintiff, a man of about 50 years of age, said that he and Pearce were formerly neighbors, and he first came to the Matthews' house to pay lodge dues as a brother lodge member. After that Pearce became a frequent caller. Later, after Pearce had been calling for some time, he learned that the defendant had alienated his wife's affections and induced her to put the plaintiff and his children out of the house. A family of ten children were greatly injured through Pearce's action, which culminated in his taking Margaret Matthews, wife of the plaintiff, out of the country and thereby breaking up his home. Witness did not suspect Pearce until he (Matthews) was told by his wife he had better go to the House of Refuge. Witness did this and stayed for about three weeks.

Mrs. Gurley, plaintiff's daughter, said Pearce caused all the trouble in the family. He told the witness, a girl of 20, to leave the house. He was constantly around. She said he was "boss of the ranch." When Pearce was ill Mrs. Matthews went to the school to help clean up, she said.

Margaret Matthews, a daughter of 14, corroborated much of Mrs. Gurley's evidence. Pearce, she declared, after he got rid of her father, was very unkind to the children. It was through the efforts of Pearce and Mrs. Matthews that she (the witness) was sent out to work as a domestic.

DON'T BE DYSPEPTIC.

The dyspeptic has thought only of the stomach when the real source of trouble is in the Liver, Kidneys and Bowels. Dr. Chase's Kidney-Liver Pills thoroughly cleanse and purify the digestive and excretory system and in this way put the organs of digestion into splendid working condition. A little patient urging on of these organs when sluggish will restore the habit of healthful digestion.

PROFITS OF STOCKHOLDERS IN MAIL ORDER HOUSES STAGGER THE IMAGINATION.

CUSTOMERS SUPPLY CAPITAL

ONE MAN MAKES MORE THAN $280,000 ON $25,000 INVESTMENT IN NINE YEARS—HUNDREDS LIKE HIM.

(Copyright.)

There is one way to make money by dealing with the mail-order houses but it isn't by buying goods from them.

The man who thinks he is making money by buying his goods from mail-order houses has only to read of the amazing profits made by some of these big corporations to realize that all the money is being made by the man on the other end of the deal.

The stockholder in a big mail-order concern toils not and neither does he spin, but he piles up his money so fast that it makes the ordinary man's head swim to read about it. Here is the experience of the stockholder in one of the large mail-order concerns as told by a reliable financial journal It gives a glimpse into the inside workings of the mail-order business that should be of interest to those who have made such things possible.

HOW THE GAME WORKS.

In 1908 this man bought 600 shares of stock in the mail-order corporation in question when the stock was selling around $40 a share, the 600 shares costing him a little less than $25,000. In 1911 the company declared a stock dividend of 23 1-3 per cent. In other words the company after paying cash dividends regularly, had accumulated a surplus profit of one-third of the amount of capital invested in the business; but instead of distributing this profit among the stockholders the company kept the money in the business and issued stock for that amount to the stockholders. By this action 200 more shares of stock were issued to the man who had originally bought 600, increasing his holdings to 800 shares, without his having put any more money into the business.

Another stock dividend of 50 per cent was declared in 1915 and this added 400 shares more to his holdings, giving him 1,200 shares in all. A third stock dividend of 25 per cent was paid early in 1917, bringing this man's stock holdings up to 1,500 shares, still without his having paid in any more money. On this 1,500 shares of stock, cash dividends of $8 a share are now being paid. This investor therefore is now receiving $12,000 a year from his original investment of about $25,000, and as the stock is now worth around $100 a share, the present market value of his stock is $240,000, giving him a profit of $215,000, in addition to cash dividends which he received during nine years, amounting to many more thousands of dollars.

ONLY ONE IN HUNDREDS.

This is the story of just one small stockholder in one mail-order concern. A profit of more than $215,000 made by one small stockholder in nine years on an investment of less than $25,000! It reads like fiction but it is financial history. There are hundreds of other stockholders in this and other mail-order corporations, some of whom have made millions while this man made thousands. Add the profits of all these stockholders together and the result is a sum that staggers the imagination.

Small wonder that the men who own the stock of the big mail-order houses can live in palaces, ride in the highest-priced automobiles, own palatial private yachts and buy $100,000 paintings. But who has furnished the money to pay for the palaces and the automobiles and the yachts and the $100,000 paintings? The people in the country and the small towns who have kept an endless stream of money flowing into the coffers of the mail order houses have made all this possible. Their millions of dollars have gone to the big cities to build up these great concerns. Their millions of dollars have provded the automobiles and yachts and other luxuries for the stockholders in these corporations.

PRESENT FROM MAIL-ORDER BUYERS.

These men who have piled up each big fortunes in the mail-order business have not even had to pay for much of the stock from which they are now drawing princely dividends. The people in the country and the small towns, generous souls, have bought it for them. This is shown in the case of the stockholder just mentioned, who originally invested. The generous mail-order buyers have made him a present of $215,000 worth of stock and he has not had to turn his hand over to get it. He has never even had to so much as write a letter to get it. The generous mail-order buyers have handed it to him on a golden platter.

There's money in the mail-order business without a doubt, but its on the side of the man who does the selling and not the one who does the buying. If you must do business with the mail-order house, buy some of its stock and let the fellow in the next town buy you automobiles and private yachts while he struggles with the hard times that come from draining his town of the cash that goes to keep you in luxury.

DODD'S KIDNEY PILLS GREAT WORK FOR WOMEN

Is Once More Shown in the Case of Mrs. Robert Bell, Who Says She Can Never Thank Dodd's Kidney Pills Enough.

Golden Valley, Ont., Jan. 26th.—(Special.)—"I had kidney trouble. My nerves were bad. I felt tired all the time. I was all run down.

"My troubles are all gone since using Dodd's Kidney Pills. My appetite is good and I am increasing in weight."

These are the statements of Mrs. Robert Bell, a well-known and highly respected resident of this place. They must be of interest to thousands of tired, suffering women in Canada. Thousands of other Canadian women who have used Dodd's Kidney Pills know them to be true.

For Dodd's Kidney Pills are no experiment. They are a household remedy in thousands of Canadian homes. They have earned their place by the pains they have relieved and the health they have brought. Ask your neighbors about them. You can hardly fail to find women who exclaim with Mrs. Bell, "I can never thank Dodd's Kidney Pills enough."

Catarrhal Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts thru' the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. WOULD PAY $5.00 A BOTTLE FOR IT

Is Enthusiastic About Tanlac Since It Has Done So Much For His Wife.

"You may wrap me up a bottle of your Tanlac," remarked George Williams of 12 Whitworth street, St. Johns, Newfoundland, as he approached the Tanlac man at Connor's drug store on October 11th, "for the last thing my wife said to me as I left for work this morning was to not come home tonight without it.

"Well, it certainly is doing her a world of good," he continued, "and I would pay five dollars a bottle for it rather than for her to be without it. She has suffered for fifteen years from indigestion, biliousness and headaches. In fact, she complained of pains all over her body and got in such a bad shape that she couldn't do any of her housework. She had such awful pains in her back she could hardly walk and often said her head ached fit to burst. She couldn't eat anything scarcely and often had vomiting spells. She was very weak and nervous and passed many a night without closing her eyes for sleep.

"I had heard a great deal about Tanlac and going on the idea that 'what's good one for is good for another,' I got my wife a bottle and she had not taken but a few doses until she spoke of feeling better. She eats just anything she wants now and never has a sign of indigestion, and her appetite is just fine. She sleeps like a child at night, gets up in the mornings full of energy, and goes about her housework singing just the same as if she had never suffered a day. Tanlac certainly is great and I can't praise it enough for what it has already done and is still doing for my wife."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

Miles Service, 18 years old, of Sweaburg, was taken to the Woodstock hospital suffering from paralysis from the waist down as the result of being struck by a falling tree.

William Ross, fourth son of the late Jas. Ross, of Fergus, dropped dead in Montreal on the 10th inst. He was 64 years of age and for years had been Superintendent of the Phoenix Bridge Works.

At 5.30 p.m., Wednesday, January 21st, the home of Mr. and Mrs. Hugh Ireland, Mansfield, was the scene of the marriage of their eldest daughter, Phyllis Ruby, to Mr. D. J. Sherman, of Shelburne.

On Wednesday, Jan. 14th there passed away one who has been for many years an esteemed resident of Erin, Mrs. Abraham Lindsay, of the 7th line. Mrs. Lindsay had reached the ripe age of seventy-six years. Her husband predeceased her over forty-five years ago.

The inaugural meeting of Peel County Council opened on Tuesday of last week. The first business to be taken up was the selection of a warden. Two candidates were nominated, Reeve W. D. Bowles, of Chinguacousy, and the Reeve of Port Credit. Mr. Bowles was declared elected on the first ballot which stood 10 to 5 in his favor.

There is room according to The Express for some detective work in Elora. One day Mr. Alex. J. Kerr, Canadian Express Agent, had occasion to leave the store for a minute or two, and on his return found the door open and an envelope containing $7 taken from the register. Within a fortnight two ladies have lost purses at Memorial Hall.

William Kennedy, son of Alexander Kennedy, of Cashtown, died very suddenly last week. Details are lacking but deceased had been in Creemore on Tuesday and was apparently in good health. On Wednesday morning when he did not answer repeated calls his father investigated and found him dead. Deceased was a returned soldier, and had over two years service going over with the 157th Batt. early in 1916.

Messrs. McKellar and Mitchell, of Listowel, have made a motor sleigh that is giving much satisfaction. A Ford car was used and the necessary changes were made. The axles were shortened to the width of an ordinary sleigh. Runners replace the front wheels and the rear wheels are double the width of ordinary Ford wheels. Chains on these wheels allow them to take a good hold of the road and no power is lost.

A case from Port Credit was settled in the County Court last week. It was between Major Hamilton and the Orange Lodge over the ownership of the Orange Hall property in Port Credit. The lodge claimed the property under the statute of limitations. The hall was originally built on ground said to have been given them by the Major's father. The case was settled by the Major giving the lodge another property and they agreeing to pay $300. The Orange Hall property is wanted by the Presbyterian Church at Port Credit as the site for a new church. The transfer can now be made.

INVESTMENT IN THE MASTER'S KINGDOM

TO THE METHODISTS OF ORANGEVILLE DISTRICT

Orangeville, Ont., Jan. 30th, 1920.

DEAR FRIENDS:

The greatest hour in the history of Christianity in Canada is striking. How much part are you going to have in it?

In prayer, study and plans the adherents of five great Protestant denominations have been marching together—a sight to make angels glad—rallying their forces for a forward movement to win Canada for Christ, to strengthen the institutions of the Church and to extend the mission work allotted to us.

The time for the great Thank-offering has come. God has given us a great victory. Let us render unto God a Thank-offering that is worthy of that Victory. We all know that the only way to confirm the victory won for us by our heroic soldiers and sailors, is to bring Christ's Gospel to every home in our land. Only then will our land be what it ought to be.

Our Orangeville Methodist District is asked to raise, as its part of this Thank-offering, Thirty-two Thousand Dollars. It is a large allotment; but churches, not so fortunately situated as ours, have already placed a proportionate gift upon God's altar.

We all wish to do something. As this is the greatest undertaking of the Churches of Canada, let us personally make it our biggest investment in the interests of the Master's Kingdom that we have ever made.

Then let your gift, be it less or more, be followed by your determination to do all in your power personally by prayer, love and co-operation with your fellow Christians, to bring Christ's love home to every child in the land, making this world better because you have lived and learned to walk "the way of Christ."

Thanking you for your interest, co-operation and generosity, we are,

Yours faithfully,

W. R. LIDDY, Chairman, Dist. Fin. Council.
E. RYERSON YOUNG, Chairman of District.
WM. McKELVEY, Vice-Chairman, Dist. Fin. Council.
W. W. WALLACE, Dist. Fin. Secretary.

I have not been able to fully decide what our subscription will be. It will be at least $125. If I saw my way clear I would gladly make it $500.00, but it looks impossible. And yet I would like to **have a bigger investment in the interests of my Master's Kingdom.**

Faithfully yours,
T. Broughton.

P.S.—We have finally concluded our subscription to be $500.

During last year's epidemic, one of the largest hotels in Toronto used McCRIMMON'S DISINFECTANT daily throughout the hotel. Transients arriving in Toronto with "Flu" were accepted as guests, yet the hotel did not have one death—either amongst their guests or their staff.

$1.50 RATE AFTER MAR. 1.

On and after March 1st, 1920, the subscription rate of The Banner will be increased to $1.50 a year, payable strictly in advance. Owing to the continued increase in the cost of production no other course is left open to us. Since the war started in 1914 everything we use has increased in price, but although other country weeklies were everywhere adopting the $1.50 rate, we hesitated to make the advance in the hope that when the war was over normal conditions would again obtain in the printing and other lines of business. More than a year has now elapsed since the signing of the armistice, but instead of any return to pre-war prices the tendency has been all in the other direction. To-day the cost of producing a newspaper is about three times what it was five years ago. For instance, five years ago we could purchase nearly three tons of paper for the same money that we are obliged to pay for one ton to-day. Book and job papers, inks and every other material that enters into the production of a newspaper have advanced in a similar manner. On top of all this comes the high and steadily increasing cost of living, a matter with which everybody is familiar.

Orangeville newspapers are practically the last in Ontario to make this necessary increase in subscription price. We hope our subscribers will receive the advance in the proper spirit and stand loyally by us in the future as they have in the past. The country newspaper has had a hard row to hoe during the last few years and a number of the smaller papers have been compelled to cease publication. The dailies are to-day more than ever expressing the views, the opinions and the wishes of the people in the cities, and the continuance of an independent, unfettered country press is therefore vital to the welfare and the interests of rural Ontario. The home paper is often spoken of lightly, but one has only to reflect a moment to realize what a community would lose if it were deprived of its local newspapers and the services they render from week to week.

We will continue to accept subscriptions, whether past due or paid in advance, at the $1.00 rate until March 1st, after which $1.50 a year will be charged for all subscriptions. Owing to the U. S. postal regulations, subscribers in the United States have been paying $1.50 a year for several years. The United States rate will of course be advanced to $2.00 a year on March 1st.

ERI WHALEY.

Death of One-time Orangeville Business Man Occurred in Toronto Last Week.

Was Founder and Head of Large City Music House.

As briefly noted in last week's issue of The Banner the death of Mr. Eri Whaley, founder, President and General Manager of the Whaley, Royce Co., Ltd., a widely known city music house, occurred at his home, 74 Roxborough St., east, Toronto, on Wednesday afternoon, Jan. 28th. The late Mr. Whaley was a resident of Orangeville several decades ago and is still remembered by our old citizens as a popular and successful conductor of the Orangeville Citizens' Band. The following sketch of his career is taken from the Evening Telegram:—

E. Whaley, as he always signed his name, was the eldest child of the late George Whaley and Elizabeth Aitchison. He was born in Stewarton, Halton county, in 1852. School days ended early for the sons of the pioneers. Whatever Eri Whaley's hands found to do he did it with his might. Rural Ontario offered a variety of uncongenial employments to able and ambitious youths in the '60's and the '70's and the early '80's. When the Whaley family moved to Orangeville in the autumn of 1869, Eri Whaley was already skilled in farming, in woodworking, he had labored as a blacksmith's helper, and soon achieved local fame as the champion lather of the district.

EARLY STRUGGLE.

Orangeville was the real starting point of Eri Whaley's business life. He was employed as a journeyman carriagemaker when the local carriage factory was busy. At other seasons he worked at his trade as a lather. But he was always working. Three of Mr. Whaley's younger brothers died and were buried in one week, when diphtheria scourged Orangeville in the autumn of 1875. When certain townships separated from Simcoe, Wellington and Grey counties, and were established as Dufferin county, Mr. Whaley was employed as copyist in the registry office at Orangeville. The monotonous, uncongenial and often hard toil of Eri Whaley's daily work was never allowed to absolutely stop the growth of his native powers as a musician.

A YOUNG BANDMASTER.

In later years Eri Whaley often laughed at his early fame as a musician. Modesty blinded the successful Toronto business man to his real merits as a musician. He was a clarionet player, not by ear, but by note, almost before he was out of his 'teens. He was the youngest bandmaster in Canada, when he took hold of the weakest of two local brass bands in Orangeville and trained that band until it was the only band in the town, and achieved province-wide fame at the industrial exhibition and band tournaments at other points in Ontario. Mr. Whaley celebrated the greatness of Edward Hanlan by composing a set of Hanlan waltzes that were published in 1870.

STARTING LIFE IN TORONTO.

In 1884 Eri Whaley withdrew from his work at the Registry Office, sold out his skating rink, and in April, 1885, at the age of thirty-five, started life in Toronto as a clerk in Thomas Claxton's music store. In 1888 the firm that developed into the Whaley, Royce Co., Ltd., was founded by Mr. Whaley and George C. Royce, now Colonel Royce. Eri Whaley was always a bandsman at heart and a Canadian in spirit. He dreamed his dreams when he went to camp at Niagara, Toronto or Holland Landing as bandmaster of the 36th Peel Battalion. One of these dreams came true in June, 1888, when the first cornet ever made in Canada was completed in the band instrument factory of Whaley, Royce & Co. The business had its first headquarters at the southeast corner of Yonge st. and Dundas st. east. The next move was to the southwest corner of Richmond and Yonge. In 1901 Mr. Whaley purchased the Royce interest in the business and Col. Royce retired to look after his other undertakings. About 1908 Mr. Whaley purchased the property at 237 Yonge st. and established the business in its present home.

MANY-SIDED CANADIAN.

Hunting, fishing, gardening and pictures were Eri Whaley's great interests outside his business. Orangeville recognized him as a champion with a shotgun or rifle, and he would come home with dozens of speckled trout from the "crick" when less skilled fishermen could not get a bite. Skill in hunting and fishing and love of these recreations stayed with Eri Whaley through life. He was an enthusiastic member of the Toronto Horticultural Society. His early enthusiasm for art was strengthened by opportunities to study the works of the masters in the art galleries of Britain and Europe. As a judge of pictures, Eri Whaley was highly esteemed by the best local artists and art-lovers.

FOUNDER OF D. CO. OLD BOYS.

Eri Whaley was one of the founders and served as president of the Dufferin County Old Boys' Association. He was a member of the Arts and Letters Club, a Master Mason of Zetland Lodge, A.F. and A.M., and attained the 32nd degree in Scottish Rite. Mr. Whaley was married in 1883 to Miss Ella J. Clarin, organist and soprano soloist of the Methodist Church at Lakefield, Ont. The widow survives, with one daughter, Mrs. L. C. Reynolds, wife of Major Reynolds, who was wounded fighting with the C.E.F. in France. An only son, George Frederic Whaley, was drowned bathing in the Welland canal in his twelfth year. The late Mr. Whaley is also survived by his only sister, Mrs. E. H. Bennett, of Toronto.

The funeral was held at 2 o'clock Friday afternoon from his home, 74 Roxborough street east, to Mount Pleasant Cemetery, was attended by a large number of friends, among whom were many Toronto business men. The services were conducted by Rev. Isaac Tovell, who described the character of the deceased as one that produced respect and confidence both in his business and private relationships. The pall-bearers were Judge Denton, Andrew Collins, William Fountain, John R. Robinson and Thomas Robinson, of Toronto, and B. McGuire, of Orangeville. There were many beautiful floral tributes.

COUNTY COUNCIL NOTES.

The Auditors Report showed a surplus of current assets amounting to $9,284.83 over current liabilities. In view of the expenditure of $28,198.90 on the Grand Valley and other County bridges this is an unexpectedly good showing.

The expenditure on the County Roads system, including machinery purchased, was $94,406.63 and the receipts $53,545.06. Against the debit balance of $40,861.57 stands the subsidy due from the Government, estimated to amount to $37, 623.42, leaving a net deficit of $3,238.15. This deficit Treasurer Wheelock pointed out is due the fact that several municipalities have spent more than their proportionate share of the money appropriated for the County roads.

The Special Committee appointed to consider the claim of Hugh Robinson, of East Luther, recommended that Mr. Robinson be paid $125 in settlement of all damages.

The Council authorized a levy of one mill on the dollar in order to provide a fund for the purpose of erecting memorials to Dufferin County soldiers who made the supreme sacrifice. The County will be divided into three districts and the money apportioned accordingly, the idea being to erect memorials in Orangeville, Shelburne and Grand Valley. The form the memorials are to take will be left to the decision of the respective districts.

The Reeves of the various municipalities and Good Roads Superintendent Christie were appointed a Committee to attend the Provincial Good Roads Convention in Toronto.

The Education Committee recommended that Rev. W. M. Morris, R. J. Woods, Robt. Fife and Inspector Liddy be appointed to attend the Teachers and Trustees Convention in Toronto Easter week and that their expenses be paid by the County. The Committee also expressed its belief that Consolidated Schools would advance education in Dufferin and recommended that the Council request the Department of Education to appoint a Commission to plan suitable and adequate Consolidated Sections within the County of Dufferin. The Committee also recommended that Inspector Liddy be authorized to plan three afternoon mass meetings, one each in Orangeville, Shelburne and Grand Valley, to be addressed by prominent educationists, the County Council undertaking to pay all advertising and other necessary expenses. Another suggestion made by the Committee and adopted by the Council was that the midsummer holidays should be shortened to one month and that a petition asking for this change be forwarded to the Minister of Education.

Grants of $250 apiece were voted to the Orangeville, Shelburne and Grand Valley Agricultural Societies, $25 to the Sick Children's Hospital, $10 to the National Sanitarium Association, $100 to Rural School Fairs, $25 to the Dufferin County Poultry Association, $15 to the Woodstock Insane Asylum and $700 to Lord Dufferin Hospital.

Council voted a grant of $150 to Mrs. Joseph Gates, of Amaranth, who gave birth to triplets early in January and who is also the mother of four other children under six years of age.

On the recommendation of the County Property Committee Chairman Reid and Mr. Gillespie were appointed a Committee to have the centre and west rooms of the Registry office floored with hardwood flooring. Council also instructed the Clerk to ask for tenders for painting the exterior of the County Buildings.

GLENCROSS.

On Friday evening, 16th inst, a very pleasant evening was spent at the home of Mr. and Mrs. Alex. Still, when the congregation of Glencross gave a "Miscellaneous Shower" in honor of their pastor and his bride, Rev. and Mrs. Wm. Coutts. The night was extra cold and stormy, but notwithstanding, about forty merrymakers braved the storm in order to do honor to the occasion.

A short programme was provided consisting of speeches by ladies and gentlemen present, music and songs. During the programme Mr. and Mrs. Coutts expressed their deep appreciation of the many useful gifts presented by those present, whose respect and good wishes. Mr. Coutts has certainly won the esteem of all his congregation during his three months work here. Mr. Andrew Moffitt made a very capable chairman. The rest of the evening was spent in a very social manner, — guessing contests, violin selections by Moffitt Bros. and piano selections furnishing the entertainment. A very hearty lunch having been enjoyed, the gathering dispersed after the singing of the National Anthem.

BOWLING GREEN.

The Box Social held on Friday evening by the Bowling Green Women's Institute was a decided success despite the exceedingly cold evening. Miss Cook and Mr. Cecil Menary, of Laurel, added much to the enjoyment of the programme, while our local bard, Clifford Bennett, made a great hit with his original sketches. The proceeds amounted to $135.00. Much credit is due our auctioneer, Mr. Warren Greenkurth. $100.00 of the proceeds have been forwarded to the Armenian Relief Fund.

The other day while loading coal at Waldemar, Mr. John Durkin had a miraculous escape from death when four team of horses took fright at a freight train and ran away. In the mix-up, John was knocked down and two sleighs, one of which was heavily loaded, passed over his shoulders, but strange to say no bones were broken.

Mr. Cecil Wansbrough spent the week-end at his home here.

Mr. Fred Durkin returned to Regina last week after spending six weeks with his parents, Mr. and Mrs. Wm. Durkin.

Everyone was pleased to see Miss Martha Bennett out once more after her serious illness.

Miss Vina Menary spent the week-end with her cousin, Miss Marie Menary.

All the bachelors of Bowling Green wore a broad smile on Friday night, each with their best girl at their side.

We would all like to know when Matt. Ward intends giving another skating party.

MARSVILLE.

On Friday evening of last week, the choir of Bethel Church, East Garafraxa, met at the home of Mr. and Mrs. Samuel Everson and presented Mr. and Mrs. Henry Hanna and Miss Mildred, who are about to move to Orangeville, with the latest model electric toaster. Miss Minnie Edwards made the presentation and Miss Wilda Thompson read the following address: —

To Mr. and Mrs. Henry Hanna, and Miss Mildred:

Dear Friends,—We, your co-workers of Bethel Church choir, have gathered together this evening for the purpose of expressing our regret that you have decided to remove from this neighborhood.

During the many years you resided here, you have taken no small share in our church work, and every agency whereby the life of the community might be elevated.

You have been kind neighbors and friends to all those about you, ever ready to lend a helping hand where needed.

The intense interest you have taken in the choir by always being in your place and always so willing to do your part, will not soon be forgotten by the ones that know the value of such service.

In memory of these things, we are conscious of the profound sense of personal loss that we are sustaining in your removal from our midst.

Not as an attempt to repay you, but merely as a genuine token of deep gratitude for your services in our choir, please allow us to present you with this gift.

We trust that it may speak to you of memories of the past, friendships of the present, and the sincere wishes that God may bestow on you earth's richest blessings in the future in your new home.

Signed on behalf of the choir, Hazel E. Oliver, Joseph K. Thompson.

The remainder of the evening was spent in music and amusements in which all thoroughly enjoyed themselves.

After lunch was served, and before the gathering dispersed, a hearty vote of thanks was tendered to the host and hostess for their hospitality.

MR. GEORGE GALBRAITH

The death occurred at his residence at Cadillac, Sask., on Friday, Jan. 16th, of George Galbraith, aged 42 years, son of Mr. and Mrs. M. Galbraith, formerly of Mono. Deceased had been a highly respected resident of Cadillac since 1910, and was a prominent business man of that town. The family are all residents of Saskatchewan with the exception of two brothers and one sister ,namely, Mr. Robt. Galbraith, of Markdale, Mr. W. Galbraith, of Alliston, and Mrs. Jos. S. Ward, of Ballycroy. The untimely demise of Mr. Galbraith was due to pneumonia. The funeral was held from the home of his parents to Cadillac cemetery and was largely attended by friends and neighbors. Deceased was an Orangeman and was buried by that Order.

—Send a Dominion Express Money Order. They are payable everywhere.

MRS. GEORGE SHAW

Mrs. George Shaw, an old and highly respected resident of Caledon Township, died very suddenly at the home of her daughter, Mrs. Edward Corbett, 2nd line, west, Caledon, early on Sunday morning, January 25. Mrs. Shaw, who was 80 years of age, was a strong active woman until about a year ago, when her constitution began to break down as a natural result of her advanced years. She was a cheery, companionable woman, who had the happy faculty of looking on the bright side of life and making the best of the everyday trials that beset us all. Born in New York City the subject of our sketch, whose maiden name was Mary Jane Jenkins, came to Canada with her parents, Mr. and Mrs. James Jenkins, when only three months old. The family settled in Chinguacousy, but subsequently moved to Caledon, where Mrs. Shaw spent the greater part of her life. Her husband died about 35 years ago and two sons also died early in life. She leaves to mourn her loss five daughters ,namely, Mrs. James Black, East Garafraxa, Mrs. W. J. Shaw, Leslie, Mich., Mrs. Alex. Carroll, Shelburne, Mrs. Robt. Kannawin, Toronto, and Mrs. Corbett, in Caledon. James Jenkins, Orangeville, Edward Jenkins, Mono, W. J. Jenkins, Alton, Mrs. Jas. Falconer, Hillsburg, and Mrs. Brett, Toronto, are the surviving brothers and sisters. A large number of friends and neighbors attended the funeral, which was held from her daughter's home to Alton Cemetery on Wednesday following her death. Rev. E. R. Young conducted the services and Harold Corbett, George and Howard Black, grandsons, Nelson Maxwell and Russell Jenkins, nephews, and Orrin Johnston were the pallbearers. Amongst the friends from a distance were Mr. and Mrs. W. J. Shaw, of Leslie, Mich., and Mr. and Mrs. Jas. Falconer, of Hillsburg.

MR. FRED MARSHALL

Orangeville lost one of its earlier business men and a valued citizen last week in the person of Mr. Fred Marshall, who passed away at his home on First Ave. about noon on Friday after a somewhat lengthy illness. Mr. Marshall was a native of Wathen-Bearne, England, where he was born 69 years ago, being a son of the late Francis Marshall. The family came to Canada some 65 years ago, settling at Elora, where the subject of our sketch spent his boyhood. In 1877 Mr. Marshall came to Orangeville and started a harness making business which he conducted with marked success until he sold out to Mr. G. A. Moore about two years ago. He was a skilled and careful workman, honorable and conscientious in his business dealings and these qualities won him the respect and confidence of the community in an unusual degree. As a younger man the deceased took a great deal of interest in the public affairs of the town. He was Treasurer of the Public School Board for eleven years and filled the responsible position of Financial Secretary of Court Equity, I. O. F., for thirty-three years. He is survived by his wife, formerly Miss Christina Robertson, a sister of Rev. Prof. Robertson, whose son, Ross, achieved prominence as a chemist during the war, rendering invaluable services to the Allies by his skill in discovering the composition and methods of manufacturing German gas and explosives. Mr. Marshall also leaves three daughters—Miss Margaret, who is following a musical career in Vancouver, B.C.; Mary Netta, wife of Mr. J. A. M. Alley, of Toronto, Inspector of the Royal Bank until his retirement two years ago, and Christina, wife of Mr. J. B. Smith, Manager of the Bank of Commerce at Herbert, Sask.

The funeral was held from the family residence on First Ave. to the C. P. R. station on Monday morning. The remains were conveyed by train to Fergus, where interment took place in Belsyde Cemetery on Monday afternoon. Rev. Capt. Stewart, rector of St. Mark's Church, conducted a short service at the house. The pallbearers were Col. J. A. V. Preston, Walter Fairbairn, A. A. Hughson, M. N. Armstrong, Sheriff Endacott and H. F. Tuck. Many beautiful floral gifts bore mute testimony to the sorrow and esteem of friends of the family. The sympathy of our citizens is extended to Mrs. Marshall and family in their time of trial.

AUTO SCHOOL OPENS.

Mr. Harold V. Wilson opened his Automobile Instruction School on E. Broadway on Monday. The announcement that the School would open in Orangeville has created widespread interest and Mr. Wilson has had inquiries from points as far distant as Meaford. The School opened with about a dozen students and more are expected shortly. The Course is quite comprehensive and should prove of great benefit to anyone who desires to be able to operate, understand and take care of a car.

MARSVILLE.

It is our sad duty this week to report the death of a former resident of this vicinity in the person of Samuel W. Keith, son of Mrs. Keith of this village and the late James Keith. The sad event occurred on Jan. 16th at his home in the Chilliwack Valley in British Columbia, after one week's illness from the fatal malady, sleeping sickness. The deceased, who was in his 48th year, was born near Price's Corners, 12th line, East Garafraxa, Dec. 8th, 1872. He attended the Marsville school and spent the early part of his manhood in this community where he was well and favorably known. He was a young man of industrious habits, high ideals and noble purposes, qualities which won for him the respect and esteem of all who had the pleasure of his acquaintance. He took an active and unselfish part in the work of the Sunday School, the Church and temperance societies and was always found faithful in the performance of his duties. Twenty-two years ago he went to Vancouver, where he successfully conducted a flour and feed business. Two years later he married Miss Jean Kelman, of that city. Later he disposed of his business and invested in property in the Chilliwack Valley, where he in time became a prominent and useful citizen. He was Manager of the Chilliwack Produce Exchange and a Director of the Fraser Valley Milk Producers Association. A wife and a family of two sons and five daughters are left to mourn the loss of a true and faithful husband and a devoted father. He is also survived by his mother in Marsville, two sisters, Mrs. Geo. M. McPherson, 12th line, East Garafraxa, and Mrs. Herbert Jestin, of Grand Forks, N. D., and one brother, John A., of Vancouver.

Last week Mr. and Mrs. Geo. McPherson, 12th line, East Garafraxa, received the sad news of the death of Mrs. Albert Anderson, of Moose Jaw, Sask. The young woman, whose maiden name was Miss Clara Walter, lived for many years with Mr. and Mrs. McPherson. She went West and in June 1916 married Mr. Anderson. After being taken ill she went to the Dr. Mayo hospital in Rochester, Minn., where an operation was performed, but on Sunday, Jan. 25th, she passed peacefully away. Her genial manner and her cheerful disposition had won for her many friends in this community, who now deeply mourn her loss. Besides a sorrowing husband she leaves three children.

OUR GOOD GOODS ARE GOING FAST READ WHY

From every source of information we can get, there is nothing but HIGHER PRICES in sight for at least two years more. British manufacturers claim that prices will not come down for FIVE years. We know that in all lines, such as Woollens, Furs and all Cotton Goods, there will be a stiff advance in prices and poorer delivery than ever. We also know that every time we repeat on any line of goods (if we can get them at all) they always cost more money. Our advice is BUY NOW even if it is for next winter's needs.

Remember our Guaranteed Serges. We still have them in Blues, Blacks and Grays.

HOTEL HISTORY

Wayside Inns Were Numerous in this District in the Early Days.

(Crowded out of last issue.)

A writer in the Shelburne Free-Press gives some interesting facts about the hotels that flourished in these parts in the early days. His account reads:—

We have been asked to name and describe the hotels (taverns) that flourished along the Gravel Road in the early days or at the time of the American Civil War and subsequent years. We must confess that we are not sufficiently familiar with the history of the district to give the necessary details, but one of Melancthon's old settlers has kindly furnished us with the following account, although we will not vouch for its accuracy: About that time Orangeville had two hotels, Kelly's, corner of Broadway and Prince of Wales Road, where the Bank of Hamilton now stands, and Bell's, on the opposite side of Broadway. Of course neither of these was the first hotel in Orangeville, for the village was started in the hollow at the foot of Broadway when the sites af Kelly's and Bell's were solid bush, and the old stone building still standing on the north side of east Broadway, and known as Graham's hotel, is supposed to have been the first one. Coming north from Orangeville by stage, there were two roads leading to "Bosfield's" (Whittington.) One came by Camilla, the other by Farmington. Taking the former, we came to Tipping's hotel, about half way between Orangeville and Camilla. This was one of the better class hotels, because there were some very poor ones here and there along the line, even down as far as Brampton. Then we came to Hugh Curry's hotel, Camilla, which was also a good hostelry. Next was Bosfield's, eight miles from Orangeville, with the military hall on the opposite corner where the volunteers were drilled. Bosfield's was quite a busy centre, having besides the hotel and military hall a general store, blacksmith shop, public school, etc. The late teacher, Gray, taught there in those days as well as at Farmington, Camilla and Coleridge. If we left Orangeville by the west Broadway route we first came to Springbrook, where flourished the "Perfect House." Coming west we came to the "Coffin House" at the "V Corner," then turning north we came to Farmington, with two taverns, arriving next at Bosfield's. Then about two miles farther north stood Kennedy's tavern, where we turned west, and passing through "Kennedy's swamp" we came to Truman's tavern at Coleridge, arriving later at Jelly's hotel, Shelburne, built and conducted by the late Wm. Jelly. This was also one of the better class hotels. Continuing up the Gravel Road we came to the "Wheat Sheaf Inn" on the hill, just below the creek at the 5th line. This too was one of the larger hotels and was built by the late Michael Shoaff, who kept it for a few years, after which it was kept by Joseph Barr, Abraham Brown and Elias B. Gray. Next we arrived at Beachel's Hotel, now Oliver's hill. This was subsequently conducted by Joseph Barr, Michael Shoaff, Geo. Redick and others. Arriving at Melancthon we find the best hotel along the road between Brampton and Owen Sound (it is doubtful if there was any better hotel in Owen Sound at the time.) This was the Toronto, Grey and Bruce R. R. Hotel. It stood on the corner of what is now James Brown's farm and was built and conducted by the late Wm. Moorey in the early seventies and was afterwards conducted by Jas. Sloan, who also conducted a large general store in connection, the hotel end of the business being also a wholesale business, supplying other taverns for miles around. Next we came to O'Boyle's tavern in the swamp at 280 sideroad corner and Shoaff's tavern on the opposite corner. Three miles further north was Corbett's hotel, kept by the late James Corbett (founder of Corbetton.) Continuing north we came to John Bell's hotel, Mulholland's, McKee's, May's (Dundalk), another at Bowler's corner, Ned Harrison's at the old Dunham corner, and finally arrived at Flesherton, where Aaron Munshaw kept one of the best hotels on the road. We have missed a few of the smaller taverns but it can readily be seen what a traffic there was in those days in the hotel business when so many did a flourishing trade within a distance of 38 miles.

DODD'S KIDNEY PILLS BANISHED HER BACKACHE.

Mrs. Alice Roberts Felt Like a Different Woman after she had Used the Great Canadian Kidney Remedy, Dodd's Kidney Pills.

Hathersage, Alta., February 2nd.—(Special.)—That Dodd's Kidney Pills are the remedy that tired women with aching backs are looking for is the lesson taught by the experience of Mrs. Alice Roberts, a well-known and highly respected resident of this place.

Mrs. Roberts felt tired all the time. Her backache was terrible. She used Dodd's Kidney Pills. That is why she says:

"Dodd's Kidney Pills did wonders for me." "My back ached so that I could hardly do my work." Mrs. Roberts continues, "And I felt so tired all the time. My heart also bothered me.

"Six boxes of Dodd's Kidney Pills made me feel like a different person."

Ask your neighbor if Dodd's Kidney Pills won't cure sick kidneys. Cured kidneys strain all the impurities out of the blood. Pure blood means new health all over the body. Thousands of Canadian women recommend Dodd's Kidney Pills.

TWO CONUNDRUMS

(Crowded out of last issue.)

A Banner reader propounds the following conundrums for citizens to meditate upon:

Why, he asks, is it that farmers sell their wheat for $2.00 a bus. and buy it back again for $4.50 a bus. in the form of ground, rolled or cracked wheat? The farmer can get any kind of grain ground for six or seven cents per cwt., but when it is for porridge he is charged $4.00 per cwt for the grinding. The dealers buy his wheat at 3½ cents per lb. and sell it back to him at 16 cents per lb. in the form of breakfast foods.

Again, why is it, he asks, that sensible men have to be reminded that there should be no smoking or spitting in buildings where people congregate. He adds that he went into a crowded building where a Sale was going on. You would think that three out of every four persons in the place were either smoking pipes or cigars, or else looking for a clean place on which to spit. If the old stove that was doing duty had made such a smoke there would have been a big uproar, but as it was the non-smoker simply had to grin and bear it.

Capreol is to have a $45,000 Railway Y. M. C. A., a great boon to its five to six hundred railway employees.

Dufferin Central Fair, Shelburne, has a balance of $51.41 on hand, and will hold its Fall exhibition on Sept. 21 and 22.

Fred Crowe, Chatham, an employe of the Hydro-Electric, had a narrow escape from death when he came in contact with a live wire, and is now suffering from burns and internal injuries received from a fall.

A 15 YEARS' FIRE

Just think! That is the time through which Mr. H. C. Buckley endured all the fiery torture of itching, burning eczema. His life was a perfect misery until Zam-Buk—the great herbal skin cure—brought complete relief.

Mr. Buckley, who lives at 461 East Broadway, Portland, Oregon, writes:—"For fifteen years I suffered with eczema, and although I tried many so-called 'eczema cures,' nothing seemed capable of dealing with a case like mine. It was not until I had Zam-Buk recommended to me that I began to have hope. This wonderful skin healer soon brought about a change for the better. As I persevered with Zam-Buk the burning sensation got less. I found Zam-Buk wonderfully soothing. Gradually the patches of soreness and the inflammation were reduced, and complete and permanent cure finally resulted. I would strongly advise all afflicted with eczema to give Zam-Buk a trial. It will give them satisfaction. They will not be disappointed."

No skin disease can resist the potent healing forces stored up in Zam-Buk, which is unequalled for old wounds, ulcers, abscesses, bad legs, scalp sores, blood-poisoning, piles, scalds, burns, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box.

HOW TO TREAT STOMACH TROUBLE

A Tonic Medicine is Needed to Build Up the Digestive Organs.

The old-fashioned methods of treating stomach diseases are being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned in an aggravated form.

The modern method of treating indigestion and other forms of stomach trouble is to tone up the stomach and glands to their normal work. Every step toward recovery is a step gained not to be lost again. The recovery of the appetite ,the disappearance of pain after eating, the absence of gas, are steps on the road to health that those who have tried the tonic treatment remember distinctly. Dr. Williams' Pink Pills are a tonic, every constituent of which is helpful in building up the digestive organs, and therefore the very best remedy for simple or chronic cases of stomach trouble. The success of the treatment is best shown by hundreds of cases like the following. Mrs. Chas. Comer, Picton, Ont., says:—"For upwards of two years I was a great sufferer from indigestion. Food would ferment in my stomach, and I would belch gas with a burning sensation. Often I would be troubled with nausea, sick headache and dizziness. Notwithstanding that I was under medical treatment the trouble grew so bad, that I would only eat when absolutely forced to, and I was in constant misery. I was finally advised to try Dr. Williams Pink Pills and had only been using them a few weeks when I found they were helping me. I very gladly continued their use and the result is they have made me a well woman, every vestige of the trouble having disappeared. I am so grateful for what Dr. Williams Pink Pills have done for me that I strongly advise any who may be suffering from stomach trouble to give them a fair trial, and I believe that like myself they will find a sure cure."

You can get Dr. Williams Pink Pills through any dealer in medicine, or by mail, post paid, at 50 cents a box, or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

W. E. Harris, a Brampton liveryman, has a horse with an experience unknown to any of its kind. Dr. Heggie drove him to the G.T.R. station on Thursday evening. After the 4.50 train had passed westward the doctor looked for his horse and cutter, only to find that the frightened animal had gone down the track at full speed. Strange as it may seem, he passed over both bridges, the sills on one of these were 12 inches apart, without making a misstep, and reached the Queen St. crossing without injury of any kind. Mr. Harris says he keeps nothing but sure footed horses, and this established the correctness of his claim.

STORMY WEATHER HARD ON BABY

The stormy, blustery weather which we have during February and March is extremely hard on children. Conditions make it necessary for the mother to keep them in the house. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. This will not fail to break up colds and keep the health of the baby in good condition till the brighter days come along. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

BROADWAY ORANGEVILLE

BAPTIST CH. CONFERENCE

Fine Inspirational Addresses at Recent Meetings.

The recent conference in Orangeville Baptist Church was characterized throughout by a good degree of prayer and spiritual power. It commenced Monday afternoon when Rev. Chandler, of Whestin, Illinois, spoke on prayer. He based his remarks upon I Kings 18 : 41—46. He referred to Elijah as a man of like passions as we, and from the above passage he applied the following vital lessons. Prayer must be definite, not rambling; Prayer must be in faith; and Prayer must be in agency. Elijah kept his eyes upon God, while his servant went up six times and returned saying nothing, because his eyes were upon the earth, see verse 43. But the seventh time he came back saying there was something, because Elijah held on to God, and went over the top in an agency of continued prayer. Mr Chandler urged that we pray as Elijah did and we would see God doing wonderful things. Again at night Mr. Chandler spoke from Luke 1 : 31—33, Jesus coming back again literally to sit upon the throne of David. He said the verses I have read contained seven prophetic statements when they were uttered, four of these prophetic statements have become history in all their literalness and the other three must in the course of God's purpose and plan become history. At much length Mr. Chandler proved indisputably from the Old and New Testaments that Jesus would come back again literally and rule this earth as King of Kings and Lord of Lords. The three prophetic statements are 1st. "And the Lord God will give unto Him the Throne of His Father David," Luke 1 : 32; 2nd, "And He shall reign over the house of Jacob forever," Lu. 1 : 33; 3rd, "And of His Kingdom there shall be no end," Lu. 1 : 33. One quotation made by Mr. Chandler was Zech. 14 : 4: "And His feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East." The day is the day referred to in the previous verses, and the very situation of the Mount is specified, because God the Spirit knew how men would attempt futely to make this a spiritual Mount.

Rev. W. T. MacArthur, of New York, followed Mr. Chandler, briefly applied the truth of the coming King to our present life. He spoke upon Acts 1 : 8: "But ye shall receive power." He said we dont know when Jesus is coming back again, but in the meantime we have power to witness to Him and for Him, till the same Jesus comes literally. Mr. MacArthur said the word power has two meanings in the New Testament: one means authority, and the other means ability. In this passage it means ability. So God has given to every child of God the Spirit of God as ability to witness for our Lord Jesus Christ.

Tuesday morning was spent in waiting upon God. The most important part of the Conference was thus waiting upon God. Tuesday afternoon Mr. MacArthur spoke from II Chron. 14, 1, and 16, giving a sketch of Asa, King of Judah. He referred to how King Asa once with 500,000 men defeated 1,000,000 men, the secret of it was that the King relied upon God. Asa said: "Help us O God for we rely in thee, and in thy name we go against this multitude. O Lord, thou art our God, let no man prevail against thee," II Chron. 14 : 11. God knew the danger of victory, so He sent out his servant, Azariah, to warn him. Azariah said: "Hear ye, Asa, and all Judah and Benjamin. The Lord is with you while ye be with Him; and if ye seek Him, He will be found of you; but if ye forsake Him, He will forsake you," II Chron. 15 : 2. But alas! Asa heeded not. When Hanani, another Prophet, came unto him he cast him into prison, see II Chron. 16 : 7—10. The said tragic end of a life begun so well is recorded in II Chron. 16 : 12. A fat old, diseased bankrider died because he sought not the Lord. Mr. MacArthur applied this portion to warn against Asa's end, also to prove that we can do the mighty and impossible thing by relying upon God. Yea, the Lord is looking through the whole earth to find men who will just lean on Him, so that He might show His strength in their behalf, see verse 9, chapter 16.

Tuesday night we had an illustrated talk by Mr. Watson, of Toronto. He spoke of that great continent of Africa, through eye gate and ear gate ,showing the conditions, country and customs of the needy Africans. Mr. Watson said the great need of the Africans is not our civilization but our Lord Jesus Christ.

Wednesday afternoon Rev. R. V. Bingham, of Toronto, who is Supt. of Sudan Interior Mission, spoke on the three vines of Scripture. The first vine he spoke of was Israel, see Psalm X, paragraph 5. The second vine, The vine of the earth, the ungodly, see Rev. 14 : 18. The third vine—The true vine, John 15. He wrought a very special message when he referred to the true vine, John 15. He said God as the husbandman of the true vine, does three things with the branches in order to make them grow. First He plants them: Second He fertilizes them: and Third He prunes them. Mr. Bingham said: God has two pruning knives. 1: The Word, which is as a sharp two-edged sword, if His Word will not be heeded then He uses the pruning knife of His Providence. Many illustrations were cited to show how God uses His pruning knives.

Thursday night Mr. Bingham brought a glowing message from Acts 13 : 47: "The Evangelization of the World." As he was the pioneer Missionary to the interim of Sudan, he brought much of his own experience before us. Many allusions were made as to how God was marvellously blessing individuals and churches who are giving to God's work in the fields beyond. He spoke of one poor mother who gave her boy who was the support of the home to be a Missionary in Sudan. And how God in a wonderful way supplied her need and enabled her at the end of the year to give $350 to Missions. He also spoke of one church in Germantown, Pa., with a membership of about 250 which gave last year the sum of $25,000 to Missions.

Rev. A. W. Roffe throughout the Conference had charge of the services and spoke words of blessing and power.

As a result of these days of Conference many can never be the same. They must respond to the challenge of Faith and the challenge of devotion to Missions, or go back into lives of careless and indifference, or even more dangerous be castaways. God grant that we may rise to these challenges and trusting God more implicitly, give God the great opportunity of showing His strength in our lives. "Fear not; be glad and rejoice, for the Lord will do great things." Joel 2 : 21.

W. C. T. U. NOTES

The regular monthly meeting of the Society was held on Thursday, January 29th, at the home of the President, Mrs. (Rev.) E. R. Young, who presided. After the opening exercises a number of the members read reports of the work done by the Travellers Aid, which is one of the departments of work in which the W. C. T. U. is engaged. By the term "Travellers' Aid," is meant a lady who is appointed to meet each of the incoming trains at any important railroad centre for the purpose of giving information or assistance to women and girls travelling alone. A more recent development of the branch of service is the Travellers Booth, of the existence of which many people are not aware.

It can readily be understood that one woman, be she ever so alert and capable, could not always be available where trains are continually coming and going in Toronto, hence the installation of the "booth" in the Union Station (and probably in stations in other large centres as well) where the Travelling Secretary is to be found with her phone ready to do service for the harrassed travellers unable to locate their friends or anxious to gain other information. One can readily comprehend how much this available can do to mitigate the dangers and perplexities of travel, and the many instances of heartfelt gratitude for the relief thus rendered are scarcely necessary to make one realise what a boon to those unaccustomed to travelling alone the Travellers Aid and Booth have been and will be when better known. It is thought that a Travellers Aid is much needed in Orangeville, where eight trains a day come and go with their quota of passengers, some of whom may be much in need of such assistance.

The W. C. T. U. intend holding a Parlor Social sometime in the near future, which it is hoped many who are interested in the work done by the Society will attend, as it is expected there will be an address given explaining the work and aims of the Union. New members and friends of the Society are always welcome at the regular monthly meetings.

CARD OF THANKS.

We wish to tender our sincere and grateful thanks to our neighbors and friends for the kindness and sympathy shown us in so many ways during the illness and since the death of our mother, the late Mrs. Shaw.

Woodland Farm,
Wednesday Morning

Dear Jane,

At last I've found a moment to answer your very welcome letter.

That's as far as I got, when I heard a terrible noise in the kitchen, and rushing in, found that Bobby had pulled a pan of boiling water off the stove and scalded himself badly. Just imagine!—and I ten miles from the nearest doctor and no one here to help! Thank goodness Tom has always insisted upon keeping Zam-Buk in the house. The poor little chap was in such awful pain it was all I could do to hold him while I plastered the Zam-Buk on his arm and leg. Then I bound them up with strips torn from an old sheet, and now he's actually asleep! Could you believe it? I always knew Zam-Buk was good stuff, but I'd no idea it was so wonderful for ending pain. Whatever should I have done without it!

This started out to be a letter, but it sounds more like a testimonial for Zam-Buk! I'll send it off anyway, because I want to ask if you'll please send me half a dozen boxes of Zam-Buk as soon as you get this, as I have only enough for one more dressing.

Yours in haste,
Mary

Mothers! Take the hint! Never be without a box of Zam-Buk on the shelf. Not only for scalds, burns and cuts, but for eczema, ringworm, ulcers, blood-poisoning, piles, cold sores, etc., it is without equal. And it costs no more than ordinary ointments. 50c. box, all dealers.

Prominent Minister Endorses Hacking's Heart and Nerve Remedy

Was almost a Nervous Wreck from Overwork; this wonderful remedy brought back his old time Vigor and Vitality. Read the story of a Great Medicine, in three letters. $100 in cash will be paid to anyone who can prove that these letters are not genuine. The name of Minister will be given to anyone who doubts these remarkable statements.

Here is Letter Number One

"Please send me one box of HACKING'S HEART and NERVE REMEDY. I am suffering from a bad attack and have been unable to fill my pulpit for three months, doctors say that it may be six months or more before I am well again. I used to be able to hold my large congregation from start to finish, now, I can scarcely hold my own thoughts.

My Heart Action is bad and I am subject to Faintings and Dizziness, and am very despondent. I hope that your remedy will help me."

We sent on the one box of Hacking's Heart and Nerve Remedy and 11 days later we receive this letter.

Letter Number Two

"Please send me 6 boxes of Hacking's Heart and Nerve Remedy. I have used the box you sent me and I feel that it has already helped me. My head is clearer and the pain that has followed the preparation of my sermons has been greatly relieved and I feel that with proper treatment I will again be restored to my old-time vigor.

I am so pleased with the success of your remedy that I am giving part of it to some of my friends."

Now comes the proof in letter number three, a few weeks later.

Letter Number Three

"Having used your medicine, Hacking's Heart and Nerve Remedy for a few weeks for Neurasthenia (Nervous Breakdown) I have become as a new man. For five months I have suffered from Sleeplessness, Nervous Chills, Fainting Spells, Severe Headaches and I could not place my mind on the preparation of my sermons. To-day, my old ambition and strength is renewed—thanks to the use of your remedy, which I am pleased to recommend to anyone suffering from Nervous Diseases."

This testimonial comes voluntarily from one whose reputation is unassailable and is given for the sole purpose of helping others. The above statements are true—or as near to the truth "as the men of Benjamin could throw a stone" Jud. 20 16.

If YOU are broken down in health from any cause whatever we will guarantee that a six box treatment of HACKING'S HEART AND NERVE REMEDY will make a wonderful improvement in your health, but you must be sure to get HACKING'S. Price 50c a box, 6 boxes for $2.50. Sold by all dealers, or by mail. Hacking's Limited, Listowel.

Catarrhal Deafness Cannot Be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts thro' the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

MUCH SUFFERING DUE TO THIN BLOOD

Rich, Red Blood Necessary to Health and Strength.

If more people knew how many ills and pains are caused by thin, watery blood a great deal of suffering would be avoided. Men and women often suffer for long periods from stomach trouble, headache, palpitation of the heart, and nervous complaints such as neuralgia, without suspecting that anaemia or bloodlessness is the cause.

The blood goes to practically every part of the body, carrying oxygen and nourishment. The efficient action of every organ is directly dependent on the quality of the nourishment it gets from the blood. If the blood is thin it becomes weak in nourishment and health fails. The best way to keep the blood rich and red and thus enjoy good health is through the use of Dr. Williams' Pink Pills. At the first sign of weakness these pills should be taken and good robust health will soon follow. The statement of Mrs. J. J. Murray, Corbetton, Ont., shows the value of Dr. Williams' Pink Pills in cases of this kind. She says:—"A few years ago my daughter, Lillie, was in a very badly run down condition. She was pale, and scarcely able to go about. The least exertion made her heart palpitate so violently that we were actually afraid one of these spells might carry her off. She slept so badly that often she would lie awake until morning. Treatment did not seem to help her and we were almost in despair when a friend advised the use of Dr. Williams' Pink Pills. A few weeks' use of this medicine showed a decided improvement, and a further use of the pills fully restored her to health, and she has since been a strong, healthy girl. Some time later I was taken ill myself, being badly run-down from household care. A doctor was called in but his medicine did not seem to bring back my strength, and remembering what Dr. Williams' Pink Pills had done for my daughter ,I decided to drop the doctor's medicine and try them. The results that followed were like those in my daughter's case, and through the use of the pills I was soon a well woman. I am glad to give my experience in the hope that some other sufferer may find the way to health."

You can procure Dr. Williams' Pink Pills through any dealer in medicine, or they will be sent you by mail at 50 cents a box or six boxes for $2.50 by writing direct to The Dr. Williams' Medicine Co., Brockville, Ont.

A very sad event took place at Detroit on January 27th, in the death of Mr. Errol McArthur, of Erin. Mr. and Mrs. McArthur (formerly Miss Lois Yokom) were married on Dec. 24th, 1919, and were spending their honeymoon with his mother in Detroit. He took a severe cold which developed into pneumonia.

TIRED AND DISCOURAGED

Mrs. Warren Randles, Rothesay Kings County, N. B., writes: "I have three small children and had to stay in the house all winter. So when the spring came I was all run down doing all my work and looking after the children. Felt all tired out, and looked on the gloomy side all the time. I decided to try Dr. Chase's Nerve Food and the results were most satisfactory. I feel fine now, and am recommending Dr. Chase's Nerve Food to all my friends."

Two Brant boys, Ivan Parker and Harold Scott, brought suit in Division Court here Monday through the former's father, John Parker, to recover the value of a fox, which they claimed had been wrongfully taken from them by Mr. James Smith, of the same township. Smith claimed that his dog had scented the fox and was on the trail when the boys cut in ahead of him. When the lads got the fox at its hole the defendant took it away from them. Judge Greig gave decision in favor of the plaintiffs for the value of the fox skin ($24.) and costs. Robertson & McNab for plaintiff, O. E. Klein for defendant.—Walkerton Telescope.

Shelburne Public Library Board passed the following resolution at its last meeting:—

"Resolved—That in the opinion of this Board The Public Libraries Act should be amended to require municipal corporations to provide one mill on the municipal assessment, and a larger amount up to two mills on a vote of three quarters of the members of the Municipal Council, or be so amended to provide relief to Libraries in towns, villages and police villages that on account of the enormous increase in the cost of labor, books, periodicals, coal and other commodities, are unable to carry on the work of the Libraries so important to the educational welfare of the communities in question."

YOU ARE NO MAN.

If you promise the boy or girl a pig, a calf, a colt, a sheep, or a bit of ground, and then, when they have worked hard to make it a prize winner, you grab it away! Oh, you liar, read this:

"Why did you leave the farm, my lad?
Why did you bolt and leave your dad?
Why did you beat it off to town
And turn your poor old father down?
Thinkers of platform, pulpit, press,
Are wallowing in deep distress:
They seek to know the hidden cause
Why farmer boys desert their pas.
Some say they long to get a taste
Of faster life and social waste,
And some will say the silly chumps
Mistake the suit cards for their trumps
In waging fresh and gumless air
Against the smoky thoroughfare.
We've all agreed the farm's the place,
So free your mind and state your case."
"Well, Stranger, since you've been so frank,
I'll roll aside my hazy bank,
The misty cloud of theories,
And tell you where the trouble lies:
I left my dad, his farm, his plow,
Because my calf became his cow;
I left my dad—'twas wrong, of course—
Because my colt became his horse;
I left my dad to sow and reap
Because my lamb became his sheep;
I dropped my hoe and stuck my fork
Because my pig became his pork;
The garden truck that I made grow
Was his to sell but mine to hoe;
It's not the smoke in the atmosphere
Nor the taste for life that brought me here;
Please tell the platform, pulpit, press,
No fear of toil or love of dress
Is driving off the farmer lads,
But just the methods of their dads."

CONSOLIDATED TEL. CO.

Chairman D. M. McIntyre of the Ontario Railway and Municipal Board spent last Friday hearing evidence regarding the proposed transfer of the equipment and other assets of The Consolidated Telephone Co., Limited, to the municipalities of Caledon and Erin. The Sitting of the Board took place in the Court House here in the presence of a large audience of interested ratepayers from the two municipalities. So great was the crowd that the Court Room was filled to the doors and even standing room was at a premium. Before the transfer to the municipalities can be legally completed it must be confirmed by the Board. Owing to the opposition that has developed to the sale the Board decided to hear all sides before making any order. Erin township has already paid the purchase money and is operating its part of the system. Caledon has paid $5,000 of the $39,000 it has agreed to pay to the Company and has entered into an undertaking to pay the balance. Reeve Thos. Smith created somewhat of a sensation when he stated in the witness box that he had just learned that the township had paid over the $5,000. He declared that he would have staked his farm that no money had passed on the deal. The situation is complicated by the attitude of a number of ratepayers, who had signed a petition in favor of the transfer. When these learned that the petition obligated them to take telephones at a probable cost of $30 a year or thereabouts, a number of them took steps to have their names taken off on the ground of misrepresentation. Among the witnesses examined on Friday were Reeve Smith, Deputy Reeve Sutton and Couns. McBride and Fudge, of Caledon, Township Clerk L. H. Willis, E. E. Wilson, Manager of the Consolidated Company, and Mr. Hurdman, upon whose valuation of the System the price the Caledon Council agreed to pay, was based. F. W. Wegenast appeared for the Consolidated Company, J. A. McLaughlin for a Committee of the interested shareholders and Messrs. C. R. McKeown and A. A. Hughson for individual petitioners, who had subsequently taken steps to have their names removed from the petition. Neither of the interested municipalities was represented by Counsel. The Board adjourned the hearing until next Friday, when the matter will probably be finally disposed of. Caledon Council is meeting at Caledon to-day and will probably take some action on the sale. It is said that the Reeve and some of the members are in favor of repudiating the deal.

A FAREWELL PARTY.

Mr. and Mrs. Jos. Chambers entertained about seventy-five of their neighbors and friends to a delightful farewell party at their home in Caledon on Friday night. An excellent time was spent by everybody in dancing and other amusements. A sumptuous repast was served by the host and hostess, who left nothing undone that would add in any way to the comfort and enjoyment of their guests. Violin music was provided by Mr. Rance Overland, accompanied by Mrs. Cecil Welwood and Mrs. Clinton Thompson on the piano. Mr. John Cannawin discharged the duties of floor manager in his usual finished manner. The merry gathering dispersed during the wee, sma' hours of the morn, all carrying home the happiest memories of the occasion. Mr. and Mrs. Chambers have purchased a home in Brampton and will move to that town about March 1st. They have always been fine neighbors and highly respected residents of the community they are leaving and their departure will be greatly regretted.

A SUCCESSFUL DANCE

The Young People of Orangeville are to be congratulated on the successful Dance held in the Town Hall on the night of February 6th. The weather was excellent and as a result there was a large attendance of guests from outside the town. Altogether about two hundred young people attended the affair. One noticed that as a direct result of the war more fellows were in evidence than heretofore and one of the girls was heard to say, when asked for her opinion of the time she had, that she was surprised such a good dance could be held in a room like the Market. Perhaps some day we may have a real dance hall. Henderson's orchestra proved to be all that the advance notices said about them and the patroneses deserve all kinds of credit for the lunch. The net proceeds, which were in the neighborhood of $25, are to be given to the hospital.

HEALTHY CHILDREN ARE HAPPY CHILDREN

The well child is always a happy child—it is a baby's nature to be happy and contented. Mothers, if your little ones are cross and peevish and cry a great deal they are not well—they are in need of medicine—something that will set their bowels and stomach in order, for nine-tenths of all childhood ailments arise from a disordered state of the bowels and stomach. Such a medicine is Baby's Own Tablets. They are a mild but thorough laxative which regulate the bowels, sweeten the stomach, and thus drive out constipation, colic, indigestion; break up colds and simple fevers and make the baby healthy and happy. Concerning them, Mrs. Albert Hamel, Pierreville, Que., writes:—"Baby's Own Tablets are the best medicine I know of for little ones. They relieved my little girl from constipation when nothing else would and I can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

FARMERS' MUTUAL MET

The annual meeting of the Dufferin Farmers' Mutual Fire Insurance Company was held in the Town Hall in Shelburne on Saturday afternoon. Reports were submitted showing a satisfactory business. The Company started the year with a cash balance of $8691.82. This had increased to $9227.14 on Dec. 31st. The number of policies in force on Dec. 31st was 2319 representing insurance amounting to $5,873,665. Last year the Company paid out $9604.45 in fire losses, bringing its total disbursements on this account up to $128,282.84. President W. J. Jelly occupied the chair. The old officers and directors were re-elected as follows:—

Pres., W. J. Jelly, Shelburne; Vice-Pres., Samuel Barber, Rosemont; Adjuster, John Johnston, Laurel; Secretary and Manager, Thomas Whalley, Shelburne; Auditors, W. E. Reid and Samuel Patterson, Shelburne.

Directors— East, Garafraxa, Wm. Park, W. W. Warnock; East Luther, George Lyon, Thos. Sime; Melancthon, W. J. Jelly, Wm. McGhee; Mulmur, Thomas Jennings, George Best; Mono, Samuel Barber, J. A. Marshall; Amaranth, J. J. Braiden, John Johnston.

THOMPSON-ANDERSON

A quiet wedding was solemnized at the home of Mr. and Mrs. J. I. Anderson on Tuesday, January 20th, when their second daughter, Lily Maud, was united in marriage to Archie Leroy Thompson. At ten o'clock the bride, leaning on the arm of her father, and accompanied by Mona Harmon, as ring-bearer, entered the living room to the strains of the Wedding March, played by Miss Myrtle Thompson. The bride was becomingly attired in ivory taffeta with overdress of crepe de chene. The ceremony was read by Rev. A. L. Elliott in the presence of immediate friends.

After the ceremony the wedding party sat down to a sumptuous wedding breakfast. Mr. and Mrs. Thompson left for their home at Kelwood on the noon train, the bride travelling in taupe broadcloth dress, embroidered in old rose, with coat of silvertone velour and hat to match. The many beautiful and useful gifts testify to the popularity of the young couple. The good wishes of the community follow them to their new home—The Melita, Man., New Era.

The following references to the bride are clipped from the New Era:—"The Misses Elva and Pearl Coates entertained about 25 guests at a farewell party and shower at their home on Thursday evening, in honor of Miss Lillie Anderson. The evening was spent in games and dancing. After lunch was served, little Winnifred, dressed as a bride, entered the diningroom, drawing the baskets of gifts, which were both numerous and costly. In the early hours of morning, before leaving for home, they all joined hands and sang Auld Lang Syne."

"A very enjoyable time was spent last Friday evening at the home of Mr. and Mrs. J. I. Anderson, when a number of friends gave them a pleasant surprise in the form of a shower for Miss Lillie Anderson, bride elect of this month. The number of gifts testify to the esteem in which Miss Anderson is held in the community."

The bride is a member of a former well-known family and a niece of Mr. H. T. Anderson of this town, and of Mrs. Peter Wilson, of Mono.

MRS. REBECCA SIMPSON

The death of Mrs. Rebecca Simpson, briefly noted in last week's Banner, took place at her home on Mill St. on Monday of last week after a protracted illness from bronchial asthma. Deceased, who was 52 years and 9 months of age, was a daughter of Mrs. Henry Leader, of Orangeville, formerly of East Garafraxa. She was twice married and is survived by one son, Mr. Ernest Mason, and two daughters, Mrs. Morton Ecken and Miss Millie Simpson, all of Orangeville. Her death makes the first break in a family of thirteen. The surviving brothers and sisters are George Leader, Mrs. E. C. Connop, Mrs. A. Filby and Mrs. Thos. Wells, of Orangeville, John, William and Freeman Leader, of East Garafraxa, Wesley Leader, of Erin, Mrs. George Hall, of Alton, Mrs. Wm. Campbell, in Saskatchewan, Mrs. David Baker, of Fergus, and Mrs. Geo. Carson, of Orton. There was a large attendance of sorrowing friends at the funeral which was held from her late residence on Mill St. to Greenwood Cemetery on Wednesday afternoon of last week. The services were conducted by Lieut. Ding of the Salvation Army, assisted by Rev. John Dodds and Rev. E. R. Young. The pallbearers were four brothers, John, George, William and Freeman Leader, and E. C. Connop and Geo. Hall, brothers-in-law. The floral tributes included wreaths from the Dods Knitting Co. employees, Dods Knitting Co., Mr. and Mrs. George Leader, mother, brother and sisters, son and daughters, and sprays from Women of Prayer and Mr. Fred Sawyers.

JOHN HUTCHINSON.

Last week's Banner contained a short notice of the death of Mr. John Hutchinson, a lifelong resident of Mono, who passed away at the home of Mr. and Mrs. M. J. Leighton, 1st Ave., on Thursday, January 29th, at the ripe age of 84 years. Deceased, who was an uncle of Mrs. Leighton, had made his home with his niece for the last two years. He had been in ill-health practically all that time and was bedfast for a year prior to his death. Mr. Hutchinson was born and had always lived on the 7th line of Mono, until he came to Orangeville shortly after the death of his wife about two years ago. The latter, whose maiden name was Rachel Wilson, was a niece of the late Robert Wilson, of Relessey, for many years Reeve of Mono. They had no family. Mr. Hutchinson is survived by one brother, Mr. William Hutchinson, of Caledon East, now 87 years of age. Deceased as a sturdy, honest and industrious man, possessing those qualities of head and heart, which sustained the pioneers of Ontario in their stern struggle to clear up their land and carve out homes for themselves and their families. The funeral was held from the home of Mr. and Mrs. Leighton to St. John's Cemetery, 7th line, Mono, on Saturday, January 31st. Rev. Capt. T. H. Stewart conducted the services and six nephews acted as pallbearers. Among the funeral tributes were a pillow from Mr. and Mrs. M. J. Leighton and a wreath from Misses Berniece and Mona Leighton.

CECIL M. BREMNER

Unusually sad is the death of Cecil Morris Bremner, youngest son of Mrs. Margaret D. Bremner and the late Alexander Bremner, of Camilla, who succumbed about noon on Monday after a short but unavailing struggle against deadly influenza and pneumonia. Deceased was taken ill only on Thursday preceding his death and his condition was not regarded as being serious until Sunday. The end came very suddenly and quite unexpectedly. An older brother, Peter Bremner, is also ill with the influenza, but is improving somewhat at present and is thought to have a good chance for recovery. Cecil was the youngest of a family of eleven, nine of whom survive along with his mother. The oldest member of the family, Congressman Robert Gunn Bremner, who achieved prominence as a successful journalist and legislator in Patterson and Passaic N.J., died a few years ago after a lengthy illness. The other members of the bereaved family are Miss Helen, at home, Nina, wife of Rev. Stewart Cole, of Chicago, Rev. Walter, a Baptist pastor in Richmond, Va., Leith, a lawyer in the same city, Rev. W. F., a minister in Galt, Alex., assistant clerk in the Orangeville Post Office. Dr. Murray, recently returned from overseas and now practising medicine in Kitchener, Peter, on the homestead, and Leith, with the Acton Publishing Co., Toronto. Deceased, who was only 22 years of age, was a young man of excellent attainments. He was a student at the Orangeville High School for some years and while here enjoyed a large measure of popularity amongst his fellow-students and the citizens generally. The sympathy of our citizens is extended to the bereaved mother and brothers and sisters in their sudden and trying affliction. The funeral will be held from the family residence to the Forest Lawn Cemetery at 2 o'clock this (Thursday) afternoon. There will be a short service at the home at 1.30 o'clock.

—Dr. W. J. Price installed his new X Ray machine in his dental office last week.

He will pass through Toronto from the Eastern provinces en route for the West about the 23rd of February and has agreed to come to Orangeville for the evening. Don't miss hearing him.

AN EXCITING EXPERIENCE.

Mr. and Mrs. Geo. Abbott, of Amaranth, had an exciting experience while driving to town one day last week. While descending Gillespie's hill on the 2nd line, the breeching broke allowing the cutter to run against the horse's heels. The startled animal commenced to plunge and kick and finally upset the cutter, throwing its occupants and a can of cream they were bringing to town out in a snowbank. The horse then broke away from the cutter and galloped south to the townline, where it was stopped by Mr. Geo. Cameron, who happened to be driving out from town. Mr. and Mrs. Abbott had the good fortune to escape unhurt and strange to say not a drop of the cream was spilled.

SUCCESSFUL SALES.

The Auction Sale held by Mr. J. E. McMaster on the McMaster homestead, Prince of Wales Road, Mono, on Friday afternoon, was one of the biggest Sales ever held in this district. Interest in the Sale combined with the superb day to bring together an immense crowd. Bidding was spirited and excellent prices were the order of the afternoon. A team of horses brought $570, cows sold as high as $155 each and yearlings were bid up to $72.50 each. Altogether the Sale realized about $8,100. Messrs. Geo. McAlister and Son were in charge and acquitted themselves with their usual skill.

The Sale held by Mr. R. J. McElwain, of Adjala, last Thursday, was also a hummer. A big crowd was in attendance and everything was sold at good prices. The proceeds amounted to slightly over $6,000. Auctioneer Jas. A. Patterson, Orangeville's veteran knight of the hammer, was in charge and ran off the big list in a little over three hours.

IN MEMORIAM.

COTTON—Lines in memory of the late Jos. Cotton, who departed this life on Feb. the 11th, 1919:—

This day brings back to memory
A loved one laid to rest,
And those who think of him to-day,
Are those who loved him best.

Wife and Family.

From every source of information we can get, there is nothing but HIGHER PRICES in sight for at least two years more. British manufacturers claim that prices will not come down for FIVE years. We know that in all lines, such as Woollens, Furs and all Cotton Goods, there will be a stiff advance in prices and poorer delivery than ever. We also know that every time we repeat on any line of goods (if we can get them at all) they always cost more money. Our advice is BUY NOW even if it is for next winter's needs.

Remember our Guaranteed Serges. We still have them in Blues, Blacks and Grays.

HOCKLEY.

(Intended for last week.)

On Friday evening of last week, a number of the young people of Hockley and vicinity gathered at the home of Mr. and Mrs. Chas. Parker to present Miss Harriet and Miss Mary Parker with a slight token of their esteem.

The following address was read by Miss Thelma Purdon, while Miss Olive Irwin made the presentation.

To the Misses Parker:

A number of your neighbor girl and boy friends have assembled here to-night to present you with some tangible evidence of their good wishes. It is unnecessary to say that we regret your departure from our midst. You have both always proved yourselves worthy of our confidence, and esteem. You will be greatly missed in our general and social life, but we know that in losing you some other community will gain by our loss.

Before you go we ask you, Harriet, to accept this mirror and buffet, and Mary this brush and comb, as small tokens of our affection. We hope that in the days to come they will be a remembrance of your oldtime friends of Hockley.

Signed on behalf of the girls and boys,—Thelma Purdon, Olive Irwin.

The Misses Parker made a suitable reply. The evening was spent in games and dancing and everyone had an enjoyable time, and departed for home in the early hours of the morning.

THE WARDEN'S ADDRESS.

County Congratulated Upon Its Excellent Financial Position.

Lack of space prevented us from publishing Warden Jeffers' address to the Dufferin County Council in last week's issue. The text of the deliverance follows:—

Orangeville, January 28th, 1920.
Gentlemen of the County Council,

I desire to extend to you my most sincere thanks for the honor conferred upon me by electing me Warden of the County of Dufferin for the year 1920. I appreciate most highly indeed the trust that you have placed in me and can assure you that it will be my earnest endeavor at all times to fill the position in an honorable and creditable manner. With your able and united assistance I wish to transact all business and attend promptly to all matters coming before me as Warden in the very best interests of the people of the County.

Kindly allow me to congratulate the several members of the council on their election in their respective municipalities and to extend to the six new members a most cordial welcome to the county board. I feel satisfied that they are men who will discharge their duties in a most creditable manner to themselves and the different municipalities they represent.

I congratulate you on the very prosperous condition of the financial affairs of the county, considering the heavy expenditure on County Line Bridges, County Good Roads and the purchase of road machinery during 1919. Our treasurer's financial statement shows a surplus on hand of $9,284.83 to start the present year, which amount should be more than sufficient to carry us until the levy is made in June.

Different educational matters will be brought before you this year. A deputation will wait upon you respecting school matters. Believing that Education is one of the most important questions of Canadian life today, I would strongly urge you to give any matter pertaining to it your most careful consideration and assistance where advisable.

At the last session of the county council a resolution was passed asking the different members-elect of this council to bring with them some ideas regarding the advisability of giving a grant towards suitable memorials to our soldiers, who so gallantly defended our country in the recent terrible war. The time has come when we should endeavor to do something in this respect and I would like to see a substantial grant made for this purpose.

Last year considerable work was done on the county good roads and my wish is that the work may be continued along that line, more especially now that the present Provincial Government, as well as the Dominion Government, is desirous of helping to construct our roads by giving large percentage grants for that purpose. I would suggest that the good roads committee with the County Road Superintendent hold three meetings; one each in Orangeville, Shelburne and Grand Valley, to which the different road overseers o tthe county could be invited and instructed as to the desired methods of constructing and maintaining roads and preparing pay sheets, etc., in order that the county road work might be done in a more uniform way.

Your County Property Committee might consider having the exterior of the county building repainted. It is many years since this was done and the woodwork is badly in need of redecorating.

Owing to the continued ill-heath of Gaoler Chas. Bowles, who has served the county in that capacity for about forty years, it may be necessary to make some re-arrangements regarding his work and, also, that of Turnkey Leighton. I would recommend that a committee be appointed to interview them regarding some mutual arrangement in respect to duties and salaries.

In conclusion permit me to say that, I feel assured that all business coming under your jurisdiction will be given your most careful consideration and that the county affairs will be dealt with efficiently and economically.

Yours truly,
C. V. JEFFERS,
Warden.

UNIFORM RATE FOR HYDRO ELECTRIC POWER

The Wellington County Council, at their recent meeting in Guelph, placed the Council on record as favoring a uniform flat rate for Hydro Electric power throughout the provice. If electric energy is ever to become practicable as a utility on the farm, some such rate must be adopted by the Hydro Electric Commission. Without a dissenting voice, the following resolution, introduced by Reeves Kearns and Brandon, was passed unanimously:

"Whereas the Ontario Hydro Electric Commission has control of a great public utility which is, and should be for the general use of the whole province of Ontario, where practicable.

"And whereas on account of the present system of different rates charged for electric energy to differend municipalities it is impossible for a great part of the province to enjoy the benefits of Hydro power.

"And whereas the whole province is back of the financial liability of the Hydro Electric Commission of Ontario.

"Therefore be it resolved that it is in the interest of the province of Ontario generally that a uniform flat rate be charged all municipalities in Ontario for Hydro power supplied. And that such electric power should be extended throughout the whole province where possible, so that all classes might be able to use the same at the same rates, and that a copy of this resolution be forwarded to the Premier and Government of the Province of Ontario and to the different county councils, asking them to cooperate."

Where Words End, Music Begins

Words, in themselves, are but poor interpreters of emotion. Where words end, music begins. Where words only suggest, music satisfies; it utters with a clear, vibrant voice what otherwise would remain unuttered.

Music will allow you to express your innermost thoughts and ideals.

But how, you ask, can you create this music since you are no musician nor the master of any instrument?

The NEW EDISON

"The Phonograph with a Soul"

has stored up in its magic discs the music of the world's greatest musicians—the soul-children of the music masters. And this music The New Edison will RE-CREATE for you, in your own home, exactly as you would hear it in the grand opera houses and the famous concert halls.

You should read the beautiful book "Edison and Music" and the booklet "What the Critics Say" containing evidence that proves Edison superiority. Ask for copies when you come to hear the New Edison. 248

Power Gains Eighteen Pounds—Rheumatism Disappears After Taking Tanlac.

"I consider what Tanlac has done for me to be worth more than a fortune," said George Power, of Halifax, N.S., while talking to the Tanlac representative a few days ago. Mr. Power lives at 20½ Rottenberg St., Halifax, has lived in Nova Scotia all his life and is a well known employe of the Nova Scotia Tram and Power Company.

"I've actually gained eighteen pounds since taking Tanlac, and I feel better in every way than I have in 28 long years, and what's more I have spent hundreds and hundreds of dollars on medicines and never got a particle of good until I found Tanlac," continued Mr. Power.

"I had rheumatism in both my legs from the knees down, and in damp weather I just had to stay at home from work. My ankles bothered me too, and I don't believe anybody in the world ever suffered from rheumatism as bad as I did for it was just a sharp shooting pain that would go through my knees down my legs and into my ankles like somebody was sticking a knife through me, and I would be in such agony that I would turn as white as a sheet. When these attacks came on me I wouldn't be able to sleep a wink but would roll and tumble all night long, and my joints would swell and my knees would be as stiff as a board and I couldn't walk a step for two or three days at a time and would be laid up at home flat on my back with my knees so stiff I couldn't bend them at all.

"I noticed where Tanlac was being highly recommended by people right here in Halifax, so I decided to try it. And I wouldn't take anything in the world for the good it has done me. If anybody don't believe that I am a well man, and that the rheumatism has left me entirely and that I never even feel a trace of it, just tell them to see me. My appetite has picked up and I have gained in weight, and feel better in every way and can sleep fine at night. Tanlac is the greatest thing I have ever seen, and I want you to publish this statement for I want everybody to know what this medicine will do."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

JOHN RITCHIE

John Ritchie, who passed away on January 20th, suffered from a paralytic stroke last March, which left him weak but was able to be about until a few days before his death. He was born in the Township of Nassagaweya, on January 19, 1842, where he farmed for several years. About twenty years ago he suffered an injury which prevented him from following his occupation. He then moved to Acton where he lived until a few years ago, when he came to Dufferin county where he lived until his death. On August 10, 1897, he married Martha Thompson, second daughter of the late Wm. Thompson, of East Garafraxa, who with three sons and three daughters survive him. Evelyn, at home, William J. and John C., of Regina, Sask., Joe S., Freada M. and Catherine at home. He was a member of the Presbyterian church in which he was a firm believer. The funeral took place on January 22nd, to Greenwood cemetery, Orangeville, and was conducted by the Rev. S. Lundie, of Grand Valley.—Star and Vidette.

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

LAUREL.

The Laurel Parliamentary League met on Friday night as usual. There was a large crowd out and the gathering was entertained to a spirited discussion on the subject, "Resolved that a Christian could not possess a Million Dollars Honestly." The negative, under the leadership of Mr. W. Gray, leader of the Opposition, had slightly the better of the argument and was given the decision. The Opposition seems to be making it pretty interesting for the Government just now and some exciting developments may be looked for at the next few meetings. Strange to say the U. F. O. party has not made its appearance in the House as yet.

The Laurel Quarterly Board, by a unanimous vote, invited their pastor, Rev. Thos. Scott, to remain a second year. Mr. Scott declined to accept the invitation as his physician had advised him to take a year's rest.

L. O. L. No. 330 held a very successful Royal Arch meeting on Thursday night last, when six candidates were advanced to the mysteries of the degree.

Mr. W. J. Ewing, our hay man, got started with his press last week. We wish him every success in the business.

We notice the Laurel Creamery has nearly the whole of its ice supply in for the coming season.

Some of the young people of the vicinity attended the Assembly given by the young people of Orangeville on Friday night.

Remember the Valentine Social in the Presbyterian church on Friday night. A good programme is expected and light refreshments will be served. The Social will be under the auspices of the Sunny Circle Club. All are welcome. Admission, 15 cents.

Wedding bells seem to have ceased ringing in our community of late.

The Singing Class, opened in the Presbyterian church under the leadership of Mr. Jessop, got off to a good start on Saturday evening. There were over fifty out. Practice will be every Saturday evening at 7.30.

Next week you will hear from the correspondent about his travels in the district.

CANADIAN CLUB ADDRESS.

Mr. Russell T. Kelly, of Hamilton, will address the Orangeville Canadian Club in the Library Auditorium on Wednesday night, February 18th on the subject, "Canada's Greatest Need, A United People." Mr. Kelly is an ex-President of the Hamilton Board of Trade and a leading member of the Rotary Club of that city. He is said to be a very fine speaker and as he is discussing a subject in which all good citizens should be interested it is to be hoped that he will be greeted by a large audience. Address will commence at 8.15 sharp.

IN MEMORIAM.

HEATHERINGTON—In memory of Mr. and Mrs. Joseph Heatherington, who died in January, 1919:—

The midnight stars are shining
On two far off silent graves,
Where sleepeth without dreaming
The ones we could not save.
Had we but seen them at the last,
Or watched their dying breath,
Or heard the last sigh of their hearts,
Or held their drooping heads;
Our hearts, we think, would not have felt
Such bitterness and grief;
But God has willed it otherwise,
And now they rest in peace.

WE ARE Ford Dealers in this district and have formed an estimate of the number of cars we will require to meet the needs of this territory. We cannot get enough cars to fill that estimate because there are not enough cars being made to fill all dealers' estimates throughout Canada.

The number of cars we can get depends upon the number of orders we send in and the early date at which we send them in, as the Ford Shipping Department follows the principle, "First Come, First Served."

Cars ordered now will not be delivered until March, and deliveries will be uncertain throughout the year. If you do not want to wait for summer or autumn delivery, come in and reserve your car by signing an order today.

PEPS

for Children's COUGHS & COLDS.

Why are Peps best for children? Because they contain absolutely no harmful drugs. Because, when dissolved in the mouth, they are breathed down to the air passages and lungs—not swallowed to the child's delicate stomach, which is so easily upset; and because they are so pleasant to take that children never refuse them.

Peps provide health-giving pine-forest fumes in pastille form. When these pastilles are dissolved in the mouth they throw off pine vapor, such as is breathed by dwellers in pine forests, and which is so highly recommended by the medical profession as being without equal for all ailments of the throat, breathing passages and lungs. These pine vapors released when Peps are taken, penetrate to all parts of the breathing organs, bringing relief and healing to the sore and inflamed membranes, easing that tight feeling in the chest, making breathing easy and stopping any cough. Keep Peps handy this winter and use them freely. Give them to the children when the first symptom of a cough or a cold appears. Just as suitable for adults. All dealers 50c. box.

VIOLET HILL.

(Intended for last week.)

At the weekly meeting of the Violet Hill Epworth League, the members of Mt. Zion Methodist Church and Sunday School gathered to present Mr. John Scott with a Bible and a set of twenty-one books, being an exposition on the whole of the New Testament. Samuel Liddy and Thos. Moffatt made the presentation, while Sam White read the following address, after which Mr. Scott made a very fitting reply.

Violet Hill, Jan. 28th, 1920.

To Mr. John Scott,

Dear Mr. Scott,—

We, your friends of Mt. Zion Church and Sunday School here assembled, desire to take this opportunity of expressing to you our sincere gratitude for the interest you have manifested in our cause here, and for the service you have so nobly and efficiently rendered in the past.

Your kindly disposition and cheerful manner has always been an inspiration to us, and we question if we could have carried on at times had it not been for your valuable assistance. We have always profited by following your admonition and wise council, as given in the Sunday School and from the pulpit. We fully appreciate the willingness with which you have so readily answered to our call "Come over and help us." We rejoice that you are still spared to us, and trust that we shall have your counsel and help for many years to come.

We ask you to accept this Bible and may it still be to you the "Book of Books," "a lamp unto your feet, and a light unto your pathway". Also this set of twenty-one books being an exposition on the whole of the New Testament. We trust that the latter shall aid you in interpreting the Word as you use it in your own private and family worship, as well as in your preaching and teaching. We present these books, not for their intrinsic value, but as a slight token of our esteem, that you may know that we fully appreciate your service amongst us.

We know that your good wife has played o small part in making your career so successful, and we trust that she shall also find enjoyment and profit in sharing these books with you. We remain your friends of Mt. Zion Church and Sunday School.

Signed on behalf of the Sunday School, Thos. E. Halbert; Congregation, S. Liddy; Pastor, Garnet M. Lynd.

BE READY FOR EMERGENCIES.

The best way is to always keep a bottle of Dr. Chase's Syrup of Linseed and Turpentine in the house, ready for emergencies. Then when croup, or colds, come suddenly they can be promptly cured before they have time to reach an acute and dangerous stage. To meet this requirement we have put the syrup up in family size bottles which contain nearly three times as much as the 25-cent bottle and sell at 60 cents.

MRS. JOHN GILMORE

After a lingering and trying illness Mrs. John Gilmore, one of the pioneer residents of Dundalk, passed to the spirit world on Jan. 27th at the age of 82 years. The deceased was born in Toronto Gore and after attaining young womanhood was married there to John Mossop. She was later married to John Gilmore and resided in Orangeville for some time before coming to Dundalk upwards of forty years ago. Mr. Gilmore passed away in 1913. The surviving members of the first family are: Wm. Mossop, of Stoughton, Sask.; Mrs. S. Rosell, of Avonlee, Sask.; Samuel in Orangeville; Thomas, in Toronto; Mrs. David Pate, Dundalk. The children by the serond marriage are: Harry Gilmore, Orangeville; Robert, in the United States; Mabel, at home. The funeral was held on Thursday afternoon to Dundalk Cemetery and a large number were present to pay the last tribute of respect to the departed. The service was conducted by the Rev. W. G. Blackwell, B.D., rector of St. James' Church, of which the deceased was a faithful member. A number of beautiful floral designs covered the casket. The pallbearers were: Thos. and Samuel Mossop, H. Gilmore, Hy. and George Beamish, David Pate. Among the friends present from a distance were: Harry Gilmore and wife, Samuel Mossop and son, Gordon, Orangeville; Thos. Mossop and son, John, Henry Beamish, Miss Lottie Pate, Toronto; Mrs. Lackie, Shelburne; Mrs. R. Bates, Proton Station; Mrs. Wm. Allen, Corbetton; Miss Brooks, of Farwell.—Dundalk Herald.

Long-Standing Evil

Effective Measures Taken

Since childhood Mr. A. Cail was under the shadow of a great evil, which always menaced his comfort and safety. Read what he says:—

"I was troubled with my kidneys since childhood and spent a large amount of money trying to get cured. Instead of getting better, I kept getting worse until a friend of mine advised me to try Gin Pills. I did so, and after taking one box, I was able to get out of bed and walk around. Two more boxes relieved me completely, and since then I have had no return of the trouble."

Many people have kidney and bladder trouble without knowing it. They think nothing of the backache, the pains in the sides, the constant headaches, the rheumatic, sciatic and neuralgic pains, the floating specks before the eyes, the swollen joints, the highly-coloured urine—all signs of trouble—all signs which should receive immediate attention and treatment with Gin Pills, which are by far the most effective of all preparations, and which may help you to avoid a fatal operation. They quickly relieve pain and heal the congested tissues, bringing the organs back to normal. At druggists and dealers, 50c a box. Money back if no relief. Send for free sample.

HALL'S CATARRH MEDICINE acts thru' the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. $1.50 RATE AFTER MAR. 1.

On and after March 1st, 1920, the subscription rate of The Banner will be increased to $1.50 a year, payable strictly in advance. Owing to the continued increase in the cost of production no other course is left open to us. Since the war started in 1914 everything we use has increased in price, but although other country weeklies were everywhere adopting the $1.50 rate, we hesitated to make the advance in the hope that when the war was over normal conditions would again obtain in the printing and other lines of business. More than a year has now elapsed since the signing of the armistice, but instead of any return to pre-war prices the tendancy has been all in the other direction. To-day the cost of producing a newspaper is about three times what it was five years ago. For instance, five years ago we could purchase nearly three tons of paper for the same money that we are obliged to pay for one ton to-day. Book and job papers, inks and every other material that enters into the production of a newspaper have advanced in a similar manner. On top of all this comes the high and steadily increasing cost of living, a matter with which everybody is familiar.

Orangeville newspapers are practically the last in Ontario to make this necessary increase in subscription price. We hope our subscribers will receive the advance in the proper spirit and stand loyally by us in the future as they have in the past. The country newspaper has had a hard row to hoe during the last few years and a number of the smaller papers have been compelled to cease publication. The dailies are to-day more than ever expressing the views, the opinions and the wishes of the people in the cities, and the continuance of an independent, unfettered country press is therefore vital to the welfare and the interests of rural Ontario. The home paper is often spoken of lightly, but one has only to reflect a moment to realize what a community would lose if it were deprived of its local newspapers and the services they render from week to week.

We will continue to accept subscriptions, whether past due or paid in advance, at the $1.00 rate until March 1st, after which $1.50 a year will be charged for all subscriptions. Owing to the U. S. postal regulations, subscribers in the United States have been paying $1.50 a year for several years. The United States rate will of course be advanced to $2.00 a year on March 1st.

Inspector Levan Makes Favorable Report on Work of the Institution.

The report of Inspector Levan on the work done in the High School is very gratifying to the Board and staff. Those who are responsible are to be congratulated for the high standard maintained in the different departments. Every department has been graded I., which is the highest obtainable.

Mr. Levan, in his remarks, states that:

"An important forward step has been taken in the establishment of a Commercial Department under the provisions of the Regulations."

"The work of the staff, as a whole, is entirely satisfactory."

"The principal is administering the affairs of the school with skill and good judgment, and the general tone of the school is excellent."

THE TOWN COUNCIL.

Instructs Clerk to Prepare By-law to Secure Building Loans Under Terms of Ontario Housing Act.

At its meeting on Monday night the Town Council instructed the Clerk, Mr. A. A. Hughson, to prepare a by-law to appoint a Housing Commission and to enable the municipality to borrow money for building purposes under the provisions of the Ontario Housing Act. The step was taken in response to a request from Richard Robinson, a returned soldier, and a number of other citizens asking the Council to take the necessary steps to bring the Act into operation in this municipality.

Corporation accounts were passed as follows: E. C. Clark, $19.25; Municipal World, $19.40; Orangeville Hydro Commission, $33.40 and $159.35; T. J. Robinson, $125.

An application from Moody Bros. for rebate of taxes on their property in the East Ward was referred to the Court of Revision, for consideration.

Chas. King, engineer, made application for an increase of salary. Mr. King receives $60 a month and he is asking the Council to raise this to $80 a month. The matter was referred to the F. & W. Committee.

Council agreed to again hire a horse from Mr. T. J. Robinson for fire purposes. Mr. Robinson will get $250 a year for the horse and the Town has the right to use it for other work as well as fires.

A report from the Special Committee appointed to consider P. M. Pattullo's grievance re an office for court purposes was referred back to the Committee with instructions to consult the Town Solicitor and report.

The Ontario Housing Act, which the Council is taking steps to bring into operation in this municipality, empowers the municipality to borrow such sums of money from time to time as the Director of the Bureau of Municipal Affairs shall approve of, for the purpose of building houses for returned soldiers or working people, who may desire to take advantage of the provisions of the Act. Generally speaking such houses must not exceed $2500 in cost and the land on which they are erected must not cost more than $500, but in special cases up to $3,000 may be expended in the houses and up to $600 in the building sites. The money is borrowed by the municipality at 5 per cent and loaned to the builder at the same rate. For administrative purposes the Act provides for the creation of a local Housing Commission consisting of the Mayor and either two or four citizens, who shall hold office for a term of two years. This Commission may either undertake the erection of houses itself, advance money to a building company for the purpose of erecting houses of the class already described or else make advances to the individual citizen for the same purpose.

GOOD ROADS DELEGATION.

A delegation consisting of representatives from the interested municipalities between Toronto and Owen Sound will wait upon the Minister of Public Works next week for the purpose of advancing the claims of this locality for a Provincial Highway connecting the above places via Brampton, Orangeville, Primrose, Shelburne and the Toronto-Sydenham Road. The Minister has signified his intention of increasing the 600 miles of Provincial Highways already designated in the Province to 1600 miles, and it would therefore seem that this is the right time to get busy in connection with the matter.

The Government now pays a subsidy of 60 per cent on all monies expended on this road under County supervision, but should the delegation be successful in having it designated as a Provincial Highway, the road will then be under the Jurisdiction of and will be built by the Government. An assessment of 20 per cent of the cost of work and material (not including machinery, engineering and other overhead expenses) will then be levied upon the counties. The advantages of the change are obvious and no doubt all the municipalities interested will be well represented on the delegation.

DRURY ELECTED.

Premier Drury had a walkover in the Halton bye-election on Monday. Incomplete returns gave him a majority of 2380. The official figures will probably increase this considerably. Owing to the drifted roads and the stormy weather the vote polled was comparatively light.

THE BEST TONIC FOR NERVOUS PEOPLE

Increase Your Nervous Energy by Building Up the Blood With Dr. Williams' Pink Pills.

Nervous people who have not yet developed a disease that can be recognized and treated by the medical profession have the greatest trouble in finding relief. Irritation, headache, sleeplessness, nervous indigestion, all these discomforts make life miserable but are endured rather than run a doctor's bill without hope of recovery.

Every such sufferer should know the danger of such a condition to the nervous system. Nervous debility and even paralysis may result if the tone of the nerves is not restored by building up the blood. As a tonic for the blood and nerves Dr. Williams' Pink Pills have been used with the greatest success. They have a direct action on the blood and therefore enable it to carry to the nerves the elements they need to fully restore their normal function—and at the same time improve the general health. The benefits that follow the use of this medicine are shown by the statement of Mrs. Jenny Marr, R. R. No. 3, Port Rowan, a well known school teacher, who says:—"Some years ago I became greatly run down, and was in this condition for nearly a year. A doctor whom I called in said I was suffering from nervous prostration. It would hardly be possible to tell all the symptoms of my case, but anyone who has passed through a nervous breakdown will know what I suffered. As I did not seem to improve under the doctor's treatment, I decided to try Dr. Williams' Pink Pills, and the decision was a fortunate one for me, as I soon found some relief through the use of the pills, and after taking eight boxes I was fully restored to health. To-day I am strong and hearty, without an ache or pain, and for my present physical condition I feel I am indebted to Dr. Williams' Pink Pills, and can heartily recommend them to anyone suffering from nervous troubles."

You can procure Dr. Williams Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for $2.50 by writing direct to The Dr. Williams Medicine Co., Brockville, Ontario.

THE FUR FLEW.

Game Warden Worsted in a Dundalk Mix-up.

Sam Goldman of this place deals quite largely in furs during the winter and this season that commodity is so high in price that it's worth its weight in gold, diamonds or other precious stones. A gentleman called at Sam's house on Friday afternoon representing himself to be the game warden and wishing to inspect the stock of furs on the premises and in search of furs supposed to be trapped out of season. Mrs. Goldman was alone in the house as Sam was down town at the time. The lady objected to his coming into the house then but the man insisted and he got a warm reception. Excitement was high and the residents of that locality knew well that the war was on. The visitor got hold on a grip which was supposed to contain valuable furs and got out on the street with it followed by Mrs. Goldman. Thus ended the first round in favor of the game warden.

The next spasm began when Goldman, coming home, was attracted by the cries of his wife and the sight of the visitor meeting him with the grip of valuables. Sam and the visitor embraced each other and the grip was dropped. Mrs. Goldman was not slow to take possession and, leaving the two men rolling in the snow, it might be said that "the fur flew." At least it disappeared as if by magic. It was a case of "now you see it and now you don't." When the aforesaid embrace was of sufficient duration Sam released his hold. Thus ended round two in favor of Goldmans.

The missing grip could not be found although very diligent search was made afterwards under the authority of a search warrant. We understand there was no search warrant used in the first place. There the matter rests after an exciting squabble of a couple of hours.—Dundalk Herald.

WHAT IS THE VALUE OF A LIFE?

Statisticians and Economists will give a very definite and accurate answer to the above question, basing their estimate on its worth to the State. Commercially and mathematically the answer they give will be absolutely correct. But as affecting a community or a home lives cannot be commercialized, nor can their worth be estimated in dollars, all of which leads to the inevitable conclusion that the conservation of life is of the utmost importance in every sphere of activity — the home, the community and the State.

And if these are the facts—and they are—why should not Orangeville have an up-to-date Hospital where the child and adult life of town and community would be given every opportunity of preservation?

The present Hospital building (obsolete as it is) and its staff of faithful and efficient nurses have done, and are doing, a magnificent work in alleviating pain and suffering under conditions always disheartening and at times most cruelly depressing to everyone concerned.

Eventually a better building will be provided with necessary, modern surgical appliances and conveniences, and in the meantime the writer of this short article would suggest that with this possibility in view in the near future, the READER become accustomed to thinking of a contribution in figures as large as it is possible to make them!

GUILTY OF BIGAMY.

In the Brampton Police Court a week ago Monday James Carlyle, of Alton, was found guilty of bigamy and was sentenced to do six months "hard labor" in the county gaol. He is a man of about sixty and although born in Canada can neither read nor write. Six years ago his first wife told him to get out. When he met No. Two it was love at sight.

"IN THE PUBLIC EYE" BY R. Fairbairn

OUR eyes are the school teachers of our brain. They must help to interpret the messages of our other senses. Between seventy and eighty per cent of the children who do not progress properly in their studies at school are backward because of deficient eye-sight. Do not send your child to school with such impaired vision equipment. Let us examine into the cause and make the proper glasses to correct his failing.

ORANGEVILLE, ONT.

IN LIGHTER VEIN.

Seven years ago a farmer living west of Orangeville, Ont., hung his vest on a fence in the barnyard. A hungry calf chewed up a pocket of the garment in which was a standard gold watch.

Last week the animal, a staid old milch cow, was butchered for beef and the time-piece was found in such a position between the lungs of the cow that the respiration—the closing in and the filling of the lungs—kept the stem-winder wound up and the watch had lost but four minutes in the seven years.

The above story is reproduced from The Amphibian, a Montreal trade publication, a copy of which was forwarded the last week by Mr. Ross Stevenson, a former Orangeville boy.

DR. JOHN PRINGLE.

Citizens of Orangeville are to have an opportunity to see and hear one of the outstanding men of the Presbyterian Church in the person of Dr. John Pringle, of Yukon fame, who will speak in St. Andrews's Church here on Monday night next, February 23rd. Dr. Pringle is a man among men and the men of the town should not miss hearing him. He has a message that is worth while. There will not be any admission charge, but a silver offering will be taken to defray expenses.

Lieut.-Col. The Rev. John Pringle, D. D., is the forty-fifth Moderator of the General Assembly of the Presbyterian Church in Canada. Since his graduation Dr. Pringle has held many successful pastorates. Two of the most important were the Yukon, where he laboured with marked success for ten years, and Sydney, N. S., where he accomplished a wonderful work among the rugged Cape Breton miners. Dr. Pringle was one of the first Canadian clergymen to volunteer for overseas service as a Chaplain. He crossed the Atlantic with the First Canadian contingent and remained with this fine body of Canadian soldiers until the end of the war. That he has been able to pay Orangeville a visit is a matter of good fortune and he will doubtless be greeted by a large audience.

DUFFERIN COUNTY POULTRY SHOW.

The Sixth Annual Show of the Dufferin County Poultry and Pet Stock Association was held in the Town Hall, here, during the past week.

Owing to various unfavorable conditions in the way of prevailing epidemic, etc., exhibitors were not so numerous as on some former occasions. However, what was lacking in numbers was made up in quality.

The particular feature of the exhibition was the exceptionally large display made by Messrs. Luxton & Blanshard, of Mount Forest. This consisted of exhibits of practically all the various breeds of fancy poultry, ducks, geese, and a collection of rabbits. The quality of the exhibit was very good and would have contended successfully against much stronger competition.

Messrs. Hillson Bros., of Brampton, had a particularly strong exhibit of Barred Rocks, and in local exhibitors, Messrs. Hughes and Campbell were on hand with their Rocks, and D. C. Cook had a splendid showing of S. C. Black Minorcas.

L. Goulding, of Arthur, carried off most of the honours for Ducks and made a good showing in American and Mediterranean Classes, and Peter Wilson, Orangeville, showed an exceptionally fine pair of African Geese and also, some fine Rhode Island Reds. J. B. Armstrong had some extra fine crate-fed dressed chickens on display.

J. W. Clark, of Cainsville, was the Judge and gave entire satisfaction.

OUR GOOD GOODS ARE GOING FAST READ WHY

From every source of information we can get, there is nothing but HIGHER PRICES in sight for at least two years more. British manufacturers claim that prices will not come down for FIVE years. We know that in all lines, such as Woollens, Furs and all Cotton Goods, there will be a stiff advance in prices and poorer delivery than ever. We also know that every time we repeat on any line of goods (if we can get them at all) they always cost more money. Our advice is BUY NOW even if it is for next winter's needs.

Remember our Guaranteed Serges. We still have them in Blues, Blacks and Grays.

BROADWAY - ORANGEVILLE

WILL NOT CONFIRM SALE

Chairman McIntyre Intimates That Railway Board Will Refuse to Sanction Sale of Consolidated Telephone System.

The Ontario Railway and Municipal Board held an adjourned Sitting in the Orangeville Court House on Friday to hear the remainder of the evidence and argument of counsel in the application for an order confirming the sale of the Consolidated Telephone System to the municipalities of Caledon and Erin. As at the first sitting a week ago Friday Mr. D. M. McIntyre, the Chairman, was the only member of the Board present. He was accompanied by Mr. A. F. Dagger, the Board's engineering expert and adviser. After hearing the evidence and argument of Mr. F. W. Wegenast, counsel for the Consolidated Telephone Co., and Mr. Maclaren, who appeared for a committee of the shareholders, the Chairman intimated that he would recommend that the Board decline to confirm the transfer of the system to the two municipalities, largely on the ground that it would involve too great an increase in the rentals that telephone users would be obliged to pay. At the present time telephone users are paying the Company $15 a year for telephones. It is estimated that at the purhcase price the two municipalities have agreed to pay, they will be unable to supply phones at less than from $27 to $30 a year. Mr. Wegenast argued at considerable length that the Board had no discretion in the matter of confirming the sale unless it could be established that there had been fraud or misrepresentation. As it was not contended that there had been either fraud or misrepresentation, the Board, he maintained, was bound to confirm the sale. The Chairman promised that the members would look into this aspect of the question very closely before making their decision, but intimated that he felt satisfied that the Board had the discretionary power necessary to either sanction or refuse to sanction the sale. Mr. Wegenast intimated rather pointedly that if the Board refused to confirm the sale he would probably consider it his duty to advise his clients to appeal the case to a higher Court.

Among the witnesses examined on Friday were Township Clerk L. H. Willis, Jas. Milloy, Reeve of Erin, Alex. McLeish, President and E. E. Wilson, General Manager of the Consolidated Company. If the Board refuses to confirm the transfer, as Chairman McIntyre has intimated it will, the whole system will revert to the Company, which is now in process of voluntary liquidation. Caledon Council has already paid over $5,000 of the purchase money and has entered into an undertaking to pay the balance. Erin township has paid the whole of the purchase money and is actually operating its part of the system.

PEEL S. S. CONVENTION

The sixty-second annual convention of Peel County Sunday Schools was held in Bolton, Tuesday, Feb. 10. The weather was fine and while the roads were not very good there was a large attendance of Sunday School workers from other parts of the county and a fine turnout from Albion township and Bolton. Rev. W. P. Fletcher of the Ontario Religious Educational Council, Toronto, captured the hearts of those present by three masterly addresses. Miss Taggart also of the O.R.E.C., gave an address explaining the working of the Course for Canadian Girls in Training and also gave very helpful suggestions as to its working during a Conference of Teen Age Girl Workers. Rev. S. W. Dean, of Toronto, added to the interest of the Convention in the evening by an address on the National Campaign as it applies to Sunday School work and also told glowing reports were coming to headquarters from all parts of Canada both as to the success of the financial drive this week and the spiritual advance as well. Rev. J. R. Wilkinson's talk on The Ideal Teacher was listened to with profit and pleasure and the conference led by Rev. Geo. Burry, B.A., was readily taken part in by those present. Our County Y. M. C. A. Secretary, Frank S. Beckwith, of Cooksville, was present and spoke on "How to Hold the Young Man in the Sunday School," saying that it was a man's job and men should not shirk it.

The massed choirs of Bolton under the leadership of Mr. J. F. Warbrick, delighted in their service of song and the ladies of Bolton in their homes as well as at tea in the church basement were most solicitous of the comfort of the visitors in every way.

Every speaker was present and the convention was put through on time by the President, Mr. Robert Smith, of Bolton. The following are the officers for the ensuing year: President, J. C. McArthur, Terra Cotta; 1st Vice Pres., D. Ingram, Brampton; 2nd Vice Pres., O. R. Church, Streetsville; Secretary, T. H. Graham, Inglewood; Children's Division, Mrs. Geo. Green, Cheltenham; Secondary Boys, Frank S. Beckwith, Cooksville; Secondary Girls, Mrs. Charles Packham, Brampton; Adult Department, W. W. Wilkinson, Cheltenham; Home Department, Mrs. I. A. Wakely, Bolton; Teacher Training, Rev. J. R. Wilkinson, Inglewood; Missionary, Miss Eve Peacock, Brampton, R.R.; Temperance, Lorne Davidson, Meadowvale; Provincial Representative, F. S. Beckwith, Cooksville.

Next convention to be held at Cheltenham.

ALTON.

Our Father and Son Banquet was a huge success. About one hundred fathers and sons sat down to a dainty supper prepared by the Ladies' Aid of both churches. After supper there was a very enjoyable program consisting of toasts, musical selections and stunts by the Tuxis Boys and Trail Rangers, followed by a most interesting talk by Mr. MacLaren.

Toward the end of the program the men made a motion that we organize a class of the fathers of the town and make a study of Boy needs, which needs must bring the fathers and sons of our community closer together.

Saturday, Feb. 14th, was St. Valentine's Day, but for 75 years it has also been the birthday of Mr. W. J. Dods, Alton's well-known Bee Man. It was not possible for all his family to gather round the old fireside on this memorable occasion, but the absent ones joined with those who could be present in presenting Mr. Dods with a beautiful signet ring. A very pleasant time was spent in music, games and other amusements. While 75 years old Mr. Dods entertained into these diversions with all the zest of a young person and proved himself still young enough to play with his many grand and great grandchildren. His many friends tender their congratulations in the most unreserved spirit and wish our venerable and greatly respected citizen many happy returns of the day.

RED CLOVER SEED.

Prime red clover seed was quoted at $35.55 per bushel on the Toledo market of the 6th instant. Toronto prices then ranged about $3.00 per bushel in advance of Toledo prices. Clover seed that would grade "Prime" on the Toledo market could be bought in Toronto at $33.50 and, because of exchange conditions, delivered to United States points at approximately $33.60 per bushel, or about $2.50 less than the Toledo price. The money situation, short supplies, and an earlier demand in the United States will explain the heavy exports of clover seed.

The price of red clover seed has advanced almost $14.00 per bushel on the Toledo market since May last. The world supply will not be sufficient to meet normal requirements. In these circumstances, Canadian farmers who delay the purchase of their red clover seed requirements until seeding time may be unable to obtain supplies at any price.

GEO. H. CLARK,
Seed Commissioner.

Ottawa, February 10th, 1920.

Mr. T. McCartney was re-elected President of the Peel Farmers' Mutual Fire Insurance Co. at the annual meeting in Brampton a week ago Saturday.

On and after March 1st, 1920, the subscription rate of The Banner will be increased to $1.50 a year, payable strictly in advance. Owing to the continued increase in the cost of production no other course is left open to us. Since the war started in 1914 everything we use has increased in price, but although other country weeklies were everywhere adopting the $1.50 rate, we hesitated to make the advance in the hope that when the war was over normal conditions would again obtain in the printing and other lines of business. More than a year has now elapsed since the signing of the armistice, but instead of any return to pre-war prices the tendency has been all in the other direction. To-day the cost of producing a newspaper is about three times what it was five years ago. For instance, five years ago we could purchase nearly three tons of paper for the same money that we are obliged to pay for one ton to-day. Book and job papers, inks and every other material that enters into the production of a newspaper have advanced in a similar manner. On top of all this comes the high and steadily increasing cost of living, a matter with which everybody is familiar.

Orangeville newspapers are practically the last in Ontario to make this necessary increase in subscription price. We hope our subscribers will receive the advance in the proper spirit and stand loyally by us in the future as they have in the past. The country newspaper has had a hard row to hoe during the last few years and a number of the smaller papers have been compelled to cease publication. The dailies are to-day more than ever expressing the views, the opinions and the wishes of the people in the cities, and the continuance of an independent, unfettered country press is therefore vital to the welfare and the interests of rural Ontario. The home paper is often spoken of lightly, but one has only to reflect a moment to realize what a community would lose if it were deprived of its local newspapers and the services they render from week to week.

We will continue to accept subscriptions, whether past due or paid in advance, at the $1.00 rate until March 1st, after which $1.50 a year will be charged for all subscriptions. Owing to the U. S. postal regulations, subscribers in the United States have been paying $1.50 a year for several years. The United States rate will of course be advanced to $2.00 a year on March 1st.

GOLDEN JUBILEE.

Interesting History of St. Andrew's Church, Hillsburg, Published in Connection With Fiftieth Anniversary.

On Sunday, January 18th last, the congregation of St. Andrew's church, Hillsburg, celebrated the 50th anniversary of the opening of the present church building by special services conducted by Rev. Jas. Buchanan of Toronto, and by the publication of a neat History of the Congregation, prepared by the same gentleman by arrangement with the Session and Board of Managers. In spite of the stormy weather, large congregations were present on Sunday, and on Monday evening, January 19th, an old-time re-union of the members took place at the anniversary social, when addresses of happy reminiscences were given by three former ministers, Rev. Dr. W. D. Armstrong, of Guelph, who is now retired. Rev. J. J. Elliott of Midland, and Rev. S. Burnside Russell of Erskine Church, Hamilton. The minister of St. Andrew's Church, Rev. Frank C. Harper, officiated as chairman. Revs. Jas. Buchanan, of Toronto, and Rev. Mr. Stephens, of the Christian Church, Hillsburg, gave brief addresses of greeting to the congregation on the occasion of passing an important milestone in its history. The large audience thoroughly enjoyed the program in which musical and literary selections were happily contributed by local talent of which Hillsburg is justly proud.

The history of St. Andrew's dates back to the early "forties" in Erin Township when the early settlers met for worship in a twelve-foot square room in Erin Village, and then afterwards in the Union Church erected in the grave yard in the centre of Hillsburg, and now on the farm owned by a respected elder of St. Andrew's, Mr. Robert A. Reed. Anglicans, Baptists, Disciples and Methodists gathered with their Presbyterian brethren in the little union church.

The organization of St. Andrew's Church took place officially on Oct. 11th, 1862, with Rev. John Goodwill, as its first minister, though the people had been for some time cared for by the loving faithfulness of Rev. John McMurchy, who had relatives in their number. The first Kirk session elected and ordained were Angus McMurchy, Sr., John McLachlan, Hector McVanel and Donald Robertson.

The history of St. Andrew's church as published and now on sale, has recorded many interesting episodes of the life of the ministers and people since those early days, and is illustrated with clearly printed photographs of all the ministers, elders and others closely identified with the progress of the church, among them being Rev. Jno. McMurchy, Rev. Jno. Goodwill, Rev. Jno. Strachan, (and his son, Rev. Dr. Dan. Strachan, of Toronto), Mr. and Mrs. Angus McMurchy, Sr., their daughter, Mrs. Jno. Carmichael and Mrs. Isaac Green, Mr. and Mrs. John McLachlan, Mr. and Mrs. Colin Robertson, Colin McLellan, James Gibson, Sr. and James Gibson, Jr., Angus McMurchy, Jr., Arch. McLachlan, Henry Meldrum, Rev. Robert Fowlie, W. H. Nodwell, Robert Barbour and Wm. Barbour, Jas. Young, Sr., Donald McMurchy, Rev. Dr. W. D. Armstrong, Rev. J. J. Elliott, Donald McKinnon and Rev. M. McKinnon, Jno. P. Young, Rev. Burnside Russell, Rev. R. S. Scott, Capt. Rev. F. C. Harper, and the groups of the present Session and Board of Managers.

As the number of books is limited, all who desire a copy should secure one at once, and it is a matter of congratulation that the photographs of so many of the religious pioneers of Erin Township have been thus preserved in book form together with the interesting events of long ago.

Manager A. W. Baldwin, of the Guelph street railway, has resigned.

THEY "LISTENED-IN."

The practice of "listening in" on rural lines does more, perhaps than any other to lessen the usefulness of the telephone to the farmer and his household.

Upholding the action of the Sandwich West Telephone Company in removing telephone equipment from the home of Albemy Meloche because, it was claimed, members of the family had "listened in" on party lines, Justice of the Peace Joseph White, at Sandwich, Thursday, January 22nd, dismissed the suit brought by Meloche against the company.

Testimony of 27 witnesses was heard before a decision was reached. Some of the witnesses told the court the Meloche family had interrupted calls on party lines, during which strong language was used.

The court held that Meloche had violated the company's rules in allowing his family to intrude on busy lines.

ROCKTOWN.

(Intended for last week.)

Will you kindly allow me space in your columns for a short narrative of my travels. Starting down the 1st line, the first place I dropped in was Mr. John Scott's, where I was invited to stay for dinner. This I gladly did. While I was there Oliver said he was going down to McFadden's, so I rode with him to the 3rd line. While we were talking Errol Lewis came along enquiring how the roads were to Violet Hill. Starting down the 3rd line Theo. Wilson overtook me and asked me to have a ride. When I got in with him he told me about the mistake in getting another man's chop, but added that he had the best of it. When we came to McCutcheon's gate Theo. said he was going in. I then continued on my way to Mono Centre, where the first man I met was Archy McQuilkin, who invited me in for supper. I accepted the invitation and we had a pleasant chat. Going east I met Clinton McCutcheon, who informed me that the married women were good heads, but added that he was going to school now. When I went into the village store Mr. Donaldson asked me to spend the night with him and have a game of checkers. After I started out the next day I met Lytle Thompson, who told me he was going down to Joe Pearson's. Meeting Willie Holmes he asked me to have dinner with him and as he is a jolly good fellow I thought I would. On the 5th line I met Clarence Haddock, who told me he had been over to Lewis' the other night. Meeting Clarence Henderson he told me he wished the weather would change as the 6th line wasn't very good. Who should come along just then but John Conn going to the mill. He told me that the stones were peeping up again. When we got to the mill Wilfrid Nelson asked me to stay for the week-end with him, which I agreed to do.

"VOIX DE VILLE" said Jean Chardavoine, a French musician; and thus came into being three hundred and fifty years ago what to-day we call "Vaudeville".

Vaudeville is the melting pot of the dramatic and musical arts. In it nothing is out of place; it includes drama, comedy, tragedy, farce and burlesque; and every form of music from grand opera to jazz is heard upon its stage.

Every city has its favorite vaudeville house. But you—who live at a distance from the great cities—can have vaudeville right in your home, with

BRITISH EMIGRATION.

"Does the old country want to keep its population?"

No country desires to lose thousands of its best citizens. At the same time, it must not be forgotten that the British population is overflowing. Before the war, there was at least an annual migration of about a quarter of a million persons to various parts of the world—something like 150,000 entering Canada, but up to the back end of the present year, there had been practically no emigration since the first half of 1914. Through the war in actual deaths on the battlefield, or as the result of wounds and disease, the British armies apart from those of the Dominion lost 530,000, so that calculatig on the basis of a quarter million annual emigration which was restricted for five years, over that period in numbers, the British Isles lost less by the war than they would have in the ordinary course through emigration.

The chief features in the new emigration movement will be the increased numbers of women who will leave the old country, and among the younger men, a greater proportion than formerly of those who (before the war) had been following sedentary occupations in offices, warehouses and such like. These young men have gone through the war. They have been salted to a rough life so to speak, and many of them desire nothing better than to take up work on the land, and otherwise to do the pioneering work of the British Empire, and add to the prestige of the old Flag. The fact that they have come through the war has proved that they are not unfit; yet I find that there has been a tendency on the part of the Canadian Authorities in London to discourage these men from going to Canada, even though they had work to go to and friends to receive them. That is—when these men applied for free passages under the British Government Scheme for granting free passages to discharged servicemen, and the British officials referred these to the Canadian Emigration office for approval, the Canadian officials promptly turned the applications of the men down, and they were prevented from getting what they were justly entitled to as men who had done their bit for the Empire. But nevertheless by paying their own fares they were enabled to get away just the same, to arrive in Canada 100 dollars or so out of pocket, remarking that it must be "Some" Government that so arranged matters. I can say this also that I can conceive of nothing more likely to make the name of Canada unpopular with British ex-servicemen in the old country, especially after all they had been told about the glorious independence and freedom which pervaded the Dominion. As one man said to me recently, "we have long been accustomed to red tape in this country, but the Canadian product seems to be even ranker than the home-grown variety." It seems to me there will have to be some "lot up" in the restrictions against British servicemen, otherwise there will be serious heart burnings in various quarters where, hitherto, there has always been a kindly feeling towards Canada. Of course we know it is necessary that the interests of the returned Canadians should be protected, and undesirables excluded, but it seems to me that this idea has been stretched beyond reasonable limits.

The war, with the call it made upon all classes and conditions, irrespective of sex, has had the effect of creating a greater feeling of self-reliance in the average British woman than perhaps she had formerly. The position of woman in the life of the community is to be very different from what it was before the war. Woman has been emancipated in various ways. She has become fully alive to her importance as an industrial factor. Many women, however, are looking across the seas for the opportunity that will enable them to give full expression to all their energies. The result is that the Dominions will benefit in a greater degree than formerly from the incoming of a large number of very capable women from the Home Country, and as workers it will be found that their standard has been raised through the part they had to take in the industrial life of the Community while the men were in the trenches.

And while on this subject, I might say that in some instances it would have been well if the Canadian soldier who married in the Old country had consulted the Salvation Army before he embarked on the uncharted sea of matrimony. It is true we do not conduct a matrimonial bureau, but we have facilities at our disposal in the way of giving counsel and advice which might have prevented many hasty unions, and we fear in some instances the subsequent repenting at leisure. — Commissioner Lamb of the Salvation Army.

Malcolm Halliday and Ed. Lacey, London, who pleaded guilty to stealing a quantity of tobacco in Chatham, were allowed to go on suspended sentence.

THE FORWARD MOVEMENT

The stormy, wintry weather and the prevailing flu epidemic hindered the Forward Movement campaign, but proved powerless to prevent its ultimate success. Owing to these two adverse factors the canvass was held up badly in many congregations, but the work will be continued until completed and there is now every reason to believe that the objectives set for the individual congregations will be exceeded in the great majority of cases. Taken over the whole of Canada three of the five great Protestant bodies taking part in the drive have already reached and passed their objectives. These are the Methodist, Baptist and Congregational churches. The other two Churches, the Presbyterian and Anglican, have each over 90 per cent of their objective and final figures will undoubtedly put both denominations well beyond their goal.

Owing to the unfavorable weather and the flu none of the local congregations have been able to complete the canvass and final figures will not be obtainable for another week or ten days. With an objective of $8,500 St. Andrew's church has about $9,200 subscribed and the country part of the congregation practically untouched yet. The Methodists have well toward $4,000 of their $4500 objective subscribed and are sanguine that they will go over the top. St. Mark's church had an objective of $2,000, practically the whole of which has been subscribed.

Orangeville District of the Methodist church had an objective of $29,604 and outside of the city of Toronto had the honor of being the first District over the top in the Toronto Conference.

The returns from Orangeville Presbytery show how very incomplete are the reports at this stage. The Presbytery objective is $40,000. 23 congregations report subscriptions amounting to $18,767 and most of these state that they have not finished their canvass. 27 congregations have not yet reported. Eight of the reporting congregations have exceeded and two of them—Mount Pleasant and Ventry—have doubled their objectives. When complete reports are received there is every confidence that it will be found that the Presbytery has exceeded the $40,000 mark.

Very few returns have reached The Banner from country congregations in this district. Mono Mills Methodist church is one of few. The cogregation had an objective of $600 and actually subscribed $876. The objective set for the Mono East Parish of the Anglican church was $1700. The amount actually subscribed was $2003.

LIFE ON A RURAL MAIL ROUTE.

One of the Orangeville mail couriers has handed the Banner the following contribution, which he avers is an original production:—

We meet young ladies standing out waiting for a three cent stamp to post a letter to their sweetheart, just gone away. We meet older ladies waiting to have a post office order written out to send to the T. Eaton Co. for some goods. The courier is expected to do all this even when the thermometer registers twenty-two below zero and he is half frozen. We meet children nearly frozen because their parents do not buy good clothing in their home town. We meet men who will put the courier's horse and rig out in the deep snow. We meet men who will give us all the road. We meet men who are careful to see that their names are kept on their mail boxes and we meet others who don't bother a bit about it. We meet men who see we have gone out and then take possession where we left. We meet men who keep the road shovelled out to their boxes, but the great majority do not, and the mail horses have to wade through the deep snow to reach the boxes. We meet men who will give at Christmas and we meet other men who do not. We also meet men who say that our horses are shod very nicely and ask us why we don't carry a hammer to knock off the snowballs.

We meet men who travel at great speed
Enough to frighten a horse out of a year's feed
But the mail order horse jogs along day after day
Getting three meals of good oats, bran and hay.

PILES ENTIRELY CURED

Mr. Wm. Woodell, 107 St. John St. Carlton, St. John, N.B., writes:— "I have used Dr. Chase's Ointment for itching, bleeding piles, and as a result have been entirely cured. For years I was a great sufferer from this distressing ailment and can say that three boxes of Dr. Chase's Ointment cured me. You may use this letter for the benefit of others."

Uplift Thrown Down.

George Cohan told at the Players' club a story about elevating the stage.

"An actor in a fur coat," he began "said to me the other day:

"'For uplift, George, I once played Ibsen's Master Builder to the Bullfrog miners.'

"'Humph,' said I. 'Did you have a long run?'

"'You bet we did!' said he. 'About four miles.'"

Macleod; Treasurer, Mrs. Dahl; Educational Secretary, Mrs. Adamson; Press Secretary, Mrs. Sproule; Echo Secretary, Mrs. Adams; Standard Bearer, Miss Gertrude Irvine; Pianiste, Mrs. J. Z. Henry; Corresponding Secretary, Mrs. J. M. Deagle; Councillors, Mrs. Hulse, Mrs. Hogg, Mrs. Deagle, Miss Hulse, Miss Kelly, Miss Hewat, Miss Norris, Miss Clark, Mrs. Connell, Mrs. Alex. Walker, Mrs. Hopkins.

Those who have been saving tin cans have missed the boys calling for some time and hope they may be out in full force next Saturday.

Through their Treasurer, Mr. Ted Yates, the young people of Orangeville have kindly donated the sum of $23 to the Daughters of the Empire for their hospital work. This represents the proceeds of the Dance given on Feb. 6th.

Mr. W. Fairbairn donated three chickens to the hospital. The gift needless to say was much appreciated.

LAUREL.

Business is flourishing in our little burg despite the cold weather. Everyone is looking forward to a return of the fine winter weather with which we were favored last week.

Warren Grosskurth, our popular storekeeper, says that business is good, but complains that he finds the weather a little too frosty.

Hughes Bros., our buttermakers, are laying in a good supply of wood and ice, so they must expect summer sometime.

Geo. Hornett, our general blacksmith, is going early and late. George says he can make anything except a wedding ring.

Our crushing mill would be a great boon to the farmers if it were running, but I am sorry to say it is not.

We would like to know:—

Why Wm. Patterson has decided to quit farming and take a trip. Is it a dear hunt? If so, we would advise him to take J. McGowan and R. Greason with him as guides.

If E. Richardson still fancies the clerk.

If Robt. Rennick has made up his mind.

Why Wm. Langtree goes through the fields when he can get on the road.

Why Jas. Brown still hesitates.

Why J. Varcoe says he would rather have Orangeville after night than Toronto in daylight.

If F. Gordon intends to take a big share in The Bell Phone Co.

Why L. McCabe looks so down-hearted.

If H. Maltby likes it hot or cold.

Will Ewing says the boys can do as they like but he is going to press hay.

We understand that George Walker, one of our village young men, has gone to Detroit to take a $400 course in one of the largest automobile schools in the United States. The course will cover all makes of autos, tractors, gas engines and trucks. We are glad to learn that he intends to start business in Laurel, as he will no doubt make a first-class expert when he graduates.

JOINT SOCIAL EVENING

Owing to the stormy weather the snowshoe party which the Young People's Societies of St. Mark's and St. Andrew's churches had arranged for Monday night was called off. In its stead a delightful social evening was held in St. Mark's School Room, with the Presbyterian Society as guests of the A. Y. P. A. The evening was very pleasantly spent in contests, games and other amusements. St. Mark's Church orchestra contributed a number of selections, which added much to the enjoyment of the occasion. At the close of the program sandwiches, cake and coffee were served by the Anglican young people.

A TERRIFIC STORM.

This part of Ontario experienced one of the worst winter storms of the year on Sunday. A terrific wind from the northwest drove the snow in swirling, blinding clouds that made it impossible at times to discern objects more than a few feet away. The roads filled up rapidly and by the afternoon were impassable in many places. The high wind packed the driving snow so solidly that the banks would carry pedestrians and even horses in places. The railroads were hard hit by the storm, traffic being completely tied up on a number of the branch lines. Tuesday morning the passenger trains from Toronto got through as far as Orangeville in fairly good time, but made no effort to go any farther north or west. A passenger train was made up here shortly after noon for Toronto. The two regular trains returned south at the usual time in the evening. Monday night the Owen Sound train got through to its destination alright, but did not get south again as far as Orangeville until yesterday forenoon. The Teeswater stuck near Grand Valley on Monday night and after making several futile attempts to get through the drifts the crew gave up the struggle and brought the train back to Orangeville. The line remained tied up until yesterday forenoon.

FELL IN RACE.

Wallace, the young son of Mr. and Mrs. J. A. Armour, met with a painful accident at the Y.M.C.A. Wednesday afternoon. With the rest of the boys in his gymnasium class he was running in a relay race. He was the last runner to start and in his anxiety to overtake the leader he slipped and fell on his right arm. As a result a "green-stick" fracture of the forearm occurred. A" green-stick" fracture is when the bone is cracked and bent, not broken right across. He was taken to the G. and M. Hospital by Dr. Gaviller and an X-Ray examination made of the break. The lad is resting nicely although the break is very painful, and he will have a sore arm for many weeks.—Owen Sound Sun-Times.

BABY'S OWN TABLETS ALWAYS IN THE HOME

Once a mother has used Baby's Own Tablets for her little ones she always keeps a supply on hand, for the first trial convinces her there is nothing to equal them in keeping children well. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion, colds and simple fevers and making teething easier. Concerning them, Mrs. Saluste Pelletier, St. Dumas, Que., writes:—"I have used Baby's Own Tablets for the past ten years and am never without them in the house. They have always given the greatest satisfaction and I can gladly recommend them to all mothers of little ones." The Tablets are sold by medicine dealers or direct by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Alaskan Indians End War.

War, mostly of the smoldering variety, but which in past generations has blazed up and drawn blood, no longer exists between the Sitka and Wrangell clans of the Keck-Wan-Ton caste of the Thlinket Indian tribe of southeastern Alaska. Peace has been declared. The Indians decided to set aside their tribal customs. Disputes, the Indians decided, in the future will be settled by the white man's law, instead of by hostilities. No Indian now living can remember the time when the Sitkas and Wrangells were at peace. With the passing of many of the old tribesmen, however, the younger men, imbued with the ideas of modern civilization taught them in the government schools, decided they wanted peace.

MRS. THOS. H. WHITE.

The news of the death of Mrs. Thos. H. White, of Mono, in Lord Dufferin Hospital late on Friday afternoon came as a great shock to a wide circle of friends and acquaintances. Her death was due to a severe attack of bronchial pneumonia, shortly after the birth of a child. In her weakened condition she was in a poor condition to make a successful fight against the insidious malady that had marked her for its victim. Everything possible was done by the doctor, the nursing staff of the hospital and those to whom her life was so dear, but unfortunately their efforts were without avail. The late Mrs. White was the youngest daughter of Mrs. James McMaster, Prince of Wales Road, Mono. She was a young woman of many accomplishments, being particularly gifted as a musician. She was a finished pianiste and prior to her marriage was a successful music teacher. Her untimely death is a severe blow to the husband and little family. She leaves two sons, the older of whom has been and is still seriously ill with the influenza. The younger is a babe only a couple of weeks old. Mrs. White is also survived by her aged mother, three brothers, Messrs. John A. McMaster, of Vancouver, J. W. McMaster, of Snelgrove, and J. E. McMaster, of Mono, and two sisters, Mrs. A. M. Laird, of Norval, and Mrs. T. J. Harshaw, of Mono. The funeral was held from the home of her mother on the Prince of Wales Road to the Forest Lawn Cemetery on Sunday afternoon. The terrific storm had made the roads almost impassable, but notwithstanding this quite a number of the friends and neighbors were present to pay a last mark of respect. The services were conducted by Rev. W. M. Morris, pastor of St. Andrew's church, and Rev. Capt. T. H. Stewart, rector of St. Mark's church. The pallbearers were Messrs. R. W. Langford, James A. Leighton, John White, J. W. McMaster, A. M. Laird and J. E. McMaster. A number of beautiful floral tributes bore mute testimony to the sorrow and sympathy of friends of the departed woman.

MRS. W. CLUTTERBUCK

The death of Mrs. Walter F. Clutterbuck, who spent most of the summer in Orangeville a couple of years ago, took place at her residence, 11 Broadway Ave., Toronto, on Friday last after a short illness from pneumonia. Deceased, who was in her 36th year, was Miss Sadie Wilson before marriage. She was a daughter of the late Robert Wilson of Hamilton and previously of Orangeville. She is survived by her husband, one son and one daughter. We understand that Mrs. Clutterbuck was the last surviving member of the Wilson family. The funeral was held to Prospect Cemetery on Saturday afternoon.

—The safe way to send money by mail is by Dominion Express Money Orders.

MRS. F. T. JEFFERS.

The many friends of the family learned with deep sorrow of the sudden death on Sunday of Mrs. Ruby Pearl Jeffers, beloved wife of Mr. Fred T. Jeffers, of Toronto. The sad event took place at her home, 6 Wyndham St., on Sunday evening after a short illness from pneumonia. The deceased, who was 35 years and 7 months of age, was the second oldest daughter of Mr. and Mrs. James Montgomery, of this town. About fifteen years ago she was married to the late Mr. W. J. Harrison, of Caledon, who predeceased her about three years ago. A little over a year ago she was married to Mr. Jeffers and shortly afterwards moved to Toronto, where she has since resided. Besides her husband and parents her death is mourned by five sisters and three brothers. The remains were brought to Orangeville for interment, the funeral taking place from the home of her parents on West Broadway to the Forest Lawn Cemetery on Wednesday afternoon. Rev. W. M. Morris conducted the services at the house and grave and Messrs. Dougal Reid, Chester I. Glassford, Thomas Robinson, Roy Hulse, C. V. Jeffers and Wilbert Jeffers were the pallbearers. The following floral tributes bore mute testimony to the high esteem in which the deceased was held: A pillow from her husband; a broken wheel from the parents, and sisters and brothers; a broken circle Mr. and Mrs. C. V. Jeffers; and sprays from Mr. and Mrs. J. M. Still, Glencross, Mr. and Mrs. J. A. Anderson, Toronto, Mr. and Mrs. S. G. Smith, Toronto, Mrs. Wesley Montgomery, Toronto, Mrs. Herman Jones, Toronto, Mr. and Mrs. Thos. H. Bracken and Mr. Wilbert Jeffers. The sympathy of the many friends of the family is extended to the bereaved husband, parents and sisters and brothers.

FRED MARSHALL.

A telegram was received in town shortly after we went to press last week from Calgary stating that Fred Marshall, only son of Mr. and Mrs. F. J. Marshall, formerly of this town, had passed away after a prolonged illness. Deceased was about twenty two years of age and had served overseas. He was born in Orangeville.

MRS. JAMES HACKETT.

The death of Mrs. Catherine Hackett, an old resident of Orangeville, took place at her late home, corner of Alexander and Chisholm Sts., at an early hour on Monday morning after a short illness. Deceased, who was 70 years and 6 months of age, is survived by her husband, James Hackett, formerly a shoemaker in town, two sons, Jos. and Gil Hackett and two daughters. The funeral was held from her late residence to the Forest Lawn cemetery on Tuesday afternoon. Rev. John Dodds was the officiating clergyman.

ROBERT COBEAN.

On Thursday, February 5th, the death of Robert Cobean, in his 73rd year, occurred at the family residence on Queen street. The late Mr. Cobean was born near Orangeville, where he spent his youth. He took up the trade of wagon making and was recognized as one of the best mechanics in the business. He moved to Owen Sound and from there to Paisley and Glamis. Thirty-two years ago he came to Kincardine and entered the employ of the Andrew Malcolm Furniture Company, with whom he remained until about two years ago when he retired from active service. He was a man of quiet, unassuming manner, kindly in heart and as generous as his means would allow him to be. He won the esteem and respect of his fellow citizens, who will deeply regret his passing away. He was a veteran of 1866 and joined the volunteers to defend Canada from the invasion of the Fenians. He was a member of the Methodist Church, and also of the Brotherhood Bible Class of that church. In politics he was a Conservative. He married Miss Anne Patterson, 4th of Bruce. The union was blessed with a large family, the wife and following are left to mourn his death: Robt. R., Wm. T., Mrs. F. Kearns, Mrs. C. C. Haines, Kincardine; George, of Elmira; Mrs. Fred Shaw, of Port Arthur. To these is extended the deepest sympathy of a large circle of friends. The funeral took place on Saturday afternoon last to Kincardine cemetery, being largely attended. The Rev. F. C. Overend, pastor of Knox church, officiated, owing to the illness of the Rev. J. N. Clarry. The pall bearers were Messrs. Robert Hunter, John Anderson, Frank Sellery, Joseph Wilson, T. E. Pollock and J. J. Hunter. Mrs. Robt. Turner, a sister, and Miss McLean, a niece, of Owen Sound, and Mr. A. P. McWhinney, M.P.P., Bruce, were here attending the funeral.—Kincardine Reporter.

REV. D. A. HAMILTON

His Orangeville friends join in regretting the death of Rev. Duncan A. Hamilton, a Presbyterian clergyman, which occurred very suddenly from pneumonia at his residence, Sutton West, Ont., on Tuesday of last week. Deceased was a son-in-law of the late William Clark, of Orangeville and Alton, and supplied the pulpit in St. Andrew's church here for a couple of months one summer a short time before his marriage. Mrs. Hamilton will be remembered by many of our readers as Miss Jennie Clark. Mr. Robert Clark, of Alton, attended the funeral, which was held to Sutton West cemetery on Thursday afternoon.

30 Days Hard Labor

Or---

"JUST a minute your worship."

AN Officer in uniform steps forward, and holds a quiet conversation with the magistrate and other court officials.

THE story is simple and oft repeated. Just a lad—in this case from N——. Got into fast company. Gambled, took money from employers. Hoped to win and pay it back.

FOUND out—arrested and jailed.

OF course he's sorry—but the Officer has sized him up. Believes he has the stuff to make a man of. Knows that a jail sentence may only harden him and start him toward continued criminality.

THE Officer in uniform was the Salvation Army Probationer. By manly counsel, supervision and prayer he enables the lad to regain control of himself and get another start, free from the stigma of a prison sentence.

IF someone you know makes a false step don't judge them harshly.

"THERE is so much good...." you know.

"MOVIES" UP IN ARMS.

All Advertising Must be Submitted For Censorship—License Fee of Ten Dollars Imposed.

All the country movies are up in arms over an Order in Council recently passed, compelling them to submit to the Inspector's Office at Toronto all local advertising issued by them, such as their weekly newspaper advertisement, copy for hand bills, or any printing pertaining to the theatre program from night to night, and per usual, after enumerating a long list of orders that must be complied with the notice closes by stating that a license charge of $10.00 must be sent into the office at Toronto before you can receive the service which is shoved onto the "movie man."

It looks to us like another case of extracting an extra $10 from each theatre in the country regardless of the inconvenience the Order may be to the management. It also means the cutting off of a great deal of business to the country newspaper. How can the Inspector of Theatres expect a show house fifty or one hundred miles from Toronto to submit its advertising copy, and have it examined and returned in time for each issue of the local newspapers. As a rule the theatre man does not know exactly what advertising he wants to run until two or three days before the publication date. The new regulation seems an unnecessary infliction in view of the fact that plays and all general advertising matter are censored before they leave the film companies. It is little wonder that the "movie" men are up in arms

An important real estate deal was transacted in Shelburne whereby the firm of H. White & Co., Ltd., acquired from D. Henderson the large cement block on the corner of Owen Sound street and First avenue, known as the implement and monument building, and at present occupied by S. H. Rutledge.

The surest way to avoid these painful results is to use Zam-Buk. This healing, herbal balm applied regularly each night, before retiring, will keep the hands and arms in perfect condition. YOUR TOWN.

By W. T. Denniston

If you want to live in the kind of a town
Like the kind of a town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.

You'll find elsewhere what you left behind,
For there's nothing that's really new,
It's a knock at yourself when you knock your town
For it isn't your town—IT'S YOU.

Real towns are not made by men afraid
Lest somebody else gets ahead;
When everyone works and nobody shirks
You can raise a town from the dead.

And if while you make your personal stake
Your neighbor can make his, too;
Your town will be what you want it to be
For it isn't your town—IT'S YOU.

WILLIAM J. M'PHERSON.

Mr. W. J. McPherson who came to the village from East Luther a few months ago, died Monday morning after a week's illness from pneumonia. He was up street a week ago Saturday, showed no evidence of any cold or illness and was taken down on Monday. From the first his condition was considered serious, and despite tender care and nursing the end came in a week. Mr. McPherson was born in Chinguacousy township and came to Luther 48 years ago settling on the 7th concession. About 16 years later on account of failing health he came to this village, remaining for 4 years, and built the house he bought last fall. With this exception he spent his years on the farm, which he made one of the best in the vicinity. He was not only a very successful farmer, but a man of high ideals, honorable motives and strictest integrity. In politics he was a strong Conservative, and in religion a Presbyterian, being an elder for many years. In 1882 he married Elizabeth Adeline Fawcett of Drayton, who proved an able helpmate, and survives her husband with the following children:—Robert H., of Druis, Sask.; Mrs. A. McGill, of Plenty, Sask.; Mrs. Edw. Townsend and John O. of East Luther, and Mrs. B. O. Collins of Haverhill, Mass. The funeral took place to-day to the Union Cemetery.—Star and Vidette.

GETS INSTANT RELIEF AFTER FOUR YEARS

TORTURED WOMAN TRIED DODD'S KIDNEY PILLS.

Kidney Disease and Insomnia Had Made Her a Nervous Wreck Till She Used Dodd's Kidney Pills.

Dunvegan, Inverness Co., N.S.,—Feb. 9th. (Special)—Women who are dragging wearied limbs around, weighed down with a suffering and tiredness that can find no rest, will find sunshine and hope in the message Catherine McPherson of this place sends to them.

"I have just used one box of Dodd's Kidney Pills," Miss McPherson states, "But they did wonderful good for me.

"For nearly four years Kidney disease tortured me. It finally developed into diabetes. I became a nervous wreck and insomnia was added to my troubles. I was so weak and tired and irritable that every trifle added to my discomfort.

"Dodd's Kidney Pills gave me instant relief. They are a wonderful medicine. I shall recommend them to all my friends."

Dodd's Kidney Pills are purely a kidney remedy. They put the kidneys in shape to strain all the impurities out of the blood. That's why they bring health and restful sleep in their train.

PUBLIC WAS STUNG

Smooth Stranger Fleeced Thirsting Natives Up North.

A number of parched residents of Sunderland, Cannington and Beaverton are thirsting for the gore of a gentleman who made his appearance just before Christmas taking subscriptions for various brands of bottled cheer. When the smooth stranger first loomed on the North Ontario horizon, he was as popular and full of promise as a famous candidate. He revived the waning faith in Santa Claus, and gave an added glow to the joys of Christmas. For he contracted in consideration of cash paid and credit pledged to fill the vacant cellars with those brands of liquids joy-killing governments have vanished to the other side of the Ottawa River.

Subscriptions came his way with a rush, and when he departed he is said to have carried $700 of local cash about his person. Then came a period of waiting, a period of the hope deferred variety that maketh the heart sick. The waiters are still waiting, but they are no longer sick. They're mad. Now it is the open season for subscription canvassers, and the man who could get a stick of cordwood for a weekly newspaper would have to carry the press in his pocket in order to assure a suspicious public that he could and would deliver.

THE SINGLE HEAD OF WHEAT.

All my daily tasks were ended
And the hush of night had come,
Bringing rest to weary spirits,
Calling many wanderers home.

He that goeth forth and weepeth,
Bearing golden grains of wheat,
Shall return again rejoicing,
Laden with the harvest sweet.

This I read, and deeply pondered
Of what seed my hand had sown,
Of what harvest I was reaping,
To be laid before the Throne.

While my thoughts were swiftly glancing
O'er the path my feet had trod,
Sleep sealed up my weary eyelids
And a vision came from God.

In the world's great field of labor
All the reapers' tasks were done,
Each one hastened to the Master
With the sheaves that he had won.

Some with sheaves so poor and scanty
Sadly told the number o'er;
Others staggered neath the burden,
Of the golden grain they bore.

Gladly then the pearly gateways
Open wide to let them in,
And they sought the Master's presence,
With their burdens rich and thin.

Slowly, sadly, with the reapers,
Who had laboured long and late,
Came I, at the Master's bidding,
And was latest at the gate.

There apart from all the others,
Weeping bitterly, I stood:
I had toiled from early morning,
Working for the others' good!

Where one friend had fallen fainting,
By his piles of golden grain,
With a glass of cooling water
I revived his strength again.

And another, worn and weary,
I had held and cheered awhile,
Till, her failing strength returning,
She went forward with a smile.

And the others I had aided,
While the golden moments fled,
Till the day was spent, and evening
On the earth her tour drops shed.

And I to the Master's presence
Came with weary, toil worn feet,
Bearing, as my gathered harvest,
But a single head of wheat.

I have laboured hard, O Master,
I have toiled from morn till night,
But I sought to aid my neighbors,
And to make their labours light.

So the day had passed unnoticed,
And to-night with shame I come,
Bringing as my gathered harvest,
But a single wheat-head home.

Then I laid it down with weeping,
At His blessed, pierced feet,
And He smiled upon my trembling—
Ah! His smile was passing sweet.

"Child, it is enough," He answered,
"All I asked for, thou hast brought,
And among the band of reapers,
Truly, bravely thou hast wrought."

Then I woke; but long the vision
In my heart I pondered o'er,
While I tried to see what meaning,
Hidden in its depth it bore.

And at length its lesson slowly
Dawned upon my wondering mind,
Never mind what others gather,
Do whate'er thy hands can find.

If it be thy 'lotted mission
Thus to serve the reaper band,
And the evening find thee weary
With an empty sheafless hand.

Let thy heart be never troubled,
Faithfully fulfil thy task,
Have no fears that He will chide thee,
Heavy sheaves He will not ask.

—Mrs. R. I. Curry.

ELBA

(Intended for last week)

On the 20th of January, 1920,
Robert Little did a party make
And each boy did his lassie take
And fiddlers and callers they were plenty.

Robert he greeted each one at the door,
And when they all came he wished there'd come more.
His heart he said was feeling quite sore
One was not there whom he did adore.

They were up on the floor about nine o'clock
The rosy-faced girls with their low-necked frocks,
And some of the boys had on silken socks
At Robert Little's party.

Norm Lindsay he was on the floor,
Until his heart it was nearly tore
For he said he loved her as never before
At Robert Little's party.

Frank Turner he came from the West
And he was looking his very best
He took his sweet mate on his arm to rest
At Robert Little's party.

George Lanktree he came from the south
He said 'twas a treat for him to get out
And his heart was coming right out of his mouth
At Robert Little's party.

The Halbert Bros. they were there too
But Leonard he was feeling blue,
He said he would liked to have brought his gal too,
To Robert Little's party.

Elroy Wilson was in plenty of time
For it's not the first time he's been down the line,
With a bunch of sweet violets his heart did entwine,
At Robert Little's party.

And one fair-haired maiden brought two pair of shoes,
And one of the pair she happened to lose,
They hunted and looked, but the shoes did not find,
At Robert Little's party.

The party broke up around about four
Such a good time they had as never before
And all left for home although it was cold
From Robert Little's party.

NEEDED HELP TO RISE FROM CHAIR

Captain Barrigan Praises Tanlac For Relieving Wife's Troubles.

Another splendid endorsement for Tanlac that will be read with interest by the people of Nova Scotia was given by Captain John Barrigan, of Smith's Cove, Halifax County, recently.

Captain Barrigan called at Kinley's in Halifax and made the remarkable statement that two bottles of Tanlac had done for his wife more good than all the other treatments and medicine she had taken in twenty years.

As a sea captain Mr. Barrigan is known and popular at every port along the East coast of Nova Scotia. He has lived at Smith's Cove for the past forty five years, is manager of the M. A. Barrigan general merchandise establishment there, and his standing and influence in the community are too well known to require further comment.

"My wife has been suffering from badly disordered kidneys for twenty years," continued Captain Barrigan, "and while she has taken all kinds of medicine it's a fact that two bottles of Tanlac has done her more good than everything else combined. Her kidneys have been in bad shape so long that her general health had become so impaired that she could not do her housework at all. She complained of severe pains in her sides and her back was so stiff and painful that for days at a time she could not get out of her chair without help.

"After Tanlac came to Halifax and so many people got to making statements about how it had benefited them my wife decided to get a bottle and see if it would help her. Well, the results in the short time she has been taking it are nothing less than wonderful. Her kidneys are in better condition than they have been in years. The pain is rapidly disappearing from her back and sides and she has improved in every way until she can get around just fine. I haven't seen her looking so well in a long time. She says she is feeling better, and we are both convinced that Tanlac is in a class by itself. I am not looking for publicity, but there are the facts in my wife's case and we feel that the public should have the benefit of them."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

IN MEMORIAM.

LANGFORD—Lines in memory of the late Jas. E. Langford, who departed this life January 25th, 1919:—

"One year has passed since that sad day,
When the one we loved was called away,
God took him home, it was His will,
But in our hearts he liveth still
Forget him. No, we never will,
We loved him then and we love him still,
For of the best that God could send,
A loving father and faithful friend,
We miss him, and mourn him in silence unseen,
And dwell on the memories of the days that have been."

OPERATION FOR APPENDICITIS.

Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes:—"My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills. Since doing so he has had no need of an operation or even of a doctor as the trouble has completely left him. I cannot find words to speak our gratitude for his cure.

BEST INVESTMENT GILBERT EVER MADE

Tanlac Restored Dartmouth Man To Health Two Years Ago—Still Feels Fine.

"Yes, sir, I can recommend Tanlac for it set me right two years ago, while I was living in Hamilton, Ont., and I have been in good shape ever since," said Jeffrey Gilbert while in Kinley's Drug Store in Halifax, recently. Mr. Gilbert resides at 35 Ochterloney street, Dartmouth, and is employed as boiler maker at the Halifax shipyards.

"Never in all my life," he continued, "have I had a medicine to do me so much good as Tanlac. My stomach had been giving me trouble for sometime. It just seemed like I could not eat anything but what would give me indigestion of the worst kind.. I would bloat-up with sour gas and feel miserable for hours after every meal. There was a feeling like a lump of lead in the pit of my stomach. I would almost double up with cramping pains and could hardly draw a deep breath. My appetite was so poor that I never relished anything to eat and I just suffered constantly with that indigestion. I was continually losing weight, felt weak and sluggish all the time and had no energy.

"I had tried all kinds of medicines, but kept getting worse, and after Tanlac came to Hamilton and so many people there got to praising it I bought a bottle and I declare that was the best investment I ever made in my life. Before I had finished the first bottle I felt a considerable improvement. Then I bought another, and another, and when I had finished my fourth bottle my stomach was in fine condition and I have not been troubled with indigestion since that time. The gas and pain all disappeared and I am still eating just anything I want without the least trouble from it. It was not only my own experience with Tanlac that convinced me that it is a wonderful medicine, but I personally know many others who took it with just as fine results as I did. You can't beat it and if I should get to where I need medicine again I wouldn't think of anything else."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

Catarrhal Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts thro' the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

$1.50 RATE AFTER MAR. 1.

On and after March 1st, 1920, the subscription rate of The Banner will be increased to $1.50 a year, payable strictly in advance. Owing to the continued increase in the cost of production no other course is left open to us. Since the war started in 1914 everything we use has increased in price, but although other country weeklies were everywhere adopting the $1.50 rate, we hesitated to make the advance in the hope that when the war was over normal conditions would again obtain in the printing and other lines of business. More than a year has now elapsed since the signing of the armistice, but instead of any return to pre-war prices the tendency has been all in the other direction. To-day the cost of producing a newspaper is about three times what it was five years ago. For instance, five years ago we could purchase nearly three tons of paper for the same money that we are obliged to pay for one ton to-day. Book and job papers, inks and every other material that enters into the production of a newspaper have advanced in a similar manner. On top of all this comes the high and steadily increasing cost of living, a matter with which everybody is familiar.

Orangeville newspapers are practically the last in Ontario to make this necessary increase in subscription price. We hope our subscribers will receive the advance in the proper spirit and stand loyally by us in the future as they have in the past. The country newspaper has had a hard row to hoe during the last few years and a number of the smaller papers have been compelled to cease publication. The dailies are to-day more than ever expressing the views, the opinions and the wishes of the people in the cities, and the continuance of an independent, unfettered country press is therefore vital to the welfare and the interests of rural Ontario. The home paper is often spoken of lightly, but one has only to reflect a moment to realize what a community would lose if it were deprived of its local newspapers and the services they render from week to week.

We will continue to accept subscriptions, whether past due or paid in advance, at the $1.00 rate until March 1st, after which $1.50 a year will be charged for all subscriptions. Owing to the U. S. postal regulations, subscribers in the United States have been paying $1.50 a year for several years. The United States rate will of course be advanced to $2.00 a year on March 1st.

Sanitary King Cream Separators

Governments and agricultural societies find with pleasure that the use of cream separators is becoming general on farms.

And this is much better, since dairy products bring farmers the most attractive profits, at the same time aiding in the fertilization of the soil.

But if the centrifugal separator has become a necessity on the farm, it is necessary to understand also that there are separators of all sorts and prices.

Mr. Farmer, we ask a few minutes of your attention. Ask for our catalog of Sanitary King Separators, read it, judge of the ideal construction of this separator and you will then decide if it merits your confidence.

The Sanitary King Centrifugal Cream Separator has points which it is impossible to find in other makes.

Note the following characteristics:

Low reservoir—Special gearing which assures easy starting and operation—Cleaning facilities—Clean and perfect skimming.

The Sanitary King Cream Separator will assure you cream of quality, good butter and, in consequence, nice profits.

Free catalog sent on request.

The Brunswick
ALL PHONOGRAPHS IN ONE

DID you ever hear of a horn or a megaphone that was square?

Do you know why they never send water through a square pipe?

Every phonograph or talking machine has a "horn," but they call them "amplifiers." They are really the megaphones of the machine. It is their duty to round out the tone and send it to the listeners.

Now what shape do you think this "horn" should be to give the best "tone"—and what do you think it should be made of—resonant, vibrating metal or wood—built on the violin principle?

Before you buy any phonograph, find out the **shape** of the horn and **what it is made of**.

One of the secrets of the Brunswick's wonderful tone on ALL records is the exclusive patented OVAL tone chamber and throat—**built entirely of wood**, like a fine violin.

It actually DOES eliminate all harshness, all the stridency, and that "tinny" timbre that we have always thought a necessary evil of the old style "Talking Machines."

All we ask is that you use your own ears—your own judgment—see this wonderful improvement with your own eyes—compare it with anything you like—at any price.

You cannot afford to make a mistake, and it costs you nothing to be sure.

MADE IN CANADA.

Have you heard the new Brunswick Record?

Remember the Brunswick Oval Horn Is Built Entirely of Wood

DUFFERIN ELECTION TRIAL

The trial of the petition against Thos. K. Slack, M. L. REFUSED TO MAKE ORDER.

The Ontario Railway and Municipal Board has handed out its finding in the Caledon and Erin Township Telephone cases. The Board refuses to make the order necessary to confirm the sale of the Consolidated Telephone Company's system to the two municipalities. This means that the system will now revert to the Company, to be again operated or disposed of as a private concern.

RICHARDSON–SMITH.

At four o'clock Tuesday, February 17th, a quiet wedding was solemnized at the home of Mrs. Hugh Smith, of Black's Corners, when her daughter, Ada Margaret, became the bride of Mr. Redmond Rihardson, of Guelph. The Rev. J. A. Redden, of Laurel, officiated.

FLAHERTY–M'GARVEY

A very quiet but pretty wedding took place at St. Peter's Church, Orangeville, on Wednesday, February 11, when Mary (Mae), eldest daughter of Mr. Philip McGarvey, became the bride of Mr. John J. Flaherty, of Erin. The marriage ceremony was performed by Rev. Father Bagnasco, of this town. The bride was prettily dressed in a suit of burgundy with collar of Carrick-ma-cross lace and was attended by her sister, Miss Loretta McGarvey, of Toronto. The groom was supported by his brother, Mr. Eugene Flaherty. After a dainty wedding breakfast at the home of the bride, the happy couple left for Toronto by the 9 o'clock train amid showers of rice and confetti. Upon their return they will reside on the groom's farm near Erin. Their many friends join in wishing them a long and prosperous life.

HALBERT–BEST.

An event worthy of record took place on Wednesday, Feb. 11th, at high noon at the home of Mr. and Mrs. George Best, of Mulmur township, when their eldest daughter, Effie Lillian, was united in marriage to Leonard Halbert, son of Mrs. Eliza A. Halbert, of Mono township. The bride, who was gowned in white georgette and veil caught with orange blossoms and carrying a bouquet of bridal roses, entered the drawing room on the arm of her father, to the strains of Lohengrin's wedding march, which was rendered by Miss Cora Best, sister of the bride. The ceremony was performed in the presence of about forty of the immediate relatives, under an arch of evergreens decorated with wedding bells and horseshoes, by Rev. R. G. Halbert, B.A., of Huttonville and Rev. Alex. Halbert, of Hillside, brothers of the groom. The groom's gift to the bride was a purse containing a cheque, and to the pianist a gold brooch. The bride was the recipient of many useful and valuable gifts. The happy couple left on the evening train for Brampton, Toronto, Huntsville and other points. After March 1st they will reside on lot 28, con. 2, Mono township.—Free Press.

CALEDON.

A large number of our citizens attended the adjourned sittings of the Ontario Railway and Municipal Board in Orangeville on Friday last, when the purchase of the Consolidated Telephone Company's plant and equipment came up for consideration. Not much evidence was submitted only that which was put in by the Telephone Company, and after hearing only their side of the question the Board decided to withold their approval of the deal which means that the Company takes everything back and conditions are just the same as before the proposition was made to the Council in 1919.

A number of ratepayers are very loud in their condemnation of the action of the Council in this matter but others say that they were a bunch selected to do the job and the Chairman commented on the haste on the part of the Telephone Company to have the deal completed in 1919. However, the future looks bright for this Council as the Reeve has certainly again demonstrated to all just what an adaptable kind of a fellow he can be and contrary to the laws of the Medes and Persians he knows the "words" aker and change.

Ex-Reeve J. A. McBride is receiving congratulations on the way he conducted the case and has proved the truth of his statement: "That we are not signed, sealed and delivered into the hands of the Philistines."

Rev. Jenkins Burkholder is still confined to the Manse with a severe attack of sciatica. We hope to see him hustling around as usual before long.

Dr. J. T. Thomas has had quite a "run" attending to Flu patients of late, but we are glad that all are making splendid progress toward recovery under his skilful care.

Messrs. Elgin Stubbs, Farquhar Baxter, Jackson Glassford, T. C. Glassford, Irwin Dodds, and family, Pat. Garrity, Francis and T. C. Bell's family, have all been victims of the epidemic but are now recovering.

The funeral of the late John Emack who died in Toronto last Monday was held from the station on Thursday morning on the arrival of the train. Mr. Emack was 64 years of age, was born in Caledon, and lived here nearly all his life. He was predeceased by his wife, daughter and two sons, and is survived by a daughter-in-law, and little granddaughter. He was a man of very genial and happy disposition and won a host of friends as evidenced by the large cortege on Thursday last. Rev. Mr. Carr, of Alton, conducted the service at the grave.

Musical selections by Miss Dorothea Browne, of Orangeville, Miss Lorna Bracken, daughter of the hostess, and the Misses Shirley helped to make the programme a success. Lunch was then served and members and visitors enjoyed a social half hour. The March meeting of the Institute which was to have been held at the home of Mrs. R. The cost to the user is substantially lower than for individual line, and the service of a high standard.

The rate for two-party line is, for Business telephones $19.80, and for Residence $19.80 per annum.

We will be glad to furnish full information to anyone interested.

INFLUENZA HAS LATER DANGERS

Particular Care Needed When the Patient is Convalescent, Says Expert.

The influenza convalescent who has apparently recovered from the disease and is yet in a strangely weak and depressed condition should be the object of particular care, according to Dr. Louis I. Harris, director of the Bureau of Preventable Diseases of the New York Health Department. In the opinion of Dr. Harris the after care of the influenza patient is most important. The co-operation of the patient, coupled with the willingness to see that the weakness and depression are a part of the illness, though coming after the disease itself has spent its force, is a big factor in effecting a complete return to full health. On the other hand, the determination to ignore this debilated condition and to fight against it, will Dr. Harris says, frequently bring serious consequences upon the patient.

After Effects Bad.

"The subject of the after effects of influenza," said Dr. Harris, "is one of particular interest to the scientist at the present time.

"First, and perhaps the most momentous condition to be considered is the striking depression, mental, nervous, and physical, complained of by most patients. Those attacked by the disease with moderate severity are almost always afflicted with this depression, which should be recognized and dealt with. Those who have had mild cases of the epidemic are little affected by depression, and their quick return to health and strength gives rise to the belief that influenza is trivial. On the contrary, influenza in its after effects is anything but trivial, and calls for the application of rules of common sense and sanitation which are the fruit of years of experience.

"Tonic treatment, well chosen diet, and great care in not becoming overtired or allowing the body to be chilled are necessary. Eggs may be eaten, but not more than two a day, for the average adult. Of course, it must be remembered that in many cases this disease tends to direct its force against the kidneys, and therefore we instruct patients to avoid eating a great amount of meat, eggs, or beef extracts. Eggs, soft boiled, poached, or beaten, raw, are advisable in limited number. The raw eggs should always be well agitated before taking.

When Good Food Is Bad.

"With milk and eggs as a foundation the patient should eat good nourishing food, including meat, fish, and vegetables, simply prepared. Frying, for instance, is out of the question. Good food prepared in an unassimilable manner becomes bad food; especially is this to be noted in cases of convalescence from influenza, for the disease often manifests itself in vomiting, and in intestinal and gastric disturbances ,and it is important not to weaken the digestive function by the eating of poorly prepared food or even the best of food in ill-advised quantities. The quantitative distribution of foodstuffs should be so adjusted as not to overtax the stomach, but the patient should eat generously and frequently."

As a tonic to build up the blood and stimulate the shattered nerves, Dr. Williams' Pink Pills are unsurpassed. These pills actually make new, rich, red blood, which reaches every organ and every nerve in the body, improves the appetite, strengthens digestion and drives away the feeling of weariness and depression always following an attack of la grippe or influenza. Those who give Dr. Williams' Pink Pills a fair trial will be amply repaid by the new health and strength this tonic medicine always gives.

EVA GLASSFORD.

Mr. and Mrs. T. C. Glassford, 2nd line, east, Caledon, have the heartfelt sympathy of their neighbors and many friends in their trying bereavement last week through the death of their only daughter, Eva Margaret, a bright and winsome child of 3 years and 3 months. The little one succumbed after less than six days illness from influenza, which developed into acute laryngitis. The end came about three o'clock on Thursday afternoon. Mr. and Mrs. Glassford were themselves ill with the flu and were only convalescing when their child was taken from them. The funeral was held to the Forest Lawn Cemetery on Saturday afternoon, Rev. Morris conducting the services at the stricken home and afterwards at the grave. Among the floral tributes were a spray from Mr. and Mrs. Albin Lemon and a wreath from the parents.

MRS. ROY CONLEY.

One of the saddest deaths that has ever taken place in this district was that of Mrs. Roy Conley, who passed away at her home, lot 22, 2nd. line, east, Caledon, about 8 o'clock on Monday night after eight days illness from influenza followed by double pneumonia. Mr. Conley and their four children were all taken ill with the flu the week before last. After going to bed on Saturday night, the young wife was also strickon with the dread disease. Sunday morning found husband and wife so ill that neither one was able to get up to attend to the fires or prepare breakfast for their sick children. Fortunately the day had not advanced far, when their plight was discovered by Mr. Glassford, a neighbor, who was doing the chores for Mr. Conley while he was ill. Aid was at once summoned and the members of the stricken household were given every care and attention by Mrs. Conley's family and other neighbors. The husband and children are now well on the way toward recovery, but the efforts of nurses and physician failed to save the life of the young wife and mother. Mrs. Conley who was only 25 years and 6 months of age, was the oldest daughter of Mr. and Mrs. Jos. Chambers, of Caledon. She was devoted to her home and family and was held in high esteem by the people of the neighborhood. Her removal is an irreparable loss to the husband and little family. The latter consists of two boys and two girls, the oldest about 6 years old and the youngest an infant of less than a year. The sad occurrence has cast a gloom over the whole neighborhood and created keen sympathy for the sorely bereaved husband, parents and children. The funeral was held to the Forest Lawn Cemetery yesterday afternoon, Rev. W. M. Morris pastor of St. Andrew's church, conducting the services at the house and grave.

MR. JOHN M'NABB

Unusually sad is the death of Mr. John McNabb, of Rosemont, who passed away about 10.30 a. m. on Wednesday, February 11th. The late Mr. McNabb had been a remarkabably vigorous man all his life. He had never been seriously ill, although he had been in failing health for the last four years. His death was due to heart failure. Born on the farm on which he died, Mr McNabb was instrumental in bringing about many changes and from a bush lot he saw the farm developed into highly fertile and well cultivated fields. The present buildings were put on the place by him. In 1911 he left the farm, moving to near Rosemont, where he had prepared a comfortable home. On Sunday preceding his death he attended divine service as usual in the Anglican church, of which he had been a lifelong member, and on Monday, accompanied by Mrs. McNabb, attended the funeral of a former neighbor, the late Thos. Gallaugher, of Alliston. On Wednesday morning he went to the old homestead and was in the act of putting some wood in the sleigh, when he dropped dead. Like a shadow softly and sweetly thrown from a passing cloud, death fell upon him.

Mr. McNabb passed his alloted span of three score and ten by two years. Having lived in the Rosemont community all his life he knew and was known by everyone within a wide radius. He was congenial, because in the unselfishness of his disposition he found pleasure in self-sacrifice for the happiness of others. He was greatly respected by all who knew him, his home being open to friends and strangers alike. In his political convictions he was a Conservative, but he did not always vote for the party, but for the man whom he considerd best qualified for the position. One of his last acts was the affixing of his signature to the great Forward Movement pledge in order that other lives might be blessed.

The funeral took place from his late residence to St. Luke's Church cemetery on Friday, the 13th inst., at 2.30 p.m., for service and interment. Rev. G. L. Gray took charge of the services and was assisted by Rev. Mr. Lynd, of the Rosemont Methodist Circuit. He chose for his text the words, "For What is Your Life," making an earnest plea that each try to live for the Master, not the one day in the wek, but for the whole seven and in this way be ready for the Great Summons. The high esteem in which the deceased was held was amply shown by the large number of friends who were present to pay a last mark of respect. The pallbearers were Messrs. Wm. Irwin, Wm. Shaw, Wm. Armstrong, H. Hunter, R. Martin and C. Mitchell. Among the floral tributes were a wreath from the family, a wreath from Mr. and Mrs. E. J. Hohs and family, of Toronto, sprays from Mr. and Mrs. Thos. McNabb and Mr. and Mrs. Glen Hohs, a sheaf of roses and fern from Miss F. Fletcher and sisters, Ida and Gertrude, of Toronto, and a spray from Mrs. W. C. Sutherland and Miss Walker, of Galt.

The late Mr. McNabb is survived by his wife and a family of two sons and three daughters, namely, Mrs. A. Merrill and Mrs. R. Scheiern, of Grand Rapids, Mich., Miss Winnifred, of Toronto, Alfred G., living in Halton County near Oakville, and Fred on the homestead. Of Mr. McNabb's own family of six, only one sister, Mrs. Jos. Dickie, now living in Manitoba, survives. Four members of the family have died during the past four years.

ALFRED FILBY.

Alfred Filby, a well-known member of the local Salvation Army Corps, passed away at his home on Church St. on Tuesday morning after a long illness. Deceased was 55 years of age and was born in England. He is survived by a widow and family. The funeral will be held to the Forest Lawn Cemetery this (Thursday) afternoon.

MRS. NORMAN SHINNAMAN

Influenza was responsible for another sad death in Orangeville this week, the victim being Mrs. Norman Shinnaman, a young wife and mother. Mr. Shinnaman and his wife were both stricken by the dread disease about the same time. The former is now convalescing satisfactorily. Mrs. Shinnaman was only 28 years of age, and is survived by her husband and two children, the older a child of eighteen months and the younger a babe ushered into the world prematurely shortly before its mother's death, but living and doing nicely. The remains were taken to Toronto on Tuesday morning for interment in Mt. Pleasant cemetery.

CHOOSE the BEST Fertilizer

INSTEAD of pricing the next fertilizer you buy—investigate first the quality. For it is quality, not mere bulk, that gets results. The time to ask the price is when you have made sure of quality.

We can prove to you—and the proof we furnish will be borne out by your own experience later—that Harab-Davies Fertilizer is the best that money can buy.

It's qualities are the result of knowledge—not guesswork. It contains Nitrogen or Ammonia, Phospheric Acid and Potash. The Ammonia, which is the plant grower, is derived from materials which dissolve in the soil-water in proper order as the season progresses. This results in a crop that is not only larger, but better in quality—and stronger.

She passed away at the home of her father on January 28th after an operation for appendicitis. Miss Armstrong will be missed by a host of friends to whom she had endeared herself by her cheerful disposition, her kindly feeling towards others and her spirit of Christian optimism. She was a member of St. John's Church, Mono, the work of which church she helped in every way possible. She had also been a member of St. John's Woman's Auxiliary from the time of its inception. MRS. MARIA REYNOLDS

In the death of Mrs. Maria Reynolds at her home on John St. on Friday last after a short illness from pneumonia Orangeville has lost another of its old citizens. Although 82 years and 13 days of age, Mrs. Reynolds, who was a woman of unusual strength and vitality, was bedfast for only two weeks and it was only three days before her death that pneumonia developed. Deceased was born and married in Ireland coming to Canada with her husband about 60 years ago. The family settled near Caledon East and were farming in Caledon, when her husband, William Reynolds, died about fifteen years ago. Shortly afterwards the widow moved to Orangeville, taking up her residence on John Street, where she has since resided. Deceased was a kind-hearted, hospitable woman, who enjoyed the esteem and goodwill of her neighbors and all who knew her at all intimately. Of a family of eight she is survived by one son, William, an unmarried daughter, Miss Maria, both of Orangeville, and a married daughter, Mrs. Arthur Whitsett, of Cobourg. Mr. John B. Double murder and suicide but—

.....but for the Grace of God.

NOT long ago a shamefully wronged husband started out to do away with his wife and the destroyer of his home.

HE was intercepted, reasoned with, pleaded with. After two days and two nights spent in prayer and meditation, through the manifestation of the Holy Spirit he was turned from his intense and terrible passion to a magnificent attitude of forgiveness.

THE instrument through which husband and wife were reconciled — and a ghastly tragedy prevented, — was a Salvation Army Officer.

SUCH a change of heart wrought by the Spirit is not rare in the world-wide experience of the Salvation Army.

ALTON MAN PRESIDENT

Mr. E. D. Barber Heads Peel County Conservative Association.

Very well attended, harmonious and confident was the annual meeting of the County of Peel Liberal-Conservative Association held in the Concert Hall, Brampton, on Saturday. The chair was occupied by Mr. Anson McCabe, who for the past two years, has filled the office of president. He referred to the work of the year, congratulated the Association on the result of the contest and Major Kennedy upon his splendid victory. He expressed the belief that the Conservative party in the Province would speedily regain the ground lost and would in the not distant future control the affairs of Ontario. In announcing his retirement from the office he thanked the members of the Association for their confidence and support, but as he was in favor of passing the honors around, he was following the practice of the past in dropping out after serving two years in the chair.

The election of officers resulted as follows:—President, E. D. Barber, Caledon; First Vice-Pres., D. O. Bull, Chinguacousy; Second Vice Mrs. W. J. Cunningham, Toronto Township; Secretary, A. G. Davis, Brampton; Treasurer, Geo. Bland, Toronto Gore.

The officers present, Messrs. Bull, Bland and Davis, addressed the meeting thanking the association for the honor done them, promising activity in the work and urging organization in all parts of the county.

Mr. Darius McClure, who for many years was a prominent and popular member and officer of the association, but now residing in Toronto, spoke along similar lines. In the part the Conservatives of Ontario had served the Province well and he was convinced they would be again called upon to do so in the near future.

Major Kennedy thanked the Association for the support given him and the victory won on October 20. The legislature, he explained, will meet in a few weeks, after which a provincial convention will be held, a leader chosen and a platform adopted. Our immediate duty is to assist in organizing the party in the County and in strengthening the Association. He would in the House support all measures, no matter by whom introduced, so long as they were for the benefit of the people.

James R. Fallis said he had dropped into the meeting from force of habit, although he had been attending to his own business during the past few years. He congratulated the Association upon the officers elected and wished the Conservative party every success.

S. Charters, M.P., mentioned the fact that this was the first annual meeting of the Association in forty years that had not been attended by Senator Blain, who was confined to his home through illness. Other members were prevented from attending for the same reason. In spite of the prevailing epidemic and the disagreeable day the attendance was very satisfactory, which he regarded as an evidence of the strength of the party in the County. The officers elected were all active workers for the party and could be relied upon to do their duty as their predecessors had done. One would think to hear some people talk, he said, that the Conservative party had been beaten in Peel County, when facts are that Major Kennedy had redeemed the County by a very good majority. A great deal is heard about the strength of the Farmers' Party, but the vote shows that of the total vote polled the U.F.O. secured less than one out of every four, receiving 256,874 out of a total of 1,153,567 recorded for the candidates of the five groups in the field. The Conservatives polled 386,796 votes, 50,081 more than the Liberals and 129,922 more than the candidates of the Farmers' Party. The result of the election is heralded as a defeat for the government by the Farmers' Party, when as a matter of fact more farmers voted for the Conservative candidates than for the U.F.O. The new Government should not be opposed for opposition sake, they should be judged by their acts and commended or condemned as their measures enacted make for the welfare or otherwise of the province.

Referring to Dominion issues, Mr. Charters said the Union Government, which had carried out the will of the country in the conduct of the war, should be allowed to complete the work of reconstruction. When the next election is held there will be one issue. The Liberals, led by McKenzie King, who was in the States making money while other Canadians were fighting for their country and came home to run as a Laurier candidate against the Union Government, and the Western men led by Hon. Mr. Crerar are for free trade. If the policy advocated by the latter is adopted direct taxation will follow and, in the judgment of men who have made a close study of the question, will be followed by a tax of not less than $150 upon every hundred acres in Old Ontario. He was of the opinion that such a policy is not popular with the people of Peel. Farmers and men of other occupations have united against it in the past and when in the course of a couple of years they are called upon again to give a decision they will not discard and defeat the policy that has done so much for Canada.—Conservator.

Duncan Turner, of Shelburne, was in Toronto last week attending the funeral of his son, Peter Turner, a veteran of the great war, who died at his home, 15 Vine Ave., on Tuesday morning, after an illness of some months. The deceased was awarded the D.C.M. in the year 1917 for conspicuous bravery in disabling a trench mortar, blowing up a dugout full of ammunition and bringing back 16 prisoners single-handed.

Bruce County appears to be going into the road making business on a proper scale. The good roads committee for that county will have this spring over 100 men working on the Kincardine to Hanover road, with a monthly expenditure of $40,000 for wages and material. That seems to us a more practical plan than placing three or four gangs of men on so many different roads, as was done in this county last summer.

A 15 YEARS' FIRE

Just think! That is the time through which Mr. H. C. Buckley endured all the fiery torture of itching, burning eczema. His life was a perfect misery until Zam-Buk—the great herbal skin cure—brought complete relief.

Mr. Buckley, who lives at 461 East Broadway, Portland, Oregon, writes:—"For fifteen years I suffered with eczema, and although I tried many so-called 'eczema cures,' nothing seemed capable of dealing with a case like mine. It was not until I had Zam-Buk recommended to me that I began to have hope. This wonderful skin healer soon brought about a change for the better. As I persevered with Zam-Buk the burning sensation got less. I found Zam-Buk wonderfully soothing. Gradually the patches of soreness and the inflammation were reduced, and complete and permanent cure finally resulted. I would strongly advise all afflicted with eczema to give Zam-Buk a trial. It will give them satisfaction. They will not be disappointed."

No skin disease can resist the potent healing forces stored up in Zam-Buk, which is unequalled for old wounds, ulcers, abscesses, bad legs, scalp sores, blood-poisoning, piles, scalds, burns, cuts and all skin injuries. All druggists and stores, or Zam-Buk Co., Toronto. 50c. box.

Mr. Harry Wright, for many years caretaker of the Owen Sound Post Office and previous to that baggageman at the C.P.R. station, has given up his position at the Post Office and will go to Toronto to live. Mr. Naaman Wright, a son and a returned soldier, has been appointed caretaker of the Post Office in his father's stead.

Somebody made the striking suggestion a while ago that every person who owns an automobile should contribute $500 to The Forward Movement, while another has figured that if every owner of a car would give the price of one tire the whole amount would be raised in that way. Surely the latter would be a modest contribution.

CONSTIPATION

By the term CONSTIPATION is meant either infrequent, difficult or insufficient evacuation of the contents of the Lower Bowel.

The Symptoms are Headache, Dizziness, Mental Sluggishness, Lack of Concentration, Lassitude or a feeling of General Indisposition, Bad Breath, Coated Tongue, Loss of Appetite, Sallow Skin which may become dry and rough and Pimples may appear. Sometimes there is Heart Palpitation, Hysterical Spells and Nervous Exhaustion.

IT IS IMPORTANT to treat Constipation promptly as this condition generally leads to many serious disorders.

Careful judgment should be used in selecting a proper remedy; ordinary Cathartics and Laxatives have a weakening effect upon the system, others Gripe and Purge and Mineral Oils, if taken several times a day may retard secretion of the gastric juice and also interfere with the obsorption of food. HACKING'S KIDNEY AND LIVER PILLS form an ideal tonic-laxative for Constipation and its evil results.

We give herewith the medicinal action of the ingredients of HACKING'S KIDNEY AND LIVER PILLS in order that you may form your own opinion as to the value of this wonderful medicine.

CASCARA — Laxative, Cathartic, Tonic to the Liver and Intestines, does not cause Griping or unpleasant symptoms, good for Chronic Constipation when used in small and repeated doses for a considerable period of time.

MAY APPLE—Useful in Fevers and Inflammations of almost every type and for all disorders of the Liver and Spleen. For indigestion, Jaundice, Piles, Constipation, Dropsy and Skin Eruptions.

CULVERT'S ROOT—A Laxative and Tonic, useful in Dyspepsia, Jaundice, Piles, Diarhoea, Dysentery, Cholera. Corrects Liver Troubles. Gives tone and vigor of action to the entire secretive apparatus of the system. Also for Inflammation of the Bladder.

GAMBOGE—Used in Obstinate Constipation and Dropsies attended with Intestinal Torpidity. This acts best when used in combination with other drugs and herbs.

HYOSCYAMUS—Helpful to the Kidneys, stops pain, soothes the Nerves, lessens irritability of the Nerve Centres. For Functional Palpitation of the Heart, helpful to the Mucus Membrane of the Kidneys and Bowels. Chiefly employed to relieve pain and to quiet Nervous excitement.

CAPSICUM—Stimulant and Stomache, useful in Feeble and Languid Digestion, Dyspepsia, Atonic Gout, Colic and Cholera.

PEPPERMINT—Useful in Flatuent Colic to check Nausea and Colic. For Spasmodic Pains of the Stomach and Bowels, for Neuralgia and Rheumatism, prevents griping and for gas on the stomach.

These are the principal ingredients of Hacking's Kidney and Liver pills, you will find that this combination will produce a healthy condition of the Stomach, Liver, Kidneys and Bowels.

No other drugs or combination of drugs, oils, laxatives, pills or purgatives will have such beneficial effect as HACKING'S KIDNEY AND LIVER PILLS, but you must be sure to get HACKING'S as no other kind will do. Price 25c a box, 5 for $1.00. Sold by all dealers or by mail. Hacking's Limited, Listowel.

HOSPITAL NOTES

There is now greater need than ever for more hospital accommodation. During the last month at least one hundred would-be patients were turned away and on Saturday alone eight persons could not be received. Through the country especially so many people are unable to procure nurses and the doctors have so much difficulty in making their rounds that there is a great demand for hospital accommodation and facilities. The expense is also much greater for paying a nurse and the doctor for his long trips than a comfortable ward in the hospital would be.

STOP AND THINK

TWO ETERNAL DESTINIES

Because man is created in the image of God he has among other features of likeness to God—ETERNITY OF BEING

Therefore all human beings have an Eternal destiny. Where will you be in Eternity? Will it be in

HEAVEN OR HELL?

We all like to think of heaven, rightly so, and we instinctively turn our thoughts from pondering about hell. But if there is a HEAVEN TO GAIN there is a HELL TO SHUN

As there are two Eternal destinies, so there are TWO WAYS

JESUS SAID: "I AM THE WAY."

ADDRESS BY MODERATOR

Dr. John Pringle, Moderator of the General Assembly of the Presbyterian Church in Canada, addressed a fairly large and a very appreciative audience in the auditorium of St. Andrew's church on Monday night. The distinguished visitor proved to be a gifted and entertaining speaker with a vein of real humour and the ability to tell a good story and tell it well. His address was a delightful treat. In charming manner he told his hearers of Presbyterianism as he had found it in different parts of Canada, related some incidents connected with the ten years he spent as a missionary pastor in the Yukon and told something of what he had witnessed and experienced as an overseas chaplain during the trying years of the recent war. One of his striking statements was to the effect that during the war alone he had seen enough of the evils of strong drink to make him a temperance fanatic for the rest of his life. The Moderator emphasized the thought that the success of a man's life consisted in his character rather than his possessions. There never was a time in the history of Canada, he declared, when the Church had the hold on the people that it has to-day. For every business man who was genuinely interested in the progress of the Church when he was a young man, there were to-day fifty men who were similarly interested. Referring to the returned soldier problem Dr. Pringle declared that 75 or 80 per cent of the boys who had returned were not going to constitute a problem at all, but were going to assist the people of Canada to solve their problems.

Rev. W. M. Morris presided and Rev. W. N. Carr, of Alton, opened the meeting with prayer. The musical programme consisted of a solo by Miss Gardner and a duet by Misses Hughes and Leggett, Miss Browne acting as accompanist.

PERSONALS.

Mr. Geo. Hepton, of Toronto, called on a number of his Orangeville friends yesterday.

Mrs. Whimsett, of Cobourg, Mr. and Mrs. Geo. Bailey, of Hamilton, and Mr. and Mrs. John Clark, of Hamilton, were here for the funeral of the late Mrs. Reynolds.

Mr. Norman Reid, of Erin, and Mr. Gordon Steer, of Berkley, have completed their Automobile course at the Orangeville Auto School and successfully passed their examinations.

Mr. W. R. Rintoul, of Whittington, left for East Grand Forks, N.D., on Monday night in response to a telegram telling him of the serious illness of his mother, Mrs. David Rintoul, who has been living with her daughter, Mrs. Robt. Anderson, since last fall.

Mr. Malcolm McCormick, of East Garafraxa, announces the engagement of his sister, Flora J., daughter of the late Mr. and Mrs. John McCormick, to Mr. Elgin T. Barbour, son of Mr. and Mrs. E. T. Barbour, of Erin, the marriage to take place next month.

Mr. Harry Cruikshank, Balcarres, Sask., paid Orangeville friends a flying visit last week. Harry was on his way home from Laporte, Indiana, where he had just taken a Tractor course at the well-known Rumeley works. Our former townsman is looking fine and confesses to 218 lbs. of avoirdupois.

W. M. S. EXECUTIVE

The Executive of Orangeville Presbyterial W. M. S. held a special meeting in St. Andrew's church here on Wednesday, Feb. 18, for the purpose of considering representation to the General Council, also to make a study of the question of making the organization Synodical rather than Provincial. Mrs. Burkholder, Caledon, and Mrs. Adamson, Orangeville, were chosen to represent the Society at the General Council in Calgary on May 11th. The advantages and disadvantages of making the Society Synodical rather than Provincial were thoughtfully considered and the conclusion reached forwarded to the Provincial Secretary.

BOX SOCIAL AND DANCE.

Arrangements are being made to hold another Box Social and Dance in the Opera House on Friday night, March 12th. The usual good programme will be provided, followed by dancing. The Ladies are asked to bring Boxes, which will be auctioned off to the highest bidders. Good orchestra in attendance for the dancing. Jas. A. Patterson, Auctioneer; John Kannawin, Floor Manager; Committee, O. E. Banks, Jas. Langtree, Jas. Brooks, D. W. Gray and Fred. T. Crisp. A percentage of the proceeds will be donated to the Picton True Blue Orphanage.

WINTER WEATHER HARD ON LITTLE ONES

Our Canadian winters are exceedingly hard on the health of little ones The weather is often so severe that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes cold and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They are a mild laxative which regulate the stomach and bowels and thus prevent colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE STUDENTS WON.

Excitement ran high at the Orangeville Skating Rink on Wednesday night of last week, when the High School and Town hockey teams lined up for a game to decide the question of hockey supremacy between the two sextettes. They proved to be pretty evenly matched, but the students finished with the large end of a 6-5 score. The game was fast and exciting, especially during the second and third periods, and both teams gave their supporters plenty of opportunity to do some rooting. The line-up was:—

O. H. S.—C. Robinson, goal; A. Robinson, point; B. Hunter, cover-point; T. McKeown, centre; W. Stewart, right wing; G. Kearns, left wing.

Town—B. Booth, goal; W. Dahl, point; cover, D. Fleming; centre, Ted Yates; right wing, G. Vanwyck; left wing, O. Robinson.

The two teams were to meet again last night, when the town seven hoped to turn the tables on the students.

LAUREL.

A debate took place at the Epworth League meeting in the Methodist church on Friday night last on the subject, "Resolved that the Press wields a Mightier Influence on National Life than does the Pulpit." The Government took the affirmative side and won out by a few points under the capable leadership of Mr. Warren Grosskurth and Miss Olive Pratt.

We are sorry to hear of so much illness in our midst, but hope to see all who are laid up able to go about again shortly.

We wonder if Wilfrid Grosskurth has forgotten the way to Laurel.

A. Harrison is longing for warm weather to come as his coal bill is coming rather high.

When will we have the hydro electric in our town. We hope it will come soon.

This is leap year. Hurry up girls, before the boys go south.

The March meeting of the Laurel Women's Institute will be held at the home of Mrs. R. Hamilton in the village on Thursday, March 4th, at 2.30 p.m. Interesting Papers will be given and discussed. Everybody welcome.

Pyorrhoea is Contagious

Recent findings by a celebrated professor on oral research have proven beyond question that PYORRHOEA IS CONTAGIOUS.

And it is not only contagious, but it hastens the development of other diseases in the human system, notably rheumatism.

But **PYORRHOEA** cannot occur if the germ growth on the tissues of the mouth and gums is reduced to a minimum. This can be done by using McCRIMMON'S MOUTH WASH twice daily; for, by reason of its wonderful prophylactic qualities McCRIMMON'S MOUTH WASH renders those tissues immune from the germs that cause **PYORRHOEA.**

Bleeding of the gums is the first sign of **PYORRHOEA.** This opens the way for the germs to attack and dissolve the gum tissue, thus creating a pus pocket, which loosens the teeth. McCRIMMON'S MOUTH WASH, on account of being compounded in liquid form, penetrates into the openings or lesions in the gums caused by **PYORRHOEA** germs, absorbs the pus and destroys the germs almost at once.

Visit a dentist for the removal of tartar from the teeth, keep your mouth and gums healthy by using McCRIMMON'S MOUTH WASH, and you will not develop **PYORRHOEA.**

Dead Town Very Seldom Recovers

COMMUNITY THAT IS NOT PROSPEROUS CANNOT ATTRACT NEW RESIDENTS.

IS LIKE BIG CORPORATION

PEOPLE ARE STOCKHOLDERS AND WHEN THEY SPEND THEIR MONEY AWAY FROM HOME THEY DEPLETE ITS CAPITAL.

(Copyright.)

There is nothing deader than a dead town. Try as hard as it may to conceal the facts, the truth is written all over it so that he who runs may read. No camouflage of bluff and bluster can conceal the true situation from anyone who comes within the limits of the community. A dead town is dead and that's all there is to it.

The worst of it is that once a town dies it stays dead. There have been exceptional cases in which dead towns have been revived, have taken on new life and prospered, but these are merely the exceptions that prove the rule.

The fact that a town can seldom "come back" is easily explained. The growing and prosperous town today is the one that can attract new residents and new capital. It is one that can offer attractive inducements for the location of new industries. The dead town offers no attraction to outside capital. A man looking for a place to launch a new business, or a new location for an old industry, is not going to pick out a dead town. He is going to select a town in which money is plentiful, a town whose business men are progressive and whose residents, as a whole, are prosperous and contented. There are too many live and thriving towns in the world for a man to risk his future in one that is dead. This is the reason that a town, once dead, almost always remains dead.

TOWN LIKE CORPORATION.

There is just one thing, ordinarily, that kills a town in the first place and that is a lack of money. A town is just like a corporation and the money possessed by its inhabitants is its capital. If this capital is depleted the town will fail just as the corporation, whose capital is depleted through poor management or other causes, fails. And just as the corporation which has once failed can seldom retrieve its lost fortunes, the town which has failed cannot often "come back."

The capital of a community is depleted when its money is spent away from home in a way that brings no return benefit to the community. It takes no great amount of thought to be able to realize that the town, like the individual, cannot last long if it is paying out more money than it takes in. That does not mean that a prosperous town is one in which the people do not spend any money. On the contrary, a prosperous town is one in which the people do spend money but it is one in which they spend the money at home. As long as the money is spent at home, the town gains by having it kept in circulation, but when it is spent away from home, either by being sent to the mail order houses or by shopping trips to other cities, the town's capital is impaired to that extent and if enough money is spent away from home in that way, the town collapses and virtually goes into bankruptcy just as does the corporation which dissipates its capital.

The people of a community are apt to overlook the fact that they are stockholders in their town and that their fortunes are bound up with those of the community as a whole. They do not realize that if their town fails they will fail with it. They—or many of them at least—send their money away to the mail order houses in the great cities without realizing that they are impairing the capital of their own corporation and that if enough of them pursue that course they will force their corporation into certain bankruptcy.

MERCHANTS NOT ONLY ONES HURT.

Many customers of mail order houses say that they are under no obligation to trade with their home merchants and this may be true. They overlook that fact that the business men of a town do much for their community and are entitled, in return for what they do, to the support of the people in the community, but leaving this out of consideration, they overlook the fact that they are bringing about their own downfall when they drain their town of its money—its capital.

The home merchant will not be the only one that will be hurt when the town "goes broke." The merchant can reduce his stock and cut down his expenses and get along some way or he can sell out and move to some other town which has not been so blind to its own welfare. It is the great body of the people of the community including all those who have sent their money away to other cities instead of spending it at home, that suffers most when the hard times come.

The time for all the people to pull together for a live town is while the town is still live and not after it is dead, for when a town dies it is a long time dead—if not forever.

THIS SOLDIER KNOWS WHAT HELPED HIM

DODD'S KIDNEY PILLS CLEANED OUT HIS RHEUMATISM.

He Found in the Old Canadian Remedy Relief That the Hospitals of Egypt Could Not Give.

Cape St. George, Nfld., Feb. 23rd, (Special.)—Eugene Cornect, keeper of the light and fog alarm here and who was overseas with the Newfound land forces is a firm believer in Dodd's Kidney Pills as a help for kidney disease and rheumatism.

"For two years I suffered from kidney disease and rheumatism," Mr. Cornect states. "I was treated for them in the hospitals in Egypt. But it was five boxes of Dodd's Kidney Pills that cured me."

Dodd's Kidney Pills are purely a kidney remedy. By putting the kidneys in shape to strain all the impurities out of the blood they remove the uric acid, the cause of rheumatism. With the kidneys cleansing the blood there can be no uric acid to crystallize in the muscles and cause those excruciating pains known as rheumatism. Ask your neighbors about Dodd's Kidney Pills.

Mr. Alfred Patt who recently purchased Mr. H. Berry's farm in West Luther, has resold it to his brother, Mr. W. J. Platt, for the same money as he paid for it $6,700.

In the death of Mrs. John Macdonald at the home of her son, Royal, at Beeton, Grand Valley district loses one of its old settlers. Her maiden name was Hannah O'Reilly, and she was born near Lundy's Lane, which was part of her grandfather's farm. After her marriage to John Macdonald the two lived in Esquesing township until 1872 when they moved to Garafraxa and thirty years ago came to Grand Valley where her husband died ten years later.

HOW TO LIVE LONG
Many ailments find their beginning in a torpid sluggish condition of the liver, kidneys and bowels. As a matter of fact you can add years to the length of your life as well as comfort and happiness by using Dr. Chase's Kidney-Liver Pills to keep these organs regular and active.

HE SAYS THEY ARE SURELY THE BEST

FRANK HANNON SWEARS BY DODD'S KIDNEY PILLS

States that they cured his backache after other medicines had failed and that he would not be without them.

Corcoran, Joliette Co., Que., Mar. 1st, (Special)—Claiming that he is completely cured of backache from which he was a severe sufferer, Mr. Frank Hannon, a well known resident here, is shouting the praises of Dodd's Kidney Pills.

"After trying various medicines for my backache" Mr. Hannon states "I finally bought a supply of Dodd's Kidney Pills. From the start of the treatment I felt benefitted and now I am completely cured.

"I therefore proclaim Dodd's Kidney Pills the finest on the market. I would not be without them."

Dodd's Kidney Pills strike right at the seat of the trouble, the kidneys. They are no cure-all. They are simply and purely a kidney remedy. But as cured kidneys strain all the impurities, all the seeds of disease, out of the blood, Dodd's Kidney Pills naturally get credit for curing a number of different diseases.

Ask your neighbors about Dodd's Kidney Pills.

One of Shelburne's oldest and most respected citizens passed away last week in the person of Henry Bretz. Constable Whitehead, Shelburne, was laid off duty for some days owing to injuries received while lighting a fire at the pumping station. Mr. Wilson was 64 years of age and spent all his life in Owen Sound, with the exception of a short period. Mr. John M. Wilson, of Owen Sound, who is the only surviving brother, is well known in Orangeville and at Mono Mills where he formerly resided.

WAS AFRAID TO GO TO SLEEP AT NIGHT

Was Almost Desperate From Ill Health, But Feels Fine Since Taking Tanlac.

"I am just so happy over what Tanlac has done for me that I can't find words to express my gratitude," was the statement made recently by Mrs. John O'Neil, who lives on Victoria Road, Sydney, Nova Scotia.

"For three years I had been troubled with indigestion so bad that I thought I would have to give up entirely," she continued. "After nearly every meal the pains in my stomach and across my chest would almost draw me double, and I would bloat up with gas until I simply had to fight for breath and my heart palpitated something awful. Night after night I sat up in bed afraid to go to sleep, and often I would have to get up and walk the floor to keep from choking. I felt so weak and had so little energy that my housework was a burden, life was no pleasure and I worried so much all the time that I was almost desperate.

"When I began taking Tanlac I had already taken so many medicines that did me no good at all that I had but little faith in anything. But I quickly changed my mind, because I started to improve in almost no time after I began taking it. I took five bottles in all and to-day I am in better health than I have been in many years. I can eat just anything I want now and digest it perfectly. The gas does not trouble me any more and I never have a pain of any kind. As my breathing is free and easy I am no longer afraid to go to sleep at night and I fall asleep just as soon as I go to bed and never wake up till morning, and when I get up I am full of life and energy. At times it seems so wonderful, the way Tanlac has built me up, that I can hardly realize myself what perfect health I am enjoying."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

DOUBLY BEREAVED.

Two Brothers of Mills Family Separated Only a Few Hours by Death.

In the death of Mr. William James Mills, which occurred at his late residence, West Broadway, on Tuesday afternoon of last week, the town of Orangeville has lost a citizen, who in the short time he had lived here had earned the sincere regard of all who had learned to know him. Deceased sold his farm at Mono Mills and retired to this town last autumn. He was not long spared to enjoy his new home for upwards of a month ago his health began to fail and about two weeks before his death he became quite seriously ill. The trouble which contributed to hasten his end was hardening of the arteries. The late Mr. Mills, who was in his 69th year, was born on lot 5, 7th line, east, Mono, and was the oldest son of Mr. and Mrs. Robert Mills, pioneer settlers in the east side of Mono. He spent the early part of his life on the farm, but was eventually moved to Mono Mills, then a live, bustling village, where he went into business as a general merchant with Mr. William Lewis. A couple of years later he embarked in business with his brother, Stephen, and subsequently he took over the whole business and conducted it successfully for a number of years. In 1891 he became Postmaster of Mono Mills, performing the duties of that position in a most acceptable manner for a number of years. In 1898 Mr. Mills sold out to his brother, Mr. A. R. Mills, and went farming close to the village. The deceased was a man of varied interests and broad and generous sympathies. That he possessed initiative was shown by the fact that he was largely instrumental in giving Mono Mills a waterworks system. For years he was President and one of the leaders in the work of the Mono Mills Branch of the Bible Society. He also took a keen interest in the work of the Mono Mills Public Library, giving the community valuable service as Librarian. We should have mentioned that Mr. Mills was educated for the teaching profession and taught school for five years when a young man. He was a member of the Anglican church and a zealous worker in St. John's church, Mono Mills. In politics the deceased was a staunch Conservative of the Sir John A. Macdonald school. He is survived by a widow and one daughter, Miss Ethel Allen, who saw overseas service as a nurse during the war. A brother, Rev. Samuel Mills, died in California a few years ago. Messrs. R. J., Stephen and A. R. Mills and Miss Elizabeth Mills, of Orangeville, Mr. Alfred Mills, of Mono, Mrs. Wm. Jackson, of Mono Mills, Mrs. Wm. Lee, of Moosomin, Sask., and Miss Sarah Mills, of Winnipeg, are the surviving brothers and sisters. The funeral was held from his late home to the Forest Lawn Cemetery on Thursday afternoon and was largely attended despite the inclemency of th day. Rev. Capt. Stewart, rector of St. Mark's church, and Rev. A. C. McCollum, rector of Mono East Parish, conducted the services. The pallbearers were Messrs. Wm. and Jos. McFarland, Wm. Cobean, Sam Patterson, and Wilson G. Duke, of Mono, and Geo. Jackson, of Mono Road. There were a large number of beautiful floral tributes.

The sorrow occasioned by the death of Mr. Mills was intensified on Friday by the demise of another member of the family in the person of a brother, Mr. Joseph A. Mills, who passed away at his home on Bythia St. shortly after six o'clock in the evening. Deceased, who had been in delicate health for the last four years, was taken suddenly ill while dressing to go to his brother's funeral early on Thursday afternoon. His brother, Mr. Robt. J. Mills, with whom he lived, heard someone fall in the kitchen and upon entering the room found "Joe," as the other members of the family called him, lying in a fainting condition on the floor. A doctor was summoned with all possible despatch and revived him. He appeared to be doing nicely until Friday evening, when the end came very suddenly. Faulty heart action and hardening of the arteries were the factors that contributed to his death. Deceased had lived in town for five years. He was a quiet man, whose pleasant smile and unassuming manner had won him many warm friends, who unite in regretting his death. He at one time farmed on lot 6, Mono and Adjala townline, afterwards selling out to his brother, Alfred, to go into the hardware business in Mono Mills. He remained in this line until his store was destroyed by the disastrous fire which devastated the greater part of the business places in the then thriving village. Since then he has lived with his brother, Robert, the two brothers and Miss Mills moving to Orangeville at the same time. Deceased was unmarried. The funeral was held to St. John's church cemetery, 7th line, east, Mono, on Monday afternoon, Rev. Capt. Stewart conducting the services at the house and Rev. A. C. McCollum and Rev. J. A. Matheson officiating at the grave. The pallbearers were Messrs. Geo. Jackson, of Toronto, W. J. Holmes, George Mills, Harold Mills, Wm. J. and Ernest Jackson.

The twofold bereavement has called forth from every side expressions of the keenest sympathy with the doubly stricken family.

PROPERTY DEALS

Mr. Alex. Conley has sold his fine 62 acre farm on West Broadway inside the town limits to Mr. W. H. Jessop, of the town, who will get possession about March 15th. Mr. Conley has bought Mr. Jos. Dermott's brick dwelling house on the south side of Broadway just east of the Post Office, and will get possession shortly. Mr. Dermott is moving to his farm on the Centre Road, Mono. Both deals were put through by Geo. Wilkins, real estate and insurance agent.

Twice Born Men

ONCE he was a professional man. Drink, induced by trouble, paralyzed him. He dropped to clerk — warehouse-man—race track tout—thief—vagrant. His wife and children were forced to leave him.

AND then—

ONE night at an open-air meeting God got hold of him.

HE came to the Hall after the meeting—penitent, confessing. Next day he started paper sorting — worked conscientiously, and began to regain his self-respect. Very soon a good position was found for him.

TO-DAY he and his family are happily re-united,, and he is office manager of a large firm.

HIS testimony is: "God got hold of me and with the help of the Salvation Army He has kept hold of me."

TO ENLARGE HOSPITAL.

A well attended meeting of citizens was held in the Public Library building on Friday night to consider the advisability of a campaign for the purpose of raising funds to enlarge and add to the equipment of Lord Dufferin Hospital. Messrs. W. E. Irvine, J. E. Smith, Albert Walker, W. R. Liddy, Warden Jeffers, Mayor Parkinson and C. R. McKeown were appointed a Committee to consider ways and means and report at another meeting. Mayor Parkinson occupied the chair.

ENGINEER RESIGNS.

The event of most moment at the meeting of the Town Council on Monday night was the resignation of Town Engineer Chas. King, following the Council's refusal to increase his salary to $80 a month. At present Mr. King is paid $60 a month with free house, etc., which members of the Council consider is equivalent to another $35 per month. We understand that the Council was willing to grant a raise of $10 a month, bringing the salary up to $70. This the Engineer has so far declined to accept. Mr. King has been town engineer since 1908 and has proved a satisfactory official. It will be a difficult matter to replace him under existing conditions and it would seem that the interests of the municipality would be best served by a compromise, if such can be effected.

A PROVINCIAL HIGHWAY.

Warden Jeffers, Mayor Parkinson, Mr. C. R. Wheelock, Dr. Campbell and Mr. A. A. Hughson were the Orangeville members of the big deputation that waited on Hon. F. C. Biggs last Thursday to ask that the road from Port Credit to Owen Sound by way of Orangeville, Shelburne, Dundalk and Markdale be designated as part of the system of Provincial highways. The Minister gave the deputation the assurance that the Government had definitely decided to take over the road. The road will be built of first-class macadam and will probably have a bituminous surfacing in some sections. The Government's decision will be welcome news to the people of Dufferin as it assures them a first-class through highway south to Toronto and also north to the Georgian Bay. The part of the roadway which runs through Orangeville will not be taken over, but the Orangeville deputation received the satisfactory assurance that the Government would grant the municipality an amount equivalent to the amount expended on the highway leading to and out of the town. Members of the deputation were introduced to the Minister by Mr. C. R. Wheelock, former President of the Ontario Good Roads Association.

Before waiting on the Minister, the delegates formed a permanent organization to look after the interests of the highway. Mr. C. R. Wheelock and Dr. G. H. Campbell, both of Orangeville, were selected to act as Chairman and Secretary respectively of this organisation.

IN MEMORIAM.

RAYBURN— In loving memory of the late Robert Rayburn, who died in Caledon on March 4th, 1918:—

IN MEMORIAM.

ARMSTRONG—In loving memory of Mrs. Armstrong (nee Miss Jeffers) who departed this life March 4th, 1919:—

Sleep on dear mother, and take your rest,
They miss you most who loved you best,
Friends are friends, if they are true,
But oh, those friends are very few.
The shock was sudden, the loss severe,
To part with one we loved so dear,
And only those who have lost can tell,
The pain of parting with no farewell,
Good you were, and kind and gentle,
True to home, and children dear,
Well you earned your rest, dear mother,
Well you did your duty here,
No space of time, no lapse of years,
Can dim out mother's part,
A loving mother holds it dear,
To me affection holds it fast.
Daughter Mary.

Two-Party Line Telephone Service

NECESSARY curtailment of new construction during the war, followed by the unprecedented development since the armistice, have resulted in a universal shortage of telephone material.

In order to utilize our supply of equipment to the best advantage, to reduce delay in installations to a minimum, and to avoid refusing service to anyone, we ask those intending to order telephones to consider the advantages of two-party line service.

The cost to the user is substantially lower than for individual line, and the service of a high standard.

We will be glad to furnish full information to anyone interested.

TURNER–BUCHANAN.

A very pretty wedding took place at the home of Mr. and Mrs. William Buchanan, "Maple Grove Farm," 2nd line, west, Mono, on Friday, February 21st, at 6 o'clock in the evening, when their daughter, Evela, was united in marriage to Mr. Herbert Earl Turner, son of Mr. and Mrs. John Turner, of the same neighborhood. The marriage took place in the presence of about fifty of the immediate relatives and friends of the two families. The ceremony was performed by Rev. Wm. Coutts, B. A., the bridal party taking their places under an arch of evergreens and wedding bells. The only attendant was a little flower girl, Miss Margaret Besley, cousin of the bride, dressed in pink crepe de chene and carrying a basket of flowers. The bride looked petite and winsome in her gown of white georgette over satin trimmed with pearls. She carried a bouquet of carnations and roses and wore the conventional bridal veil and orange blossoms. The wedding march was played by the bride's cousin, Miss Bertha Buchanan. The wedding presents were numerous and beautiful, showing the general esteem in which the young couple are held. The groom's gift to the bride was a gold wrist watch, to the pianiste a gold ring and to the flower girl a signet ring. After the ceremony the happy couple led the way to the dining room, where a sumptuous repast was served. Mr. and Mrs. Turner will take up their residence on the former's farm, lot 27, con. 3, west, Mono, where they start out in life followed by the hearty good wishes of their many friends.

LANE–SMITH.

The home of Mr. and Mrs. Walter Smith, The Maples, East Garafraxa, was the scene of a very pretty event on Wednesday, February the 25th, the occasion being the marriage of their youngest daughter, Hazel Mae, to Mr. Edward B. Lane, son of Mr. and Mrs. John B. Lane, of East Garafraxa. Promptly at 2.30 o'clock, the bride, leaning on the arm of her father, entered the parlor to the strains of Lohengrin's Bridal Chorus played by Miss Maggie Lane, sister of the groom, and took her place beneath a beautifully decorated arch of evergreens, bells and roses. Rev. Mr. Stephens, of Hillsburg, was the officiating clergyman. The bride looked pretty in her gown of maize colored silk georgette crepe trimmed with beads and satin. She carried a bouquet of carnations and fern and wore the customary bridal veil caught up with orange blossoms. The young couple were unattended. After receiving the congratulations and good wishes of the assembled friends, who numbered between forty and fifty, the bridal party led the way to the dining room, which was prettily decorated in pink and white. Here all partook of a sumptuous wedding repast, after which a reception was held in honor of the young couple. At this stage the guests were joined by about twenty-five young people of the neighborhood and the remainder of the evening was pleasantly spent in games, music and dancing, which continued until the wee sma' hours of the morn. Afterwards the bride and groom left for a short trip to Toronto, the latter wearing a navy blue suit, with hat to match and plush coat, the latter the gift of the groom. After their return they intend to reside in Hillsburg. The presents were numerous and costly, showing the high esteem in which the young couple are held. Among them was an appropriate address and a shower of useful articles from the members of The Maples Women's Institute, of which the bride was a valued member. Among the friends present from a distance were Mr. and Mrs. Ronald Leitch, Guelph Road; Mr. and Mrs. Elias Barden, Mimosa, and Miss Birdie Barden, Guelph; Mr. Harry Matheson, Guelph Road; Mr. and Mrs. E. A. Anthistle and daughter, of Aurora; Mr. and Mrs. George Lane, Toronto; Mrs. Harry Powell, Toronto; Mr. and Mrs. Duncan and Miss Florence Sinclair, Erin; Mr. W. and Master Robt. Somerville, Hillsburg; Mr. and Mrs. Wm. and Miss Marguerite Barden and Mr. and Mrs. Albert Logan, Hillsburg; Mr. Aaron and Mrs. J. Madill, Mono Mills; Misses Ella and Maggie Smith, and Mrs. A. and Mr. Oliver Ewing, Laurel; Mrs. C. Puterbaugh and Mr. and Mrs. W. J. Smith, Alton.

LAUREL.

We are glad to be able to report that Mr. Herbert Hughes family are now recovering from their severe illness.

The Sunny Circle Club will hold an Ice Cream Social in the Presbyterian Church on Friday evening, March 12th. A good programme will be provided and there will be a good time for all. Admission 15 cents.

The Women's Institute meeting at Mrs. Hamilton's this week has been cancelled owing to sickness in the community.

BOWLING GREEN.

Our burg is booming these days. All we want now is a real estate agent to handle the numerous farm deals, which are taking place in the neighborhood. We would suggest Matt. Ward as a suitable man for this position.

Mr. Will West held a successful auction sale recently. Mr. and Mrs. West are removing to Grand Valley. Their son, Ross, is going to run the farm.

Mr. Chester Patton is seriously ill. We all hope for his speedy recovery.

Mr. John Gilder has sold his farm to Mr. Roy Smith. We understand that Mr. Gilder intends retiring to Orangeville.

Our school was closed last week on account of the illness of our teacher, Miss McFarland. We are glad, however, to report that she was able to resume her duties on Tuesday last.

Mr. and Mrs. Morris Johnston are moving back to their old farm on the 9th line.

It has been so cold and stormy that we were compelled to close the skating rink until the return of milder weather.

BUSINESS CHANGES.

Two important business changes have taken place on Broadway within the past fortnight. Mr. J. S. Robertson, of E. H. Sproule & Company, Overland Agents, has disposed of his interest in the business to Mr. Wesley Duke, of Mono Mills, who will continue the Agency in partnership with Mr. Sproule. We regret to learn that Mr. Robertson, who is a valued citizen of many years' standing, is contemplating removing to Toronto.

Mr. Geo. McIntyre has sold the Orangeville Monument Works to Mr. Herb. Rutledge, of Shelburne, who has already taken over the business and is hard at work this week adding to the stock of monuments. The new proprietor is an energetic business man, who is likely to become a citizen of Orangeville in the near future. Under the management of Mr. McIntyre the business assumed large proportions and his retirement will be regretted by his friends in the town and surrounding country.

Renew the Soil
Make Your Farm Pay Better

SOIL renewal as practised in Europe accounts for the very high yield per acre attained in European farms, and soil renewal simply means restoring plant food and humus. This is done by applying ordinary stable manure and commercial fertilizers.

Harab-Davies

are scientifically compounded. They contain Nitrogen or Ammonia, Phosphoric Acid and Potash in readily soluble form. Experience absolutely proves that it is more profitable to work 50 acres with a good fertilizer than 100 acres without it.

Fertilizing means not only bigger crops, but better and stronger crops.

It is strictly a quality article. Pound for pound it is positively the cheapest as well as the best fertilizer offered.

BROADWAY - ORANGEVILLE

W. C. T. U. NOTES.

The regular monthly meeting of the Orangeville W. C. T. U. was held at the home of Mrs. J. W. Glover, Zina St., on Thursday, February 26, with the President in the chair. Owing to the extreme cold very few were present, but a short programme was carried out. Mrs. B. McGuire read a very interesting article dealing with the use of alcohol as a cure for influenza. Statements made by prominent physicians go to prove that alcohol is not only not helpful, but actually injurious owing to its action on the heart. An unbiased person can readily understand that if a patient has a high temperature, it would be unwise, to put it mildly, to administer anything that would increase the heart's action. In a case of collapse or weak heart action, it would probably have a good effect temporarily, but in the former case the final effect would be actually harmful. Mrs. G. Beswick gave an interesting account of visits to some of the sister societies in the city.

It was decided to hold a Parlor Social at the home of Mrs. Still, Mill St., some time in March. The matter of arrangements was left in the hands of a committee.

After some delay the appointment of a Travellers' Aid Secretary for this town has been made, Mrs. Jas. A. Patterson having undertaken the work. Anyone, especially any young girls, wishing to visit Toronto, or any other large place where there is likely to be a Travellers' Aid, would do well to confer with Mrs. Patterson, who will arrange to have her met at her destination by a competent person, who will assist her to locate her friends or advise her as to street cars, etc. It is thought that this appointment will be found very helpful to those who may be unaccustomed to the city or unused to travelling.

WHITTINGTON.

The Whittington Women's Institute will meet at the home of Mrs. Jos. Kinsley on Tuesday afternoon, March 9th. The subject, "The Right and Wrong Punishment of Children" will be taken by Mrs. Wm. Phillips. Current Events will be led by Mrs. Irwin Dudgeon. Music by Misses Annie Kinsley and Gladys White. Meeting will commence at 3.30.

MONO MILLS.

The Social and Literary Committee of the Epworth League will hold a meeting at the home of Mr. and Mrs. W. A. Dowling on Tuesday evening, March 9th. Chair taken by Mr. Cecil Welwood; address by Rev. A. C. McCollum. League members are requested to bring in their missionary envelopes and give them to the Secretary, Miss Baxendale.

ST. MARK'S CHURCH.

On March 7th, next Sunday, the third Sunday in Lent, there will be Holy Communion at 11 o'clock.

On Thursday, March 4th, Rev. G. W. Snell, of Grand Valley, will give the address at the evening service.

PALE, WAN CHEEKS A SIGN OF ANAEMIA

To Have Good Color and Health the Blood Must be Kept Red and Pure.

Many women who had good color and bright eyes in their girlhood grow pale and colorless and lose much of their charm when they become wives and mothers. Why is it? When the fading color in the cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step and a tendency to tire easily, the cause is to be sought in the state of the blood.

Many causes may contribute to the condition of the blood known as anaemia. Care of the home, overwork, lack of outdoor exercise, insufficient rest and sleep, improper diet, are a few of them. The important thing is to restore the blood, to build it up so that the color will return to the cheeks and lips, brightness to the eyes, and lightness to the step. To do this, nothing can equal Dr. Williams' Pink Pills. They begin at once to increase the red corpuscles in the blood, and this new blood carries strength and health to every part of the body. The appetite improves, digestion becomes perfect, and energy and ambition return. Proof is given in the statement of Mrs. Alex. Archambo, Cornwall, Ont., who says: "Two years ago my health began to fail. I was suffering from headaches, pains in the back and sides, and a constant tired out feeling. I had used a lot of medicine, but instead of it helping me I seemed to be growing weaker. My friends urged me to try Dr. Williams' Pink Pills, and while I felt disheartened at my experience with other medicines, I decided to do so. To my great joy I soon found the pills were helping me, and their continued use for a time fully restored my health. I feel that I would be ungrateful if I did not give my experience with Dr. Williams' Pink Pills, in the hope that it may point the way to health to some other poor sufferer."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or may be had by mail, post paid, at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

CALEDON.

The flu epidemic is still keeping Dr. Thomas very busy. Mr. and Mrs. Wm. Hillock and their little daughter, Jean, are among the latest sufferers, but by last accounts are improving.

Nurse Brown has been kept very busy attending flu patients. The remarkable recovery of Elgin Stubbs from a very severe attack of the flu was due in large measure to Nurse Brown's exceptionally skilful nursing. We are glad to know that Mr. Stubbs is doing so well.

Auction sales are going to be the order of the day in Caledon this month.

Mr. Clarke Steele spent the week-end at the home of his aunt, Mrs. John Stubbs, Caledon.

A CLERGYMAN'S RECOMMENDATION

The Zam-Buk Co.

Dear Sirs:

Appreciating what your balm has done for me, I should like an opportunity of recommending it to others who may be similarly afflicted.

For the last forty years I have had a patch of eczema on my right hand. I tried in every possible way to get rid of it—had treatment from several doctors and tried innumerable remedies, but received no lasting benefit. If a remedy eased it or cured it for a time, it always returned as bad as ever. One of my friends is a great believer in Zam-Buk, so I decided to give it a trial and sent first for a sample. You can imagine my amazement when even this small quantity brought me more relief than anything I had ever before used. I continued the use of Zam-Buk for two weeks, by which time the eczema, although of forty years standing, had entirely disappeared. That was one year ago, and there has been no return of it.

Yours sincerely,

(Name of clergyman, from whom the above letter was received, will be given upon request)

DR. JOHN LAWSON, V.S.

This community lost an outstanding character when Dr. John Lawson passed away last Friday. Since May 9th last Dr. Lawson has gradually failed in health. His ailment was an affection of the spine. For some months after a somewhat severe attack in May he was able to be about his office, but he never felt well and his condition was soon realized to be serious. Since last autumn he was confined to the house. Loving care and solicitude were his from the outset. The best medical skill available was employed, but without avail. He peacefully passed away at dawn last Friday morning. John Lawson was the son of the late John Lawson, and was born at the homestead on the fourth line on August 31st, 1853. Graham, one of the early settlers of Glen Lawson, was his grandfather. His father and mother died here, the former 27 years ago, and the latter in 1909. Dr. Lawson spent his life in Acton and vicinity. Over forty years ago he graduated as a veterinary surgeon and had a large practice here until ill health laid him aside. For a quarter of a century he was Bailiff of the Fourth Division Court and Chief Constable for Acton. Seventeen years ago last Christmas he was joined in holy wedlock to Miss Bertha Victoria Jordan, of Orangeville, who survives him, with their three children, Jordan, now 16 years, Marjorie 10 and Arthur 8. Dr. Lawson was an adherent of Knox Church. He was a Past Master of Walker Lodge, A. F. & A. M., and for many years took a keen interest in the Masonic order. The heartfelt sympathy of the community is extended to Mrs. Lawson and her fatherless children. The funeral on Saturday afternoon was conducted by Rev. W. L. Findlay and the brethren of Walker Lodge. W. Bros. Major Grant, Georgetown, John R. Kennedy, W. Cooper, and Bros. W. R. Kenney, John Clarke and Dr. Bell were the pall bearers. Graham Lawson, Crosswell, Mich.; Alex. Lawson, Guelph; Mrs. John Arthurs, Toronto, and Mrs. John Mann, Acton, are the surviving members of the family.—Acton Free Press.

Lawson was a brother-in-law of Mrs. Youmans, First Ave.

Fergus Council will ask the government for $80,000 this year, with which to erect about two dozen new houses.

BANK MANAGER DEAD

Drayton lost a fine citizen last Saturday evening, February 14, 1920, when Mr. J. J. Davis, Manager of the Drayton Branch of the Royal Bank of Canada, succumbed to an attack of double pneumonia. Apparently he must have had a premonition of what was to follow so soon, for a week ago last Thursday, 5th inst., he said to his staff, these are "flu" times and we are not sure that it will not overtake us any day. I want everything done up, or words to that effect, and laid out the work for them in case he would be off duty first. The following day he was unable to go to the Bank having contracted the flu. His medical attendant was called but in spite of treatment, the attack gradually developed into pneumonia and finally a double attack of it. He was a very exemplary young man, a member of the Methodist church, a regular attendant and a liberal supporter of every fund; he was also a member of the church board and the teacher of the young people's Bible class in the Sunday School; being a good musician, he often took the choir organ, so that he was connected with almost every phase of church work. As a member of the local Board of Trade, he was deeply concerned in every interest of the village and only a good all round man can fill his place. The village has sustained a heavy loss in the sudden death of Mr. Davis. He leaves to mourn the loss of an affectionate husband, father and son, a sorrowing wife, one son, Brock, about 6 years of age, a 3-year-old daughter, Marjory, an invalided mother who made her home with him, and one brother, Stanley, Manager of the Home Bank, Thorndale, to all of whom the community extend their sincerest sympathy. Mr. Davis was a member of the Masonic, Eastern Star and Odd Fellows Orders. The members of the former marched in advance of the hearse to the G. T. R., on Monday morning and the latter took charge of the service at the grave. The remains were taken to Alton, his home town, for interment and laid in the plot where those of his father, the late John Davis, C. E., O. L. S., and his sister, Ethel, lie. The funeral was held on Tuesday and was largely attended.—Drayton Advocate.

Messrs. W. J. Shorter and J. M. Davidson accompanied the remains from Drayton to Alton as the representatives of Britannia Lodge, No. 198, I.O.F.

A bad accident occurred at Flesherton Station on Wednesday afternoon recently when the snow plow was clearing the snow from the stock switch. A window on the engine cab blew open and the fireman, Mr. Price, hearing the noise, stuck his head out to see what was the matter. Having reached out too far, while passing the cattle chute he was hit on the head, knocking him senseless and cutting a gash about two and a half inches long on the side of the head, causing a heavy hemorrhage.

JESSOP-HOUGHTON.

A pretty wedding took place on Wednesday, February 4th, at the home of Mr. and Mrs. Alfred Houghton when their second daughter, Nellie Amelia, became the bride of Whitfield Jessop, of Orangeville, the Rev. John E. Dudgeon officiating. The bride, who was given away by her father, looked charming in a gown of Maize georgette crepe over silk, and carried a bouquet of white carnations. Following the ceremony the wedding breakfast was served, after which, amid showers of confetti and good wishes, Mr. and Mrs. Jessop left for their home on the ninth line of Tecumseth. Among those present were: Rev. and Mrs. Dudgeon, of Bend Head; Mr. and Mrs. Wm. Jessop, of Orangeville; Mr. and Mrs. Alfred Houghton, Newton Robinson; Mr. and Mrs. R. G. Houghton, Mr. and Mrs. M. H. West, Mr. George and Miss Ethel Meher, of Bradford; Mr. and Mrs. Jas. Kinsley, Mr. and Mrs. Fred Jessop, of Beeton; Mrs. George Hawley, Mr. Wilmer Houghton, and Miss Mildred Horning, of Alliston; Miss Leila McWaters, of Barrie; Mr. Dalton Meher, of Cookstown; Mr. and Mrs. Elgar Houghton, Misses Mina Harvey and Lois Houghton, Messrs. Henry Harvey and Frank Houghton, of Newton Robinson.—Beeton World.

FARM CONDITIONS CHANGE

"Organization, co-operation, and education are going hand in hand throughout the agricultural districts of the country," is the opinion of W. J. Rutherford, Dean of the Saskatchewan College of Agriculture, who expresses the following views in the Agricultural Gazette for January. He says, "Farming is not the independent self-contained occupation that it was a generation ago. Conditions have changed from the pioneer days, and production has not only to do with supplying the demands of the home but it must aim to create an export trade. Farming is a real business, successfully carried on by men and women who are not only skilful in the art and practice, but are versed in the science of agriculture. Farmers to-day are not content to know only how to grow good crops. They want to know also how to market them to good advantage. They are interested in the economic problems of their own communities and to a great extent in the problems of their customers in the city. Agriculture is both industry and commerce and affects both the rural and the city population. The agriculturist of to-day is not merely a practical farmer but is necessarily a social worker. Rural communities have problems which require college trained men to solve."

WINDING UP 'PHONE CO.

Mr. Justice Middleton has wound up the affairs of the Consolidated Telephone Co., a company operating in Caledon and Erin Townships. The nominal capital of the company was $100,000, of which $36,607 was subscribed. On December 15th, 1919, the assets of the company were sold to the Municipalities of Erin and Caledon for $73,419. The debts of the company were then $6,000. The assets of the company are now $68,000, and the debts $3,000.

The approval of the Ontario Railway and Municipal Board not having been obtained for the sale, it was not deemed expedient to proceed with the distribution of the assets of the company. Hence the request for a winding up order.—Toronto Daily Star.

CONSTIPATION

By the term CONSTIPATION is meant either infrequent, difficult or insufficient evacuation of the contents of the Lower Bowel.

The Symptoms are Headache, Dizziness, Mental Sluggishness, Lack of Concentration, Lassitude or a feeling of General Indisposition, Bad Breath, Coated Tongue, Loss of Appetite, Sallow Skin which may become dry and rough and Pimples may appear. Sometimes there is Heart Palpitation, Hysterical Spells and Nervous Exhaustion.

IT IS IMPORTANT to treat Constipation promptly as this condition generally leads to many serious disorders.

Careful judgment should be used in selecting a proper remedy; ordinary Cathartics and Laxatives have a weakening effect upon the system, others Gripe and Purge and Mineral Oils, if taken several times a day may retard secretion of the gastric juice and also interfere with the absorption of food. HACKING'S KIDNEY AND LIVER PILLS form an ideal tonic-laxative for Constipation and its evil results.

We give herewith the medicinal action of the ingredients of HACKING'S KIDNEY AND LIVER PILLS in order that you may form your own opinion as to the value of this wonderful medicine.

CASCARA — Laxative, Cathartic, Tonic to the Liver and Intestines, does not cause Griping or unpleasant symptoms, good for Chronic Constipation when used in small and repeated doses for a considerable period of time.

MAY APPLE—Useful in Fevers and Inflammations of almost every type and for all disorders of the Liver and Spleen. For indigestion, Jaundice, Piles, Constipation, Dropsy and Skin Eruptions.

CULVERT'S ROOT—A Laxative and Tonic, useful in Dyspepsia, Jaundice, Piles, Diarhoea, Dysentery, Cholera. Corrects Liver Troubles. Gives tone and vigor of action to the entire secretive apparatus of the system. Also for Inflammation of the Bladder.

GAMBOGE—Used in Obstinate Constipation and Dropsies attended with Intestinal Torpidity. This acts best when used in combination with other drugs and herbs.

HYOSCYAMUS—Helpful to the Kidneys, stops pain, soothes the Nerves, lessens irritability of the Nerve Centres. For Functional Palpitation of the Heart, helpful to the Mucus Membrane of the Kidneys and Bowels. Chiefly employed to relieve pain and to quiet Nervous excitement.

CAPSICUM—Stimulant and Stomache, useful in Feeble and Languid Digestion, Dyspepsia, Atonic Gout, Colic and Cholera.

PEPPERMINT—Useful in Flatuent Colic to check Nausea and Colic. For Spasmodic Pains of the Stomach and Bowels, for Neuralgia and Rheumatism, prevents griping and for gas on the stomach.

These are the principal ingredients of Hacking's Kidney and Liver pills, you will find that this combination will produce a healthy condition of the Stomach, Liver, Kidneys and Bowels.

No other drugs or combination of drugs, oils, laxatives, pills or purgatives will have such beneficial effect as HACKING'S KIDNEY AND LIVER PILLS, but you must be sure to get HACKING'S as no other kind will do. Price 25c a box, 5 for $1.00. Sold by all dealers or by mail. Hacking's Limited, Listowel.

NEXT TO A LETTER.

"Next to a letter from home" is the way Mr. A. G. McNabb, of Hornby, Ont., formerly of Rosemont, refers to The Banner. Mr. McNabb says that as an elector of Halton county he had the pleasure of doing his bit in electing Premier Drury. Mr. McNabb has a 173 acre farm on the Hamilton highway a short distance north of Oakville. The highway gives him a paved road either to Toronto or Hamilton. He describes his locality as A 1, and the neighbors are all that could be desired.

A SUCCESSFUL SALE.

Mr. R. B. Coulter, Cataract, held a successful Auction Sale a short time ago. Figuring some unsold grain at the market price, the total proceeds were $5,000 or slightly over that figure. Cows sold as high as $150 each, yearlings brought up to $60 apiece and spring calves were bid as high as $39.

TOWN TEAM WON.

The town hockey team got their revenge for their previous defeat by the High School, in the second game, played on Tuck's rink on Wednesday night of last week. The town boys put it over the students by a score of 5 to 4, but they had to play the best they knew in order to do the trick. It was a pretty game to watch and some real classy hockey was served up by both teams. Booth's shooting was deadly and contributed materially to the town's win. Each team tallied once in the first period. In the second each counted four goals, the period ending with the score still tied. The town notched the only counter and the winning goal in the final period. The teams were:—

Town—Goal, W. Dahl; point, B. Booth; coverpoint, R. Allen; centre, T. Sanderson; right wing, A. Fleming; left wing, O. Robinson.

High School— Goal, C. Robinson; point, C. McCauley; coverpoint, A. Robinson; centre, T. McKeown; right wing, W. Stewart; left wing, G. Kearns.

As a result of their defeat the students had to foot the bill for a Supper at the Queen's Hotel following the game. A third game was slated for last night, when the High School boys hoped to have the pleasure of electing their opponents for the expense of another Supper.

MR. JOHN CROZIER.

We keenly regret the duty this week of reporting the death of Mr. John Crozier, one of Mono's best known citizens. The sad event occurred at his late home lot 5, con. 6, east, on Friday last after a trying sickness extending over three weeks. The end was undoubtedly hastened by grief over the death of his oldest daughter, Greta, who passed away early in February under very sad circumstances. Deceased was one of nature's noblemen and in his removal the community in which his life was spent has suffered a distinct loss. Kindly, sympathetic and the soul of honor he occupied a very high place in the esteem and affections of those who knew him best. He was a devoted father and husband, whose loss will be very keenly felt by the members of his family circle. In the church and social life of the neighborhood it will be hard indeed to fill the place that he so long occupied. The late Mr. Crozier was 58 years of age and was the oldest living son of the late Samuel Crozier, of Mono, and more recently of Orangeville. He is survived by his wife, one son, John, and three daughters, Monica, Perrie and Phyllis, to whom heartfelt sympathy is extended in their great loss. Mr. George Crozier, of Mono, Mr. W. S. Crozier, of Owen Sound, Mrs. McKam, of Buffalo, Mrs. W. J. Magavern, of Detroit, Mrs. S. Raney, of Beeton, Mrs. Henderson, wife of ex-Mayor T. J. Henderson and Mrs. (Dr.) W. J. Price, of Orangeville, are the surviving brothers and sisters.

There was a large attendance of sorrowing friends and neighbors at the funeral, which was held on Sunday afternoon to the cemetery of Mitchell's Methodist church, of which Mr. Crozier had been a steward and a faithful member for many years. The pastor officiated and was assisted by Rev. A. C. McCollum, Anglican rector, and Rev. J. A. Matheson, pastor of Mono Mills Presbyterian church. The choir sang "Angels of Jesus" and at the close of the service, "The Christian's Goodnight" was sung by the pastor. Following the service the remains were borne to their last resting place by six neighbors of many years' standing, Messrs. Chas. Crombie, John Reid, Wesley Duke, Henry Babe, W. A. Dowling and Wm. McEwen. John Crozier will be missed because he was a friend of all and a helper in every cause for the uplift of the community. The people of Mono and the friends elsewhere unite in the deepest sympathy with the widow, family and other relatives.

CHILDREN MUST BE PROTECTED

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption. Being composed of simple ingredients of undoubted value, Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

MRS. WILFRID REANEY.

The home of Mr. and Mrs. W. Delaney, John St., has been again bereaved by the death on Saturday of their daughter, Mrs. W. Reaney. Mrs. Reaney's illness began about a year ago with a severe attack of the flu followed by double pneumonia. She had been in declining health ever since. Deceased, who was only 24 years and 2 months of age, was married about two years ago and lived in Toronto until lately. Her husband, who survives, served in France for a year. Her loss is also mourned by her parents and six brothers, namely, Clifford, Harry and Vernet, Toronto, R. J., in Winnipeg, and Ernest and Alvin at home. The funeral was held from the home of her parents to Greenwood cemetery on Monday forenoon, Revs. W. M. Morris and John Dodds conducting the services at the house and grave. The pallbearers were Messrs. J. Foley, Thos. Horsley, J. J. Still, J. Ewing, Ed. Delaney and Willis Denny. The sympathy of our citizens is extended to the bereaved relatives.

MARCH WEATHER DANGEROUS TO BABY

Our Canadian March weather—one day bright, but sloppy, the next blustery and cold—is extremely hard on children. Conditions make it necessary for the mothers to keep the little ones indoors. They are often confined to overheated, badly ventilated rooms and catch colds which rack their whole system. To guard against these colds and to keep the baby well till the better, brighter days come along, a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly. The Tablets are a mild but thorough laxative which never fail to regulate the stomach and bowels and thus they relieve colds and simple fevers and keep the baby fit. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Local Dealers Do Business in Open

KNOW THEY MUST FACE THE MUSIC IF THEIR CUSTOMERS ARE DISPLEASED.

MEET PATRONS FACE TO FACE

MAIL ORDER MEN PREFER TO SELL AT LONG DISTANCE RATHER THAN DEAL WITH PEOPLE IN THEIR OWN CITIES.

(Copyright.)

One of the stock excuses of the man who orders goods from a mail order house is that there are many things that he wants that the local merchants do not carry in stock, and that it is necessary for him to send away from town to get them.

This explanation may be all right on the theory that a poor excuse is better than none, but it fails to pass muster when it is subjected to a little scrutiny.

Ask the man who offers this as an excuse for his dealings with the mail order man why he does not go to the local merchant and ask him to order the articles desired if they are not to be found in the merchant's stock. The merchant will very gladly do this, and the merchant and customer will both profit. The merchant can sell you whatever you desire at as low a price as the mail order house can make you on goods the same quality and he can make a small profit.

The customer will profit from the transaction, because he will be dealing with a merchant who stands back of the goods that he sells, and who is easily accessible in case the articles purchased do not prove to be all that the customer had expected.

GIVE HOME MERCHANT PREFERENCE.

Why not try this plan the next time you need something which you cannot find in any of your home stores? The merchant in the average sized town cannot carry in stock everything that all of the people in his town may want at all times. It would require a capital many times larger than the average merchant can command to do this, but he does the best he can. He ordinarily does carry in stock at all times many things for which there is no general demand, in order that he may meet the needs of his customers to the greatest possible degree, but there is a limit to his purchasing ability. He is always ready and willing, however, to make every effort to meet the demands of the community. Why not, then, give him the preference over the far distant mail order man if you must have something which is not to be found in the local store? He will do the business in a satisfactory manner, give you as quick if not quicker service and more satisfactory treatment, and the chances are that he will give you better values for the money. Finally, whatever profit is to be made off the transaction will stay at home and do its bit toward making the merchant and his town and, incidentally, yourself, more prosperous.

No business can be transacted as satisfactorily at long range as it can when the two parties to the transaction meet face to face. The only exception to this rule is in the case of the mail order man himself, who can transact his business with greater success to himself at long distance than he could if he had to meet his customer face to face. That is the reason that he does business by mail instead of selling to the people in his own city. If the goods which the mail order man advertises in his alluring have to go outside of the confines of his own city, to sell all the goods he could possibly obtain. But the average mail order house not only does not make any effort to sell goods in its own city, but will not sell to catalogues were the bargains that he represents them to be, he would not anyone residing within the city limits. The mail order man does not want to meet his customers faces to face. He can do business better so far as he is concerned if his customer is some hundreds of miles away from his office.

DOES BUSINESS IN OPEN.

The man who sells goods over the counter, on the other hand, does business in the open. He cannot hide behind a corporate name or talk to a displeased customer from behind the locked doors of a private office. He knows that he must face the music in case he is a party to any transaction that won't stand the light of day. He knows that he must satisfy every customer with whom he may be dealing or he will lose not only that customer but probably others who will soon know all the facts if he does not do the square thing by any one of his patrons.

There is no reason in the world for any person to send his money to a mail order house because he cannot find the article he wants in his local store. The local merchant is in business for the very purpose of getting you what you want. He has the information that will enable him to get what you want and get it as quickly as you could get it from a mail order house. It is only fair to him to give him the chance to make such profit as any dealer would make off the transaction and it is only fair to yourself to keep that profit at home rather than to send it away to some far distant city from which it will never return.

HOCKLEY.

A very pleasant evening was spent at the home of Mr. and Mrs. Charles Parker, when the members of the Union Sunday School and congregation of the Hockley Methodist church met at their home and presented them with easy chairs and the following address:—

Mr. and Mrs. Parker and Family:

Dear Friends,—We, your co-workers in the Sunday School, members of the congregation and friends, have met here to-night for the purpose of saying good-bye to you, and of expressing our sincere regret that you have decided to move from this neighborhood where you have resided for the past five years. During those years you have been kind, obliging neighbors and friends to all those about you, ready to lend a helping hand where needed, and none shall miss you more than the Sunday School in which you have taken no small share. You have been faithful in your duties as Superintendent, and Bible Class teacher. By your efforts as a teacher and your daily christian life, you have helped to elevate the life of the community. You have also been a valued member of the choir, and we shall miss you in the singing of God's praises. In memory of these things we are conscious of a personal loss in your removal from our midst, and as a slight token of the esteem in which you and your family are held by the people of this community, we ask you Mr. Parker and Mrs. Parker to accept these chairs, and Florence this purse, and Harold these military brushes. With those gifts go the good wishes of your friends and neighbors. Do not look upon those gifts for their intrinsic value, but upon the spirit in which they are given, and may they ever remind you of your friends in and around Hockley. Our sincere wish is that the future may bring to you and yours, Heaven's richest, earthly blessing, health, and contentment, in your new home, and may you be long spared to work in the Master's vineyard.

Signed on behalf of the S. School, congregation, and friends.

A Yorkshire sow belonging to Jno. A. Priddle, of Badjeros district, is somewhat of a record breaker in the matter of large families. Mr. Priddle will have owned the porker two years next April. During the period of his ownership the sow has given birth to five litters of young, making a total of 88 in all. She gave birth to twenty a week ago of which twelve are now living. In the five litters twelve was the average number raised. Sixty thrifty porkers is a big record in less than two years.

MRS. WILSON HAS GAINED 20 POUNDS

Friends Are Amazed at Her Recovery—Feels Like New Since Taking Tanlac.

"Since taking Tanlac I have gained twenty pounds in weight and all the neighbors are talking about my wonderful improvement," was the statement made recently by Mrs. C. Wilson, of 40 McSweeney Avenue, Moncton, New Brunswick.

"It was about five years ago that my health failed," she continued, "and in spite of all I could do I grew worse and worse. Then in October, 1918, I had a bad case of the 'flu,' which left me in a most miserable and weakened condition. I had almost no appetite at all and whenever I managed to eat a little something it seemed to do me more harm than good. I had a heavy, distressing feeling all the time and I could hardly retain a thing on my stomach. My sleep was restless and often it was disturbed by horrible dreams and nightmares, and I was so nervous that even the children playing around the house upset me. I lost weight until I was scarcely more than a frame and I became so weak and run down that I was almost a wreck.

"One day my husband brought me a bottle of Tanlac, but I had taken so many medicines without getting relief that I had become discouraged and he had to insist for some time before I consented to take it. And now I am certainly glad I tried it, for I began to improve right away. After taking five bottles I am in perfect health to-day and my friends are simply amazed at my recovery. I can eat anything I please and digest it without the least trouble and I don't have that distressing feeling after eating like I used to. My nerves are steady and I sleep sound every night. I have gained so much in weight and strength that I am really feeling like a different woman. Tanlac was certainly a blessing to me and I am pleased to tell others about it."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

WOULD IMPROVE ORANGEVILLE

At the recently held Annual meeting of the Orangeville Horticultural Society a more extensive programme for the season of 1920 was planned.

This Society has accomplished a great deal in recent years toward beautifying our town, and deserves the active co-operation of every householder, both in the town and in the surrounding country.

They aim to make the lawns and gardens more pleasing in appearance and more productive. They also expect to extend the work of placing flower beds in different sections of the town, and the removal or concealment of our most conspicuous eye-sores.

It is felt that with an increased membership the sphere of influence would be greatly extended and a canvass for additional members will be commenced at a nearby date. An invitation is issued to every one interested to become a member. The annual fee is one Dollar, and this entitles each member to one hundred cents worth of premiums to be selected from a list of trees, shrubs, vines or seeds ,and also entitles the member to practically wholesale rates on all additional requirements in any of these lines.

Any officer of the Society will be pleased to inform or assist anyone desirous of being a member.

The Officers are: President, Dr. G. H. Campbell; 1st Vice-president, Mr. E. A. Parsons; 2nd Vice-president, Miss F. Shain; Secretary, Mr. H. F. Tuck; Assistant-secretary, Miss Ethel Arkell; Directors, Mrs. W. Fairbairn, Miss M. Hunter, Miss Ruby Allen, Messrs. Endacott, Little, Matthews, McGuire, Dorrance, Nicholson, Dr. Price; Auditors, Messrs. Firth and Leighton.

IN MEMORIAM.

McCUTCHEON— Lines written in loving and affectionate remembrance of Elizabeth Evaline McCutcheon, who departed this life March 10th, 1919:—

One year is gone and still we miss her;
Friends may think the sore has healed,
But they little know the sorrow
Lies within our hearts concealed.
Had we but seen her still in life,
Or soothed her drooping head,
Or caught the last sigh of her heart
Or watched by her dying bed.
Our hearts, we think, would not have felt
Such bitterness of grief;
But God had ordered otherwise,
And now she rests in peace.
No loved ones stood around her
To bid a fond farewell,
No word of comfort could she leave
To those she loved so well.
But since it was ordained on high,
She should be called so soon,
God grant us strength to humbly say:
"O Lord, Thy will be done!"
There is no death in Heaven;
For they, who gain that shore,
Have won their immortality
And they can die no more.
God, who heals the broken-hearted,
Still shall be our help and stay
Tho' in sorrow we have parted
Joy shall crown the meeting day.
Oh, fold her Father in Thy arms
And let her ever be,
A messenger of love between
Our humble hearts and Thee.

The Family.

IN MEMORIAM.

OSTRANDER— In sad, but loving memory of my dear husband, Geo. Thornton Ostrander, who died suddenly from an accident on March 13th, 1919, in his 30th year:—

We mourn the loss of one so dear,
Our hearts are sad to-day
To think the one we loved so well
Was so quickly called away.
'Tis sweet to know we'll meet again
Where partings are no more;
And the one so dear to us,
Has only gone before.

Wife and two little children.

THE METHODIST NATIONAL CAMPAIGN

In the Methodist National Campaign the different Circuits in the Orangeville District have subscribed as follows:

Orangeville	$4,000.
Laurel	2,293.
Shelburne	2,675.
Corbetton	2,200
Honeywood	2,288
Horning's Mills	2,000.
Mansfield	1,544

Outside of Toronto Districts, Orangeville District holds the premier place in efficiency and contributions. Great credit is due to the Campaign committees and the canvassers who were not to be thwarted by all the difficulties presented by bad roads, rough weather or sickness. At some points the canvass is still in progress and those figures will yet be increased.

PEEL LIBERALS MEET.

The annual meeting of the Peel County Liberal Association was held in Brampton Saturday afternoon. Officers were elected for the current year as follows:— President, James Martin, Brampton; First Vice-President, Mrs. Dr. Hall, Brampton; Second Vice-President, Fraser Smith, Cheltenham; Secretary, Dr. J. L. Mackie, Brampton; Assistant Secretary, Mrs. A. Laidlaw, Mayfield; Treasurer, Wm. Bowsfield, Brampton. Major Tolmie delivered an address on mothers' and widows' pensions and class legislation. Mr. W. J. Lowe, the unsuccessful Liberal candidate at the last Provincial election, also addressed the meeting.

RURAL SCHOOL FAIRS.

During the year 1919 the Ontario Department of Agriculture, through its agricultural representatives, distributed seeds and eggs to 73,946 pupils in 3,278 rural schools of the province. R. S. Duncan, B.S.A., writing in the Agricultural Gazette for January states that the following quantities were distributed:—1,890 bushels of potatoes, 432 bushels of grain, 12,575 packages of root seeds, 30,700 packages of vegetable seeds, 21,900 packages of flower seeds and 11,045 dozens of eggs of a bred-to-lay strain of Barred Plymouth Rocks. These figures give some idea of the magnitude of the school fair movement in Ontario.

The first school fair was organized in 1909 with three schools taking part. Ten years later 357 rural school fairs were held in the province and the pupils had 69,848 home plots and made 111,823 entries. It is estimated that about 250 people saw the first school fair in which 58 pupils took part, while last fall 92,600 children and 107,590 adults attended the school fairs in Ontario. This is truly a wonderful growth.

GUARD AGAINST THE 'FLU

Serious Outbreaks of Influenza all over Canada

GOOD HEALTH IS THE SUREST SAFEGUARD

"FRUIT-A-TIVES" Brings Vigor and Vitality and Thus Protects Against Disease

There can be no doubt that the situation regarding the spread of Influenza throughout Canada is one of grave concern. It is quite true that the number of cases does not constitute an epidemic such as caused the suffering and sorrow during the terrible days of 1918. Yet there is no disguising the fact that everyone should be on their guard against the disease.

In Montreal alone, from January 20th to February 21st, *three thousand, one hundred and twenty-two cases* of Influenza and 189 deaths from the disease were reported to the Health Department.

If the outbreak had come at the beginning of the winter instead of the end, we might reasonably feel that the very cold weather would check the spread of the disease. But coming as it has, at the end of the winter, there is grave fear that an epidemic may occur. For spring, with its slush and rain underfoot, its dampness and chill, its constant changing from cold to warm and back again, is a prolific source of coughs and colds, pleurisy and pneumonia.

The best protection, in fact, the only safeguard against the 'Flu, is, GOOD HEALTH.

Those who are not as well and strong as they should be; those who are underweight; those who are "run-down" through overwork or sickness; should build up at once. What they need is a Blood-purifier, a body-builder, a strength-giver, like "Fruit-a-tives", the wonderful fruit medicine.

"Fruit-a-tives" regulates the kidneys and bowels, causing these organs to eliminate waste regularly and naturally as nature intended. "Fruit-a-tives" keeps the skin active, and insures an abundant supply of pure, rich blood. "Fruit-a-tives" tones up and strengthens the organs of digestion, sharpens the appetite, brings restful sleep and renews the vitality of the nervous system. "Fruit-a-tives" contains everything that an ideal tonic should have; to purify the blood, to build up strength and vigor, and to regulate the eliminating organs, so that the whole system would be in the best possible condition to resist disease.

Now is the time to build up your health and strength, not only as a precaution against the ravages of Influenza, but also to protect you against "spring fever" and the inevitable reaction which comes with the appearance of warmer weather. Get a box of "Fruit-a-tives" today and let this fruit medicine keep you well.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 boxes for $2.50, trial size 25c, or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

W. B. MARSHALL.

Death of Former East Garafraxa Man In Medicine Hat.

On Sunday morning, Mr. W. B. Marshall, aged 56, passed away at the hospital, as the result of an acute attack of cardiac trouble. For many years Mr. Marshall had been a sufferer from an affection of the heart and it was this fact which deterred him from joining Mrs. Marshall at the coast this winter, he being afraid to risk the high altitude of the mountains in crossing.

Mr. Marshall took ill the early part of last week and Mrs. Marshall was shortly afterwards summoned arriving from Vancouver on Saturday morning. An improvement in his condition being apparent, arrangements were made to remove him from the hospital to his apartments at the Assiniboia hotel, but on Saturday night his vitality began to wane considerably and he gradually grew worse.

Mr. Marshall accompanied by his wife and three children came to Medicine Hat from Orangeville, Ontario, in 1894, the change of residence becoming necessary on account of illness of a tubercular trouble being manifest in his family. The change of climate, unfortunately, did not act as a deterrent in the progress of the disease and a few years later Mrs. Marshall and the children succumbed to its inroads. Mrs. Marshall was a member of the well-known Hunter family of Orangeville, and a sister and brother, Miss Clara Hunter and Mr. H. A. Hunter, reside in Medicine Hat a portion of each year.

For some years Mr. Marshall ranched on quite extensive lines in the neighborhood of the Cypress Hills, afterwards moving into the city where he bought and sold stock and also conducted a wholesale and retail meat market. Later he entered into partnership with H. A. Hunter and erected the commodious Marshall and Hunter block, opened a hardware and grocery store. J. Leonard, some years ago, purchased the grocery department and Mitchell Brothers purchased the hardware business.

In 1900 he associated himself with H. C. Yuill and erected Medicine Hat's first mill. Mr. Marshall was also one of the organizers and a large stockholder in the big iron rolling mills at Redcliffe. He erected the Marshall residential terrace on Sixth Avenue and with H. A. Hunter was heavily interested in other Medicine Hat realty. Mr. Marshall also took an interest in the organization of the Medicine Hat News, Limited, and on the formation of the company was its largest shareholder. He also had heavy investments in Calgary.

Deceased followed civic public affairs very closely and when the town was incorporated was elected as its first mayor. In commemoration the city hall flag floats at half mast today. He was a member of Minnedosa Lodge A. F. & A. M. His encouragement to amateur athletics was largely responsible in the early days for the formation and maintenance here of the best lacrosse team in Western Canada and he was very fond of curling and was a member of the almost unbeatable Big Four, composed of J. Fleming, H. Yuill, A. Whitlin and himself. In 1919 Mr. Marshall was united in marriage to Miss Gertrude White, who survives him and who was spending the winter at the coast when summoned home through her husband's illness. Mr. F. J. Marshall of Calgary is a brother of deceased and his mother still survives residing at present in Calgary.

Deceased was one of Medicine Hat's most generous and open handed citizens, and of him it may justly be said that no appeal for charitable assistance was made to him without a quick and ready response. The need of the local boys who went overseas appealed to him strongly and he was instrumental in forwarding shipment after shipment of tobacco to those in France.

The funeral will take place to-morrow, Tuesday afternoon at 2.30 p.m. from Hall's chapel to Hillside cemetery, and will be under Masonic direction.—Medicine Hat News.

LOSS OF STRENGTH THROUGH INDIGESTION

The Stomach Can Only Do Its Work When the Blood is Rich and Red.

Indigestion means loss as well as suffering to many people. Loss of strength, loss of time and loss of money follows indigestion and debility continues as long as the indigestion remains. Workers suffer from indigestion because their hours are long, and often they cannot give proper time to meals. Then the appetite becomes fickle, digestion becomes feeble and the blood becomes impoverished. So the genenal health suffers; langour, nervous troubles and often sleeplessness follows. It is well to remember that the whole system relies upon good blood and that good blood is impossible unless the digestion is good.

The stomach cannot do its work unless the blood is made rich and red, and so new blood alone can cure indigestion. It is for this reason that a remedy like Dr. Williams Pink Pills which makes new, rich blood, cures indigestion and builds up the whole system. The great value of Dr. Williams Pink Pills in cases of this kind is proven by the statement ofMr. R. E. Small, Wingham, Ont., who says:—"The truthfulness of my statement can be proven by scores of my friends and acquaintances. I am a glove cutter by trade and for six long years, have at times been a great sufferer from a complication of ills chiefly due to indigestion. Gas would accumulate on the stomach causing me great pain. I would bloat up at times and almost suffocate, and often when at work would be overcome by a drowsy oppression which was almost indescribable. Finally I began the use of Dr. Williams Pink Pills, and after taking seven boxes I feel like a new man. The transformation they have made in me is simply remarkable, and while using them I gained thirteen pounds in weight. I may add that I began the use of Dr. Williams Pink Pills as a result of what they did for a niece, who underwent a critical operation, who did not regain her strength until she started using the pills. In her case they fully restored her health, and this encouraged me to begin their use, with, as I have already said, a complete restoration of health in my own case."

You can get Dr. Williams Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

A PRESENTATION.

A very pleasant and enjoyable time was spent at the home of Mr. and Mrs. Thos. Madill, of Horning's Mills, when quite a number of their friends and neighbors met together on the eve of their departure for Camilla. After all had settled down the following address was read:

To Mr. and Mrs. T. J. Madill and Family:—

Dear Friends,—We have gathered to-night at your residence in a spirit of true devotion, to bear witness to the manner in which we appreciate you as eminent citizens of this enterprising community, and also to express our extreme regret on the eve of your departure to other parts. Words, however masterful you may use them, often fail to the uttermost in forming your true ideals in the worth of true citizenship, when a community loses honest and faithful compatriots. True, you will never discover their real value until these citizens make themselves conspicuous by their absence. A consciousness of these characteristics in the loss of these friends from your immediate environment prompts others to show in an extreme sense their true value by some tangible token or tokens. You and your family have been worthy members of society in the community in which you have sojourned, an evidence of which is shown by the number of friends here to-night. No matter what question was dwelt with patriotic or general, the same has been met with hearty approval by your kind donations and efforts. In a neighborly manner you have been liberal in regard to giving aid to those who were sick and needed comfort. We heartily assure you that we will miss you when you are gone, and when you arrive at your new home may you reap that assurance of good-will and fellowship which was your allotment to receive while here. As a token of our good-will towards you and your family we present to Mr. and Mrs. T. J. Madill two easy chairs; Elmer, a watch chain and locket; Margaret and Edna, each a brooch, together with a camera.

Signed on behalf of your many friends and neighbors.—H. V. Fawcett, Andrew Brown, Charles Wood.

Mr. Madill made a very suitable reply, and the rest of the evening was spent in amusements, all going home well satisfied with the evening's enjoyment and wishing Mr. and Mrs. Madill good luck in their new home.

She's Not to be Left.

Bella—just at twenty—swore

UNVEILED HONOR ROLL

Members of Chalmers Presbyterian Church, Toronto, Perpetuate Memory of Those Who Fought.

Standing with bowed heads the congregation of Chalmers Presbyterian Church at their service yesterday morning paid tribute to those members who had given their lives in the war, and honored those who had founght and returned by the unveiling of three bronze tablets containing the names of all those who had seen service. The actual ceremony of unveiling was brief. As returned soldier members slowly drew aside the Union Jacks which covered the tablets, Capt. Rev. Chas. S. Oke uttered a few words of tribute. Then Mr. Charles Stanley sang, "In Flanders Fields."

"We are here at this service not only to honor the living, but to pay tribute to the dead," said Capt. Oke in his sermon. "We can best honor them by living in future for the principles for which they died. That is what they would tell us if they could come back. They would say to us: "Live for the principles for which we died Live to make the world a cleaner and purer place and you will be honoring us." I am glad to see these tablets being erected. But there is a memorial more enduring than brass, and that is that we can work for the memory of those men who have given their lives for us."

The first two tablets, made in duplicate, bear the names of those who made the supreme sacrifice. The third and largest bears the names of 280 men and women who offered their services during the war and who returned safely. All three are simple bronze memorials; their texts are brief but impressive. Under designs of draped allied flags and maple leaves is the lettering: "For King and Country" and "Justice and Liberty."

The names of those members of the church who gave their lives in the service of their country are:

Lieut. W. J. Algie, Pte. Albert Anderson, 2nd Lieut. Rev. T. A. Arthurs, Pte. Carroll Barrett, Capt. A. P. Calmers, Pte. Edward Christie, Lieut. George A. Cockburn, Lieut. J. W. Coons, Pte. G. A. Craig, Pte. W. Fee, Pte. W. J. Hardy, Pte. Robt. Howard, Pte. A. L. Maynard, Pte. W. A. McElwain, Lieut. R. B. McGuire, Pte. James McIntosh, 2nd Lieut. Victor McIntosh, Flight Lieut. A. Ross, Pte. Andrew W. Parlser, Pte. David J. Powless, Pte. Murray Robb, Pte. James Robbie, Pte. C. E. Robertson, Corp. Alex. L. Robinson, Lieut. Ernest J. Scott, Pte. Wm. M. Shearer, Pte. A. F Scott Smith, Pte. Jos. Walker, Pte. W. J. Walker, Pte. Norman Walker, Pte. Norman D. White, Pte. D. N. Wilcox, and Pte. Alex. M. Wilson.—Monday's Globe.

Lieut. R. B. McGuire, one of the members who made the great sacrifice, is a son of Mr. and Mrs. B. McGuire, West Broadway. Mr. and Mrs. McGuire were present at the service on Sunday. Lt. Algie, whose name also appears on the tablet, is a son of Dr. Jas. Algie, formerly of Alton.

BOWLING GREEN.

We were very sorry to note that March came in like a lamb. We certainly hope that it will not live up to the old proverb and end its days like a roaring lion.

A very pleasant event took place at the home of Mr. Thos. Cooke the other evening, when a number of his neighbors and friends met for the purpose of presenting him with a clock and fountain pen. Our local Councilman, Mr. Harry Whaley, read the following address:

Dear Friend,—We have met here this evening to show our appreciation toward you. You have spent almost two years in our midst. We have always found you ready to lend a helpin ghand in time of need. Please accept this clock and pen as a small remembrance of your many friends in Bowling Green. We all join in wishing you success in your new home.

Roy Clarke
Willie Jelly

Mr. Cooke made an appropriate reply. The presentation was followed by a very enjoyable dance.

Pointers on Mr. Cooke's dance:—Messrs John Conner and Matthew Ward proved themselves experts at reading cups.

Oliver Durkin was so hot that he declared the house was on fire, but no blaze could be discovered.

Mr. Norman Thompson is moving to his new farm these days.

We understand that Messrs. Clifford Bennett and Matthew Ward intend to hold another dance in the near future.

Two-Party Line Telephone Service

NECESSARY curtailment of new construction during the war, followed by the unprecedented development since the armistice, have resulted in a universal shortage of telephone material.

In order to utilize our supply of equipment to the best advantage, to reduce delay in installations to a minimum, and to avoid refusing service to anyone, we ask those intending to order telephones to consider the advantages of two-party line service.

The cost to the user is substantially lower than for individual line, and the service of a high standard.

We will be glad to furnish full information to anyone interested.

Increase Your Grain Crops without extra land, labor or seed

IT'S purely a question of supplying more — and better — fertilizer. This is not theory. It is FACT. Grain needs Nitrogen or Ammonia to grow the straw; Phosphoric Acid to hasten ripening and fatten the kernel; Potash to give strength to resist disease and assist in the formation of starch.

HE GOT HIS!

A merchant named Berry retired from business leaving his son to conduct the store. Among his patrons was a man who never paid his bills. Said the young Mr. Berry: "I'll fix that old cuss. I'll send him his bill before it is due, and perhaps by the time it is really due he will be ready to pay it!" The next day the young Mr. Berry was surprised to get the following note from the "old cus": Dear Huckle Berry,—

You must be a Goose, Berry, to send me your Bill, Berry, before it is Dew, Berry. Your father, the Elder Berry, would not be so hasty. You may look very Black, Berry, and feel very Blue, Berry, but I don't give a Straw, Berry, for you or your Bill, Berry!

X-RAY FAILED

Mechanic Gives Evidence

There are cases where science in its most profound phases is absolutely balked, yet other help is at hand.

This is proved by the testimony of a mechanic, 35 years of age, who suffered, at times, positive torture from stone in the bladder. After trying many remedies without result, he had an X-Ray photograph taken, which also failed to show where the trouble was. Fortunately, just at this juncture, when he almost had given up hope of any relief, Gin Pills were brought to his notice. These famous Pills in a very short time enabled him to pass the stone which was the cause of his trouble. We will give the name of this man on request.

Kidney and Bladder troubles should not be neglected. The first symptoms should be sufficient warning. Pain in the sides or back, constant headaches, neuralgic and sciatic pains, rheumatism, dizziness, constipation, gravel, highly-colored urine, specks before the eyes, all point to derangement. Gin Pills should be obtained without delay. Druggists and dealers carry them—50c—your money refunded if not satisfied. Free sample on request.

AN INTERESTING EPIC

The Flesherton Advance Had Its Curiosity Satisfied.

The Canadian Oil Fields, Limited, head office, Toronto, L. G. Finch, Vice President and General Manager, has aroused the curiosity of the Shelburne Economist man. Well, ours was aroused a long time ago and has been satisfied. Mr. Finch has been a summer visitor to Flesherton for the past three years. He is a very affable, pleasant gentleman to meet. His company started drilling a well here four years ago, and quit after going down a hundred feet or so—said they had struck a rock on a slant and the drill could not penetrate it. The drill was moved to the Lever farm, 1½ miles north of this village, and has been drilling there intermittent until last fall, when work ceased entirely, presumably for want of funds. Several farmers in the vicinity were induced to take stock in the concern. A year ago their driller moved over to Meaford, where he is himself arousing considerable curiosity, according to despatches from the scene of operations.

Mr. Finch, general manager, claims to be a geologist and can talk learnedly of sinclines, inclines, anticlines, abrasions, cretaceous formations, pleiocine and miocine strata, post tertiary and quaternary epochs, oolites and all the other funny things found in the gizzard of old mother earth. This is good ammunition for an oil campaign. He claims to have the well here down something over 2000 feet—just on the point of penetrating a huge oil reservoir. In fact he announced one evening last summer that two hours' drilling the next day would do the trick. But the crowd of boneheads did not sit up all that night clamouring for stock and drilling very curiously appeared to languish about that time, probably to give the poor outside public an opportunity to get in on a good thing while the getting was good before the anticipated boom and boosting of the price.

Mr. Finch is at present engaged in confiding in the public, according to some of our local exchanges. Whether he intends opening some more oil reservoirs near the surrounding towns we do not know, but if it is for the purpose of continuing drilling operations here we wish him all kinds of success.—Flesherton Advance.

LAUREL

As I have just returned from the far West, I thought I would take a walk around and visit a few of my friends and neighbors.

The first place I called at was Warren Grosskurth's store. Warren told me that business was flourishing and that he had been elected Premier of a Parliament, but that there was not quite as much salary attached to the position as Premier Drury gets. I then started up the fifth line, where I met my old friend, Joseph Trimble, looking hale and hearty, but having still lots of chores. I next met Fred Cooney, who invited me in for the evening. I gladly accepted his invitation. When I resumed my travels the next day I met Oliver Ewing, who said that teaching school at Laurel was much better than at Honeywood ,especially this cold winter. Proceeding down the road, I was overtaken by E. Richardson, who gave me a lift as far as A. Harrison's. There I met Wm. Snowden who asked me to remain for a game of cards, which I agreed to do. On proceeding on my travels next day, I decided to call on my friend Alfred Trimble. In the course of our conversation, Alf. informed me that he had no notion yet, even if it was Leap Year. While I was there, Elgin Trimble came in. I asked him if they were going to close Salem school on account of the Flu, but he replied that the teacher had not said anything yet. On my way to call on J. Varcoe, I was overtaken by Russell Wolfe, who gave me a lift as far as the Fourth line. Russell was in a hurry, as he had to be at J. Menary's very shortly. When I reached Varcoe's, Jack was ready to go to Orangeville, but was waiting on J. Maltby and A. Morrison. While there Al. took me into his confidence, so far as to tell me that he didn't know whether clerking in the Adamson Co's. store, or travelling on the road testing cream, was the better job. My next call was on Hunter Nelson, whom I found ready to go to Edgar Trimble's. I accompanied him as far as the Third line, as I wanted to see Leonard McCabe, but when I got there, I was informed that Leonard was at Murray's confectionery store in Shelburne. Chancing to meet Fred Gordon, he invited me to stay over night, as he said he had an off night. As I had a rather tiresome day, I gladly accepted his invitation. Returning to Laurel the next morning, I was overtaken on the road by Geo. Philips, who said he was sorry that he could not give me a lift any farther than the Ten sideroad, as he had to go to S. Cruikshanks. By this time I was getting rather tired of travelling on dry sideroads, so I took the train at Laurel for Montreal, where it is wet.

JOHN DEAN.

John Dean, a well known resident of Mulmur township, died at his home, east half lot 17, con. 2, E.H.S., Mulmur, on Wednesday last, Feb. 18th. The late Mr. Dean took seven months' unsuccessful radium treatment in Toronto and latterly treatment at Dr. Nichol's Sanitorium at Savanna, Missouri, in October last for a cancerous growth of the face and was pronounced as cured. A paralytic stroke, suffered on February 9th, was the immediate cause of his death. The deceased was born on Aug. 20th, 1842, in the County of Fermanagh, Ireland, and came to Canada with his father, John Dean, at the early age of seven years and resided at Cooksville for about ten years, where he attended public school, after which he, with his father, came to Mulmur township where he resided until his demise. The late Mr. Dean took an active interest in municipal affairs and in 1907 was Deputy-Reeve of Mulmur township and sat on the Council Board for about four years previous to that time. He was married on January 3rd, 1872, to Mary Jane Paul, who died in 1889, and by whom he had four children: J. Addison Dean, Riverhurst, Sask.; Mrs. Chas. A. Mumford, Mortlach, Sask.; David E. Dean, Shelburne, and Jas. P. Dean, now deceased. He was re-married on Mar. 23rd, 1887, to Margaret Ayers, who, with one son, Wm. T. Dean, survives him. Three brothers and five sisters also survive: Thomas and Geo. Dean, Sault Ste. Marie, Ont.; David Dean, Carievale, Sask.; Harriett Walden, Carievale, Sask.; Hannah Johnston, Vancouver, B.C.; Mrs. Thos. Reburn, Shelburne; Mrs. Wm. Ferris, Mansfield, and Mrs. John Beatty, Mortlach, Sask. Jas. Dean, of Hornings Mills, is a half brother and Mrs. Rice Hill, of Whitfield, and Miss Flora Dean, of Hornings Mills, are half-sisters of deceased. His remains were interred in Whitfield Methodist cemetery on Saturday afternoon last.—Free Press.

A host of friends of Mr. and Mrs. P. J. Cunningham, of East Luther, gathered at their home and did them fitting honour. Mr. and Mrs. Cunningham received a couch, Mr. Jos. Cunningham a safety razor and Master Wilson a fountain pen.

Wash Day and Backache

WASH day is the least welcome day of the week in most homes, though sweeping day is not much better. Both days are most trying on the back.

The strain of washing, ironing and sweeping frequently deranges the kidneys. The system is poisoned and backaches, rheumatism, pains in the limbs result.

Kidney action must be aroused—the liver awakened to action and the bowels regulated by such treatment as Dr. Chase's Kidney-Liver Pills. This favorite prescription of the well-known Receipt Book author will not fail you in the hour of need.

MRS. OAKES SPEAKS IN PRAISE OF DODD'S KIDNEY PILLS

She had severe backache before using Dodd's Kidney Pills but now she says she is quite well again.

Hastings, Ont., Mar. 8, (Special.)—Among the women in this section who are shouting the praises of Dodd's Kidney Pills is Mrs. John Oakes, one of our highly respected residents. Nor does Mrs. Oakes fail to give the reason.

"Before using Dodd's Kidney Pills," she states, "I suffered with severe backaches. Now I am quite well again.

"I am highly pleased with Dodd's Kidney Pills. They have given me the best of satisfaction."

In those last two sentences Mrs. Oakes gives the reason why Dodd's Kilney Pills are so universally popular with the women of Canada. They give satisfaction. Women in all parts of Canada are every day stating that they suffered from kidney ills and found relief in Dodd's Kidney Pills.

If you haven't used Dodd's Kidney Pills ask your neighbors about them. They have been in use in Canada for more than a quarter of a century and have earned a place in the family medicine chest almost everywhere.

FARMERS ON THE R. M. R.

After reading the Orangeville mail courier's effusion in a recent issue of The Banner on life on a rural mail route I was forced to conclude that the conditions described were altogether different from those on Mail Route No. 2, where if a young lady waited for a three cent stamp she would wait a long time. Nor would the older ladies ever get their mail orders sent to Eaton's. As far as the roads are concerned they haven't been blocked to hinder the mail courier coming at least once a week, for the farmers open the roads after every storm. But the people on the concession lines do not receive their mail for two or three days from the time it leaves the Orangeville post office. It is very annoying when one wants to send some letters away to put them in the mail box every day, take them out again at night and finally have to send them to town with one of the neighbors. Then the mail man wants a present at Christmas, but does he deserve one? I grant that all mail men are not alike, for some of them are very obliging. I understand that the courier gets $1.00 a mail box over and above his salary. I would sooner have my mail left in Orangeville Post Office, where I could get it once a week, than to have it thrown into some other person's box to be mussed over.

A PRESENTATION.

A very enjoyable evening was spent at the home of Mr. and Mrs. Richard Holmes, lot 26, 4th line, Mono East, on February 3rd, when about fifty members of St. Matthew's church, Elder, gathered together to express their appreciation of the faithful services rendered by Miss Ina Holmes as organist of the church. The first part of the evening was occupied by a varied and interesting programme, in the course of which Miss Holmes was presented with a purse of money by Miss Conn on behalf of the congregation, and the following address was read by Mrs. (Rev.) P. C. Howard:—

Miss Ina Holmes,
St. Matthew's Church,
East Mono, Ontario.

Dear Friend and Fellow-worker,—It is because of your faithful services as organist of St. Matthew's Church that we are gathered together in your honor. We have not allowed to pass unnoticed the fact that you have ably conducted the musical part of our services for the past four years. We admire your unselfish devotion to your Church, an example which all of us would do well to follow. We have been impressed by the fact that no selfish motive shadowed your service. You have courteously put aside any suggestions concerning remuneration and have graciously continued at your post of duty.

We are not attempting to remove the debt which we owe you, but as a very slight token of our appreciation of your faithful service, we ask you to favor us by accepting the accompanying purse of money, along with the good wishes of your friends and fellow-worshippers of St. Matthew's Church.

Yours faithfully on behalf of the Congregation:

Miss Mary Conn,
Mrs. Robt. Lewis,
Rev. P. C. Howard.

Miss Holmes replied in very suitable terms expressing her sincere appreciation and thanks. Several interesting speeches were then delivered by a number of gentlemen present. The evening was concluded by the serving of a very dainty lunch, after which all dispersed feeling that they had spent a very enjoyable evening.

—March came in balmy and lamblike, but the month of storms did not remain on its good behaviour long after its arrival. Following a day's thaw last Thursday, the wind veered to the northwest bringing a pronounced cold wave in its wake. Since then the weather has continued very cold and stormy. The high winds make it very disagreeable outdoors. The icy sidewalks constitute another source of discomfort that calls forth no end of grumbling. About the only crumb of consolation we have comes from the knowledge that old King Winter and his frosty forces must soon be put to utter rout. Then too there is some comfort and perhaps some measure of truth in the oft repeated saying that the harder the winter is the better will be the spring.

WHEN BABY IS CROSS.

Mothers, when your baby is cross—when he cries a great deal and no amount of attention or petting cheers him—something is the matter. It is not the nature of little ones to be cross and peevish—the well child is a happy child. Give him a dose of Baby's Own Tablets and he will soon be well again. The Tablets are a mild but thorough laxative which regulate the bowels and stomach; banish constipation and indigestion; break up colds and simple fevers and relieve the other minor ills of little ones. Concerning them Mrs. Oscar Bedard Ste. Sophie, Que., writes:—"Baby's Own Tablets are an excellent remedy for constipation. They relieved my little one when nothing else would and I can strongly recommend them to all mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

GEO. H. SMITH.

George Herbert Smith, a son of the late James Moore Smith, Wellington St., died at Tate, Sask., on Tuesday, March 2nd, after a short illness from Spanish influenza and pneumonia. Deceased was 33 years and 3 months of age and is survived by a young wife and two children. He had been living in the West for about fifteen years and was home a little over a month ago to visit his father, who was then ill. When leaving he told the family that he would be home again before long to pay his father another visit. The latter died about three weeks ago and such is the uncertainty of life that the son, instead of being permitted to return for the promised visit, was himself brought home in a death casket. The remains arrived here on Monday, the funeral taking place from the home of his brother on Wellington St. to the Forest Lawn Cemetery on Tuesday afternoon. Rev. W. M. Morris conducted the services, and Messrs. Wm Falconer, Wm Clarke, James Thompson, Elmer Patterson, Harold Cruikshank and Brinkman Shaw were the pallbearers. The surviving brothers and sisters are Robert and Charles Smith, of Orangeville, John, of Winnipeg, David and Samuel, of Hamilton, Mrs. S. Newman, Mrs. E. Henderson, of Hillsburg, and Mrs. S. Langford, of Port Elgin. To these and the bereaved widow and children the community extends its sincere sympathy in their time of trial.

MRS. MARY J. M'CONNELL

The person who knew most of the history of Brampton died on Monday last. Mrs. Mary J. McConnell, widow of the late Neven McConnell, was born 90 years ago in what is now Brampton. Her parents came from the north of Ireland and settled here in 1828. The deceased resided in Brampton until six years ago when she went to Toronto to live with her son at 32 Gibson Avenue. She had the unique experience of attending the Brampton Presbyterian Church for upwards of 72 years. Her maiden name was McConnell, the late Wm. McConnell and the late Mrs Crawford, mother of the County Treasurer, were her brother and sister. She was the mother of a large family to whom she was specially faithful and devoted. Three sons survive. They are A. H. McConnell, of Toronto, with whom she spent her closing years; George and James, of Chicago. The funeral took place yesterday afternoon from the G. T. R. station to Brampton Cemetery.—Conservator.

MRS. WILLIAM WIDDIS.

Mrs. Jane Widdis, widow of the late William Widdis, died very suddenly at her home on lot 21, 2nd line, east, Caledon, on Tuesday of last week. Deceased had been ill for two weeks with the flu, but was doing nicely and her physician felt that her recovery was assured. The cause of her unexpected demise was heart collapse. The late Mrs. Widdis was 61 years and 10 months of age and was a daughter of the late George Harkies, Mono Mills, where she was born and spent her girlhood. She had lived in Caledon since her marriage nearly forty years ago and enjoyed the goodwill and respect of a wide circle of friends and neighbors in that township. Her husband died very suddenly on June 15th last. The loss of both parents within such a short period of time has created widespread sympathy for the bereaved family of five sons and two daughters. These are Lorne, of Cleveland, Ohio, Fred, living in Brantford, Edward, of Cataract, Mrs. Arch. McArthur, Cataract, Mrs. Clinton Thompson, Centre Road, Caledon, and Cecil and Norman at home. Deceased was a sister of Mrs. Frank Marshall, West Broadway. There was a large attendance of the friends and neighbors at the funeral, which was held from her late residence to the Forest Lawn Cemetery last Thursday afternoon. Rev. Jenkins Burkholder, of Caledon, was the officiating minister and four sons, Fred, Edward, Cecil and Norman, and the two sons-in-law were the pallbearers.

ROBERT CRISP.

Orangeville lost a highly esteemed citizen this week in the person of Mr. Robert Crisp, who passed away at his home on James St. on Sunday forenoon at the age of 74 years and 3 months. Deceased had only been ill for a short time, the immediate cause of death being heart collapse. The late Mr. Crisp was a son of Mr. and Mrs. Robert Crisp, who came to these parts from England a short time after their marriage. He was born near Sandhill, Chinguacousy township, where he spent his early boyhood. In his childhood Mr. Crisp met with an accident, which crippled him for life, thereby unfitting him for the heavy work of the farm. On the advice of friends he fitted himself for the teaching profession and taught school successfully at Whittington, Violet Hill and Shelburne for twelve years or longer. P. S. Inspector Liddy and Messrs. Andrew and George Robinson were among his pupils. In 1879 the subject of our sketch married Mrs. Wm. Powers and about the same time settled on lot 23, 2nd line, Mono, where he followed farming for ten years. He then moved to Orangeville and embarked in the broommaking business, which he followed for fifteen years. Of late years he has been employed as weighmaster at the C. P. R. stock scales and discharged the duties of this position up to four weeks prior to his demise. Deceased was an honorable, straightforward man, who enjoyed the respect of all who knew him. He is survived by his widow, two sons, a daughter and three stepsons. The members of the family are Messrs. Robt. and Fred Crisp and Mrs. Wm. Hillock, Orangeville, William and George Powers, of Hamilton, and James Powers, of Parry, Sask. Mr Wm. Crisp, of Honeywood, is an only brother. The funeral, which was quite largely attended, was held to Greenwood Cemetery on Tuesday afternoon, Rev. Capt. T. H. Stewart conducting the services at the house and grave. The pallbearers were the sons, Robert and Fred, two stepsons, Wm. and Geo. Powers, and two grandsons, Herb and William Powers. The floral tributes included a pillow from the family, a crescent from Mr. and Mrs. Robt. Crisp and a wreath from the local drovers, Messrs. Andrew Robinson, Geo. Cameron, J. Haslam, Fred Atkinson and T. Wright. Among the friends from a distance were Mr. Robt. Crisp, of Toronto, a nephew, Wm. Powers, Mr. and Mrs. Geo. Powers, Mr. and Mrs. Herb. Powers and Wm. Powers, jr., all of Hamilton, and Mr. Ephraim Strowger, of Erin.

Life is Give and Take Proposition

NO MAN, UNDER MODERN CONDITIONS, CAN LIVE ENTIRELY UNTO HIMSELF.

EACH DEPENDENT ON OTHERS

CITIZEN WHO DOES NOT AID IN BUILDING UP COMMUNITY CAN NOT EXPECT TO HAVE PROSPERITY HIMSELF.

(Copyright.)

There was a time in the world when a man could do pretty much as he pleased. What one man did was of little concern to anyone else, for it had little effect on anyone else. Those days are gone, however, and they never will return. Today, no man can live entirely unto himself. Life is a complicated affair under modern conditions. No one man in any community is entirely independent of all others in that community.

Organized society, in the form of governments, national, state and local, have recognized the new conditions and have decreed that every man must observe certain rules in his relations with his fellow men. He must not do certain things that would endanger the health of other people in his community. He must not do such things as would disturb the peace and quiet of his neighborhood. He muust remember that he owes a duty to his community.

NOT QUESTION OF RIGHT.

A man may say that he has the right to spend his money where he pleases; that no one can stop him if he wants to buy his groceries, his clothes and his furniture in some city miles away from where he earns the money to pay for them. He is right. There is no law to prevent him from doing so, unless it is the law of self-preservation. The man who has the right to send his money away to some distant city instead of spending it at home, also has the right to send his children to that city to be educated in the schools, which his money helps to support, but he doesn't exercise that right. He sends his children to the local schools, the maintenance of which is made possible by the men who spend their money at home.

Life in any community today is a give-and-take proposition. A man can not take everything and give nothing and get away with it for any great length of time. He can not take his living from a community and give nothing back to help the other fellow make a living. If he cuts off the other fellow's living, he is bound eventually to cut off his own, for unless the other fellow has money to buy his labor or his goods he cannot make a living himself.

You may say that what you buy doesn't amount to much and the money that you send away to the mail order houses in other cities can not have any great effect upon the general business conditions in your town. Maybe it doesn't amount to much and maybe it won't have any great effect upon the community's prosperity in itself, but what will be the result if every person in the community, or half of them, or a tenth of them, take the same view of the matter. Your business, in itself, may not amount to much, but taken together with the business of a hundred others in the community, it amounts to a great deal. It amounts to the difference between a prosperous community and a "dead" one. It amounts to the difference, in the end, between good times and bad times for yourself and your own family. If you lived on a desert isle, it would make no difference where you sent your money, because it would make no difference whether you had any money at all or not. But you are not living upon a desert isle. You are living in a modern community. To do everything possible to build up that community is not only a duty which you owe to the community, but—more important still—it is a duty which you owe to yourself.

TAXES WILL INCREASE.

You have children to educate. You want your community to have good schools so that your children may have the same advantages that the children in the big city have. If you live on a farm you need good roads over which to haul your products to market. You may say that you pay your share of the taxes out of which the schoolhouses are built and the roads constructed. Maybe you do pay your share, in proportion to the value of your world's goods, but where is the other fellow to get the money to pay his share of the taxes if, after you pay your taxes, you send the remainder of your money to some other community to help build their schools and construct their roads. The merchants of any community pay a very considerable part of the taxes collected in that community. Go to the tax books and you will find this to be the case. When the business of the merchant falls off and he carries smaller stocks and has less money in the bank, he pays smaller taxes, and as the amount he pays in taxes decreases, the amount you pay must increase if the schools are to be maintained and the roads kept up. It may be a man's own business if he wants to send his money to help build up the big cities where the mail order houses flourish, but it's poor business for himself as well as for everybody else in the community in which he lives.

INCONSISTENT CHURCH MEMBERS.

Orangeville, Feb. 17, 1920.
Dear Editor,—
Will you allow me space in your columns for the following lines. I am no scholar, but with your help we may make my article readable.

At this time in the Church's history, when the different churches are going in for a higher spiritual life, would it not be wise for professing Christians to get right with God themselves. There is a passage in the Bible, which says there is a way that seemeth right unto a man, but the end thereof is the way of death. Here is a certain church,—I do not mean any particular denomination,—but a certain church, whose members and leaders are all good citizens, loyal to the church, pay their debts, and I think their pastor regards them as a lot of nice fellows. So they are, but I go to church with them, do business with them, work with them and live with them. I know them personally. I hear them taking God's name in vain, using such expressions as "By God," "O, God," and that other ugly word that starts with B. I saw two or three of them together the other day and they were making use of such words as g— d— "By Jesus" and that other word that starts with H. Sometimes I hear one of them calling his little boy a little b— or a little d——, and they don't think anything of it. Now I think every Christian man or woman will agree with me that if our religion has not lifted us above such language as this it has not done very much for us. If we are really Christian our presence will create a moral atmosphere wherever we are. There are too many people who misunderstand the Bible passage which says, "If we say we have no sin we deceive ouselves and the truth is not in us, but if we confess our sins He is faithful and just to forgive us our sins" and to cleanse us from all this dirty, smutty language. It does not mean that we can repent and confess our sins once a month or once a quarter and then go on and sin again and live as we please. We do not need to commit any of these wilful sins to make us sinners. It means that the true Christian, if he looks back over the last quarter, or month, or week of his life, will see something in his life that he has to confess and ask God to forgive. There is no confession, or reventance, or forgiveness, unless we make up our minds to forsake our sinful ways and live a new life.

My motive for writing these lines is that we may ask ourselves as professed Christians or loyal Orangemen if we do any of these things.
A Critic.

The neighborhood met at the home of Duncan Worden, near Grand Valley, to say good-bye before he and his wife leave for their new farm above Arthur. During the evening Mr. and Mrs. Worden were presented with a handsome cabinet grafonola.

SHE HAD SUFFERED FOR TWENTY YEARS

Mrs. Doyle Eats Anything She Wants Now.—Has Perfect Digestion and Nerves are Calm.

"I certainty have cause for being grateful to Tanlac, since it has overcome a case of stomach trouble that had bothered me for twenty years," said Mrs. Annie Doyle, who lives at 240 Paradise Row, St. John, N. B.

"For the past twenty years I have hardly known what it was to eat a good meal without being troubled afterwards," she continued. "I would bloat up with gas until my heart palpitated something awful. What I ate soured on my stomach and caused me to have a heavy, distressing feeling all the time; I got awful dizzy sometimes and often I had fearful headaches. I was so nervous that the least noise out of the ordinary startled me, my blood was in bad condition and I had a continual pain in my side. I was so weak that I could not do my housework and I got so little pleasure in life that I had lost all interest in everything.

"After I read in the paper how a minister had received great benefit by taking Tanlac I made up my mind to try it myself. I began to feel better after the first few doses and I continued to improve until now all my twenty years' troubles have disappeared. I can eat anything I want and digest it without the least bit of trouble, gas has quit forming and I am no longer troubled with palpitations or with dizzy spells. The pain in my side is gone and the headaches are a thing of the past; my blood is in fine condition and I am sleeping better than I did; my nerves are steady as can be, in fact I am never troubled in any way and I have gone back to doing all my housework. I have every confidence in Tanlac, for it has put me in better health than I have enjoyed in years."

"Tanlac is sold in Orangeville by C. V. Jeffers, in Grand Valley by G. E. Morrow and W. T. Edmonson, and in Shelburne by J. E. A. White."

Mr. James Hopcraft has sold his farm adjoining Bolton station containing 75 acres for $9,000 to Mr. James Norris of Albion and has purchased Mr. James Thompson's farm, 11th line, King, 100 acres for $11,000. The transfers take place next fall.

Some person entered the residence of Mr. Chas. Jaffary, of Bolton, by breaking a rear window and tossed things around. The thief evidently cut himself on the broken glass as blood stains were to be seen. Mr. Jaffary is spending the winter in the city with his daughter, Mrs. Dalziel.

The second death from sleeping sickness that has occurred in the Owen Sound district during the winter is that of Mr. L. Privat of Williamsford. Mr. Privat was a well-known storekeeper at Williamsford, and is a man of 60 years of age. He had been suffering with the disease for upwards of a month.

Mr. Oliver Graham who returned from the west early in the winter has decided to remain in his native township, East Luther. Last week he bought Edward Townsend's 200 acre farm, lot 29, con. 8,200 acres, toether with stock, including 40 head of cattle, horses, implements and household furniture for $16,000 cash.

A peculiarly sad death was that of Mrs. James Farrell, which took place at her home on the 9th of Arthur after an illness that had every appearance of being the dreaded sleeping sickness. Deceased was in a state of stupor for eleven days, did not open her eyes, and could be aroused at times only enough to take nourishment.

Owing to the lack of accomodation at the Kitchener Orphanage, it has been decided by the Directors to sell the present property in that city, which is surrounded by large industries. The 12 acre plot of ground on the Natchez Road, east of the city, has been purchased from Henry Brubacher. It is proposed to erect a $50,000 institution on this property.

The Hon. R. H. Grant, minister of Education, announces the appointment of Frank S. Rutherford, B. A. Sc., at a salary of $3,500 per year to the position of organizer for the industrial and technical education, made vacant by the resignation of K. S. MacLachlan. Mr. Rutherford is a son of the late H. A. and Mrs. Rutherford, former residents of Bolton.

Mr. John Large, of Shelburne, had a narrow escape from being burned to death in his residence recently. He was asleep on a couch with a lighted coal oil stove near by. In some way the couch ignited and the fire had reached the sleeping man's clothing when Mrs. Moncrieff, who had had her suspicions aroused by the smell of smoke, arrived on the scene to investigate. She acted promptly and energetically and averted what might easily have been serious consequences.

SAYS THEY HELPED HER ACHING BACK

MRS. ROBERT BAIRD TELLS OF DODD'S KIDNEY PILLS

Belmore Lady states that she was weak and run down till she found relief in Dodd's Kidney Pills.

Belmore, Ont., Mar. 15. (Special.)—"I can assure you that Dodd's Kidney Pills helped my aching back as none others ever did or ever will do."

It is Mrs. Robt. Baird a well known and highly respected resident here who makes this statement. She is an enthusiastic believer in Dodd's Kidney Pills as a remedy for weak and run down women.

"I was both weak and run down all last summer," she states further. "And before my baby was born I used Dodd's Kidney Pills. They helped me in every way. I also had my little boy take them and they benefitted him greatly.

Women who are weak and run down should look first to their kidneys. No woman can be strong and healthy if her kidneys are not doing their full work of straining the impurities out of the blood. Weak kidneys are the cause of nine-tenths of women's ills. Ask your neighbors if Dodd's Kidney Pills do not make strong healthy kidneys.

EDITORIAL NOTES.

It is amusing to notice the eagerness with which some of the Liberal organs seize on every scrap of news that can be construed as evidence of the approaching disruption of the Unionist party at Ottawa. One wonders from the tenor of their criticism just what estimate these journals place on the intelligence of the Liberal Unionist members of the House, who have given and are still giving the Administration their hearty support.

The Town Council will be well advised to move carefully in the matter of the Housing scheme. The high cost of all kinds of building material has made building operations extremely expensive, so expensive in fact as to curtail building operations in many places. It does not appear to be an opportune time for the launching of a municipal housing scheme unless it can be shown that it is absolutely necessary. Even if the Government does advance the money it is the municipality that assumes the responsibility, and it is the municipality that would have to foot the bills in the event of defaults, such as might be expected if times became dull.

The tide of immigration is once more setting Canadawards now that the war is over and the tax-burdened masses of Great Britain and the continent have the opportunity to better their lot in a newer and freer country. The immigration authorities state that in the first ten months of the present fiscal year no less than 102,000 immigrants entered Canada. We have room for them all if they are honest, industrious and willing to conform to our laws and the spirit of Canadian institutions, but there is no room in this country for the undesirables and cast-offs of other lands. This is a time for careful consideration of our immigration regulations. If more stringent restrictions are needed now is the time they should be put into operation.

MARSHALL APPOINTED.

Hydro Engineer succeeds Chas. King as Town Engineer and Waterworks Caretaker.

At Monday night's meeting the Town Council gave Mr. W. W. Marshall, who came to Orangeville from Fergus a few months ago to take charge of the local Hydro system, the appointment of Town Engineer. Marshall will continue to hold his position with the Hydro Commission, so that the appointment has really combined the duties of the two offices. A few weeks ago Mr. Chas. King, who has held the office of Engineer since 1908 resigned following a difference with the Council over his salary. King had been getting $60 a month and free house, free heat and free rent. He asked an increase to $80 a month. This the Council declined to give him, although we understand that the majority of the members were willing to stand for an advance of $10 a month, bringing the salary up to $70 a month. When the Council refused to pay what he asked, Mr. King resigned and the Aldermen countered by advertising for applications for the position.

Seven applications were received, namely, R. A. Reid, Orangeville, Jas. Holmes, Gravenhurst, Wm. Martin, Toronto, Chas. King, Orangeville, at $80 a month, Milton Upper, Petrolea, A. McLauchlan, Kincardine, and W. W. Marshall, Orangeville. Marshall was given the position at $40 a month. He is already getting $100 a month from the Hydro, so that he will draw $140 a month for looking after the two jobs. The new Engineer will take charge on April 1st and will move into the living apartments in the Fire Hall as soon as they are vacated. His official designation, according to the by-law under which he is appointed, is Town Engineer, Caretaker of the Orangeville Waterworks and Overseer of Roads, Bridges and Sidewalks.

Alex. Conley was appointed weighmaster of the C. P. R. stock scales at a salary of $25 a year. The weighmaster will supply his own fuel.

Accounts were passed by the Council as follows:- Sarah King, $15; Sam Street, $4.50; Ed. Delaney, $2.40; and $3.30; J. McConnell, $4.05; W. O. Thomas, $14.85; John Matson, $2.85; C. C. G. Hannah, $6.80; Orangeville Hydro Commission, $8.54 A. A. Hughson, $7.00; Miss E. McLachlan, $3.56; Mail and Empire, $1.04; Dr. Campbell, $5.00; A. A. Hughson, $5.00; T. S. Parkinson, $5.

An account from A. E. Annis, tax collector, for $155 was referred to the Finance Committee to adjust and pay.

Mr D. MacPherson submitted the Public Library estimate. The amount required by the Library is $1617.60.

On motion of Reeve Jeffers, seconded by Councillor Dalgleish, the Clerk was instructed to write the local manager of the Bell Telephone Co. stating that the Company's action in closing the local office to the public at 6 p.m. is a great inconvenience and requesting him to ask the Company to have the office kept open as before the 6 o'clock rule was adopted.

ORANGE JULL DEAD.

Former Orangeville Man Who Became Prominent as Snow Plough Inventor.

Mr. Orange Jull, formerly a well-known citizen of Orangeville, died at his home, 20 Thorold St., Toronto, on Sunday at the age of 75 years. Deceased was born in Trafalgar township in the neighboring County of Halton, but spent the greater part of his life in Orangeville, which was named after his maternal grandfather, the late Orange Lawrence. In his younger days the late Mr. Jull followed the occupation of miller and "Jull's Mill" was one of the best known business places in Orangeville in the early days. Deceased was of an active and inventive turn of mind, and during his residence here applied his energies to the inventing and perfecting of a mechanical contrivance for the purpose of removing the snowdrifts from the railway tracks. In this he achieved marked success and has the distinction of being the inventor of the only two mechanical snow ploughs now in use on the railways of Canada and the United States. He made the model for his first plough, "The Rotary," which was afterwards built to his pattern by the Polson Iron Works, of Toronto. His second invention, "The Jull Centrifugal" was built and placed on the market by the Rogers Locomotive Works, New Jersey.

Seventeen years ago Mr. Jull disposed of his interests here and moved to Toronto, where he has since lived in retirement. He was a pronounced temperance man and an active member of the Methodist Church. He had been a member of the Board of Howard Park Methodist Church for several years. As a neighbor and citizen he enjoyed the esteem of all who knew him, and the news of his demise will be keenly regretted by his numerous friends in Orangeville. He is survived by his wife, who is a sister of Mrs. John Kearns and Mr. C. R. McKeown, ex-M. L. A. of this town. He also leaves three daughters, Mrs. W. E. Stewart, Mrs. A. E. Moysey and Mrs. Clarence James, all of Toronto.

The funeral was held to Prospect Cemetery at 3.30 o'clock on Tuesday afternoon. In the absence of the deceased's pastor, Rev. Dr. Cleaver, the service was in charge of Rev. W. R. Barker, a former pastor, assisted by Rev. Dr. W. B. Creighton, editor of the Christian Guardian, and Rev. G. M. Brown, also a former pastor. The pallbearers were Walker E. Stewart, Clarence James, and Arthur Moysey, sons-in-law, and Worthington Jull, F. H. Clarke and Walker G. Kearns, nephews.

—Mr. Fred. L. McMullen, of Caledon East, underwent a successful operation for appendicitis in Lord Dufferin Hospital a few days ago and is now fairly on the way toward recovery.

JOHN HICKS.

John Hicks, an old resident of Orangeville died very suddenly on Friday afternoon. Deceased was up town shortly after the noon hour and called in some business places on Broadway before returning home. A couple of hours later Mr. Wm. Braiden called at his house to see him and was startled to find the lifeless body of the old man lying on a lounge. He had evidently lain down to rest after returning home and had expired while reclining, probably sleeping, on the couch. Deceased was about 80 years of age and lived alone in what is known locally as the Collins house on Front St. The body was removed to Hulse's Undertaking Parlors, whence the funeral was held to Greenwood Cemetery on Saturday afternoon. The late Mr. Hicks was an oldtime hotelkeeper and was landlord of the Hicks House opposite the Market for a number of years. For the last twenty years he had been in the farm implement business, part of the time on his own account and more recently in the employ of Mr. J. B. McNichol, for whom he worked for several years. His wife has been dead for a number of years. We understand there are two married daughters, one living in Toronto and the other in Vancouver.

LATE JOHN ARMSTRONG

In the death of John Armstrong, which occurred at his late residence, lot 7, 7th line, east, Mono, on Saturday, February 28th, the township of Mono has lost another of its pioneer citizens. Deceased was born and spent the whole of his life on the farm on which he died. He was a man of a quiet and retiring disposition, but was possessed of more than average intelligence and kept himself well-informed on all the topics of the day. He retained possession of his mental faculties and a goodly measure of his physical strength and energy until the last, and in spite of his advanced age of 82 years was able to do his share of the work on the farm up to a very short time before his demise. Deceased was a member of the Anglican church and had worshipped regularly in St. John's church for the greater part of his life. In politics he was a staunch Conservative. His remains were laid at rest in the family plot in St. John's Church Cemetery on Tuesday afternoon following his death. The service was taken by Rev. A. C. McCollum, rector of Mono East Parish, and was in keeping with the life and character of the deceased—simple and quiet. The pallbearers were Wm. Cobean, Mark Varey, W. T. Atkinson, John Maguire, George Lee and George Patterson. The late Mr. Armstrong is survived by a family of three sons and five daughters, namely, Henry, of Bradford, Ont., Herbert and Albert, of Vancouver, Clara, at home, Edith, of Orillia, Mrs. J. J. Laverty, of Orangeville, Mrs. Harold Gregg, of New York, and Mrs. R. J. McEwan, of Mono. A daughter, Miss Elizabeth, died just a month berore her father, making a double bereavement in the family, which has the sincere sympathy of the community in its two-fold loss.

A GOOD CITIZEN.

We regret to learn that Mr. S. H. Rutledge is leaving town. Mr. Rutledge has not only been a good citizen himself, but he has always kept several people in his employ—and it is easier losing citizens of that kind than it is getting new ones.—Shelburne Economist.

As intimated in The Banner last week Mr. Rutledge has bought the Orangeville Monument Works from Mr. Geo. McIntyre.

ALBERT E. COULTER.

It is our sad duty this week to report the death of a former resident of this vicinity, in the person of Albert E. Coulter, son of Mrs. Mary and the late William Coulter, of Caledon. He passed peacefully away on March 3rd at the General Hospital, Ottawa, after one week's illness from blood-poisoning and Influenza. His death occurred under very trying circumstances as Mrs. Coulter was in the Maternity Hospital with a baby boy one week old. The deceased, who was in his 42nd year, was born in Caledon on Nov. 7th, 1877. He attended the school on his home farm, and spent the early part of his manhood in this community where he was well and favorably known. He was a young man of industrious habits, high ideals and noble purposes, qualities which won for him the respect and esteem of all who had the pleasure of his acquaintance. On Dec. 27, 1916, he married Miss Katie E. Erskine, of Ottawa, who, with a family of two little sons, two years and one week old, respectively, are left to mourn the loss of a true and faithful husband and a devoted father. He is also survived by his mother, Mrs. M. Coulter, three sisters, Mrs. James A. Cameron and Mrs. D. A. Cameron, of Alton, and Mrs. A. Beamish, of Erindale, and four brothers, T. H. Coulter, of Orangeville, W. G., Alton, R. B. and Cas. W., at home. He was a member of St. Paul's Presbyterian Church, Ottawa, and his pastor, Rev. J. R. Watts, conducted the funeral services at the house and grave. Many beautiful floral gifts bore mute testimony to the sorrow and esteem of friends of the family. These included, Pillow (Daddy); Wreaths, Mrs. J. H. Erskine, Mr. and Mrs. D. A. Cameron, Mr. and Mrs. J. A. Cameron, Mr. Richard Spratt and family, Mr. Andrew Spratt and family; a Cross, Brothers, and Sprays from Mother, Mr. J. B. Boyce, St. Paul's Circle King's Daughters and Mr. and Mrs. M. B. Rimmer. To the bereaved widow and children and all other friends, this community extends its sincere sympathy in their time of trial.

Tread softly friends, dear Bert's asleep
In Death's last long repose,
A happy rest his body keeps
Relieved from all earth's woes,
The Lord through death has called him home
From earth and all earth's pains,
To live redeemed with Him in Heaven,
Where peace abounding reigns.
And may we all while here on earth
Live to the Lord alone,
That we at last may with Him meet
Before the great white Throne.

WIDOW OF METH. MINISTER

Some of our older readers, who remember the Rev. R. L. Tucker occupying the pulpit in the Methodist Church in Orangeville, will read with interest the following notice from the Christian Guardian of February 26th:

"We regret to record the death in Toronto of the widow of the late Rev. R. L. Tucker and daughter of Father Wm. Lyle, one of the pioneer ministers of Canadian Methodism. Mrs. Tucker had reached her 91st year. She leaves four daughters, Mrs. J. Bowens, Miss E. S. Tucker, Mrs. Elsie Smith, of Toronto, and Mrs. A. J. Weir, of Teeswater."

"BILLY" HILL DEAD.

In a recent letter to his parents, Orangeville, Mr. G. M. Endacott, of Sheriff and Mrs. H. Endacott, of Vancouver, states that Mr. William Hill, who was a clerk in Crozier and Fleming's grocery store in Orangeville a number of years ago, died in that city on February 20th. We understand that the end came quite suddenly. Mr. Hill arose at the usual time in the morning, but complained that he did not feel very well and finally went back to bed. When his wife took him his breakfast a little later she was shocked to find that he had passed away. Heart trouble was the cause of his sudden demise. Deceased had been working in the Hudson Bay Company's store in Vancouver.

He was 55 years of age and is survived by his wife, two brothers, Geo. Hill, in Ontario, and Joseph Hill, in California, and two sisters, Mrs. Adam Hulse, of Toronto, and Mrs. Kellam, in New York.

Two-Party Line Telephone Service

NECESSARY curtailment of new construction during the war, followed by the unprecedented development since the armistice, have resulted in a universal shortage of telephone material.

In order to utilize our supply of equipment to the best advantage, to reduce delay in installations to a minimum, and to avoid refusing service to anyone, we ask those intending to order telephones to consider the advantages of two-party line service.

The cost to the user is substantially lower than for individual line, and the service of a high standard.

We will be glad to furnish full information to anyone interested.

MONO MILLS.

Well, what has happened dear old Mono Mills? Even though this is Leap Year I have seen scarcely a word from the old burg or vicinity in The Banner. Fearing that something untoward had happened I decided to make a visit to the former bustling "hub". Great was my surprise upon arriving to find that business had almost ceased. The store was closed, the blacksmith shop closed and most of the citizens were sick with the flu. About the only persons who seemed to be "carrying on" were Dr. Dunning and Dr. Fagan, V. S. I then set out to make a few calls on oldtime friends. Among those whom I visited were Geo. McCulloch, Geo. Speers, Herb. Wilson, Butt Bros. and Joe Parker. The last named told me that he was making his last trip down this way. As I was getting tired and hungry I finally dropped into Jim Kidd's where I remained all night.

We understand that Messrs. John and Alf. Butt and Sam Woulfe are leaving for the West about the 20th.

Deaths and removals have made a number of changes in and around our little village.

Miss Edna Atkinson, who has never fully recovered from the effects of her vaccination, is home for a few days.

Mr. Stork, who has been very ill, is slightly better at present.

Mr. and Mrs. Richard McCandless are leaving Mono Mills shortly. We understand they are moving west of Orangeville.

We understand that Mr. John Jackson, who has been sick with the flu, is now recovering again.

MELVILLE CROSS.

The warm sunny days of last week melted the ice in the Credit and we really thought that winter had broken up and spring was here, but since then another cold snap has brought winter weather again and the snow is flying today.

Mr. Albert Sawden is spending a few days in Toronto this week hearing the debates in the Legislature and taking in the sights of the city in general.

The problem with the farmers (and others) now is, Why does the price of potatoes keep up so high.

MELANCTHON.

The beautiful springlike days of last week put everybody in such a glow that some tapped the maple trees. We understand there was a copious flow of sap. It is expected that the present will be a good season for making maple syrup on account of the very heavy blanket of snow during the winter.

Mrs. James Brown is visiting with friends in Toronto.

Our esteemed local member for Dufferin, Mr. T. K. Slack, M. L. A., is in the City these days attending the session of the Legislature.

Mr. and Mrs. Claude Carson have moved to Mr. Geo. Shoaff's house north Main Street.

We are pleased to note that our popular pastor, Rev. Mr. Stotesbury, intends to remain on this circuit for another year.

We are pleased to report that those who have been suffering from the "flu" epidemic, are now convalescing.

WALDEMAR.

Mr. Wilfrid Grosskurth has purchased the Bland farm on the 7th concession of Amaranth from Mr. F. Bland, who will move to the Bland homestead on the Amaranth-East Garry townline. We understand that Mr. Grosskurth pays $5800 for the property.

Mr. and Mrs. Robert Robinson, of Keldon, have moved to the Thomas Rennick farm in the 10th con. of Amaranth.

Mr. John Gilder held a very successful Auction Sale on March 10th. Good prices were realized for everything offered. Mr. and Mrs. Gilder and the latter's mother, Mrs. Benham, are moving to Orangeville. They are good citizens and we are very sorry to lose them from our community.

Mr. Geo. Lomas, another of our well-known farmers, also held a successful Auction Sale a few days ago. Mr. Lomas will move to Grand Valley in the near future.

Mr. and Mrs. Geo. Barnhardt have returned home after spending a couple of weeks with friends in Shelburne and Maple Grove.

Mr. and Mrs. John McLeod, of Orangeville, have moved to Miss Maggie Burnett's residence in the village. We welcome them to Waldemar.

Mr. Garfield Tolton is spending a few weeks with his brother, Garfield, near Markdale. Some of our people are wondering if Garfield will bring home the missing rib.

Mr. John McFadzean has purchased the 50 acre property north of the village, formerly known as the Jesse Cooper property, from Mr. W. P. Tolton. We understand that the price paid was $2150.

We wonder if any of the ladies on the 9th line have contracted Graves' disease.

Quite a number of the people in this vicinity took in the Orangeville monthly fair last Thursday. They report a big Fair notwithstanding the extremely poor roads.

AFTER EFFECTS OF INFLUENZA OFTEN SERIOUS

Victims Are Left Weak, Tired and Mentally Depressed—Tonic Treatment is Strongly Recommended.

No pestilence in years has caused more widespread suffering than the epidemic of influenza which swept over Canada in the fall and winter of 1918-19 and again this winter. The danger from this trouble is seldom over when the characteristic symptoms, the fever, headache and the depression of spirits have passed away. Influenza leaves behind it weakened vital powers, thin blood, impaired digestion and over-sensitive nerves. Men and women who were robust before stricken with influenza find their bodies racked by pains previously unknown to them. This condition is due to an abnormal thinning of the blood and leaves the system an easy prey to other serious troubles. This is the time when the convalescent from influenza should build up the blood, with a reliable blood-making tonic such as Dr. Williams Pink Pills. Weak blood means impoverished nerves, impaired digestion, a feeling of tiredness after even slight exertion, and sometimes even more serious symptoms. When the blood regains its rich red quality the nerves recover their strength and the organs of the body function naturally. In fact building up the blood will vitalize the whole system.

The experience of Mr. Andrew Marty, Bathurst, N.B., will prove of value to a host of influenza sufferers who still suffer from the effects of the disease. Mr. Marty says:—"The new life and consequently new hope brought into my life through the use of Dr. Williams Pink Pills is almost beyond my power of expression. Following a severe attack of influenza in 1918 I found myself rapidly failing in health, and was naturally much alarmed. I began to lose in weight, could not eat, did not sleep well, and in a word I was reduced to a mere shadow. I was forced to discontinue work because of my weakened condition and things had a very blue outlook. I tried a number of suggested remedies, but without benefit. And then one day Dr. Williams' Pink Pills were suggested to me. I acted on my friend's advice, began taking these pills and soon felt an improvement. Every day I seemed to grow stronger, and after four weeks' treatment I felt fully restored to my oldtime health. From my own experience I feel that, if given a fair trial, there is no medicine superior to Dr. Williams Pink Pills in building up a run down system."

Dr. Williams Pink Pills are a tonic not a stimulant. They build up the blood, and not only the disastrous after effects of influenza but also troubles due to poor blood, such as anaemia, rheumatism, indigestion and the generally worn-out feeling that affects so many people, disappear. You can get these pills through any dealer in medicine, or by mail at 50c. a box or six boxes for $2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

HOSPITAL NOTES

The meeting of the I. O. D. E. at the home of Mrs. J. Z. Henry on Friday evening, March 12th, was well attended and was thoroughly enjoyed by all who were present. Mrs. G. H. Smith, of St. Catharines, Provincial Educational Secretary, gave a comprehensive address on "The War Memorial Work." The plan is to develope patriotism in our new Canadians, as well as to educate the children of the soldiers. The local Chapter has already donated $100 to this work and has pledged itself to contribute the further sum of $200. The effect of this work may not be seen for some time, but undoubtedly any measures that contribute to the uplift of any class of our people will assist in raising the standard of our common Canadianism.

PARKER-ARLOW.

On Wednesday, the 10th inst., at the home of the bride's parents, Mr. and Mrs. James Arlow, Mono Mills, the marriage was solemnized of their oldest daughter, Eliza Hyacinth, to Joseph K. Parker, eldest son of Mrs. and the late Mr. James Parker. Rev. J. A. Mathieson, B.D., was the officiating clergyman. Escorted by her father the bride, who wore a travelling suit of navy blue gabardine with hat to match, entered the parlor promptly at 3 o'clock to the strains of the wedding march played by the groom's sister, Miss Bertha Parker. After the ceremony a sumptuous wedding repast was served. Among the numerous presents received by the bride was a handsome set of furs from the groom. Mr. and Mrs. Parker will reside in their beautiful home on the Adjala townline. Their many friends extend their hearty congratulations and good wishes.

LAUREL.

Last week's scribe seems to be a very enthusiastic reader of our esteemed local paper. If the readers will kindly look over their old copies of The Banner they will note that the Laurel news agent has copied the form of composition practiced by some of the scribes who have been writing from neighboring villages to the east.

Why could Mr. Reporter not give us something original? For instance, why didn't he take the trip in Geo. Hornett's new auto-aero-hydroplane. Or if that highly complicated piece of machinery proved too great a strain on his highly-strung nervous system, he could have stood on Robt. Greason's barn and described the doings of the whole neighborhood with a spy glass.

We wonder:

How Nelson Langtree got home from the Fair?

How Harold Gooding enjoyed the first swim of the season?

How the skaters made out on Sunday night?

If E. Fleming Dynes considers the flu scare over.

How G. E. Gordon's pumpkins are keeping?

What A. Harrison thinks of John Pratt's horse as a mail carrier?

Why Jackson quit going to the 2nd line?

Stop! Look! Read! Don't forget the Parliamentary Epworth League meeting on Friday evening, Mar. 19. There will be a special Missionary meeting, when Rev. Capt. Caswell will deliver an address on the subject of "New Canada." A splendid programme is being prepared. Ice cream and cake served at the close.

Our village is all clear of the flu again and now that the weather has moderated we think that we will not have any fresh cases.

Owing to the bad state of the roads Mr. John Pratt, mail carrier on R. R. No. 1, finds it necessary to employ an assistant. We understand Art Richardson is the assistant as he has been taking evening lessons for some time.

Miss Ada Dobbin, of Toronto, has been spending a week with her sister, Mrs. J. A. Hughes.

Owing to the condition of the roads the Singing School was cancelled on Saturday night, Mar. 13th.

W. R. Grosskurth and family attended the opening of the Provincial Parliament last week.

Messrs. Ewing and McBride believe in making hay while the sun shines.

Several of our young men are leaving for Western Canada this week.

Mr. and Mrs. E. Richardson got a sudden call to Peterboro last week owing to the death of Mrs. Richardson's sister.

Mr. Herb Hughes says Laurel must have Hydro power this year.

We understand that Capt. Caswell, of Toronto, is going to lecture in the Methodist church next Friday evening on "Canada and the Young People." The lecture will be under the auspices of the Epworth League.

John Maltby says we can have a good skating party at Laurel any night now and the young ladies can supply the coffee and cake.

CHOOSE the BEST Fertilizer

INSTEAD of pricing the next fertilizer you buy—investigate first the quality. For it is quality, not mere bulk, that gets results. The time to ask the price is when you have made sure of quality.

We can prove to you—and the proof we furnish will be borne out by your own experience later—that Harab-Davies Fertilizer is the best that money can buy.

It's qualities are the result of knowledge—not guesswork. It contains Nitrogen or Ammonia, Phosphoric Acid and Potash. The Ammonia, which is the plant grower, is derived from materials which dissolve in the soil-water in proper order as the season progresses. This results in a crop that is not only larger, but better in quality—and stronger.

THE HUNTER FIRE.

Report of Investigation by Inspector Graham.

The influence of lightning rod installation as a protection against lightning is attracting general interest just now owing to the proposal to introduce legislation to make the use of lightning rods compulsory on all barns. The report of Inspector R. R. Graham, who investigated the burning of the Hunter barns at The Maples last summer is full of interest because of its bearing on the question of lightning rods. The report as set forth in a departmental circular reads as follows :-

On the morning of July 27th last the large barn of Mr. W. H. Hunter, Hereford breeder, near Orangeville, Ont., was struck by lightning and completely destroyed by fire during a severe thunder storm. A large pig pen and machinery shed near by were also destroyed. The barn was rodded against lightning, but the other buildings were not. The fire occurred in the barn and spread to these adjacent buildings, they being close by. I visited the premises on Nov. 12 and secured what facts I could by examining the wreckage and asking questions of the members of the family present. Unfortunately for me, Mr. Hunter was away that day, but since then I have received from him by letter some information that has assisted me in arriving at a definite conclusion as to the cause of the barn being struck and burned, though rodded.

As I have said, the barn was a large one. Seldom would one find a larger, better equipped and more up to date one in the Province. The main part, including a manure shed, was about 100x125 ft., and at the rear there was an annex 30x55 ft. It was built entirely of wood except the foundation, which was constructed of stone and 9x10 ft high. Most of the basement under the main part was used as a cow stable, that under the annex as a horse stable. In the main part there were spacious floors and large mows for feed; also mow over horse stable. At one side of entrance to barn floor there was a concrete silo not rodded, nor is it damaged in particular. On the opposite side of the main barn and in line with the front end of it there was an annex 30x50 ft, part used for slaughter house and part for weigh scales. This annex was rodded, the rodding system on it being connected to systeme of rods on main barn and horse barn.

All the eaves were fitted with eve troughs and conductor pipes. The rain water thereby being emptied in to a large concrete cistern beneath the ground near the barn. In the top of the barn there was a complete system of steel hay fork tracks, and in basement litter carrier tracks and water pipes. In the basement there was an acetylene lighting plant that furnished light for both house and barn. On the barn floor there was a chopping box. When the fire occurred there were two wagons on the barn floor. There was no wind mill on the barn.

The system of rodding consisted of four main cables or rods joined together and about 11 points. The main cable ran along the peak of the main part of the barn, one end being grounded in seven or eight feet of earth at west end of the barn at a point about 6 feet from the corner, and the other end after reaching the opposite end of the peak, ran down the end of the roof half way and then up the west end of the roof of the horse barn annex to the peak and down the other side to the ground where it was grounded in 7 of 8 feet of earth. A second portion of cable joined this one at the peak of the horse barn, ran along the peak of it and was grounded at the south end. A third portion joined the cable on the main barn at the peak several feet from the south end and ran directly down the opposite side to earth. A fourth portion joined the main cable near the west end and ran down to the peak of the slaughter house and weigh scales annex along the peak and was grounded at the end of it. There were five points on the main barn, four on the horse barn and two on the slaughter house and weigh scales annex.

The kind of rod is what is commonly called the iron centre rod, in this case a small round solid iron rod covered with copper wires wound spirally. There were ten of the wires about No. 12 in size, and they completely encased the iron center. It had been on the building about 12 years and was so far as I could see from the wreckage, or find out, in very fair condition. Some parts of it, however, showed the iron center pretty badly rusted. The points were pieces of the cable about five feet long with upper ends arranged brush like.

The objectional features of the system were, first that the rod was of the iron-center type, and therefore is not a long lived kind of rod, because it rusts out in time. It had not been on this building long enough to be worn out, so I do not believe this feature requires serious consideration in this case.

All the splicings of the rods in the system were very poorly done and many of them were quite loose. The rods were merely tied together by 3 or 4 single wires twisted, whereas they should have been joined by special connections.

The rods were brought down the ends of the buildings instead of down the corners, and were kept away from the walls by means of metal dispersers instead of being nailed or stapled on the boards.

None of the metal parts in the building, as eve troughs, conductor pipes, litter carriers, hay fork tracks, water pipes, acetylene lighting plant, etc., were grounded through the rodding system itself or separately. This to my mind was the most serious defect in the installation of the rods as explained more fully later.

Theory of the fire—In the first place, I desire to emphasize this fact, namely, that the building was probably struck by a heavy bolt of lightning. Some parties reported to the Hunter family that they saw a bolt of lightning strike the building. Mr. Hunter and other members of the family told me the storm was one of the severest they ever saw. Granted that this be true, probably no kind of rod or system of rodding would have availed anything against it. However, I would not feel justified in dismissing the case thus. There is a theory that I believe applies here and one which many people have seen verified in their actual experience, namely that metal bodies not connected to earth become charged with electricity during a thunderstorm, and if the storm be severe enough the charges on them will become so great that they will jump considerable distances along paths of the least resistance in order to get to earth, and the sparks generated will set fire to any inflammable substance between, and the more combustible the material the more likely that a fire will follow. In this large barn there were many metal parts as enumerated before, none of which were grounded, and considerable fresh hay and some straw in different parts of the barn. If the storm was half as severe as reported, it is reasonable to believe in view of this theory that all metallic parts became so highly charged inductively with electricity, especially when the bolt occurred, that they all discharged to earth through the contents of the building, fire ensuing. The family told me that the fire seemed to be everywhere throughout the barn at once, a fact that would be in accord with the theory, for the discharges throughout the building would occur pretty much simultaneously. In all probability a proper grounding of all metal parts, as litter carrier track, hay fork track, eave troughs, water pipes, etc., and tighter joints throughout the rodding system would have prevented their charging to the discharging point and hence the prevention of the fire, as the charges would have leaked away to earth quietly, and in all probability no stroke would have occurred. It is my opinion then, that had the metal parts on and within the building been well grounded, and had the connections in the rodding system been tight the barn would not habe been struck and burned.

"Why I Left the Farm!"

Why did you leave the farm my lad?
Why did you leave your poor old dad?
I left the farm, but one reason to go,
Because I loved my parents so!
They nourished and clothed me with special care,
The reason I left is no fault of theirs.
But my father works from before daylight
Until away far into the night.
He has eight hours sleep and sixteen of toil
Caring the stock and tilling the soil.
While I, in the city, have eight for sleep,
Eight more for work, and eight to keep,
To use for reading or other pleasure.
(My father has precious little leisure.)
When zero weather begins to come,
He rises early in the gloom
He lights his lantern and goes to the barn,
For there are many chores on the farm.
His cattle must all be fed meal and straw,
His calves turnips and chaff, and you never
Saw how greedy the pigs are after their slop
The sheep, too, bleat for their feed of clover,
While the hens get grain before the chores are over.
Then off comes his cap, vest and jacket,
And in his shirt sleeves he goes right "at it"
To clean out with barrow, scraper and fork
The manure from behind the stock. It is hard work.
Then wishing the pangs of hunger to abate
He hikes to the house where breakfast'll await.
When his breakfast is complete
He goes and cuts wood, for he must have heat.
At noon he plods home through the snow
And does all the feeding again, you know.
The afternoon is again spent in the bush
Or perchance, hauling out manure, in a rush
To cover the fields and enrich the soil,
For he must have crops to reward his toil.
There's the grain to be hauled to the mill
To grind into chop the store-pigs to fill.
The Winter goes round with each day full,
And Spring is in sight with never a lull.
The fences to build and the stones to gather
And more and more work for my poor old father.
Then when the fields are fine and dry
He hitches his team and goes out with a sigh
When the fields have all been sown
Does he sit down and wait till the grain is grown?
No; I have never seen my parents idle,
Never a day since I left the cradle!
My aunt from the city said to me:
"How your mother makes out I cannot see,
For I have no cows to milk, no separator to speed,
No milk to carry the calves to feed,
No cows to take back to the clover,
Nor hurry to wash the separator over,
No chickens or hens to feed and water,
Nor from a well, do I carry the latter
When my dinner I commence to prepare,
I turn a button and the heat's right there,
But your mother has to carry wood
To make a fire to cook your food,
Her house is also clean as mine,
I don't know where she finds the time.
Of sewing too she does a good share;
As for stockings, she knits many a pair.
She kneads and bakes all her own bread,
For hungry persons must be fed.
Her pies, biscuits and fancy cakes,
With her own hands she also makes.
To get butter, too, she has to churn
And the cream is very heavy to turn.
Then, when she has churned almost an hour,
And feels as though 'tis beyond her power,
The smooth cream begins to break,
From this then, the buttermilk she'll take.
Butter must be washed and dressed,
Before it's considered at its best.
We think the butter is very dear
But when we consider her work, in here,
A dollar a pound seems barely ample
To pay for the stuff for it's such a good sample."
I heard my aunt's sensible talk and was glad
That she appreciated mother and dad.
But I said to her: "Auntie 'tis hardly fair
That we've such a good time while they slave out there.
Why when the criminals they want to punish
They're sent to a farm to work to a finish.
"Why, before I'd go to the farm" mem say
"I would live in rags on one meal a day."
Do you wonder at me for leaving my home?
It's love I'll remember wherever I roam.
But, remember, I've committed no crime
So I'll go to no farm to serve my time.
My Sunday I can call my own
'Tis slightly different from Sunday out home
When we consider the amount of work to be done
From the rise of the morn to the set of the sun."
Now why should we this state of affairs endure?
What can be done? Is there no cure?
The farming industry is the parent work.
Why does the farmer have to work "like a Turk!"
We should earn our bread by the sweat of our brow
But I'm afraid many are forgetting how.
If each man, or woman, did his or her share
We all could have plenty and time to spare
For healthy amusements and spiritual things
But when people are lazy these things take wings,
If the farmer were on strike to go
And leave the plow, the fork, the hoe,
For higher pay and shorter hours,
And sit around in sunny bowers,
I wonder where the city belles
The merchants, brokers, all the swells,
Would get the wheat to make their bread,
The beef, the pork, the fowl he fed;
Now my dear good friends just listen to me,
The time is coming, (if you live you'll see)
When the farmers sons from the city will stand
As well as clerks, merchants, tailors, upon the land
To till the ground and harvest the crop
And Agriculture will be on top
Of all the industries of this fair Dominion,
Now this is wise men's candid opinion.
The farmer's son, then, will have his share
Of pleasure, recreation, freedom from care
But, until this time comes, can you blame the boy
If he leaves the farm for the city's joy?

"LIFE OF NELSON"

A National Picture That Throbs With Emotion Will be Shown at the Gem Theatre on Wednesday and Thursday Next.

Discussing with Miss Malvina Longfellow the part she had played so well as Lady Hamilton, she said: "I think I've read every life of both Lady Hamilton and Nelson. I think I can safely say that I've thought of nothing but Lady Hamilton for the past year. When I had read everything I could relating to the part," she continued, "I surrounded myself with the things I thought Emma would have loved. I designed my dresses and hats of the period, and I was careful, while not exactly copying her paintings, to give the public the Emma that Romney and historians have made so well known."

Donald Calthorp, who played the role of Nelson, says: "I collected about forty pictures and photographs to help me with my make-up, which, as you can imagine, was a tremendous job every day. People were very kind, for from all over the country I used to get unknown photographs with letters saying, "I think this might help." They were things one could not find in an ordinary "Life" —heir-looms, in many cases handed down and treasured for generations.

"When I went on board the "Victory" marines were drawn up and they gave me the salute. Commander Ruddy came forward and saluted, and then I was taken round the ship and shown everything just as though I was a rear admiral. It was really affecting and to my mind clearly shows how strong the memory of Nelson is."

This historical picture will be shown at the Gem Theatre on Wednesday and Thursday next.

—Everytime Spring makes a coy attempt to embrace Winter the old fellow gets real churlish and the dainty young lady is treated to a cold rebuff. He doesn't seem to believe much in Leap Year.

—Writing The Banner from La Jolla, California, on March 11th, Mr. C. W. Mack, of Belfountain, says: "To-day weather is 78 in the shade. All doors and windows wide open. Much warmer outdoors in the sun. Our cottage is not more than 200 ft. from the wild rocky ocean shore."

SPRING WEATHER HARD ON BABY

The Canadian Spring weather—one day mild and bright; the next raw and blustery is extremely hard on the baby. Conditions are such that the mother cannot take the little one out for the fresh air so much to be desired. He is confined to the house which is often over-heated and badly ventilated. He catches cold; his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or relieving colds, simple fevers, colic or any other of the many minor ills of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THERE'S an aspect of Maternity Hospital work among "unfortunates" that is worth remembering.

WHILE loving hands and brave hearts often fight desperately—though not always successfully—to bring mother and babe through the valley of the shadow, the cry of the newly born often awakens the god-implanted mother love and softens hearts that before had been hardened to every gracious influence.

INDEED the Maternity Hospital Work of the Salvation Army is one of the most blessed and encouraging of all.
